Now & When - Sara Bennett Wealer 2020-07-14

For fans of Jenny Han and Christine Ricci comes a romantic dramedy about a teen girl who stumbles upon a mysterious website that tells her everything she doesn't want to know about her future. There's something about Truman Alexander that Skyler Finch finds incredibly annoying. Actually, several things: his voice (grating), his arrogance (total know-it-all), his debate-team obsession (eyeroll), and his preppy vibe (does he iron his shorts?). She does her best to avoid him and focus on the important stuff: friends, school, and her boyfriend, Eli. His proposal was perfect--just like he is--and the future is looking bright. Or is it? For some unexplainable reason, Skylar's phone is sending her notifications from the future . . . a future in which, to her horror, she appears to be with Truman. As in, romantically. As in, Skyler cannot let that happen. But trying to change the future means messing up the present, and what Skyler sees keeps shifting. Classmates disappear and reappear, swap partners and futures. Turns out there are no actions without reactions, and life doesn't come with a road map. But sometimes the wandering leads you exactly where you need to be, and people--like glitchy phones--are full of surprises.

Time Is a Mother - Ocean Vuong 2022-04-05

An instant New York Times bestseller! The highly anticipated collection of poems from the award-winning writer Ocean Vuong How else do we return to ourselves but to fold The page so it points to the good part In this deeply intimate second poetry collection, Ocean Vuong searches for life among the aftershocks of his mother's death, embodying the paradox of sitting within grief while being determined to survive beyond it. Shifting through memory, and in concert with the themes of his novel *On Earth We're Briefly Gorgeous*, Vuong contends with personal loss, the meaning of family, and the cost of being the product of an American war in America. At once vivid, brave, and propulsive, Vuong's poems circle fragmented lives to find both restoration as well as the epicenter of the break. The author of the critically acclaimed poetry collection *Night Sky With Exit Wounds*, winner of the 2016 Whiting Award, the 2017 T. S. Eliot Prize, and a 2019 MacArthur fellow, Vuong writes directly to our

humanity without losing sight of the current moment. These poems represent a more innovative and daring experimentation with language and form, illuminating how the themes we perennially live in and question are truly inexhaustible. Bold and prescient, and a testament to tenderness in the face of violence, *Time Is a Mother* is a return and a forging forth all at once.

Whereabouts - Jhumpa Lahiri 2021-04-27

NEW YORK TIMES BEST SELLER • A marvelous new novel from the Pulitzer Prize-winning author of *The Lowland* and *Interpreter of Maladies*—her first in nearly a decade—about a woman questioning her place in the world, wavering between stasis and movement, between the need to belong and the refusal to form lasting ties. Exuberance and dread, attachment and estrangement: in this novel, Jhumpa Lahiri stretches her themes to the limit. In the arc of one year, an unnamed narrator in an unnamed city, in the middle of her life's journey, realizes that she's lost her way. The city she calls home acts as a companion and interlocutor: traversing the streets around her house, and in parks, piazzas, museums, stores, and coffee bars, she feels less alone. We follow her to the pool she frequents, and to the train station that leads to her mother, who is mired in her own solitude after her husband's untimely death. Among those who appear on this woman's path are colleagues with whom she feels ill at ease, casual acquaintances, and "him," a shadow who both consoles and unsettles her. Until one day at the sea, both overwhelmed and replenished by the sun's vital heat, her perspective will abruptly change. This is the first novel Lahiri has written in Italian and translated into English. The reader will find the qualities that make Lahiri's work so beloved: deep intelligence and feeling, richly textured physical and emotional landscapes, and a poetics of dislocation. But *Whereabouts*, brimming with the impulse to cross barriers, also signals a bold shift of style and sensibility. By grafting herself onto a new literary language, Lahiri has pushed herself to a new level of artistic

achievement.
