100 British Crime Writers -
Esme Miskimmin 2020

100 British Crime Writers explores a history of British crime writing between 1855 and 2015 through 100 writers, detailing their lives and significant writing and exploring their contributions to the genre. Divided into four sections: 'The Victorians, Edwardians, and World War One, 1855-1918; 'The Golden Age and World War Two, 1919-1945; 'Post-War and Cold War, 1946-1989; and 'To the Millennium and Beyond, 1990-2015, each section offers an introduction to the significant features of these eras in crime fiction and discusses trends in publication, readership, and critical response. With entries spanning the earliest authors

of crime fiction to a selection of innovative contemporary novelists, this book considers the development and progression of the genre in the light of historical and social events.

Under a Pole Star - Stef Penney
2017-09-05

Sometimes you have to travel to the farthest edge of the world in order to find your true place in it... A panoramic historical epic and an unforgettable love story from the author of *The Tenderness of Wolves*, for fans of Kristin Hannah, Sarah Perry, and Barbara Kingsolver A whaler's daughter, Flora Mackie first crossed the Arctic Circle at the age of twelve. Years later, in 1892, determination and chance lead her back to northern Greenland as a scientist at the head of a British expedition, defying the expectations of those who believe a woman has no place in that harsh world. Geologist Jakob de Beyn was raised in Manhattan. Yearning for wider horizons, he joins a rival expedition. Jakob and Flora's

[Living on Paper](#) - Iris Murdoch
2018-05-15

For the first time, novelist Iris Murdoch's life in her own words, from girlhood to her last years Iris Murdoch was an acclaimed novelist and groundbreaking philosopher whose life reflected her

unconventional beliefs and values. But what has been missing from biographical accounts has been Murdoch's own voice—her life in her own words. *Living on Paper*—the first major collection of Murdoch's most compelling and interesting personal letters—gives, for the first time, a rounded self-portrait of one of the twentieth century's greatest writers and thinkers. With more than 760 letters, fewer than forty of which have been published before, the book provides a unique chronicle of Murdoch's life from her days as a schoolgirl to her last years. The result is the most important book about Murdoch in more than a decade. The letters show a great mind at work—struggling with philosophical problems, trying to bring a difficult novel together, exploring spirituality, and responding pointedly to world events. They also reveal her personal life, the subject of much speculation, in all its complexity, especially in letters to lovers or close friends, such as the writers Brigid Brophy,

Elias Canetti, and Raymond Queneau, philosophers Michael Oakeshott and Philippa Foot, and mathematician Georg Kreisel. We witness Murdoch's emotional hunger, her tendency to live on the edge of what was socially acceptable, and her irreverence and sharp sense of humor. We also learn how her private life fed into the plots and characters of her novels, despite her claims that they were not drawn from reality. Direct and intimate, these letters bring us closer than ever before to Iris Murdoch as a person, making for an extraordinary reading experience.

[The Tenderness of Wolves](#) - Stef Penney 2008-03-04

When her teenage son disappears in the aftermath of a brutal murder, a determined mother sets out from her snow-covered nineteenth-century settlement to find him, an effort that is hampered by vigilante groups and the harrowing forces of nature. A first novel. Winner of the 2006 Costa Book of the Year. Reprint. 100,000 first printing.

Dragon's Claw (Large Print 16pt) - Peter O'Donnell

2012-07-01

Sailing in the Tasman Sea

Modesty Blaise discovers Luke Fletcher, one of Britain's greatest artists, lost in the middle of the ocean, alone on a raft, and with a strange gap in his memory. It leads her to the mystery of the nest of evil known as Dragon's Claw.

Modesty and her loyal lieutenant, Willie Garvin, become involved in a complex of murder mysteries, struggling against the baffling activities of unknown enemies. Only when Modesty and Willie are helpless captives do they discover the identities of those they must overcome. Against them are a group of deadly killers working for an unknown master. The Reverend Uriah Crisp is an ordained minister and the greatest shot with a handgun in the world, and believes that his victims are sinners who deserve their fate. Beauregard Browne is a master of disguise and mimicry, who

kills his victims using the famous handkerchief trick, and is accompanied by his county companion, Clarissa de Courtney - Scott. As usual ingenuity and resourcefulness help Modesty and Willie win the day as they escape Dragon's Claw and find themselves in a fight to the death.

Violent Femmes - Rosie White
2007-11-13

The female spy has long exerted a strong grip on the popular imagination. With reference to popular fiction, film and television Violent Femmes examines the figure of the female spy as a nexus of contradictory ideas about femininity, power, sexuality and national identity. Fictional representations of women as spies have recurrently traced the dynamic of women's changing roles in British and American culture. Employing the central trope of women who work as spies, Rosie White examines cultural shifts during the twentieth century regarding the role of women in the professional workplace.

Europe through 2000: An International Bibliography chronicles in two volumes the development of comic art in Europe and reflects the burgeoning amount of literature on the subject. Supplementing the award-winning works on comic art published by the author with Greenwood in 1994 and 1996, the expanded volumes contain 17,000 multi-language entries on comic art literature in 42 European countries. Bringing order to the scholarship on this fascinating topic, this is an invaluable reference work for those interested in comic art, mass communication, and popular culture. The author gathers in one place an exhaustive collection of literature dealing with all aspects of comics, cartooning, and animation in Europe. Organized by categories of country, genre, approaches, and other aspects, these multi-language bibliographies are compiled and organized for easy reference use. The comprehensive data gathering is backed up by global

research. Another useful feature is a directory with vital information on at least 80 periodicals dealing with comic art in Europe. The wide sweep of these volumes includes chapters on global, continental, regional, and comparative perspectives relating to Europe.

Comics and Pop Culture - Barry Keith Grant 2019-12-13

It is hard to discuss the current film industry without acknowledging the impact of comic book adaptations, especially considering the blockbuster success of recent superhero movies. Yet transmedial adaptations are part of an evolution that can be traced to the turn of the last century, when comic strips such as “Little Nemo in Slumberland” and “Felix the Cat” were animated for the silver screen. Representing diverse academic fields, including technoculture, film studies, theater, feminist studies, popular culture, and queer studies, Comics and Pop Culture presents more than a dozen perspectives on this rich history and the effects of such adaptations. Examining current debates and the questions raised by comics adaptations, including those around

authorship, style, and textual fidelity, the contributors consider the topic from an array of approaches that take into account representations of sexuality, gender, and race as well as concepts of world-building and cultural appropriation in comics from Modesty Blaise to Black Panther. The result is a fascinating re-imagination of the texts that continue to push the boundaries of panel, frame, and popular culture.

one of us can take turn things around. A To Do list for changing the world. Artists share their passion and commitment to make things better in this fun and engaging collection. From simple ideas like signing a petition or going on a march, to more imaginative ones like becoming a 'raging granny' (old ladies who use their innocuous looks to gain entry into places like board meetings or arms fairs, and then create havoc). Many things can be done immediately, with little or no money at all. Others require a bit more planning. But all of them are steps that anyone can take if they want to enact change.

Joseph Losey - Colin Gardner
2019-01-11

The career of Wisconsin-born Joseph Losey spanned over four decades and several countries. A self-proclaimed Marxist and veteran of the 1930s Soviet agit-prop theater, he collaborated with Bertholt Brecht before directing noir B-pictures in Hollywood. A victim of McCarthyism, he later

crossed the Atlantic to direct a series of seminal British films such as "Time Without Pity," "Eve," "The Servant," and "The Go-Between," which mark him as one of the cinema's greatest baroque stylists. His British films reflect on exile and the outsider's view of a class-bound society in crisis through a style rooted in the European art house tradition of Resnais and Godard. Gardner employs recent methodologies from cultural studies and poststructural theory, exploring and clarifying the films' uneasy tension between class and gender, and their explorations of fractured temporality.

Penney 2012-01-05

In a hospital bed, small-time private detective Ray Lovell veers between paralysis and delirium. But before the accident that landed him there, he'd been hired to find Rose Janko, the estranged daughter of a traveling Gypsy family, who went missing seven years earlier. Half Romany himself, Ray is well aware that he's been chosen more for his blood than for his investigative skills. Still, he's surprised by the intense hostility he encounters from the Jankos, who haven't had an easy past. Touched by tragedy, they're either cursed or hiding a terrible secret—the discovery of which Ray can't help suspecting is connected to Rose's disappearance... Seamlessly toggling between Ray's past and present, and the perspective of the missing woman's young nephew JJ, Stef Penney builds a gripping page-turner that doesn't let go until its shocking end.
