The Most Common Mistakes in English Usage - Dr. Thomas Elliott Berry 2017-07-31

This book analyzes the errors most commonly made in spoken and written English and presents them in a systematic, down-to-earth manner. It does not dictate grammar to the reader; rather, it presents the guidelines for English usage currently being observed by the most competent and careful speakers and writers. The most troublesome words and phrases—as well as grammatical terms—are listed alphabetically within 18 subject areas to enable the reader to check quickly on questions of usage. In each case, illustrative examples are given, and the guiding principle is stated for the reader to follow in avoiding the mistake and others similar to it. An extensive index for additional ease of reference helps make this book a handy tool for the modern reader who realizes that mere knowledge is no longer sufficient—that one must be able to express his knowledge clearly, forcefully, and correctly.

Top 35 Mistakes Danes Make in English - Kay Xander Mellish 2018-01-30

Danes speak wonderful English, yet they make a few simple errors over and over, whether it's confusing 'fun' with 'funny', using 'both' for more than two items, or bragging about 'living in a hotel' on vacation. This collection of easy-to-fix mistakes will help Danes make their spoken and written English even more smooth and impressive. It is a useful tool for anyone who uses English in business or while travelling.

Native or Non-native speakers. Who are the better English teachers? - Svenja Christen 2010-01-25
Seminar paper from the year 2008 in the subject English - Miscellaneous, grade: 1, , language: English, abstract: In today's globalised world language knowledge becomes more and more important for good and skilled communication. Especially the knowledge of one language - the world language English - is necessary to be competitive and able to communicate worldwide. The status of English as a world language is obviously due to its large amount of native speakers all over the world, but also its simplicity in grammar, structure and vocabulary makes it to one of the most important languages in the world. There are approximately 380 million native speakers of English and more than 700 non-native speakers of English all over the world, which results in large parts of today's communication taking place in English. Thus good English language knowledge is a precondition for many jobs and educations. This places great importance on today's English language education. It has to be of high quality and learners have to acquire the language as good and as fast as possible. But who can perform the job of an English teacher best? There has been lots of discussion in the past years about whether native or non-native speakers are better at language teaching. Due to globalisation also the amount of English teachers available is rising steadily. Today's English teachers come from a broad range of different countries and thus have differing cultural and linguistic backgrounds. Those backgrounds have again influence on the teachers' teaching styles and methods and their general understanding of the teaching context and their students. Moreover, today's English teachers have different levels of knowledge of the target language and culture. In this paper, I will thus have a look at the following question: Native speakers of English or non-native speakers of English - who are the better English teachers? Native speakers, on the one hand know their language perfectly,

faultlessly and naturally. Non-natives on the other hand are more familiar with the students' language learning process and have a better understanding of the learners' needs. Thus, who is the ideal language teacher for the challenging task of teaching the world language English?

The Blue Book of Grammar and Punctuation - Lester Kaufman 2021-04-16

The bestselling workbook and grammar guide, revised and updated! Hailed as one of the best books around for teaching grammar, The Blue Book of Grammar and Punctuation includes easy-to-understand rules, abundant examples, dozens of reproducible quizzes, and pre- and post-tests to help teach grammar to middle and high schoolers, college students, ESL students, homeschoolers, and more. This concise, entertaining workbook makes learning English grammar and usage simple and fun. This updated 12th edition reflects the latest updates to English usage and grammar, and includes answers to all reproducible quizzes to facilitate self-assessment and learning. Clear and concise, with easy-to-follow explanations, offering "just the facts" on English grammar, punctuation, and usage Fully updated to reflect the latest rules, along with even more quizzes and pre- and post-tests to help teach grammar Ideal for students from seventh grade through adulthood in the US and abroad For anyone who wants to understand the major rules and subtle guidelines of English grammar and usage, The Blue Book of Grammar and Punctuation offers comprehensive, straightforward instruction.

Preparing and Delivering Scientific Presentations - John Giba 2011-01-21

The latest in Springer's "Medical English" series, aimed at health care professionals who need English for their work but do not speak English on a day-to-day basis. Although much of the information provided will be useful for scientists of all backgrounds and nationalities, the book is aimed especially at non-native English-speaking physicians and biomedical scientists. It offers clear advice on a variety of topics relevant to the successful preparation and delivery of scientific presentations. Alongside guidance on the actual preparation and delivery of talks, helpful information is provided on such potential difficulties as dealing with questions, chairing sessions, and use of appropriate English. The book will offer encouragement for those embarking on a career in international science as well as practical advice on how to deal with a wide range of situations that may develop in the context of an international congress.

Grammar for the Non-native Speaker - Deborah Fronko 2011

[150 Common Written & Spoken Errors Made by ESL Learners \(with Suggested Corrections & Explanations\): A Self-Study Guide for Students](#) - K. P. Wee 2015-12-03

It seems that ESL learners tend to make the same types of grammar mistakes in speaking and writing, since they are consistently translating directly from their own language. This book, written by K.P. Wee (who has been an English instructor for more than 10 years), identifies 150 of these common mistakes and offers suggestions on how to fix them. Each mistake comes with explanations as well as other helpful hints and similar example sentences. If you are an ESL learner, you will find "150 Common Written & Spoken Errors Made by ESL Learners" very useful. This book will improve your spoken and written English by helping you eliminate the most common mistakes that non-English speakers make.

Common English Mistakes - Lee Kian Seng 2015-06-29

Common English Mistakes is an ideal book for both students and the public at large to improve their grasp of the English language by avoiding the usual mistakes specified in this book. Each section is clearly explained in simple language with sufficient examples to help students improve their mastery of the English language. Moreover, the chapter on pronunciation will help learners to pronounce complicated words properly, as well as learn the differences in pronunciation between British and American English. This book has been formulated in such a way that it will aid its readers in polishing up their written as well as spoken English and enhance their confidence in day-to-day interactions, presentations and communication as a whole.

Examples of correct usage. Rules / explanations. A short exercise where you can immediately practise what you have learned. Additional exercises (including false friends) By completing the exercises in this book, you should be able to eliminate some of the most common vocabulary mistakes that non-native speakers of English tend to make.

Easy English! is a series of books to help you learn and revise your English with minimal effort. You can improve your English by reading texts in English that you might well normally read in your own language e.g. jokes, personality tests, lateral thinking games, wordsearches. doing short exercises to improve specific areas grammar and vocabulary, i.e. the areas that tend to lead to the most mistakes - the aim is just to focus on what you really need rather than overwhelming yourself with a mass of rules, many of which may have no practical daily value Other books in the Easy English!series include: Wordsearches: Widen Your Vocabulary in English Test Your Personality: Have Fun and Learn Useful Phrases Word games, Riddles and Logic Tests: Tax Your Brain and Boost Your English Top 50 Grammar Mistakes: How to Avoid Them Top 50 Vocabulary Mistakes: How to Avoid Them

Sorry, No English - Craig Storti 2022-10-13

Have you ever struggled to communicate with a limited-English speaker? Have you been frustrated by unsuccessful interactions with non-native English speakers? Did you know there is a simple solution to improve cross-cultural communication in English? What most of us native speakers overlook in these situations is that the problem here may not be the limited English of the other person; it could be our English. And while we certainly can't do anything about the former, we can do a great deal about the latter. In just 160 pages, this book gives 50 practical tools to help you become aware of and adapt your own language to completely transform exchanges with limited-English speakers and greatly increase the chances of a satisfying outcome for native speakers and for the limited-English speakers they're trying to serve. And the good news is: it is not that difficult and it is entirely in the hands of the native speaker. Craig Storti is a nationally known figure with over 30 years of experience in the field of intercultural communications and cross-cultural adaptation, and the author of several standard works, including Culture Matters, a cross-cultural workbook used by the U. S. government in over 90 countries. He has successfully led workshops on cultural diversity for Fortune 500 companies, hotels such as Marriott, diplomats, civil servants, and foreign aid workers. But it was his 90-minute segments on common mistakes native speakers make when talking to limited-English speakers and how participants could improve interactions that became the most popular and useful aspect of his training. This much-needed book is ideal for anyone working in a public-facing job from government to hospitality, international organizations, human resources, cross-cultural and diversity training, English as a second language teaching, foreign aid, or those with a love of language, culture and communication.

Write Better, Speak Better - Joseph Madappally 2004-06

This is a compilation of common errors in English among Indian users and, as mentioned above, is a selection and adaptation of the column which the author had serialised in Career Deepika. The entries are done according to alphabetical order, with the main word of common error given in bold. The entries highlight the right sentence and the corresponding wrong use. Brief grammatical explanations are also given alongside to educate the reader on why one is right and the other is wrong. Sometimes, more examples are provided. Grammatical classes are marked out in groups, for instance, prepositions, articles,

adverbs and so on. Since the arrangement is alphabetical, the book would be more useful as a ready reckoner than a book for reading from end to end. Explanations are kept to the minimum and so need not tire the reader who just would like to know what is right and what is wrong. Therefore the book can be considered an useful addition to any learner's ready reference.

Teaching Spelling to English Language Learners - Johanna Stirling 2011-02-15

A book for anyone teaching English spelling, particularly those working with English language learners. This essential manual answers three challenging questions about teaching spelling: Why is there a problem with teaching and learning spelling? What can be done about it? How can this be accomplished? The first part of the book helps teachers understand the systems of English spelling and the regularities, which are not necessarily phonological. It explores the errors that learners really make and the challenges faced by teachers. The second part outlines a fresh, new, multi-dimensional approach to teaching spelling which recognises the need for learner engagement and strategy training as well as work on the patterns found in English orthography. The final part of the book presents over seventy engaging and effective activities which are designed to develop a range of strategies and knowledge about English spelling.

Common Errors in English Usage - Paul Brians 2003

Online version of Common Errors in English Usage written by Paul Brians.

Most Common Mistakes by Non-Native Speakers of English - Sergiy Zatsarynnyy 2014-06-12

Want to know the difference between 'cause' and 'reason'? Not sure when to write 'according' and when 'accordingly'? Confused about the correct usage of the gerund? This book is a compilation of the "Polishing Up English" newsletters I have been sending for over six years to employees whose native language is not English. In these newsletters, I cover common language issues for business people. Based on personal experience, I came to understand that most of the mistakes non-native speakers of English make are shared, and are encountered across the board, rather than being unique and strictly personal. Some mistakes appear more often than others. Examples of most frequent mistakes are analyzed and included. These mistakes also occur in contexts common to most areas of human interaction, such as small talk, in-office conversation, business correspondence, IT, and similar communication. This book features simpler chapters for beginners, Pronunciation and Punctuation. Followed by chapters for intermediate learners of English, such as Words and Phrases. Advanced users of English can use the Style and Quiz chapters to test their understanding of the language. This makes the book ideal for any non-native speaker of English, who proactively uses English on a daily basis for communicating with various English speakers both in written form and orally. Using this book will give you a unique opportunity to cut the list of possible mistakes you may make to a minimum.

Most Common Mistakes in English - Jakub Marian 2014-09-08

Did you know that the plural of "sheep" is "sheep" (not "sheeps")? Some mistakes in English are incredibly common, even among advanced learners: irregular plurals, using "have done" instead of "did", incorrect prepositions ("arrive to" instead of "arrive at"), placing commas where they shouldn't be and omitting them when they are necessary... This book will teach you how to avoid some of the most common grammar and vocabulary mistakes English learners make. If you are interested in the most common pronunciation mistakes, the author of the book has written a separate book on the topic entitled Improve your English pronunciation and learn over 500 commonly mispronounced words.

Collins Common Errors in English - Elizabeth Walter 2015

Focussing on the most common errors in English, this book is the easiest way to improve your everyday language skills. Using simple explanations and corpus examples, it uses a thematic approach to steer learners away from the most common pitfalls in English. This invaluable guide is suitable for learners of English wishing to improve their accuracy and avoid the most basic mistakes. The book offers help with Spelling and Punctuation, and covers the major parts of speech in depth. It offers clear guidance on word choice and confusable words. A comprehensive exercise section also reinforces the key points for each thematic section. What's more, its clear, thematic layout makes information easy to find and understand. Suitable for learners of English with a pre-intermediate to intermediate level of English (A2-B2), but who want to improve their accuracy by overcoming the most common mistakes made by non-native speakers of English.

Common Mistakes Made by Esl Learners Using Arabic as Reference Language - Dr. M. Solaiman Ali 2013-02-06

Purpose and Scope: This text has been produced to alert learners of English using Arabic as L1 to the most typical problem areas that tend to hinder their progress as they endeavor to overcome native language interference in the process of growing into the target language. The functions of capitalization and syntax have received special emphasis. The analytical perspective takes precedence over its pedagogical counterpart. Learner Focus: The primary readership is expected to grow beyond Arabic speakers per se and is most likely to include learners using Farsi, Urdu, or Turkish as L1. In addition, even a broad spectrum of learners using reference languages with various different alphabets (e.g. Bengali, Hangul, Hebrew, Hindi, Japanese, Mandarin) will find the text useful to a considerable extent. Appendices: The exercises included in the three appendices are ambitiously written and intended to reveal to the learner the formidable amount of lexical material that will have to be internalized on the road to solid proficiency. ESL instructors teaching Arabic speakers are aware of the difficult and time-consuming effort involved in the acquisition of vocabulary.

English Exposed - Steve Hart 2017-03-01

Having analysed the most common English errors made in over 600 academic papers written by Chinese undergraduates, postgraduates, and researchers, Steve Hart has written an essential, practical guide specifically for the native Chinese speaker on how to write good academic English. *English Exposed: Common Mistakes Made by Chinese Speakers* is divided into three main sections. The first section examines errors made with verbs, nouns, prepositions, and other grammatical classes of words. The second section focuses on problems of word choice. In addition to helping the reader find the right word, it provides instruction for selecting the right style too. The third section covers a variety of other areas essential for the academic writer, such as using punctuation, adding appropriate references, referring to tables and figures, and selecting among various English date and time phrases. Using *English Exposed* will allow a writer to produce material where content and ideas—not language mistakes—speak the loudest.

Collins Common Errors in English - Collins Dictionaries 2013

Focussing on the most common errors in English, this book is the easiest way to improve your everyday language skills. Using simple explanations and corpus examples, it uses a thematic approach to steer learners away from the most common pitfalls in English. 100 Additional Common Written and Spoken Errors Made by ESL Learners - K. P. Wee 2016-06-16

It seems that ESL learners tend to make the same types of grammar mistakes in speaking and writing, since they are consistently translating directly from their own language. This book, written by K.P. Wee (who has been an English instructor for more than 10 years), identifies 100 of these common mistakes and offers suggestions on how to fix them. Each mistake comes with explanations as well as other helpful hints and similar example sentences. If you are an ESL learner, you will find "100 Additional Common Written & Spoken Errors Made by ESL Learners" very useful. This book will improve your spoken and written English by helping you eliminate the most common mistakes that non-English speakers make. "100 Additional Common Written & Spoken Errors Made by ESL Learners" is the sequel to "150 Common Written & Spoken Errors Made by ESL Learners (2015)," as K.P. identifies 100 additional common errors and lists plenty of useful English expressions and phrasal verbs to help ESL learners acquire more English phrases and knowledge.

Salomé: In Every Inch In Every Mile - Criss Jami 2011-04-10

Salomé: In Every Inch In Every Mile is Criss Jami's 1st poetry book. It contains a total of 65 poems, each followed by a brief word of thought.

Writing and Publishing Scientific Papers - Gábor Lövei 2021-05-19

Gábor Lövei's scientific communication course for students and scientists explores the intricacies involved in publishing primary scientific papers, and has been taught in more than twenty countries. *Writing and Publishing Scientific Papers* is the distillation of Lövei's lecture notes and experience gathered over two decades; it is the coursebook many have been waiting for. The book's three main sections correspond with the three main stages of a paper's journey from idea to print: planning, writing, and publishing. Within the book's chapters, complex questions such as 'How to write the introduction?' or 'How to submit a manuscript?' are broken down into smaller, more manageable problems that are then discussed in a straightforward, conversational manner, providing an easy and enjoyable reading experience. *Writing and Publishing Scientific Papers* stands out from its field by targeting scientists whose first language is not English. While also touching on matters of style and grammar, the book's main goal is to advise on first principles of communication. This book is an excellent resource for any student or scientist wishing to learn more about the scientific publishing process and scientific communication. It will be especially useful to those coming from outside the English-speaking world and looking for a comprehensive guide for publishing their work in English.

The international corpus of learner English - 2009

Manual to accompany the CD-ROM or online resource containing Version 2 of the ICLE. The ICLE is the

computerized databank of the Centre for English Corpus Linguistics at the Université catholique de Louvain. The Centre focuses on the development and use of learner corpora (electronic collections of authentic foreign language data). The ICLE is the result of over ten years of collaborative activity between a number of universities internationally. It contains over 3 million words of writing by learners of English from 21 different mother tongue backgrounds. The writing in the corpus has been contributed by advanced learners of English as a foreign language and is made up of 21 distinct sub-corpora, each containing one language variety (E2French, E2German, E2Swedish etc).

Collins Common Errors in English - Collins Dictionaries 2013-10-10

Focussing on the most common errors in English, this book is the easiest way to improve your everyday language skills. Using simple explanations and corpus examples, it uses a thematic approach to steer learners away from the most common pitfalls in English.

English at Work - Ellen Jovin 2019-09-17

This Grammar Guru will solve the world's problems. Or, at least, help you figure out when to use an Oxford comma. The New York Times Put your English skills to work for you! This book is ideal for intermediate and advanced (CEFR B1-C1) nonnative speakers of English seeking to increase their communication confidence and effectiveness in the workplace. Improve your precision and professionalism so your ideas shine! The book consists of 50 short quizzes which include the most common English errors made by nonnative speakers in professional environments. This fun format allows you to find your own frequent errors and fix them. You will test your skills quickly, daily, and build your language awareness and accuracy in writing and speaking English. Short, clear explanations after each quiz help you improve your knowledge of the grammar rules. Complementing the quizzes are Ellen says boxes with the same practical advice on good communication etiquette and habits that Ellen has been sharing for years with large corporate clients in New York City and beyond. Witty and humorous drawings illustrate confusing language and common misunderstandings. The focus of the exercises is on fixing your grammar and problems with word choice. Examples are pulled from every industry: finance, law, consulting, publishing, real-estate, retail, technology, energy, pharmaceutical, manufacturing, education, advertising, government, insurance, non-profit, and more. Whatever your profession or interest, you will benefit from the exercises contained in this book. If you are just looking to sharpen your English, this book is for you, too. You will be learning from a professional writer with two decades of experience teaching executives in a business setting. A language-learner herself who has studied some two dozen languages, Ellen Jovin has written this book to help motivated working adults advance their business English on their own time and at their own pace.

Mastering the American Accent with Online Audio - Lisa Mojsin 2016-09-15

Publisher's Note: Products purchased from Third Party sellers are not guaranteed by the publisher for quality, authenticity, or access to any online entitlements included with the product. Mastering the American Accent is an easy-to-follow approach for reducing the accent of non-native speakers of English. Well-sequenced lessons in the book correspond over eight hours of audio files covering the entire text. The audio program provides clear models (both male and female) to help coach a standard American accent. The program is designed to help users speak Standard American English with clarity, confidence, and accuracy. The many exercises in the book concentrate on topics such as vowel sounds, problematic consonants such as V, W, TH, the American R and T and others. Correct lip and tongue positions for all sounds are discussed in detail. Beyond the production of sounds, the program provides detailed instruction in prosodic elements such as syllable stress, emphasis, intonation, linking words for smoother speech flow, common word contractions, and much more. Additional topics that often confuse ESL students are also discussed and explained. They include distinguishing between casual and formal speech, homophones (e.g., they're and there), recognizing words with silent letters (e.g., comb, receipt), and avoiding embarrassing pronunciation mistakes, such as mixing up "pull" and "pool." Students are familiarized with many irregular English spelling rules and exceptions, and are shown how such irregularities can contribute to pronunciation errors. A native language guide references problematic accent issues for 13 different language backgrounds.

The A-Z of the PhD Trajectory - Eva O. L. Lantsoght 2018-05-25

This textbook is a guide to success during the PhD trajectory. The first part of this book takes the reader

through all steps of the PhD trajectory, and the second part contains a unique glossary of terms and explanation relevant for PhD candidates. Written in the accessible language of the PhD Talk blogs, the book contains a great deal of practical advice for carrying out research, and presenting one's work. It includes tips and advice from current and former PhD candidates, thus representing a broad range of opinions. The book includes exercises that help PhD candidates get their work kick-started. It covers all steps of a doctoral journey in STEM: getting started in a program, planning the work, the literature review, the research question, experimental work, writing, presenting, online tools, presenting at one's first conference, writing the first journal paper, writing and defending the thesis, and the career after the PhD. Since a PhD trajectory is a deeply personal journey, this book suggests methods PhD candidates can try out, and teaches them how to figure out for themselves which proposed methods work for them, and how to find their own way of doing things.

200 English Grammar Mistakes! - Melony Jacobs 2020-02-11

Do you constantly struggle with making simple, yet confusing grammatical errors in your writing? If so, then keep reading... If you're like most of us, accidentally making grammatical errors - big and small - in our writing is inevitable. Whether it be in an academic piece of writing, or a simple little text message to your friend, making grammatical errors can be embarrassing and make your writing feel rushed and done with little to no care at all. With countless guides on how to properly write and speak, finding books that focus predominantly on common English grammar errors are few and far between. So, that's why we decided to create this book focused strictly on common English grammar errors, how to fix them and how to never make them again. In Common English Grammar Mistakes 101, here is just a fraction of what you can expect: 150+ common English grammar mistakes 3 clearly laid out examples of each common error to better your understanding 3 corrected versions of each error to give you 100% certainty 2 - 3 multiple choice questions with answers per common mistake to test your ability Common mistakes including, but not limited to: punctuation, sentence structure, spelling, formatting, verbs, adjectives and many other English grammar components 1 full chapter devoted to advanced English mistakes to ensure you're an expert by the time you finish the book And so much more... At the end of the day, being able to master English grammar is a skill millions of people struggle with all around the world. I believe being able to identify common errors in writing and apply strategies to fix them with ease should always be the first step to becoming a master of English writing. So, if you want to know every single one of the most common English grammar errors, how to fix them and how to never make them again... Order a copy of this book today! And never make an English grammar mistake again!

No Uncertain Terms - William Safire 2004-06-02

Examines and provides comments on language trends while tracing the origins of timely words and phrases that discuss such topics as technology, entertainment, and everyday life.

Grammatically Correct - Anne Stilman 2010-07-07

How does good writing stand out? If its purpose is to convey facts, findings, or instructions, it need be read only once for its content to be clear. If its purpose is to entertain or to provoke thought, it makes readers want to come back for more. Revised and updated, this guide covers four essential aspects of good writing:

- Individual words - spelling variations, hyphenation, frequently confused homonyms, frequently misused words and phrases, irregular plurals and negatives, and uses of capitalization and type style to add special meanings
- Punctuation - the role of each mark in achieving clarity and affecting tone, and demonstration of how misuses can lead to ambiguity
- Syntax and structure - agreement of subject and verb, parallel construction, modifiers, tenses, pronouns, active versus passive voice, and more
- Style - advice on the less hard-and-fast areas of clarity and tone, including sentence length and order, conciseness, simplification, reading level, jargon and cliché s, and subtlety Filled with self-test exercises and whimsical literary quotations, Grammatically Correct steers clear of academic stuffiness, focusing instead on practical strategies and intuitive explanations. Discussions are designed to get to the heart of a concept and provide a sufficient sense of when and how to use it, along with examples that show what ambiguities or misinterpretations might result if the rules are not followed. In cases where there is more than one acceptable way to do something, the approach is not to prescribe one over another but simply to describe the options. Readers of this book will never break the rules of language again - unintentionally.

Grammar for Teachers - Andrea DeCapua 2016-07-28

Updated and revised with more examples and expanded discussions, this second edition continues the aim of providing teachers with a solid understanding of the use and function of grammatical structures in American English. The book avoids jargon and presents essential grammatical structures clearly and concisely. Dr. DeCapua approaches grammar from a descriptive rather than a prescriptive standpoint, discussing differences between formal and informal language, and spoken and written English. The text draws examples from a wide variety of authentic materials to illustrate grammatical concepts. The many activities throughout the book engage users in exploring the different elements of grammar and in considering how these elements work together to form meaning. Users are encouraged to tap into their own, often subconscious, knowledge of grammar to consciously apply their knowledge to their own varied teaching settings. The text also emphasizes the importance of understanding grammar from the perspective of English language learners, an approach that allows teachers to better appreciate the difficulties these learners face. Specific areas of difficulties for learners of English are highlighted throughout.

Common Mistakes Korean Learners Make - Talk To Me In Korean 2020-04-10

Learn to speak more natural Korean and avoid common mistakes!

English for Medical Purposes: Spelling and Vocabulary - Virginia Allum 2012-06-29

When reading and writing medical and nursing texts, Health Care Professionals require an understanding of medical, hospital and everyday health terminology. As well as this, Health Care Professionals need to be able to write fluently in patient notes, in referral letters and when completing care plans or care pathways. English for Medical Purposes: Spelling and Vocabulary provides spelling tips for common errors and helps develop extensive glossaries in the areas of patient care encountered in hospitals and also in the community. Common phrases and collocations are listed to familiarise students with the language they will use both in the workplace and in academic writing.

English for Biomedical Scientists - Ramón Ribes 2009-07-21

Biomedical scientists are the most likely health care professionals to actually move to an English-speaking country to continue professional training and career-development. This book should help to apply for jobs, write résumés, face job interviews and settle into a new working environment in English. The practical approach of the units will boost the readers' self-confidence in their own English-capabilities. This book

should help reducing the anticipated stress of having to learn important matters directly "on the job", and secure more efficient and productive communication from the start.

Leading in English - D. Vincent Varallo 2017-03-13

A Guide for English communication amongst international professionals Leading in English provides a valuable resource for more effective international business communication. Whether you're a non-native English speaker working in English every day, or a native speaker working with non-native speakers, this book levels the playing field with a host of insights and tips using real-time examples. Through shared experiences and an engaging narrative, you'll gain confidence as you build the skills you need to communicate more effectively in the workplace. Impart information, relate to coworkers, or just have a friendly chat—this book helps remove uncertainty and streamline interactions. Whether language is a small stumbling block or a large hurdle in your workplace, this book can help you overcome the issues and be happier, more confident, and more effective at your job. Communication is tremendously important in the workplace. When English presents a barrier, removing that obstacle must be priority number one. This book helps you do that, with expert insight, practical tips, and a bit of humor to help shift your perspective. Boost your confidence as a non-native English speaker Work more effectively with coworkers and clients Speak more confidently to an international audience Strengthen your communication skills in all areas In the course of a single work day, you have many one-to-one conversations, several group conversations, and maybe even a presentation or two—wouldn't it be nice to know that you've been heard, understood, and correctly interpreted? English is a tricky language, but there are ways around the issues that tend to trip up non-native speakers. Leading in English shows you how to clear the air and communicate more effectively at any level of English proficiency.

Homographs & Heteronyms - Remedia Publications 2021-12-22

Grade Level: 4-6 Making sense of multiple-meaning words. The 25 lessons in this book are designed to give students plenty of practice recognizing and using homographs and heteronyms in written and oral communication. Activities ranging from matching meanings to completing sentences work to stimulate awareness of the multiple meanings a single word can have and how pronunciation changes the meaning of like words. Example: - They tied a BOW on the present. - Robin Hood used a BOW and arrows. - The star came on stage to take a BOW. Exercises increase in difficulty as students progress. A list of homographs not used in the lessons is included so teachers can design their own activities.
