Sit Like a Buddha - Lodro Rinzler 2014-11-04

How to meditate—a concise, pocket-size guide that tells you everything you need to know, from the best-selling author of *The Buddha Walks into a Bar...* This is the ultimate go-to guide for learning how to meditate. It contains all the instructions you'll need to get started in a remarkably short space, but it also shows you how to make meditation practice a permanent part of your life, infusing it with wisdom and compassion as you go about your day. And it's instruction in the voice of the meditation teacher the young spiritual-but-not-religious crowd have come to trust: Lodro Rinzler, a young Buddhist teacher who speaks to the twenty- and thirty-something crowd in a way that has made his first book, *The Buddha Walks into a Bar...*, a best seller. Lodro begins by challenging you to understand why you want to meditate in the first place, then, after the basic instructions, he shows how to prioritize your practice among your other daily activities and make it the center of all of them. He then shows you how to bring the wisdom and insight

gained from meditation into all aspects of life.

The Classical Guitarist's Guide to Jazz - Andrew York 2010-10-01

Guitarist and composer Andrew York presents the ultimate guide to jazz for classical guitarists. The first two sections of this three-part book cover jazz harmony and chord/melody, focusing on comping, chord voicings, voice leading, and arranging for solo guitar. Part three looks at improvisation, which may be the most exciting--yet foreign--aspect of jazz for classical guitarists. York shows you that improvisation is a skill that can be learned and practiced just like any other. By practicing the ear training and visualization exercises in this book, you will learn how to turn the music you hear in your "mind's ear" into imaginative, great-sounding jazz solos. The CD contains the exercises and examples performed by the author.
