Strong Signal - Megan Erickson 2016-02-15

I was counting down the months until the end of my deployment. My days were spent working on military vehicles, and I spent my nights playing video games that would distract me until I could leave Staff Sergeant Garrett Reid behind. That was when I met him: Kai Bannon, a fellow gamer with a famous stream channel. I never expected to become fixated on someone who'd initially been a rival. And I'd never expected someone who oozed charm to notice me—a guy known for his brutal honesty and scowl. I hadn't planned for our online friendship to turn into something that kept me up at night—hours of chatting evolving into filthy webcam sessions. But it did. And now I can't stop thinking about him. In my mind, our real life meeting is perfect. We kiss, we fall into bed, and it's love at first sight. Except, like most things in my life, it doesn't go as planned. *Strong Signal is a standalone, full-length novel with no cliffhanger*

Whether at the office with your boss, in a restaurant restroom or naughty nooners with your long-time love, Tyler's Sudden Sex will have you dialing up a booty call stat! Alison Tyler says: "My favorite short stories brand new. Crisp and focused, taut and tight. The pieces in this collection are waiting for you to slide them on, button the fly, then turn and admire how well they fit your kink. Because—as everyone who knows me understands by now—I'm all about the kink. This collection features BDSM, spanking, toys, tools, girls gone bad and men who need it just as bad. I've assembled stories from writers I've worked with for nearly two decades as well as wordsmiths who are new to me. What do the pieces have in common? Each one maxes out at 1500 words. That's not a lot of small talk. We've cut the awkward getting to know you phase and instead parked you right up at the point. We're past first base, past second, on our way to third. His hand is under your skirt; her palm is on your cock—we're all adults here—no need to fight the fact that sometimes what we crave is simple: sudden sex." Take a breath. Bite your lip. On Radji Beach - Ian W. Shaw 2010-09-01

When Singapore fell dramatically to the Japanese on 15 February 1942, hundreds of people scrambled to the docks to flee. Amongst the evacuees were 65 Australian nurses who boarded a coastal freighter named the Vyner Brooke. They only made it as far as the waters off Muntok Island near Sumatra. There, Japanese bombers sank the small ship. Those who survived the sinking drifted for up to three days before making landfall on one of the many beaches on Muntok. A group of about 60 shipwreck survivors, including 22 nurses, gathered at Radji Beach. They voted to surrender to the Japanese rather than slowly starve to death, but the Japanese patrol that found them did not accept their surrender. Instead, it divided the Europeans into three groups and killed them all in turn. The Australian nurses were in the third group, and 21 of them died in a hail of bullets as they walked, abreast, into the sea. Miraculously, there was one survivor, Vivian Bullwinkel, who brought the truth about this appalling atrocity to light, and who went on to experience the internment camps, starvation and disease that took away many of her friends. On Radji Beach tells the story of the 65 nurses from the Vyner Brooke: their service in Singapore and on the Malay peninsula, their desperate voyage to escape capture by the Japanese, and their courage, compassion, ingenuity and fortitude in the unthinkable events that followed.
