From an adolescence of LSD, detention homes, probation, pregnancy, and a stillbirth in the Mexican tropics at age 15; to the peace movement in Haight-Ashbury and Washington state; to traveling by bus through Central America with a madman for a lover, Baby Driver moves with the force of a tropical storm.

**The Burden of Freedom** - Myles Munroe 2004-05-30

The Burden Of Freedom explains that too many people use past oppression to remain mired in hatred and irresponsibility today. The spirit of oppression has specific telltale effects on individuals, communities, and nations. These are identified by Myles Munroe as a hatred for work, laziness, fear, low self-esteem, selfishness, lack of creativity, low initiative, and distrust of those in authority. To break free from these self-replicating cycles of oppression there must be a mental transformation. Paradoxically, freedom requires the need to impose control on self, require more responsibility than slavery, and the decision to accept a destiny of freedom, recognizing the process and discipline that personal and political freedom require. Simply put, The Burden Of Freedom should be available to every citizen and on the shelves of every high-school, college, and community library in the country.

**Just Pray** - John F. Hannah 2021-04-20

The answer to your need is locked in prayer. While prayer has not been a "hot" topic for many Christians, it is the most substantive course one could ever enroll in. I haven't met a person who didn't want to be better.

I haven't spoken to an individual who didn't want to have the best job and the best spouse, attend the best school, and experience the best life. But in our attempt to have the best, we often look to people to give us what only prayer can give. We look for things that can only be received via spiritual transfer. What we really need is prayer. Pastor John Hannah shares insights on how prayer is the most under-utilized tool in the treasure chest of Christianity, and it is a MUST HAVE. Just Pray explores the call, the seat, and the warfare of prayer. When you finish this book, not only will you have practical tools to improve your prayer life, but also an encyclopedia of benefits that will help you to experience your best life now. This book will show you how to deepen and intensify your prayer life and gain wisdom on how to access heaven on Earth in powerful and yet practical ways.

**The Power of Character in Leadership** - Myles Munroe 2014-01-01

How to Protect Your Leadership Influence and Power You've worked hard to achieve your dreams and goals. Many others have done the same—only to lose it all in the end. Every day, we read about successful people in various walks of life who have lost their power and influence. They've been fired, forced to resign, or shamed out of public life. They no longer have a market for their gifts, and they may even face criminal proceedings. These leaders have lost the trust of their companies, constituents, nations, followers, and families. Many were surprised to discover that their talents alone were not enough to prevent their downfall. Why did they fail in the end? Because they lacked the one quality that would have protected their leadership and given them enduring influence. Ironically, this quality is seldom taught to leaders today, either formally or informally. It is the quality of moral force, or character. Every human being is a leader over some domain as he or she exercises gifts and influence. That domain might be the halls of government, the boardroom, the classroom, the community, or the home. In The Power of Character in Leadership: How Values, Morals, Ethics, and Principles Affect Leaders, you will discover what character is, what it means to develop moral force, and how to preserve your leadership influence so that it is both effective and enduring.

*Dad and Mom Pray for Me: Who Am I?* - Ebenezer Gyasi 2018-10-01  
This book is geared towards the teens. In this book, they will discover some amazing identities in themselves that the devil doesn't want them to know as a child of the Kingdom. Why? As a child, a time will come when they find themselves at the fork and crossroads of life, a time when their faith foundation is tested at a higher level, when alternative moral and spiritual truths of other religious persuasions, and worldly philosophies become more appealing and present a palliative remedy to the "failed and empty," promises of the God of their parent's religion, or denominations. In Psalm 11:3, it is written "If the foundations are destroyed, what can the righteous do?" What should children do in such a situation, or more appropriately what should the parents have taught them before they came to the valley of decision? (Joel 3:14)

**Desires and Its Perversion in Believers** - Toyin Akanni 2022-11-29  
God has a desire. His ultimate desire is to bring out something good out of something insignificant or something bad. (Jabez is a classic example.) His desire is to reach to man to be saved from sin. Man needs to make up his mind, set goals about how to desire to make his life better. This is to be done against the background of the realization that Satan, in his wiles, is all out to pervert what is in the mind of God for man. This he

does by working on man's mind after carefully studying his weaknesses. Satan abuses his will and emotions and, thereby, perverts the rightful use of his senses; hence, he exhibits lust of eyes, lust of the flesh, and pride of life. This book is a treatise that unearths how Satan goes about making man to pervert his desires, the effect of this perversion on him and generations unborn, and how he can gain victory at the end of the day. It is a must-read for anyone who desires to be free from every perversion of life, particularly sexual perversion. Counselors, most especially men of God and pastors who are saddled with counseling responsibility and parents/guardians who need to provide proper direction and upbringing of their children and wards, will also find it most useful.

*Single, Married, Separated and Life after Divorce* - Myles Munroe

2005-01-28

*Single, Married, Separated, & Life After Divorce, Expanded Edition* (2003) Singleness is a myth. To be single means to be all one (alone), separate, unique and whole. MARRIAGE is when two separate, unique and whole persons, one male and one female, make a covenant to exchange vows, committing their lives to remain together until death. Separation is an unofficial divorce with the exact same effect as divorce. It is the most tragic state of limbo. Divorce means to desert. The armed forces prosecute deserters. God has made no provision for divorce in the Bible. If you are invited to a wedding, you are a covenant witness, and if this couple later divorces, you should be invited to the divorce just as you were to the wedding.

The Secret Life of a Fool is Andrew Palau's unforgettable journey of running from God -- and the crushing, freeing experience of coming back to Him. *Standing Under the Wrong Rainbow* - G. Deon Thompson 2014-09-12

Standing Under the Wrong Rainbow entwines insights from the Bible with the opinions of the author, G. Deon Thompson, to make the case for the durability of the traditional view of marriage as the lifelong union of one woman and one man, while exposing the shortcomings of modern arguments that speak in favor of gay marriage. Chapters treat a variety of topics, including the history of the notion of "rights," the scriptural grounding for the traditional morality of marriage, philosophies of truth, the challenges of modern life, the sacrificial nature of godly love, and the essence of marriage as God intends it for human life. If you have found yourself struggling with contemporary debates over the nature of marriage, if you wonder whether the church's traditional teachings still apply in the twenty-first century, and if you feel a growing divide between the practice of your faith and the life of the wider community, then Standing Under the Wrong Rainbow serves as a wake-up call and a

guide to reclaiming the power of longstanding tradition.

*What If? 2* - Randall Munroe 2022-09-13

AN INSTANT NEW YORK TIMES BESTSELLER! "The questions throughout *What If? 2* are equal parts brilliant, gross, and wonderfully absurd and the answers are thorough, deeply researched, and great fun. . . . Science isn't easy, but in Munroe's capable hands, it surely can be fun." —TIME The #1 New York Times bestselling author of *What If?* and *How To* answers more of the weirdest questions you never thought to ask. The millions of people around the world who read and loved *What If?* still have questions, and those questions are getting stranger. Thank goodness xkcd creator Randall Munroe is here to help. Planning to ride a fire pole from the Moon back to Earth? The hardest part is sticking the landing. Hoping to cool the atmosphere by opening everyone's freezer door at the same time? Maybe it's time for a brief introduction to thermodynamics. Want to know what would happen if you rode a helicopter blade, built a billion-story building, made a lava lamp out of lava, or jumped on a geyser as it erupted? Okay, if you insist. Before you go on a cosmic road trip, feed the residents of New York City to a T. rex, or fill every church with bananas, be sure to consult this practical guide for impractical ideas. Unfazed by absurdity, Munroe consults the latest research on everything from swing-set physics to airliner catapult-design to answer his readers' questions, clearly and concisely, with illuminating and occasionally terrifying illustrations. As he consistently demonstrates, you can learn a lot from examining how the world might work in very specific extreme circumstances.

The Fear Factor - Vickie (Trout) Grigsby

Much of what we fear springs from erroneous beliefs, misunderstandings, and lies. But you shall know the truth and the truth will make you free! Fear will cause you to hide and disappear deep down inside. What's even more sinister, it can kill you. This book is not a promise that all fear will be wiped away like a spot on a mirror because ironically, some fear is good for us. It is intended to de-paralyze you to move beyond your fear and soar! "This class has been meaningful to me because coming in I actually felt my fears were over. However, I've found

out that fears hide themselves behind other words. The class was very informative and well executed by the instructor, and because of attending, I'm now encouraged to step out of my self-imposed limitations." ~Minister Carl Diggs "I was afraid of death until I took this class." ~Dr. Lillie Jenkins

**Passing It On** - Myles Munroe 2011-05-25

Leaders everywhere, in arenas big and small, struggle with the desire and, frankly, the need to make sure their vision for the organization they have created or grown continues regardless of circumstances. And the question "what will be my legacy?" is a question all people ask themselves. Myles Munroe has observed that the tendency among leaders is to deal with this question as serious circumstances or retirement loom. Further, it is his belief that this is one of the most important decisions a leader will ever make. This book is a wakeup call. Myles Munroe wants all leaders to focus on building the right team for the future and to make it a top priority because the process is not a quick one. Properly mentoring the right people to ensure the continuation of an organization is actually a process that must be woven into that

organization over a span of years or even decades. Chapter topics discussed include The Chaos of Transition The Leadership Dilemma Living Beyond Your Generation The Principles of Mentoring PASSING IT ON shows how to use the concept of mentoring within an organization to value the distinct talents and abilities of the individuals. Mentoring is the pathway to developing leaders from within; leaders who are in line with the goals of the organization; leaders who are most likely to adopt and carry a vision forward.

*Relational Intelligence* - Dharius Daniels 2020-01-28

Relational Intelligence is your action plan for getting smart about who you surround yourself with. Using Jesus's relational framework for choosing the twelve disciples, this book gives you the tools you need to define, discern, align, assess, and activate your relationships to unlock your greatest potential. Years of ministry leadership experience have taught Dr. Dharius Daniels that there's no such thing as a casual relationship. All of our relationships either push us forward into our God-given purposes or hold us back from who we're meant to be. If you're serious about taking your life to the next level, you should be serious about taking your relationships to the next level, too. Scripture gives us a blueprint for the way relationships should be managed, and this blueprint helps us construct and grow relationships that are fruitful. It tells us that our spiritual, physical, financial, emotional, and professional progress is greatly impacted by who we allow to be a part of our lives and what part we allow them to play. Relational Intelligence reminds us that with our destiny on the line, relationships are too consequential to nonchalantly roll the dice in managing them. Daniels shows us that relationships were part of God's design, and when we understand and apply what God has to say about them, we can finally learn to: Reflect on the people that God has placed in our lives Avoid unnecessary relational turmoil Be intentional in each of our relationships Accomplish our God-

given purpose When your purpose is on the line, the cost of relational unintelligence is too great to pay. Join Daniels as you uncover the secret to gaining the relational intelligence you need to build the purposeful life that you want.
