Management - Richard L. Daft 2015-01-01

MANAGEMENT, 12E includes several innovative pedagogical features to help students understand their management capabilities and learn what it's like to manage in an organization today. Each of the 19 chapters begins with an opening questionnaire that engages the reader's interest, directly connects to the topic of the chapter, and enables students to see how they respond to situations and challenges that real-life managers typically face. A New Manager Self-Test in each chapter provides students with further insight into how they would function in the real world of management. The Remember This bullet-point summaries at the end of each major chapter section give students a snapshot of the key points and concepts covered in that section. The end-of-chapter questions have been carefully revised to encourage critical thinking and application of chapter concepts, and Small Group Breakout exercises give students the opportunity to apply concepts while building teamwork skills. Ethical dilemmas, all-new end-of-chapter cases, and a fully updated set of On the Job video cases help students sharpen their diagnostic skills for management problem solving. The chapter sequence in MANAGEMENT is organized around the management functions of planning, organizing, leading, and controlling. These four functions

effectively encompass management research and the characteristics of the manager's job. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Motivasi Untuk Kinerja - Timotius Duha 2020-08-01

Dengan Judul "Motivasi Untuk Kinerja" Buku ini ditulis secara komprehensif dengan didasari pendalaman materi ajar dan literatur dari berbagai sumber yang dipadukan dengan pengamatan dan kejadian yang berlangsung sehari-hari ditengah-tengah masyarakat pada umumnya. Motivasi dan Kinerja merupakan dua topik (selain variabel lainnya) yang sering dijadikan variabel penelitian untuk diteliti. Selain itu ada juga beberapa item topik bahasan yang bisa dijadikan referensi seperti Konflik, Kompensasi, Prestasi Kerja, Kepuasan Kerja, Komunikasi, Lingkungan Kerja, Budaya Organisasi, Pendidikan dan Pelatihan. Buku ini ditulis secara terperinci per item-item pembahasan topik dengan menggunakan bahasa yang sederhana agar mudah dibahas dan dipahami. Sumber literatur buku ini berasal dari buku teks pengarang Indonesia, buku teks terjemahan pengarang luar negeri, buku teks tanpa terjemahan pengarang luar negeri, dan jurnal internasional bereputasi. Gaya penulisan juga terkesan 'ringan' dan tidak bertujuan membebani beban pikiran pembaca karena kesulitan 'mencerna' kalimat demi kalimat dibuku ini. Buku ini tidak ingin menyinggung oknum, pihak, organisasi, lembaga atau apapun dalam pembahasannya. Motivasi Untuk Kinerja ini diterbitkan oleh Penerbit Deepublish dan tersedia juga dalam versi cetak*

Fundamentals of Organizational Behaviour - Nancy Langton 2010-03-15

Handbook of Research in International Human Resource Management - Günter K. Stahl 2012-01-01

Acclaim for the first edition: 'Handbook of Research in International Human Resource Management represents a welcome contribution to IHRM literature and will be required readings for both novices and veteran researchers.' - Dana B. Minbaeva, British Journal of Industrial Relations'. . . a rich array of contributors including some of the biggest names in the field.' - Roger Bell, Delta Intercultural Academy The second edition of this Handbook provides up-to-date insight into groundbreaking research on international human resource issues today. These issues are faced by multinational companies which can be as small as one person with a computer and Internet connection or as large as a medium-sized country. Written by the field's most distinguished researchers, the book will stimulate thought for new research and provide a glimpse of where we have been and where we are going. The book explores issues such as the importance of linking IHRM activities to organizational strategy and culture; talent management; staffing; performance management; leadership development; diversity management; international assignment and mobility issues; and the role of IHRM in the management of global teams and cross-border joint ventures, mergers and acquisitions. The Handbook illustrates that IHRM research is both theoretically deep and eclectic. Drawing upon a range of paradigms and perspectives this compendium will prove invaluable for HRM scholars, doctoral students, and others interested in IHRM research.

Advances in Business, Management and Entrepreneurship - Ratih Hurriyati 2020-01-06

The GCBME Book Series aims to promote the quality and methodical reach of the Global Conference on Business Management & Entrepreneurship, which is intended as a high-quality scientific contribution to the science of business management and entrepreneurship. The Ethics Challenge in Public Service - Carol W. Lewis 2005-03-11

Since it was first published in 1991, *The Ethics Challenge in Public Service* has become a classic text used by public managers and in public management programs across the country. This second edition is filled with practical tools and techniques for making ethical choices in the ambiguous, pressured world of public service. It explores the day-to-day ethical dilemmas managers face in their work, including what to do when rules recommend one action and compassion another, and whether it is ethical to dissent from agency policy. This essential text explores managers' accountability to different stakeholders and how to balance the often competing responsibilities.

Organizational Behavior - Mary Uhl-Bien 2020-03-17

Organizational Behavior is a multidimensional product to allow for student development in knowledge, analysis, synthesis and personal development with pedagogical features designed to bring Organizational Behavior to life. This product reframes the content of organizational behavior to reflect the inherent interdependence of factors that explain human behavior. Traditional OB topics are introduced as part of an integrated framework for answering practically-relevant questions about why people behave as they do and how to effectively self manage and influence others.

Power and Politics in Organizations - Cynthia Hardy 1995

This is a collection of articles exploring the issue of power in relation to organizations. It asserts that any attempt to understand the large literature on power must extend beyond the confines of organization and management theory. The argument underlying the volume is that broad exploration is essential because management studies of power have been for the most part, severely constrained, tending to view power from a functionalist perspective. In so doing issues of how power becomes embedded in existing organizational structures, cultures, practices, rules and regulations have been ignored.
