And since I'm more of a 'here for the night' than a 'here for forever' kind of guy, what's the harm in a little white lie about my job? My harmless deceit has never failed me. Until now. Because I met the most amazing woman and did the unthinkable. I married her. And now my beautiful, unsuspecting, probably-going-to-leave-my-sorry-behind-when-she-finds-out-the-truth wife doesn't know that I'm not a used car salesman like I told her when we met. As it typically does with lies, the truth is about to come out in a big way when Jaime unwittingly gets herself mixed up with

some unsavory characters and I, along with the team at Jameson, have to intervene. Now I need to save my girl and hope I can save my marriage too. Let's just say I have some serious explaining to do.

Secrets of the Greek Revival - Eva Pohler
2015-12-13

Like Nancy Drew meets The Golden Girls! Ellen and her two best friends share a mid-life crisis by hatching a plan to renovate an 1860's Greek revival in the nearby historic district of San Antonio. Although Ellen isn't one to believe in ghosts, she comes face to face with something inexplicable in the attic. Her ghost-enthusiast

friends convince her that they must help the spirit find closure, and as they dig deeper into the past, they uncover a shocking history that someone in the neighborhood doesn't want exposed. But Ellen and her friends don't give up easily. They realize they've been called to give voice to the invisible women who suffered behind the walls of the house for decades. "Slightly wacky ladies, humor & good intentions result in a very interesting story. I've already ordered the second one in the series."--Lynne J. Condon "They begin a dangerous quest digging into the real history behind the Gold House. What they find will blow your mind! My heart was racing throughout this entire book. If you believe in ghosts or even if you don't, I suggest reading by a lamp. I jumped several times as if a movie were playing inside my mind. . . . The three women in this book are wonderful. This is definitely a must-read. 5 stars for Eva! Well done!"--Book Lover Reviews "I chose this book to read because I had an awful cold

and figured that if I wasn't impressed, I'd just skip finishing it! Boy was I wrong! It was really good! Even when my eyes said they were tired and should be resting, my mind said you gotta keep going. It was a real treat!"--Lynn Reener
"This captivating tale of three friends setting out to renovate and flip a house is definitely not your average haunted house story. The three lead characters and all the other people in this story (whether major players or merely peripheral persons) are so carefully crafted with their own unique personalities and attributes that they spring to life in the reader's mind. The story, itself, is mesmerizing with all the back-story details of the characters' lives and especially with the convoluted and macabre history of The Gold House (the house purchased by our leading ladies). This is one of those stories that is achingly hard to put down when bedtime rolls around or something requires your immediate attention. It really is that good."--txdoc, Goodreads Reviewer "This is my

first experience with author Eva Pohler and I can't believe I haven't read anything of hers before! Loved the book and I'll be checking out more in this series."--The Novel Lady
"Loved reading this book. So sad that there were people mistreated in our former days. These types of retreats or rest care facilities actually used to operate in the US for many years. Some state owned too. IN The 70 ALL were shut down. THE GHOST that haunted the house and her ancestors first tells a telling tale about what happened inside the walls of the house three women buy and restore to its former glory."--Cozy Mystery Reader
"This is a real page turner. Riviting, and exciting. The characters are very well written, its easy to read and you won't want to put it down."--Southermermaid85, Goodreads Reviewer "Secrets of the Greek Revival sent a rollercoaster of emotions throughout this story. I couldn't put this one down. If you are looking for a great read then this is your book. I seriously didn't know what

was coming next. As I don't like to give away spoilers, and believe me you would not want me to, I will however tell you that I enjoyed this book so much I kept switching from reading to audio so I could enjoy while driving to and from work."--Denise M. Man in Love - Laurelin Paige 2020-11-24
Scott Sebastian is a liar. Fitting, since I'm a liar too. Yet there's no place for me in his glittering world of half-truths. With all our secrets in the open, I should stop trying. What I've learned should send me running far away. I can't keep pining for a man in love if I'm not the woman he's in love with. But it's not that easy to escape the Sebastians. I already knew they owned this city. Now I'll find out if they also own their son.
[The Island House](#) - Nancy Thayer 2016-05-31
New York Times bestselling author Nancy Thayer evokes the shimmering seascape of Nantucket in a delightful novel that resonates with the heartache and hope of growing up, growing wise, and the bittersweet choices we must be brave enough to make. Courtney Hendricks will never forget the magical summers she spent on Nantucket with her college roommate, Robin Vickerey, and Robin’s

charismatic, turbulent, larger-than-life family, in their gorgeous island house. Now a college English professor in Kansas City, Courtney is determined to experience one more summer in this sun-swept paradise. Her reason for going is personal: Courtney needs to know whether Robin's brother James shares the feelings she's secretly had for him. Time with the Vickerey family always involves love and laughter, and this season is no different. Vivacious matriarch Susanna Vickerey is celebrating her sixtieth birthday, but beneath the merriment, trouble is brewing. The family patriarch, Dr. Alastair Vickerey, is quiet and detached, while unspoken tension looms over oldest son Henry, a respected young surgeon. Warm and witty Robin, the most grounded of the siblings, is keeping a secret from her parents. Iris, the colorful baby of the brood, remains rudderless and in need of guidance. And the sexy, stunningly handsome, untouchable James—to Courtney's dismay—may be in love with a beautiful and vibrant local

artist. As the summer unfolds, a crisis escalates, surprising truths are revealed, and Courtney will at last find out where her heart and her future lie. Weaving the trials and uncertainty of real life into a tapestry of passion, hope, and courage, *The Island House* is a beautifully told story about the ties that bind us—and how the blessings of love and family heal us in ways we never dream possible. Praise for *The Island House* "Thayer's latest should be filed under a Best Beach Reads of 2016 list. . . . The characters are complex and their struggles and concerns feel real. . . . Thayer has a really wonderful ability to showcase the meaning of family."—RT Reviews "A perfect book to read while sticking your toes in the sand this summer!"—Bookish Devices "A touching story about friendship, family, and the uncertainty of love."—Bustle Praise for Nancy Thayer *The Guest Cottage* "A sweet book with romance, laughter, and love after loss . . . Thayer knows her Nantucket history, and it shines in this book."—RT Book Reviews "It's a
