Earth Ponds: The Country Pond Maker's Guide to Building, Maintenance, and Restoration (Third Edition) - Tim Matson 2012-06-04

The bible of pond-making in a fully redesigned 30th-anniversary edition. There is nothing like a pond. What else can simultaneously increase your aesthetic pleasure, offer recreational opportunities, help the environment, and increase the value of your property? Earth Ponds is the standard resource for building and maintaining these important and lovely landscape features. For thirty years now Earth Ponds, with some 100,000 copies in print, has guided an entire generation of pond makers on everything from site planning to soil sampling to drainage and wildlife management. It's a complete overview of the country pond. Illustrations guide the pond builder through every step of the process; chapters carefully describe the issues and decisions in a wonderfully personal way. It's the condensed wisdom of a man who has spent a lifetime building, restoring, and maintaining ponds.

Tuning In The Great Gildersleeve - Clair Schulz 2013-01-18

When Throckmorton P. Gildersleeve bade farewell to Fibber McGee and Molly and left Wistful Vista on a train in 1941, no one could have predicted that he would be riding the airwaves with his own new show until 1957. But when one listens to episodes of radio's first spinoff, it becomes clear the The Great Gildersleeve succeeded because its likable and amusing characters were appealingly fallible, much like the folks each of us knew in our hometowns. This book is a guide to more than 500 episodes of The Great Gildersleeve that are in circulation and also to the scripts of 46 episodes for which no recordings exist. Background on the development of the program is included, and the appendices include a list of episodes as well as information about cast members, notable occurrences on the program, ratings, and the films and TV series.

The Official Vintage Guitar Magazine Price Guide 2004 - Alan Greenwood 2003-10

Industry experts have long considered *The Official Vintage Guitar Price Guide* to be the most accurate, authoritative and detailed publication to tackle the seemingly indomitable task of placing values on thousands of vintage and recent-model guitars, amps, basses, effects pedals, mandolins, lapsteels and other fretted instruments. And the VG Price Guide is the only one to do it all in one book! Now in its 13th year, the new Guide offers more than ever. Authors Alan Greenwood and Gil Hembree have made their ultimate guide to values even more valuable, with more details on familiar favorites and backgrounds on nearly 800 brands. Plus, there are 700 photos showing all forms of vintage instruments, amps and effects. The Guide combines the most thorough research with an exceptionally user-friendly format that employs quick-find page headings, a comprehensive index, and a dealer directory that puts you just an e-mail or phone call away from guitar buyers and sellers in every region of the country. Also included is an in-depth look at the factors that drive the collectible instrument market, explaining the "hows and whys" in regard to the values of vintage and used equipment.
