[The Gangster We Are All Looking For](#) - Thi Diem Thuy Le 2011-04-13

This acclaimed novel reveals the life of a Vietnamese family in America through the knowing eyes of a child finding her place and voice in a new country. In 1978 six refugees—a girl, her father, and four “uncles”—are pulled from the sea to begin a new life in San Diego. In the child’s imagination, the world is transmuted into an unearthly realm: she sees everything intensely, hears the distress calls of inanimate objects, and waits for her mother to join her. But life loses none of its strangeness when the family

is reunited. As the girl grows, her matter-of-fact innocence eddies increasingly around opaque and ghostly traumas: the cataclysm that engulfed her homeland, the memory of a brother who drowned and, most inescapable, her father’s hopeless rage.

[Fear Nothing \(Moonlight Bay Trilogy, Book 1\)](#) - Dean Koontz 2016-05-05

Christopher Snow is athletic, handsome enough, intelligent, romantic, funny. But his whole life has been affected by xeroderma pigmentosum, a rare genetic disorder that means his skin and eyes cannot be exposed to sunlight. Like all Xpers, Chris lives at night - and has never ventured beyond his hometown of Moonlight Bay, a place of picturesque beauty and haunting strangeness; he knows it as no one else can possibly know it, is intimate with its shadows and darkest hours. Despite the limitations

imposed by nature, he has always been determined to lead the fullest life and, with the help of family and friends, he has on the whole succeeded. But for Chris - and all the inhabitants of Moonlight Bay - a terrible change is about to happen; a change of potentially catastrophic proportions.

Eerie Georgia: Chilling Tales from the Mountains to the Sea - Jim Miles 2018

Georgia is a thoroughly modern state, known for its vibrant culture and bustling economy. Despite this veneer of normalcy, strange legends lurk around every corner. Former president Jimmy Carter's family consulted a psychic in an attempt to find one of the farm's wayward dogs. A Hall County ranch was plagued by mysterious cattle mutilations made with surgical precision. Eggs, alligators, turtles and frogs have rained down from the heavens across the state, from Columbus to Savannah. Evidence suggests that ancient seafarers regularly visited the Peach State centuries before Columbus reached the

New World. Author Jim Miles explores these and many more in a collection of stories that can be found only in the Peach State.

Haunted Love - Chris Gonsalves 2009-12-22
Romance is undeniably otherworldly. Heart racing, breath quickening, senses ablaze—it's all part of what makes love so frighteningly grand. As Francois de La Rouchefoucauld said four centuries ago, "It is with true love as it is with ghosts; everyone talks about it, but few have seen it." And yet, there are those who have seen both. Welcome to Haunted Love. With settings ranging from southern Florida to South Korea, Haunted Love delivers a rich and varied collection of tales that touch the heart and tingle the spine. The book features lush historical narratives that capture all of the tenderness, heartbreak, and raw emotion of the love affairs along with the chillingly detailed encounters with the ghosts these ill-fated romances left behind.

The Chill - Scott Carson 2021-02-23

National Bestseller A supernatural force—set in motion a century ago—threatens to devastate New York City in this “terrific horror/suspense/disaster novel” that “grips from the first page” (Stephen King, #1 New York Times bestselling author). Far upstate, in New York’s ancient forests, a drowned village lays beneath the dark, still waters of the Chlewuaukee reservoir. Early in the 20th century, the town was destroyed for the greater good: bringing water to the millions living downstate. Or at least that’s what the politicians from Manhattan insisted at the time. The local families, settled there since America’s founding, were forced from their land, but some didn’t leave... Now, a century later, the repercussions of human arrogance are finally making themselves known. An inspector assigned to oversee the dam, dangerously neglected for decades, witnesses something inexplicable. It turns out that more than the village was left behind in the waters of the Chill when it was abandoned. A dark

prophecy remained, too, and the time has come for it to be fulfilled—for sacrifices must be made. And as the dark waters begin to inexorably rise, the demand for a fresh sacrifice emerges from the deep... “A must read for fans of eerie, gripping storytelling” (Dean Koontz, #1 New York Times bestselling author), *The Chill* is “a creepy tale of supernatural terror” (Publishers Weekly, starred review).

Haunting Experiences - Diane Goldstein
2007-09-15

Ghosts and other supernatural phenomena are widely represented throughout modern culture. They can be found in any number of entertainment, commercial, and other contexts, but popular media or commodified representations of ghosts can be quite different from the beliefs people hold about them, based on tradition or direct experience. Personal belief and cultural tradition on the one hand, and popular and commercial representation on the other, nevertheless continually feed each other.

They frequently share space in how people think about the supernatural. In *Haunting Experiences*, three well-known folklorists seek to broaden the discussion of ghost lore by examining it from a variety of angles in various modern contexts. Diane E. Goldstein, Sylvia Ann Grider, and Jeannie Banks Thomas take ghosts seriously, as they draw on contemporary scholarship that emphasizes both the basis of belief in experience (rather than mere fantasy) and the usefulness of ghost stories. They look closely at the narrative role of such lore in matters such as socialization and gender. And they unravel the complex mix of mass media, commodification, and popular culture that today puts old spirits into new contexts.

Deeply Odd - Dean Koontz 2014-05-27

NEW YORK TIMES BESTSELLER The pistol appeared in his hand the way a dove appears in the hand of a good magician, as if it materialized out of thin air. “You think I won’t do it right here in the open. But you’d be surprised. . . . You’ll drop before you get the breath to scream.” The truck driver is decked out like a rhinestone cowboy, only instead of a guitar he’s slinging a gun—and Odd Thomas is on the wrong end of the barrel. Though he narrowly dodges a bullet, Odd can’t outrun the shocking vision burned into his mind . . . or the destiny that will drive him into a harrowing showdown with absolute evil. restless spirits and help them find justice and peace. But this time, it's the living who desperately need Odd on their side. Three helpless innocents will be brutally executed unless Odd can intervene in time. Who the potential victims are and where they can be found remain a mystery. The only thing Odd knows for sure is who the killer will be: the homicidal stranger who tried to shoot him dead in a small-town parking lot. With the ghost of Alfred Hitchcock riding shotgun and a network of unlikely allies providing help along the way, Odd embarks on an interstate game of cat and mouse with his sinister quarry. He will soon learn that his adversary possesses abilities that may surpass his own and operates in service to infinitely more formidable foes, with murder a mere prelude to much deeper designs. Classic Ghost Stories - Robin Brockman

2017-10-03

There's nothing like a good ghost story to give you a frisson of fear on a dark winter's night.

Gathered in this haunting collection are twenty-seven of the very best of their genre by British and American masters. As well as contributions from established names, you will also find forgotten gems by unjustly neglected writers who deserve an opportunity to find a new readership. Among these is The Spectre of Tappington, taken from The Ingoldsby Legends which appeared in serial form in the 1830s and were immensely popular with Victorian readers. Their author, Thomas Ingoldsby, was in fact an English clergyman, Richard Barham, who, unlike most of the writers in this compilation, put pen to paper out of pure enjoyment rather than necessity. The name Edith Nesbit is better known to modern readers than Thomas Ingoldsby, although probably not in the context of adult fiction. Famous as a writer of children's fiction (most notably The Railway Children), she also had a talent for ghost stories, as you will discover when you come to Man-Size in Marble. So settle back and enjoy myriad journeys

through the highways and byways of one of literature's most rewarding genres. Included here are: *The Moonlit Road* by Ambrose Bierce *Miss Jéromette and the Clergyman* by Wilkie Collins *The Captain of the Pole-star* by Sir Arthur Conan Doyle *The Goblins Who Stole a Sexton* by Charles Dickens *The Old Nurse's Story* by Elizabeth Gaskell *The Withered Arm* by Thomas Hardy *The Hollow of the Three Hills* by Nathaniel Hawthorne *The Furnished Room* by O. Henry *The Haunted Mill* by Jerome K. Jerome *A Ghost* by Guy de Maupassant *The Oval Portrait* by Edgar Allan Poe *The Body Snatcher* by Robert Louis Stevenson *The Devil's Wage* by W. M. Thackeray *The Canterville Ghost* by Oscar Wilde
