Handing on the Faith - Sutton, Matthew
2014-04-10

Annual Volume #59 of the College Theology Society, this book of collected essays will explore the theme of how theology and catechesis interact. Is theology “handing on the faith,” or is the vocation of the theologian something more/different? What are the challenges and convergences for theology and catechesis in the classroom?

Consisting of fifteen essays originally delivered as papers at the College Theology Society annual meeting in Omaha, NE in May 2013, this book will offer the reflections and analyses of teachers across a broad spectrum of experience, background, and personal convictions vis-à-vis the importance of catechesis in the college classroom.

New Syllabus Additional Mathematics Workbook - Dr Joseph Yeo 2013-01-01

New Syllabus Additional Mathematics (NSAM) is a series of textbooks and workbooks designed to prepare students for the Singapore-Cambridge GCE O-level examination in Additional Mathematics. Together with the textbook, the workbook will provide students with ample practice to apply the various skills and concepts learnt to solving problems in both examination and real-life situations. The workbook contains the following features: REVISION NOTES
Revision Notes are found at the start of each

chapter. They emphasise the important concepts and formulae in the chapter. PRACTICE QUESTIONS Practice Questions provide students with a wide range of questions for further practice. The questions are classified into three levels of difficulty. ♦ questions require students to use specific skills and concepts in the chapter directly to solve problems. ♦ questions require students to apply their skills and concepts to solve problems. ♦ questions require students to apply various skills and concepts, including the use of problem-solving skills, to solve problems. Revision Exercise The Revision Exercise is found after every few chapters to help students to recall and consolidate all the concepts learnt in these chapters. Mid-Year Specimen Papers and End-of-Year Specimen Papers The Mid-Year Specimen Papers and End-of-Year Specimen Papers have been written to follow closely to the format of school's Mid-Year and End-of-Year examinations. It is hoped that when students use

this book, to reinforce the concepts that they are weak in, they will eventually gain success in Additional Mathematics.
