McCall's - 1999

The Shots Book - Ethan Posard 2015-05-25

"But why do I need to get a shot?," I asked my parents. Sometimes it takes a kid to explain something to

another kid. My name is Ethan, I am 14 years old and I wrote The Shots Book, to share what I wish I had known back when I was getting my kindergarten shots. In a superhero story that is easy for children to understand, and based on my real life experiences, I explain how vaccines work, how they protect our own health, and the health of others in our community to empower kids and help make the doctor's visit easier. I dedicate my book to the children who must rely on herd immunity to keep them safe. When you buy my book another book gets donated to a children's hospital library with remaining proceeds going to my herd immunity educational campaign. Those kids fighting cancer, needing transplants, or battling other diseases are the real heroes and I want them to know they have a friend who cares.

Please! Thank You! - Jillian Harker 2009

Big Collection of Teacher Tips Book Two - Lori Bruce 1993-02

A collection of teacher-tested ideas compiled from the primary, intermediate and pre-K editions of The mailbox magazine.

How to Behave So Your Preschooler Will, Too! - Sal Severe 2004-06-01

Dr. Sal Severe established himself as a leading childcare and parenting expert with his phenomenally successful *How to Behave So Your Children Will, Too!* Now he focuses on raising children between the ages of three and six. Based on Dr. Severe's philosophy that children's behavior often reflects that of their parents, this book teaches readers how to better handle a host of issues, from fussing at bedtime and temper tantrums to toilet training and sibling rivalry. Instead of focusing on what children do wrong, Severe teaches parents what they can do right by emphasizing the positive, being consistent, and being more patient. Filled with checklists, an extensive resource guide to books that parents can read with their preschoolers, and plenty of inspiration, this goldmine of helpful advice is certain to become a bible for stressed-out parents everywhere.

A Kit Bag for Promoting Positive Behaviour in the Classroom - Nicola Morgan 2011-08-15

Disruptive classroom behaviours can prevent effective teaching and create a negative learning environment. This handy directory of behaviours has been written by teachers for teachers, and is bursting

with tried and tested techniques to make the classroom a happier and more productive place for everyone. The 'Kit Bag' is a bank of up-to-date ideas that can be dipped into whenever needed, each one intended to get children focused and more engaged and excited by the learning process. The book suggests ways to create a positive learning environment in the classroom and encourages teachers to be proactive at the most vulnerable times of the school day such as at the start and end of lessons. Strategies are included for addressing behaviour hotspots, such as calling out, frequent crying or aggressive behaviour, as well as how to uncover the source of these problems and practical ways to prevent them from reoccurring. The useful Self-Assessment Checklist will also aid in making sure teachers are constructively reinforcing positive behaviour at all times. This widely acclaimed approach will be a must for any teacher who has ever been confronted with challenging behaviour and wants to get the best out of their pupils. It will also be a valuable tool for headteachers and senior leaders who want to revolutionise current school practices.

[Ten Minutes Late for Reality](#) - Louis Morris 2022-05-03

It's a story as old as time--or at least ten minutes. Boy meets girl. Boy loses girl. Boy loses job. Boy loses car. Boy loses mind and writes an awful novel about wizards and talking eyes. It's tragic, really...

Richard Scarry's Please and Thank You Book - Richard Scarry 1973-08-12

Join Richard Scarry's beloved characters Huckle Cat, Lowly Worm, and more as they learn about the importance of manners. From how to behave at school, to sharing, to important safety rules - and featuring bright and fun illustrations - young children will gain an understanding of the right ways to behave in a variety of situations. Now includes a sticker sheet!

The Pocket Parent - Gail Reichlin 2001-04-01

It's instant relief for when your 2-year-old is on the floor of the toy store, pitching a fit. Or when brother and sister discover that they can't stand each other. Or when your son can't say no to video games. The Pocket Parent is, literally, a pocket-size book of tried-and-true advice, common sense, parental wisdom, and sanity. Written by two professionals who've reared six children between them and made a career out of helping others with parenting issues, this handy book will be a lifesaver for every parent of a 2-to-5-year-old. It begins with an overall view of the Pocket Parent approach to discipline. Based on unconditional love but firm limits, and aimed at keeping the child's dignity and self-esteem intact, here are strategies that include "I" statements, modeling, family meetings, and "one word" requests. Once the ground rules are set, the guide moves to an A-to-Z compendium of common problems. Just look it up-Anger, Bad Words, Biting, Chores, Doctor Visits, Fears at Night, Lying, Separation Anxiety-and find the "Sanity Savers" list of suggestions, easy-to-follow bullets, anecdotes, and more. For the bag, glove compartment, backpack, or shelf in the kitchen, it's there for you whenever you need it.

The Advocate - 2003-03-04

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

Kindergarten Simplified - Mary Lou Podlasiak 2008-10

You want it all for your child - excellent grades, admirable qualities, lots of friends, and unlimited opportunities. Kindergarten Simplified eliminates the guesswork in giving your child every advantage during that crucial first year in school. What's more, you will learn how to live vicariously through your child in a healthy way, hopefully inspiring you to recapture the joy of living a life full of infinite possibilities. Find out what paperwork and information you will need for registration. Feel confident when deciding whether or not to delay enrollment for another year. Find out what educators are looking for during the screening process and how to foster those skills. Learn how to save money when shopping for clothes, classroom supplies, and lunches. Learn how to organize your home and structure your day to eliminate chaos. Learn to turn ordinary activities into intellectually stimulating events. Increase the effectiveness of your parent-teacher conferences by knowing what questions to ask. Familiarize yourself with educational terms. Learn how to interpret test results and what to do when your child performs poorly. Be prepared to handle a host of difficult problems like a pro - school phobia, bullying, lice, shyness, and more.

My Reward Chart Book - Roger Priddy 2012-05

Fun, brightly illustrated reward chart book to encourage and develop positive behaviour in children aged three and over. Features 30 ready-to-use, weekly charts to reward everyday tasks such as tidying toys,

eating vegetables and saying thank-yous. With 200 reward stickers to use on the charts to praise good behaviour, plus 10 special certificates to complete when tasks are achieved. Perforated pages allow both the charts and certificates to be pulled out and pinned to the wall for easy use and visibility.

[Wild about the Bible Sticker and Activity Book](#) - 2016-04-05

The Adventure Bible comes to life with puzzles, activity pages, and 50 reusable stickers in the new Wild About the Bible Sticker and Activity Book. Featuring Bible time heroes and their adventures, activities are fun and engaging and will entertain as well as teach young children about familiar stories in the Bible. Heroes and adventures include Creation, Noah, Moses, Esther, and the parable of the Lost Son.

Please and Thank You - 2017-08-01

A follow-up title to Time for Bed, this new Pull and Play Book teaches social skills in a fun, age-appropriate way. Little crocodile, little kangaroo, little monkey, and their friends find out just why it's important to be polite in this sweet and simple book that features a pull-tab on every spread. Young children will enjoy pulling the tabs to change the pictures and reveal the good feelings that come from having good manners.

Way to Go! - duopress labs 2021-04-13

The good-old sticker rewards chart meets the social media era in this sticker rewards book for toddlers. Divided into three sections with over 500 stickers, the book offers something for every busy toddler and their parents and teachers. The large-size stickers in the I Did It Myself section are perfect for being displayed on kids' shirts or chests and then photographed and shared on social media, with messages like I brushed my teeth, I fed my pet, and many more. Smaller-size stickers in the Awesome Achievements section celebrate general kid accomplishments with words of encouragement, such as Excellent Work! and Way to Go!, as well as popular icons like smiling faces, emoticons, stars, etc. This section also includes popular stickers with encouraging phrases in an array of languages, from Spanish and Chinese to Italian and Korean. These stickers are designed to be used by kids and their educators on anything from worksheets and notebooks to tricycles and scooters. And of course we all love a sticker chart, so the last section of the book includes a collection of stickers specially designed for a removable Fold-Out Chart (included) that can be displayed in a child's room, the family room, the kitchen, etc.

[The Thank You Economy \(Enhanced Edition\)](#) - Gary Vaynerchuk 2011-03-08

If this were 1923, this book would have been called "Why Radio Is Going to Change the Game" . . . If it were 1995, it would be "Why Amazon Is Going to Take Over the Retailing World" . . . The Thank You Economy is about something big, something greater than any single revolutionary platform. It isn't some abstract concept or wacky business strategy—it's real, and every one of us is doing business in it every day, whether we choose to recognize it or not. It's the way we communicate, the way we buy and sell, the way businesses and consumers interact online and offline. The Internet, where the Thank You Economy was born, has given consumers back their voice, and the tremendous power of their opinions via social media means that companies and brands have to compete on a whole different level than they used to. Gone are the days when a blizzard of marketing dollars could be used to overwhelm the airwaves, shut out the competition, and grab customer awareness. Now customers' demands for authenticity, originality, creativity, honesty,

and good intent have made it necessary for companies and brands to revert to a level of customer service rarely seen since our great-grandparents' day, when business owners often knew their customers personally, and gave them individual attention. Here renowned entrepreneur Gary Vaynerchuk reveals how companies big and small can scale that kind of personal, one-on-one attention to their entire customer base, no matter how large, using the same social media platforms that carry consumer word of mouth. The Thank You Economy offers compelling, data-driven evidence that we have entered into an entirely new business era, one in which the companies that see the biggest returns won't be the ones that can throw the most money at an advertising campaign, but will be those that can prove they care about their customers more than anyone else. The businesses and brands that harness the word-of-mouth power from social media, those that can shift their culture to be more customer-aware and fan-friendly, will pull away from the pack and profit in today's markets. Filled with Vaynerchuk's irrepressible candor and wit, as well as real-world examples of companies that are profiting by putting Thank You Economy principles into practice, The Thank You Economy reveals how businesses can harness all the changes and challenges inherent in social media and turn them into tremendous opportunities for profit and growth.

Los Angeles Magazine - 2005-06

Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

[The Psychology of Safety Handbook](#) - E. Scott Geller 2016-04-19

You cannot improve your organization's safety performance to enviable levels without addressing human behavior and attitude effectively. The only comprehensive reference on the psychology of the human dynamics of safety, The Psychology of Safety Handbook shows you how to apply psychology to improve safety and health in your organization. Dr. Geller

[Successful Teaching Placement in Scotland Primary and Early Years](#) - Jane Medwell 2008-05-06

The majority of ITE students in Scotland are postgraduates with only one year to grasp the vast skills and knowledge required to become a primary teacher. Therefore, for many, school placement is a source of stress and worry. This book combines the information and support that students need to help them prepare for, enjoy and maximise the benefits of teaching placements for their professional development. It has been specifically written for the education system in Scotland, taking full account of the differences in practice and terminology that make English books of little use to trainees in Scotland.

[Madeline Playtime Activity Book](#) - Ludwig Bemelmans 1997-05-01

A fun-filled collection of colorful stickers, simple puzzles, and challenging games features Madeline, Pepito, and the other beloved Ludwig Bemelmans characters as they frolic in scenic Paris. BOMC.
