God of Our Fathers - Josiah Benjamin Richards 1994-12

United We Pray - Katherine Hurt 2022-04-06

Only God can give us relief and provide the peace that we so desperately need as we unite in prayer asking him to rid our nation of the deadly coronavirus attack. The chapters of this book outline ways we can petition him to bring us together and heal our land. The great "I Am" is always ready to help us when we call on him in humility forsaking all pride and boastfulness. In the book are scriptures of the Bible that were chosen to go along with the prayer subjects. These include praying for faith, peace, praise, worship and thanksgiving, as well as asking for God's protection to help us overcome our fear; finally, we pray for love and joy to permeate throughout this nation. We need our Lord and Savior to help us overcome our differences and put down the thoughts that we are us and them and come together as one. Only he can provide the wisdom and knowledge we need to solve our problems with saving our economy and helping those who are in desperate need. Today, so many American families do not have enough income to feed themselves or pay for a place to live. Our economy is in distress with businesses, such as the airline industry and large theme parks, having layoffs of large numbers of people. God is waiting for us to call on him to help us. We will not be successful in our wonderful land until we unite in prayer asking for God's forgiveness and blessings. It is the beginning of our submitting our will to God's will. Therefore, we need to let him have his way with us and bless our nation. The beautiful photography is provided to help us to relax and open our hearts and minds to our heavenly Father in corporate prayer for our country.

The Future of Our Nation - Alvin R. Ervin 2021-08-30

This book is in the epistle form, written just as the Bible. When the apostles wrote letters to the various churches, those letters are epistles. Those epistles were not only written to those particular churches. They were also written to the entire body of Christ (the modern-day church today). This book is written in the same manner. It was written to a man of God whom I honored highly. He is no longer with us now. He was the president of Southwest Radio Church Ministries, but like all other epistles, it's also written to all churches, every person in this nation, and nations through the planet. It opens with my testimony with regard to how and when I became a Christian. It goes on support David Barton's material entitled Our Godly American Heritage. It encourages godly people to obtain this material and all videos and books Mr. Barton's ministry has to offer. I included excerpts from this particular video to whet the appetite of the people of the US and all readers of the book. David Barton brings forth information regarding our history. He issues statistics differentiating how things are currently after prayer is removed from all schools and life in this nation when prayer was prayed by our students at all levels, even our little ones. It made a great difference spiritually and in other ways in the lives of God's people. (I am reaching out to the president currently on Facebook with regard to this matter. See ARE Outreach Facebook and Alvin Ervin Facebook if you like). This book also supports Vaughn Shatzer's material entitled A New World Disorder. He brings forth information regarding a new world order. We know this is in the work currently because President George H. W. Bush issued this statement to the American people in the late eighties, stating, "It is now time for a new world order." President Bill Clinton allowed Vice President Al Gore to make a statement on his behalf from England, declaring, "What was written with a quill pen is now outdated, we need to reinvent government." Our Constitution was written with a quill pen. There are those in this nation who are wanting to abolish it. But prayer is making a big difference. There are twenty-eight nations in Europe currently under one world currency. The book of Revelation reveals to us

there will be one world order, meaning every nation on the planet will be under one world currency, one world military, and one world religion. But our prayer is that it does not occur until Christ raptures His church. This book concludes by informing God's people in this nation as well as nations throughout the earth that Christ is coming soon to catch His Bride away through the Rapture. The Word of God says in First Thessalonians 4:16-17, For the lord Himself shall descend from heaven with a shout, with the voice of the Archangel, and with the trump of God and the dead in Christ shall rise first: Then we which are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air and so shall we ever be with the Lord. God's Word says in Matthew 24:32-35 that the generation that sees the fig tree take on its leaves shall not pass away until all things are fulfilled. The nation of Israel is the fig tree, and it took on her leaves in 1948 after lying dormant over two thousand years when the Roman general destroyed the Jewish Temple in AD 70. It discontinued the Jewish way of life. This book also concludes by teaching God's people from the book of Revelation chapter 13 regarding the one world order.

God Be with Us - Quin Sherrer 2009-06-27

The President recently said, "Our purpose as a nation is firm, yet our wounds as a people are recent and unhealed and lead us to pray. We ask almighty God to watch over our nation and grant us patience and resolve in all that is to come." God Be With Us is the first book written specifically to deal with this crisis. It aims to guide Americans through the turbulent times yet to come. The daily meditations will help readers pray for our leaders, families, communities, churches, armed forces, civil servants, and even our enemies. The authors will suggest prayers for thanksgiving, resolve, forgiveness, and unity. At this crucial time in our history as a nation, God Be With Us implores us to do the one thing of which we are all capable: pray. Quin Sherrer and Ruthanne Garlock have co-authored numerous bestsellers on the subject of prayer. They are popular speakers and have appeared on numerous television programs regarding the topic.

Prayer in America - James P. Moore, Jr. 2007-09-18

A stirring chronicle of the spiritual life of a nation, Prayer in America shows how the faith of Americans—from the founding fathers to corporate tycoons, from composers to social reformers, from generals to slaves—was an essential ingredient in the formation of American culture, character, commerce, and creed. Prayer in America brings together the country's hymns, patriotic anthems, arts, and literature as a framework for telling the story of the innermost thoughts of the people who have shaped the United States we know today. Beginning with Native Americans, Prayer in America traces the prayer lives of Quakers and Shakers, Sikhs and Muslims, Catholics and Jews, from their earliest days in the United States through the aftermath of 9/11, and the 2004 presidential election. It probes the approach to prayer by such diverse individuals as Benjamin Franklin, Elvis Presley, Frank Lloyd Wright, J. C. Penney, P. T. Barnum, Jackie Robinson, and Christopher Columbus. It includes every president of the United States as well as America's clergy, immigrants, industrialists, miners, sports heroes, and scientists. Prayer

in America shows that without prayer, the political, cultural, social, and even economic and military history of the United States would be vastly different from what it is today. It engages in a thoughtful, timely examination of the modern debate over public prayer and how the current approach to prayer bears deep roots in the philosophies of the country's founding fathers, a subject which remains distinct from the debate over church and state.

Another Prayer for Our Nation - Jim Kape 2017-04-15

Another Prayer for Our Nation is an eight part Bible Study that continues from the first Prayer for Our Nation and addresses the current condition of the United States. The election of 2016 was a bigger upset than Truman/Dewey in 1948. There was also more prayer spent on that election to ensure a godly outcome. While Donald Trump was elected, the country held it's breath to see what kind of President he was going to be. Our salvation and our nation's righteousness does not rest in the office of the President of the United States, and if we want to see our nation once again hold the name of Jesus in high esteem, we need to change. Not starting in Washington DC, but starting in homes, churches, schools, and communities all across the land. The election may have been the result of God working in the affairs of men, but if we want him to continue working on our behalf, and to see the promise of God from 2 Chronicles 7:14 come to life, we have to do our part. This study talks about the different places we can pray for and things we can do to help this come to pass, in our time, in our land, with our help.

With One Cry - David Butts 2016

America is in a downward spiral spiritually, morally, and economically. A weakened Church seems to make no impact on society. Is there still hope for America? Yes! Most Christians believe that much prayer is needed for America. But most do not know how to pray in an effective way that will release the power of God on behalf of our nation. Weaving together Scriptures and stories from America's past *With One Cry* confronts our current situation, and provides hope for our future. But we, as believers, must pray! Above all, *With One Cry* will inspire you and equip you to pray God's purposes for our nation. Will you accept the challenge? Together, as God uses our prayers, the course of our nation and history can be changed.
