A princess is most often the idol for young girls as they want to become a princess when they grow up. But have you ever heard of the real princesses apart from the Disney princesses? An example of a real-life princess is Princess Diana (1961-97) married to Prince Charles heir to the British throne, for 15 years. She is mother to prince William, who is second in-line to the throne, and Prince Harry born in 1984. Known as the Princess of Wales, Diana transformed into a glamorous icon, evoking the romantic image of the fairytale princess. Diana died on 31 August

1997, in a car accident in Paris, at the age of 36. This book includes several features such as: - Several of your favorite cartoon princesses even the mermaid princess - Numerous different types of full-sized princess for your child to color - The detailing in all the pictures is quite thorough as you will find out - This book will keep your young ones entertained for several hours at least - Along with princess we also have crowns that they wear included in this coloring book.
