(Re)reading Ruth - William A.

Tooman 2022-03-03

The book of Ruth seems simple. It is the tale of a poor Moabite widow who relocates to Bethlehem and finds security there when she marries Boaz, a wealthy Israelite man.

Although the plot is simple, the book's message is elusive.

Re(reading Ruth) demonstrates how careful attention to the book's structure, allusions, wordplay, and location in the canon can reveal the dynamic ways that it engages with other biblical stories and how that engagement shapes its message.

Fire Bible-NIV-Student -
Donald Stamps 2010-04

Throughout the Bible fire
symbolizes God's presence,
power, and works: during the
Exodus God led the Israelites
by day in a pillar of fire, while
at Pentecost tongues of flame
rested upon the heads of
believers filled with the Holy
Spirit. Ultimately, this divine
fire is intended to kindle within
us a passion for God and for
doing his will. The FireBible's
notes and commentary will
show readers how the spiritual
empowerment that began at

Pentecost is available today,
and is a gift to modern
followers of Christ. This unique
volume's detailed book
introductions, notes, and other
features will greatly benefit
anyone interested in living the
Christian life in the fullness of
the Spirit.

Composing under the Skin -
Paul Craenen 2014-04-29

A revealing study of the
physical presence of the
musician in musical
performance Fingers slipping
over guitar strings, the tap of a
bow against the body of a cello,
a pianist humming along to the
music: contemporary
composers often work with
parasitic, non-conventional
sounds such as these. Are they
to be perceived as musical
elements or do they shift
attention to the physical effort
of music-making, contact
between a body and an
instrument? Composer Paul
Craenen explores ways in
which the musician's body is
revealed in musical
performance. He leads us from

discussion of how today's generation of young composers is writing a body paradigm into composition itself. Micro-temporal physical gestures and instrumental timbre provide the key to unveiling the physical presence of both a musician and a 'composing body'. The author's concept of 'intercorporeality', along with the idea of an alternating linear and non-linear relationship of the composing body to time, casts new light on the relationship between musicians, composers, and music consumers.

A Pursuit of Home (Haven Manor Book #3) - Kristi Ann Hunter 2019-11-05

In early 1800s England, Jess Beauchene has spent most of her life in hiding and always on the move in an effort to leave her past far behind her. But when she learns the family she thought had died just might be alive and in danger, she knows her secrets can only stay buried for so long. Derek Thornbury loves the past, which has led him to become an expert in history and artifacts. He knows Jess has never liked him, but when she requests his help deciphering the clues laid out in an old family diary, he can't resist the urge to solve the puzzle. As Jess and Derek race to find the hidden artifact before her family's enemies, they learn as much about each other as they do about the past. But can their search to uncover the truth and set history right lead to a future together?

How to Reason - Richard L. Epstein 2019-02-05

Too often we're guided by what we last heard, by our friends' approval, by impulse—our desires, our fears. Without reflection. Without even stopping to think. In this book you'll learn how to reason and find your way better in life. You'll learn to see the consequences of what you and others say and do. You'll learn to see the assumptions that you and others make. You'll learn how to judge what you should believe. These are the skills we all need to make good decisions. Illustrations using a cast of cartoon characters make the concepts memorable. And many exercises will help you to check your understanding. Truly a book for all—from high school to graduate school, from auto repair to managing a company. "How to Reason" will help you find a way in life that is clearer and not buffeted by the winds of nonsense and fear.

Resisting His Mate

(Braeden & Onyx) - Christa Wick 2020-11-24

Braeden: For five agonizing years now, I've tried to push the lush, far-too-sweet woman out of my life, and my dreams. She's a human, which makes her a danger to all the shifters in Night Falls. She's also untouched, which makes her a danger to what little restraint I possess around her with each passing day. But seeing as how she's my little sister's best friend, avoiding her hasn't been easy. And now that there's a shooter targeting the pack, the only way I can keep Paisley safe is to keep her close. As if that weren't impossible enough, the pack alpha goes and makes a decree. For her protection, Paisley needs to be mated to someone in the pack by the end of the month. Damn it all to hell. Paisley: I'm pretty sure the man hates me. To Braeden, I've always been the human he wished his sister would stop being friends with—literally a different species from him, being that he and his sister are wolf-shifters and all. After

The Essential J. Kenner 9-Book Bundle - J. Kenner 2016-02-02
The world of New York Times bestselling author J. Kenner is at your fingertips! This essential ebook bundle

compiles three of her sensational trilogies: The Stark Trilogy, featuring Damien Stark, a powerful man who's used to getting his way; the Most Wanted series, starring a trio of captivating alpha males; and the Stark International Trilogy, which introduces the notorious and alluring Jackson Steele. That's nine novels full of dominant bad boys, decadent seduction, and steamy thrills—as only J. Kenner could imagine them. Also includes a preview of the first book in J. Kenner's hotly anticipated new trilogy, Dirtiest Secret! The Stark Trilogy: RELEASE ME | CLAIM ME | COMPLETE ME He was the one man I couldn't avoid. And the one man I couldn't resist. Damien Stark could have his way with any woman. He was sexy, confident, and commanding: Anything he wanted, he got. And what he wanted was me. Our attraction was unmistakable, almost beyond control, but as much as I ached to be his, I feared the pressures of his demands.

had to bare the darkest truth about my past—and risk breaking us apart. But Damien was haunted, too. And as our passion came to obsess us both, his secrets threatened to destroy him—and us. Forever.

The Most Wanted Series:
WANTED | HEATED | IGNITED

Three men, three seductive novels: Evan Black embodies her every fantasy: brilliant, fierce, devastatingly handsome—and burdened with secrets. But there are some temptations she just can't fight. Tyler Sharp always gets what he wants. She thought she was the one woman strong enough to resist him, but one touch and she was hooked, one night and she became his. Cole August promised to take her as far as she could go—and she wanted to go to the edge. Not many women can handle his past, but something about him beckons her to play the game of desire. The Stark International Trilogy: SAY MY NAME | ON MY KNEES | UNDER MY SKIN I never let anyone get too close—but he's the only man who's ever made

me feel alive. Meeting Jackson Steele was a shock to my senses. Confident and commanding, he could take charge of any room . . . or any woman. And Jackson wanted me. The mere sight of him took my breath away, and his touch made me break all my rules. Our bond was immediate, our passion untamed. I wanted to surrender completely to his kiss, but I couldn't risk his knowing the truth about my past. Yet Jackson carried secrets too, and in our desire we found our escape, pushing our boundaries as far as they could go. Learning to trust is never easy. In my mind, I knew I should run. But in my heart, I never felt a fire this strong—and it could either save me or scorch me forever. Praise for the novels of J. Kenner “Kenner may very well have cornered the market on sinfully attractive, dominant antiheroes and the women who swoon for them.”—RT Book Reviews “[An] immensely satisfying series . . . The Detox Book, 3rd Edition - Bruce Fife 2017-08-14

We live in a toxic world. Environmental pollution and disease-causing germs assault us continually day after day. Our food is nutrient deficient and our water supply dangerously contaminated. People today are exposed to chemicals in far greater concentrations than were previous generations. Thousands of tons of man-made chemicals and industrial pollutants are poured into our

environment and our food supply daily. With such a massive attack on our health we should all be sick from toxic overload. And we are! In no other time in the history of the world has degenerative disease been as prominent as it is today. Diseases that were rare or unheard of a century ago are now raging upon us like a plague. Millions are dying from diseases that were virtually unknown in the past. Experts tell us that by the time we reach middle age, each one of us will have already been affected by either cancer, cardiovascular disease, or some other serious degenerative condition.

Conventional medicine has no sure cure. Drugs, surgery, and radiation treatments can be as dangerous and debilitating as the diseases they attempt to cure. Nature, however, has provided us with the solution. Our bodies are amazingly resilient. If the disease-causing toxins are removed, the body will heal itself. This book outlines the steps you need to take to thoroughly detoxify and

cleanse your body from these disease-causing agents. You will also learn how to reduce your toxic exposure and how to strengthen your immune system. Through detoxification you will free yourself from the chains of pain, reverse degenerative conditions, gain more energy, feel and look younger, improve your memory, and be happier. Virtually all the diseases of modern society, including many infectious illnesses, can be avoided or even cured by sensible systematic detoxification. Although we live in a toxic world we can take control of our health. This book will show you how. "The Detox Book is highly recommended for health reference collections." —The Midwest Book Review "A comprehensive handbook of detoxification therapies... Chapters give extensive background information on each subject, reports of research, and precise, detailed instructions for self-administration...An encyclopedic look at how we can care for and cleanse our

amazingly resilient bodies." —Booklist American Library Association "The Detox Book is an excellent primer on cleansing the body. It provides everything you need to know about detoxification, why you must detoxify, and how to get the best results. I highly recommend this down-to-earth and approachable book as the first step along your journey to health." —Michelle Cook, Health 'N Vitality

Pragmatic Perspectives on Postcolonial Discourse - Christoph Schubert 2016-06-22
In sociolinguistic research on Englishes world-wide, little has been published on the pragmatics of postcolonial varieties. This interdisciplinary volume closes this research gap by providing integrative investigations of postcolonial discourses, probing the interstices between linguistic methodologies and literary text analysis. The literary texts under discussion are conceptualized as media both

reflecting and creating reality, so that they provide valuable insights into postcolonial discourse phenomena. The contributions deal with the issue of how postcolonial Englishes, such as those spoken in India, Nigeria, South Africa and the Caribbean, have produced different pragmatic conventions in a complex interplay of culture-specific and global linguistic practices. They show the ways in which hybrid communicative situations based on ethnic, cultural, and linguistic diversity result in similarly hybrid social and communicative routines. The central pragmatic paradigms discussed here include im/politeness, speech act conventions, conversational maxims, deixis, humour, code-switching and -mixing, Othering, and linguistic exclusion.

The Outlander Series Bundle: Books 1, 2, 3, and 4 - Diana Gabaldon 2015-04-28

There's never been a better time to discover the novels behind the blockbuster Starz

original series *Outlander*. Blending rich historical fiction with riveting adventure and a truly epic love story, here are the first four books of Diana Gabaldon's New York Times bestselling saga that introduced the world to the brilliant Claire Randall and valiant Highlander Jamie Fraser: *OUTLANDER*, *DRAGONFLY IN AMBER*, *VOYAGER DRUMS OF AUTUMN* Scottish Highlands, 1945. Claire Randall, a former British combat nurse, is just back from the war and reunited with her husband on a second honeymoon when she walks through a standing stone in one of the ancient circles that dot the British Isles. Suddenly she is a Sassenach—an "outlander"—in a Scotland torn by war and raiding clans in the year of Our Lord . . . 1743. Claire is catapulted into the intrigues of a world that threatens her life, and may shatter her heart. Marooned amid danger, passion, and violence, her only chance of safety lies in Jamie Fraser, a gallant young Scots warrior.

Beyond the Periphery of the Skin - Silvia Federici

2020-01-01

More than ever, “the body” is today at the center of radical and institutional politics. Feminist, antiracist, trans, ecological movements—all look at the body in its manifold manifestations as a ground of confrontation with the state and a vehicle for transformative social practices. Concurrently, the body has become a signifier for the reproduction crisis the neoliberal turn in capitalist development has generated and for the international surge in institutional repression and public violence. In *Beyond the Periphery of the Skin*, lifelong activist and best-selling author Silvia Federici examines these complex processes, placing them in the context of the history of the capitalist transformation of the body into a work-machine, expanding on one of the main subjects of her first book, *Caliban and the Witch*. Building on three

groundbreaking lectures that she delivered in San Francisco in 2015, Federici surveys the new paradigms that today govern how the body is conceived in the collective radical imagination, as well as the new disciplinary regimes state and capital are deploying in response to mounting revolt against the daily attacks on our everyday reproduction. In this process she confronts some of the most important questions for contemporary radical political projects. What does “the body” mean, today, as a category of social/political action? What are the processes by which it is constituted? How do we dismantle the tools by which our bodies have been “enclosed” and collectively reclaim our capacity to govern them?

Her quest to repair what's been broken leads to imminent danger--and soon it's more than her own life on the line. After accidentally destroying the intricately carved chalice her people have treasured for over a hundred years, Charlotte Durand sets out in search of a skilled artisan who can repair the damage. What she expected to be a two-day trek becomes much more daunting when a treacherous snowstorm sets in. Searching for solitude and respite from his troubling past, the last thing Damien Levette needs in the middle of a mountain blizzard is to tend to another person, but he can't leave behind the mysterious woman he finds half frozen at the edge of a mountain lake. As they battle both the elements and their distrust of each other, Charlotte and Damien must work together to survive the peril of the mountains--or it could be the downfall of them both. Unblemished - Katie Rodan
2008-06-30

Acne affects at least 50 million Americans, 80 percent of all people between the ages of 18 and 30, and millions more who are both younger and older.

Yet most of us self-medicate -- rushing off to the drugstore to purchase just about anything that promises to help, only to discover nothing really works. Inevitably, we all begin to wonder if the continuing myths and misinformation about acne perpetuated by the media are actually true: Did I wash my face the wrong way? Did I eat too much chocolate? Will that expensive new cream I can't afford really work? Will my face ever look better? Drs.

Katie Rodan and Kathy Fields's Proactiv treatment -- the #1 selling acne-care product in America -- has already brought relief to millions. In

Unblemished, they debunk the misconceptions about acne and present a revolutionary guide to zapping zits forever. After years of studying acne treatment and listening to their patients' concerns, Rodan and
