[Resume Writing - Pete J. Boyle 2016-04-09](#)

It's incredibly frustrating, isn't it? That even your best efforts to craft an amazing resumé fail. You spend days searching for the perfect position, polishing your resumé and crafting the perfect cover letter. But after all that hard work what do you get in return? Nothing. No invite to interview and rarely even a rejection letter. And that's what's most frustrating. That after all your hard work there's zero recognition. No constructive criticism and nothing to help you improve. You've spent hours creating a document which has accomplished nothing but you being completely ignored. So what is it you're doing wrong? The truth: A lot. The majority of resumé advice you've received is wrong. A good resumé is not just a list of the jobs you've held in the past or a rundown of your skills. A good resumé highlights your achievements and helps you stand out as the ideal candidate for the job. The good news? Together we're going to transform your resumé from a simple list of past duties into an achievement focused, compelling letter that won't just get a response from recruiters, but will get the response you want. An invite to interview. Your resumé is the most important element in finding a new job. A good resumé gets your foot in the door. It makes recruiters want to invite you to interview to you to find out more. It's the first, and most crucial, step in selling yourself as the best candidate for the job. In this book you'll learn a step-by-step method for creating a resumé that cannot fail to impress. A method that I've used as a professional copywriter to create winning resúmes and corporate bios for dozens of high level employees in multinational firms. There's nothing generic or ambiguous in this guide. Each chapter offers actionable advice and walks you through the exact steps you need to take to ensure your resumé is the best it can be. Download this book and within a few days you'll have the competitive edge to stand out from the crowd with a resumé that makes recruiters want you. In this book you'll learn: * The fundamental problem with popular resumé advice - How the advice you've heard is holding you back and the different approach that's guaranteed to capture recruiter attention. * The secrets of effective resumé design - Using scientific studies you'll learn where recruiters attention is most focused. * The secrets of effective research - Knowing that a company is hiring isn't

enough. You'll learn how to discover what particular traits, skills and achievements that business most highly values * Turning your research into a targeted, compelling resumé - Knowing what a company wants and knowing how to demonstrate you fit their needs are two different skills. You'll learn how to quickly and easily establish yourself as the ideal candidate. * A few professional editing tricks - Recruiters are busy. They don't have time to read through paragraph after paragraph of information. In this section you'll learn how to edit your resumé to make the same statement in as few words as possible for maximum impact.* The all important final check - A few tips on how to finally check your resumé to ensure there's no errors and it's as good as it can possibly be. Two Awesome Freebies If you click the purchase button now you'll also get two awesome freebies. The first is a spreadsheet specifically designed to make the research and writing stage easier. The second is a free 5 part email course of over 5000 words that explains how to create an awesome cover letter to accompany your resumé. With a one-two combo of incredible resumé and compelling cover letter, you can't fail to wow your recruiter. Hit the purchase button now to receive all three items and end your job search.

Resumes Cover Letters - Razaq Adekunle 2020-12-07

After having reviewed hundreds if not thousands of resumes, I'm constantly amazed at the number of job hunters who do not add a cover letter to their resume, or they submit a one-size-fits-all cover letter. It appears these applicants are just applying for anything that even remotely fits their skills and qualifications and hoping for the best. Most if not all get immediately rejected. This prompts my idea of writing this book and in this, you will find some ideas to get your resume cover letter on the winning side. Among the reasoning point you will learn in this book: - Ten Resume Writing Mistakes to Avoid - Is your resume generating disappointing results? Have you been sending your resume for positions that you know you are qualified for, but the phone remains silent? If so, you might want to check it and revise it against these ten common errors. Rules to Choose Best Resume Writing Service - Finding the best resume writing service that will get you your money's worth is not as easy as most people think it is. There are tons of companies and individuals out there that are constantly saying that they are "experts" at writing resumes. So, the question is: How do you choose the right service? Writing a Resume for Job Application - Do you want to know how to write a resume for a job? Many people do. In a poor economy, resume writing is more important than ever. Learn how to make a great job winning resume today! Good Resume Writing in Marketing - When we talk about a resume, we would be thinking like a sale being sent through an email or fax. I know you would agree if I would say that it is better to sell yourself on paper than on a face to face conversation, right? Good resume writing starts in formatting or writing a resume that can sell your suitability to the company's ultimate decision maker, the gatekeeper. Resume Templates with Resume Writing - Anyone expecting to see great results from using a generic resume for their job search is setting themselves up for a big disappointment. Employers, recruiters, hiring managers, and HR personnel are not seeking "general" candidates to come in for interviews, they are looking for candidates who know what skills they have to offer and where they can best fit into a company. And Many More Cover letters provide your potential employer with a complete picture of yourself, your qualifications, and what makes you stand out from hundreds of other applicants. Cover letters are not as complex and mystifying as they may seem at first and are simply a short essay introducing yourself and explaining why you are applying for the position you are seeking.

The Job Landing Mindset - Lisa Rangel 2022-03-03

Are you ready to step into your dream role? Why haven't you done it yet? Perhaps its because all the good jobs have fierce competition... and the best jobs never seem to be advertised at all. Sound familiar? So how do you get ahead of the game? How do you join the top few candidates who seem to be touched by an angel and snap up the perfect roles? If you're like most job hunters, your mindset may be holding you back. The truth is, job hunting can be frustrating and overwhelming - but it doesn't have to be. There is a way to turn your job search from struggle to success. How? Doing something most job hunters won't do. Most people desperately trawl job boards and wait by the phone and hope the perfect job will land in their lap. They're still waiting and hoping. You don't have to wait or hope. You can make it happen for yourself. The big secret is: you are in control of landing your dream role - not recruiters, the job market, or the economy. How? By realising that it takes more than the right tactic or strategy and cultivating a mindset that's been used by thousands of job hunters to find their dream roles. The Job Landing Mindset gives you everything you need to turn around your job hunting struggles and create a winning mindset. Written by Cornell University graduate and recruitment veteran Lisa Rangel of Chameleon Resumes, you'll learn how to retrain your brain to look for opportunities when everyone else is mired in despair - and how to use your resilience to position yourself as the only possible choice for the job you want. Lisa has used this exact blueprint to work with thousands of job hunters to land their dream jobs in 67 countries. The Job Landing Mindset helps you step out of job hunting misery and into your dream role - without the desperate scramble most job searches entail. This book is all you need to get your head in the right place - because all the tactics and techniques in the world won't do you any good without a winning mindset.

Unlike most resume "experts," Tony Beshara doesn't merely write resumes. As a veteran placement specialist who's been featured regularly on the Dr. Phil show, Tony actually uses resumes to get people jobs. Now, in this dynamic book, he's drawing on expertise gained from placing more than 8,500 professions to help you create a powerful resume that stands out from other applications. *Unbeatable Resumes* takes readers step-by-step through the resume creation process, including tips on how to utilize keywords effectively, use gaps in employment and job changes to your advantage, and enhance your resume with a concise, dynamic cover letter. By pairing Tony's experiences with the results from a survey of more than 3,000 hiring managers, executives, HR specialists, and other hiring authorities, the book details the most widely critical components of a well-written and effective resume. You'll also discover how to ensure your resume gets read by the right people; what employers look for on applications and what turns them off; how to customize a resume for a particular job; and the true value and detriment of digital tools including video resumes, job-search websites, and social networking sites like Facebook and LinkedIn. With detailed examples and discussions on the assets and pitfalls of real-life resumes submitted for jobs in a wide range of industries--including healthcare, banking, construction, technology, administration, and sales and marketing--*Unbeatable Resumes* shows job

seekers of all types how to present themselves in the best possible light—and land the best possible position.
