Bachelor Pad Economics - Aaron Clarey
2013-12-11

"Bachelor Pad Economics" is THE financial advice bible for men...and any women who are bold enough to read it! Whether you're 14 and just trying to figure out life, or 70 and starting to think about estate planning, "Bachelor Pad Economics" addresses every major (and minor) economic and financial issue the average man will face in his ENTIRE life. From dating, to what to major in, to purchasing a home, to starting a business, to children and "wife training," "Bachelor Pad Economics" is the wisdom you wish the father-you-never-had gave you. Written FOR GUYS it is candid, blunt, honest and everything else Oprah isn't, and will give you the road map you need to provide direction and purpose in your life. Guaranteed to prove more useful than a college degree, "Bachelor Pad Economics" is WELL worth the money to buy and the time to read.

Poosy Paradise - Roosh V. 2014-07-04

One man's search for poosy paradise led him to a grisly city in Eastern Romania that had a plentiful supply of beautiful girls. It's a place that no sane man would voluntarily live in had it not contained the best fruit of what the human female species can offer. After blanketing Romanian television and newspapers as the "famous American sex writer" and a "world Don Juan," the author was determined to leverage the temporary fame with his existing game to experience nonstop adventure with the world's most beautiful women. The result was not exactly what he expected. This is the true story

of a man's two month adventure in Eastern Romania, a place he believed all his dreams would come true.

The Way of Men - Jack Donovan 2012-04-01

What is masculinity? Ask ten men and you'll get ten vague, conflicting answers. Unlike any book of its kind, *The Way of Men* offers a simple, straightforward answer-without getting bogged down in religion, morality, or politics. It's a guide for understanding who men have been and the challenges men face today. *The Way of Men* captures the silent, stifling rage of men everywhere who find themselves at odds with the over-regulated, over-civilized, politically correct modern world. If you've ever closed your eyes and wished for one day as a lion, this book is for you.

Mate - Tucker Max 2015-09-15

The #1 bestselling pioneer of "fratire" and a leading evolutionary psychologist team up to create the dating book for guys. Whether they conducted their research in life or in the lab, experts Tucker Max and Dr. Geoffrey Miller have spent the last 20+ years learning what women really want from their men, why they want it, and how men can deliver those qualities. The short answer: become the best version of yourself possible, then show it off. It sounds simple, but it's not. If it were, Tinder would just be the stuff you use to start a fire. Becoming your best self requires honesty, self-awareness, hard work and a little help. Through their

website and podcasts, Max and Miller have already helped over one million guys take their first steps toward Ms. Right. They have collected all of their findings in *Mate*, an evidence-driven, seriously funny playbook that will teach you to become a more sexually attractive and romantically successful man, the right way: No "seduction techniques," No moralizing, No bullshit. Just honest, straightforward talk about the most ethical, effective way to pursue the win-win relationships you want with the women who are best for you. Much of what they've discovered will surprise you, some of it will not, but all of it is important and often misunderstood. So listen up, and stop being stupid!

The Mystery Method - Mystery 2007-02-06

"One of the most admired men in the world of seduction" (The New York Times) teaches average guys how to approach, attract and begin intimate relationships with beautiful women For every man who always wondered why some guys have all the luck, Mystery, considered by many to be the world's greatest pickup artist, finally reveals his secrets for finding and forming relationships with some of the world's most beautiful women. Mystery gained mainstream attention for his role in Neil Strauss's New York Times bestselling exposé, *The Game*. Now he has written the definitive handbook on the art of the pickup. He developed his unique method over years of observing social dynamics and interacting with women in clubs to learn how to overcome the guard shield that many women use to deflect come-ons from "average frustrated chumps." *The Mystery Method: How to Get Beautiful Women Into Bed* shares tips such as: *Give more attention to her less attractive friend at first, so your target will get jealous and try to win your attention. *Always approach a target within 3 seconds of noticing her. If a woman senses your hesitation, her perception of your value will be lower. *Don't be picky. Approach as many groups of people in a bar as you can and entertain them with fun conversation. As you move about the room, positive perception of you will grow. Now it's easy to meet anyone you want. *Smile. Guys who don't get laid, don't smile.

[How to Become an Alpha Male](#) - John Alexander 2005-07-01

Dubbed "The lazy man's way to easy sex and romance with 20 or more women a month," *How to Become an Alpha Male* is the no-risk, never-fail blueprint on how to 'magnetically' attract an endless flow of horny, ready-for-sex women to you... without ever having to play their games or deal with rejection. Sold as an ebook at [AlphaMaleMethod.com](#), John Alexander's guide is now available, for the first time ever, as a hardcopy book. You see, once you have these secrets all the 'work' of meeting women will be done for you... automatically! You can just 'flip on' your magnetic powers of attraction... so to speak... and instantly bring sex, romance and more roaring into your life! Why does the Alpha Male Method work so well? Because it's based on the same hush-hush psychological tactics advertisers have used for centuries to get filthy rich. They work for anyone, anywhere and at any time (no matter how desperate your situation is right now).

Enjoy the Decline - Aaron Clarey 2013-01-07

The "End of America?" Most likely. The "Demise of liberty?" You betcha! The "Destruction of Western Civilization?" Of course! But why let all of the above get you down? Learn to "Enjoy the Decline!" "Enjoy the Decline" is mandatory reading for all conservatives, libertarians, Americans, and lovers of freedom who are mourning the slow, but sure death of their culture and their country. America is over. Freedom will be curtailed. Liberty is dead. And above all else, it is inevitable. But the answer is not to get depressed and give up hope. The answer is to change your attitude and learn how to "Enjoy the Decline." You get one life on this planet and Aaron Clarey explains how to get the most out of it even though socialism and tyranny are all around you. From learning how to adapt your psychology to learning to let go and take advantage of the socialist system, "Enjoy the Decline" carries the freedom loving American through the 5 stages of grief and puts them on a path to enjoy their life regardless of what is happening to their beloved America. Dark, macabre, and morose, but truthful, helpful, and practical all the same, it is guaranteed to make you happier than your socialist counterparts even though they have everything they want. Make leftists, liberals, and progressives miserable. Enjoy the Decline!

Thirty-Seven - Quintus Curtius 2014-09-06

Quintus Curtius is an attorney, writer, translator, and former Marine officer. Expertly blending history, biography, philosophy, and the author's personal experience, this penetrating collection of essays achieves what one reviewer called "a perfect fluency in [a] dialogue with truth." The unifying theme of the book is the nature of masculine identity, and how that identity has been manifested. The range of topics explored is diverse: the nature of human wisdom, courage in adversity, redemption through suffering, the endurance of hardships, educational development, character in history, the mystical experience, the fickleness of Fate, and the necessity of myths. Drawing on examples from history and using sources in their original languages, Quintus Curtius's soaring vision combines lucid explanation with a passionate intensity like few other writers. Erudite, thoughtful, and frequently moving, this unique book has been described as "inexplicably

inspiring."

How to Own Your Own Mind - Napoleon Hill
2018-01-01

Napoleon Hill's timeless classic, *Think and Grow Rich*, has the distinction of being the best read self-help book of the twentieth century. Not so well known is how Hill earned his livelihood before he wrote 'Think and Grow Rich'. Another classic work of Dr. Hill is 'How to Own Your Own Mind' which shows the way to stabilise your mind and achieve success in life. As Dr. Hill repeatedly emphasised, action is critical to success. But you must think before you act or your actions will be wasted. These timeless chapters about the importance of thought before action will prove to be very instructive in helping you attain your own Definite Major Purpose. To do so, you must learn how to own your own mind, and this book will tell you how to do it.

Finally Finding Faith - Tammy Falkner
2014-08-05

"You'll find Faith in the clock shop," Peter Reed says. "Faith? I don't believe in faith or God or predestination or any of that bullshit anymore. I believe in what I can see." Daniel has a list of things he wants to do before the clock strikes twelve on December 31st. 1. Get a tattoo 2. Ride a horse-drawn carriage in the snow 3. See a Broadway play 4. Buy hot chestnuts from a street vendor 5. Eat a one-pound burger at Rocko's 6. Drink hot chocolate on a bench in the park 7. Fix my watch Daniel's watch stopped working when he lost all his men, his leg, and his hope in Afghanistan.

The 48 Laws Of Power - Robert Greene
2010-09-03

THE MILLION COPY INTERNATIONAL
BESTSELLER Drawn from 3,000 years of the history of power, this is the definitive guide to help readers achieve for themselves what Queen Elizabeth I, Henry Kissinger, Louis XIV and Machiavelli learnt the hard way. Law 1: Never outshine the master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power.

(From the Playboy interview with Jay-Z, April 2003)
PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In *The 48 Laws of Power*, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, Volume Three, was wack. People set higher standards for me, and I love it.

Models - Mark Manson 2017-09-11

"You can become irresistibly attractive to women without changing who you are." So says Mark Manson, superstar blogger and author of the international bestseller, *The Subtle Art of Not Giving A F*ck*, a self help book that packs a punch. Mark brings the same approach to teaching men what they need to know about attracting women. In *Models* he shows us how much it sucks trying to attract women using the tricks and tactics recommended by other books. Instead, he says, men need to focus on seduction as an emotional process not a physical or social one. What matters is the intention, the motivation, the authenticity. To improve your dating life you must improve your emotional life - how you feel about yourself and how you express yourself to others. Funny, irreverent and confronting, *Models* is a mature and honest

guide on how a man can attract women by giving up the bullsh*t and becoming an honest broker.

"A detailed guide to modern sexual ethics"

Sydney Morning Herald "There's nothing subtle about Mark Manson. He's crude and vulgar and doesn't give a f*ck . . . He's as painfully honest as he is outrageously funny" Huffington Post

Orthodoxy and the Kingdom of Satan -

Father Spyridon Bailey 2017-08-04

Father Spyridon presents a challenge and a warning to all Christians about the growth of the kingdom of Satan. He points first to the signs of this growing kingdom before explaining how we are each attacked and manipulated by evil powers that have corrupted our world. The looming threat of a one world government is presented by this Orthodox priest with a mixture of soberness and urgency.

American Pilgrim - Roosh Valizadeh 2021-01-20

What happens when a pickup artist suddenly receives God's grace after teaching a lifestyle of fornication for over a decade to a worldwide audience? American Pilgrim is a memoir that shares the first-year journey of a man upon his decision to repent from a life of evil to serve Jesus Christ. He travels across the United States to deliver his testimony in person through a series of lectures while chronicling the temptations that attempt to bring him back to Satan, the spiritual labors that deepen his faith as a new Christian, and the lamentable state of America on the cusp of great upheaval.

Hawking on the Big Bang and Black Holes - Stephen W. Hawking 1993

Stephen Hawking, the Lucasian Professor of Mathematics at Cambridge University, has made important theoretical contributions to gravitational theory and has played a major role in the development of cosmology and black hole physics. Hawking's early work, partly in collaboration with Roger Penrose, showed the significance of spacetime singularities for the big bang and black holes. His later work has been concerned with a deeper understanding of these two issues. The work required extensive use of the two great intellectual achievements of the first half of the Twentieth Century: general relativity and quantum mechanics; and these are

reflected in the reprinted articles. Hawking's key contributions on black hole radiation and the no-boundary condition on the origin of the universe are included. The present compilation of Stephen Hawking's most important work also includes an introduction by him, which guides the reader through the major highlights of the volume. This volume is thus an essential item in any library and will be an important reference source for those interested in theoretical physics and applied mathematics. It is an excellent thing to have so many of Professor Hawking's most important contributions to the theory of black holes and space-time singularities all collected together in one handy volume. I am very glad to have them". Roger Penrose (Oxford) "This was an excellent idea to put the best papers by Stephen Hawking together. Even his papers written many years ago remain extremely useful for those who study classical and quantum gravity. By watching the evolution of his ideas one can get a very clear picture of the development of quantum cosmology during the last quarter of this century". Andrei Linde (Stanford) "This review could have been quite short: 'The book contains a selection of 21 of Stephen Hawking's most significant papers with an overview written by the author'. This w

Game - Roosh Valizadeh 2018-09-30

Game teaches men how to meet and attract women in an age where smartphones and feminism have made connecting with the opposite sex harder than ever before. Whether your goal is to have fun in a big city with lots of women or fall in love with only one before getting married, Game will help you achieve your relationship goals.

Lady - Roosh Valizadeh 2019

Lady helps women find love, long-term relationships, and marriage in a modern environment where most men seem to only want casual sex. It shares the habits, values, and behaviors of a woman who is most likely to settle down with her ideal man while providing useful tips to reduce the anxiety and stress that are the root causes of wasting time with bad men, alcohol, and consumerism. Lady is divided into three books: -Book You helps you understand the true side of your female nature and why the feminist movement is making it difficult to connect with a man. -Book Men explains what men really want and why most of your relationships seem to go nowhere. It shares advice on how to maximize your value, date successfully, and enter a monogamous relationship with a good man who wants to marry you, even if you're over 30. -Book Relationships describes how to maintain and care for your relationship in a way that encourages a man to marry you. Lady provides practical knowledge and advice for women to identify and attract a good man for a loving relationship without having to sleep around or be needlessly hurt. It will help a woman nurture her feminine side and experience love with a dedicated man who wants to protect and provide for her.

The Rational Male - Preventive Medicine - Rollo Tomassi 2015-03-09

Building on the core works of The Rational Male - Preventive Medicine presents a poignant outline of the phases of maturity and the most commonly predictable experiences men can expect from women as they progress through various stages of life. Rational and pragmatic, the book explores the intergender and social dynamics of each stage of women's maturity and provides a practical understanding for men in dealing with women in those phases. Preventive Medicine also provides revealing outlines of feminine social primacy, Hypergamy, the 'Hierarchies of Love' and the importance of understanding the conventional nature of complementary masculinity in a world designed to keep men ignorant of it. The Rational Male - Preventive Medicine seeks to help men who "wish they knew then what they know now." The book is the first in of series complements to The Rational Male, the twelve-year core writing of author/blogger Rollo Tomassi from therationalmale.com. Rollo Tomassi is one of the leading voices in the globally growing, male-focused online consortium known as the "Manosphere".

Why Women Have Better Sex Under Socialism - Kristen Ghodsee 2018-11-01

'Funny, angry, urgent. Ghodsee is going to start a revolution' Daisy Buchanan, author of The Sisterhood A witty, fiercely intelligent exploration of why capitalism is rigged against women and what we can do about it.

Unregulated capitalism is bad for women.

Socialism, if done properly, leads to economic independence, better labour conditions, better work/family balance and, yes, even better sex. If you like the idea of such outcomes, then come along for an exploration of how we can change women's lives for the better.

Free Speech Isn't Free - Roosh V 2016-05-31

Free speech may be your right, but unless you fight for it, you'll lose it. That is the message of Free Speech Isn't Free, which chronicles how organizing a lecture tour for masculine men inserted Roosh Valizadeh into an unexpected free speech fight spanning several continents, putting both him and his family in danger from the globalist establishment and their mob of deranged social justice warriors. After becoming activated by mass-scale media distortions and mayoral denouncements, the SJW mob in

Canada rose up against Roosh and his followers to halt his tour. Roosh refused to cancel and set out to hold the lectures in secret. He shares how he fought back against the mob while trying to come to terms with the globalist agenda that they are controlled by. The well-informed men he met throughout the tour were critical in sharing hidden knowledge that put the agenda's puzzle pieces into place. Even after the lecture, when Roosh tried to conduct happy hour meetings for his followers, a bigger worldwide outrage befell him, leading to the doxxing of his family and threats to burn their house to the ground. Free Speech Isn't Free shares that story for the first time in a special epilogue, and what was going through the mind of a man who was the number one target for a 1984-inspired "two minutes of hate" that took place worldwide. How far will you go if the establishment attacks you for what you believe in? Are you ready to defend yourself if they come after your reputation, your job, and your family? Free Speech Isn't Free shows what one man did when powerful groups tried to silence him, and everything he learned during the most momentous months of his life that will help others be able to identify and defend against attacks in their own lives. Bonuses included are the transcript of the "dangerous" speech that started it all, The State Of Man, and an important new feature explaining how to keep yourself safe from social justice attacks.

The 80/20 Principle, Expanded and Updated - Richard Koch 1999-10-19

Be more effective with less effort by learning how to identify and leverage the 80/20 principle: that 80 percent of all our results in business and in life stem from a mere 20 percent of our efforts. The 80/20 principle is one of the great secrets of highly effective people and organizations. Did you know, for example, that 20 percent of customers account for 80 percent of revenues? That 20 percent of our time

accounts for 80 percent of the work we accomplish? The 80/20 Principle shows how we can achieve much more with much less effort, time, and resources, simply by identifying and focusing our efforts on the 20 percent that really counts. Although the 80/20 principle has long influenced today's business world, author Richard Koch reveals how the principle works and shows how we can use it in a systematic and practical way to vastly increase our effectiveness, and improve our careers and our companies. The unspoken corollary to the 80/20 principle is that little of what we spend our time on actually counts. But by concentrating on those things that do, we can unlock the enormous potential of the magic 20 percent, and transform our effectiveness in our jobs, our careers, our businesses, and our lives.

Minimal Game - Aaron Sleazy 2011-11-01

Drawing from his vast experience with women, the world-renowned seducer Aaron Sleazy wrote Minimal Game for regular guys who want to get laid more often, and without having to rely too much on luck. This is a fairly modest goal, but it is a realistic one that is within reach for pretty much any man. The knowledge in this book will enable you to have a stable sex life, so that lack of sex will cease to be a source of frustration for you. However, by revealing the key aspects of seduction, Minimal Game provides such a strong foundation that you will greatly benefit from it even if you are already getting a lot of women. In this case, you will learn how to become much more efficient, which will get you more girls in less time, and girls you have more in common with.
