Christus Vivit - Pope Francis 2019-04-04

To young Christians of the world, Pope Francis has a message for you: "Christ is alive, and he wants you to be alive!" In his fourth apostolic exhortation, Christus Vivit, Pope Francis encapsulates the work of the 2018 synod of bishops on "Young People, The Faith, and Vocational Discernment." Pope Francis has always had a special relationship with young people, and in his fatherly love for you he shows that: You can relate to young people in Scripture who made a difference You identify with the Christ who is always young You face difficult issues in the world today You yearn for the truth

of the Gospel You are capable of amazing things when you respond to the Gospel You learn and grow with help from the faithful of all generations You need bold and creative youth ministry You can discover who God made you to be You are urged to pray for discernment Christus Vivit is written for and to young people, but Pope Francis also wrote it for the entire Church, because, as he says, reflecting on our young people inspires us all. "May the Holy Spirit urge you on as you run this race. The Church needs your momentum, your intuitions, your faith. We need them! And when you arrive where we have not yet reached, have the patience to wait for us."

Towards a New Catholic Church in

Advanced Modernity - Staf Hellemans 2012
A new Catholic Church is emerging in the West, one that is very different from the Church before 1960. This book describes the new Church-in-the-making - its new position in society, its new structuring and workings, and its new frame of mind. The book also looks in a prospective way at some basic issues the Church has to deal with, such as imagining the Church in advanced modernity, attracting both youth and adults, rebuilding local communities, refashioning liturgy, and rethinking pastoral guidance. The book is the result of an interdisciplinary endeavor by philosophers, sociologists, and theologians. (Series: Tilburg Theological Studies / Tilburger Theologische Studien - Vol. 5)
Media Events in a Global Age - Nick Couldry 2009-10-16

"This volume assembles an estimable range of critical analyses of one of the most important mediated artifacts of the modern world—the media event. The authors challenge the construct, extend its usefulness, expand its theoretical basis and application, and examine media events in a far larger and richer context than ever before. Students of global media today are well served by this superb collection of essays." David Morgan, Duke University, USA "A welcome and worthy successor to Dayan and Katz's path-breaking study that expands and enriches the discourse on global media events." Daya Thussu, University of Westminster, UK "This is an excellent collection, that will enable new kinds of argument about, and hopefully research into, the spectacular functions of the

contemporary media." Graeme Turner, University of Queensland, Australia We live in an age where the media is intensely global and profoundly changed by digitalization. Not only do many media events have audiences who access them online, but additionally digital media flows are generating new ways in which media events can emerge. In times of increasingly differentiated media technologies and fragmented media landscapes, the 'eventization' of the media is increasingly important for the marketing and everyday appreciation of popular media texts. The events covered include Celebrity Big Brother, 9/11, the Iraq war and World Youth Day 2005 to give readers an understanding of the major debates in this increasingly high-profile area of media and cultural research.

Gospel-Centered Youth Ministry - Cameron Cole 2016-02-12

Youth ministry is an essential part of most evangelical churches. And yet, there is a surprising lack of resources written specifically for youth workers focused on viewing all aspects of youth ministry through a gospel-focused lens. Featuring contributions from a host of experienced youth workers from a wide variety of churches, this how-to manual offers guidance related to every facet of youth ministry, from planning short-term mission trips to working with parents. Theologically rooted yet eminently practical, this handbook will equip youth leaders to effectively shepherd the young people under their care—training them to live faithfully in their homes, churches, and schools.

Roots - John C. Cavadini 2022-07-21

Youth evangelization is one of the most challenging tasks of the church today, and this book faces that challenge head-on. **Roots: Catholic Youth Evangelization in a Post-Pandemic World** features essays written by leading scholars in the fields of philosophy, theology, psychology, sociology, pastoral ministry, medieval studies, and ecology. In this timely volume, scholars tackle tough issues presented by contemporary culture while engaging the ripe fruits of the 2019 apostolic exhortation of Pope Francis, *Christus vivit*. Readers will be treated to a variety of themes, including beauty, belonging, hope, political theology, cultural analysis, vocational

discernment, ecclesial strategies, and the history of Catholic youth ministry in the United States. By approaching the general topic of Catholic youth evangelization from diverse angles, the precise nature and demands of ministry with young people in a postmodern context are illuminated. This volume promises to provide ample insights for church leaders active in the field of pastoral care of youth from an interdisciplinary perspective. Readers can be assured that they never will think the same about youth evangelization after encountering the rich contents of this book.

No Meeting Required - Christina J. Semmel 2007
"Effective youth ministry does not require a young person to sign up for, enroll in, or even attend a youth ministry program to be under the care of youth ministry in his or her parish. This book provides ideas for reaching out to young people without requiring them to do anything in return. Through nongathered ministry efforts, we can let all the young people in our community know that God's love (and ours) is not contingent on their showing up at an event"--

Young Catholic America - Christian Smith
2014-02-04

Best Review at the Catholic Press Association Convention Studies of young American Catholics over the last three decades suggest a growing crisis in the Catholic Church: compared to their elders, young Catholics are looking to the Church less as they form their identities, and fewer of them can even explain what it means to be Catholic and why that matters. *Young Catholic America*, the latest book based on the groundbreaking National Study of Youth and Religion, explores a crucial stage in the life of Catholics. Drawing on in-depth surveys and interviews of Catholics and ex-Catholics ages 18 to 23--a demographic commonly known as early "emerging adulthood"--leading sociologist Christian Smith and his colleagues offer a wealth of insight into the wide variety of religious practices and beliefs among young Catholics today, the early influences and life-altering events that lead them to embrace the Church or abandon it, and how being Catholic affects them as they become full-fledged adults. Beyond its rich collection of statistical data, the book includes vivid case studies of individuals spanning a full decade, as well as insight into the twentieth-century events that helped to shape the Church and its members in America. An innovative contribution to what we know about religion in the United States and the evolving Catholic Church, *Young Catholic America* is the definitive source for anyone seeking to understand what it means to be young and Catholic in America today.

Almost Christian - Kenda Creasy Dean
2010-07-16

Based on the National Study of Youth and Religion--the same invaluable data as its predecessor, *Soul Searching: The Religious and Spiritual Lives of American Teenagers*--Kenda Creasy Dean's compelling new book, *Almost Christian*, investigates why American teenagers are at once so positive about Christianity and at the same time so apathetic about genuine religious practice. In *Soul Searching*, Christian Smith and Melinda Lundquist Denton found that American teenagers have embraced a "Moralistic Therapeutic Deism"--a hodgepodge of banal, self-serving, feel-good beliefs that bears little resemblance to traditional

Christianity. But far from faulting teens, Dean places the blame for this theological watering down squarely on the churches themselves. Instead of proclaiming a God who calls believers to lives of love, service and sacrifice, churches offer instead a bargain religion, easy to use, easy to forget, offering little and demanding less. But what is to be done? In order to produce ardent young Christians, Dean argues, churches must rediscover their sense of mission and model an understanding of being Christian as not something you do for yourself, but something that calls you to share God's love, in word and deed, with others. Dean found that the most committed young Christians shared four important traits: they could tell a personal and powerful story about God; they belonged to a significant faith community; they exhibited a sense of vocation; and they possessed a profound sense of hope. Based on these findings, Dean proposes an approach to Christian education that places the idea of mission at its core and offers a wealth of concrete suggestions for inspiring teens to live more authentically engaged Christian lives. Persuasively and accessibly written, *Almost Christian* is a wake up call no one concerned about the future of Christianity in America can afford to ignore.

[A History of the Diocese of Charleston](#) - Pamela Smith - SSCM PhD 2020-06-01

In 1820, the Catholic Diocese of Charleston was

established, and Bishop John England arrived from Ireland. His new diocese encompassed North and South Carolina, Georgia and, for a time, Haiti. From 1859 to 1885, when Patrick Lynch and Henry Northrop were bishops of Charleston, the diocese included the Bahama Islands. However, the history of Catholics in the diocese--which now covers all of South Carolina--began much earlier. The arrival of Spanish settlers and missionary priests dated back more than 150 years before there was a diocese on American soil. Sister Pam Smith charts the history of the diocese from the first words of prayer uttered on Santa Elena in the sixteenth century through the interfaith singing of a reformed slaveholder's hymn at a painful funeral in the twenty-first century.

The Joy of the Gospel - Pope Francis 2014-10-07

The perfect gift! A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." - Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned," the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to

experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage Let's Talk* - Ken Ogorek 2011-01-31

She Reads Truth - Raechel Myers 2016-10-04
She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can

stay the same? And if she finds it, how does she hold on? *She Reads Truth* tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, *She Reads Truth* is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

To Heal, Proclaim, and Teach - Jared Dees 2016-03-25

Popular author, catechist, and creator of *The Religion Teacher* website Jared Dees learned a valuable lesson from his students: teaching is not the same as evangelization. He found instead—as in Jesus' own ministry—if you focus first on healing the wounded, then proclaiming the Word of God, and finally teaching, you can bring people of all ages to Christ. Using examples from his own teaching, stories from

the Bible, and the lives of the saints, Dees offers a fresh and engaging approach and practical ideas for following the ministry of Jesus in your own work. Jesus had a threefold ministry on Earth: to heal the sick and wounded, proclaim the Good News, and teach those who became his disciples. It's an approach imitated by the saints throughout history and continues to be the cornerstone of successful ministry in parishes, Catholic schools, and other vibrant programs today. Jared Dees—author of *31 Days to Becoming a Better Religious Educator*—will help you understand how Jesus' ministry transformed lives through biblical examples such as Paul, Bartimaeus, the centurion's servant, and the woman at the well. He shares the importance of healing through the ministries of saints, such as Mother Teresa, Br. André Bessette, Ignatius of Loyola, and Fr. Damien of Molokai. In *To Heal, Proclaim, and Teach*, Dees offers practical examples of how to apply Jesus' threefold ministry to everyday life: allow yourself to be constantly evangelized; learn to help others through both good and bad times; and root yourself in community. He also suggests examples of ministries that are effectively reaching the faithful of all ages today, including *Catechesis of the Good Shepherd*, *Life Teen*, *Teens Encounter Christ*, *Theology on Tap*, *FOCUS*, and *Christ Renews His Parish*. Dees will guide you with practical ways to imitate Jesus' ministry in your own classrooms and faith formation programs at all levels. *To Heal, Proclaim, and Teach* was a 2017 winner of the Association of Catholic Publishers Excellence in Publishing Award: Resources for Ministry (Third Place) and the Catholic Press Association Book Award: Pastoral Ministry (Third Place).

Authenticity, Passion, and Advocacy -

Thomas E. Malewitz 2020-07-08

Adolescence can be best summarized as a time of authenticity, passion, and advocacy. As adolescents start maturing, on a life journey that leads them away from dependence on their parents to becoming an independent adult, they often seek out honest and transparent mentors to learn from and trust for wisdom and guidance. Although Thomas Merton, the celebrated spiritual author and Cistercian monk, is better remembered for his writings on ecumenism, nonviolence, and advocacy, he also had several documented correspondences with adolescents throughout his life. By examining these artifacts, it is clear that Thomas Merton had great insight into the spiritual needs and challenges of adolescents. Throughout his life, Merton's authentic struggles often parallel the searching nature that defines adolescent spirituality. Through scholarship and practice this book will explore how the life and writings of Thomas Merton may serve as a guide and bridge for ministers of adolescents, and will offer some practical suggestions for ministers, educators, and parents on topics affecting contemporary adolescents, through the lens of Thomas Merton's life and writings.
