You Should See Me in a Crown

- Leah Johnson 2020-06-02
A TIME Magazine Best YA Book of All Time A Stonewall Honor Book A Reese's Book Club YA Pick Liz Lighty has always believed she's too black, too poor, too awkward to shine in her small, rich, prom-obsessed midwestern town. But it's okay -- Liz has a plan that will get her out of Campbell, Indiana, forever: attend the uber-elite Pennington College, play in their world-famous

orchestra, and become a doctor. But when the financial aid she was counting on unexpectedly falls through, Liz's plans come crashing down . . . until she's reminded of her school's scholarship for prom king and queen. There's nothing Liz wants to do less than endure a gauntlet of social media trolls, catty competitors, and humiliating public events, but despite her devastating fear of the spotlight she's willing to do

whatever it takes to get to Pennington. The only thing that makes it halfway bearable is the new girl in school, Mack. She's smart, funny, and just as much of an outsider as Liz. But Mack is also in the running for queen. Will falling for the competition keep Liz from her dreams . . . or make them come true?

Sentiment in the Forex Market - Jamie Saettele

2017-11-06

Crowds move markets and at major market turning points, the crowds are almost always wrong. When crowd sentiment is overwhelmingly positive or overwhelmingly negative ? it's a signal that the trend is exhausted and the market is ready to move powerfully in the opposite direction. Sentiment has long been a tool used by equity, futures, and options traders. In *Sentiment in the Forex Market*, FXCM analyst Jaime Saettele applies sentiment analysis to the currency market, using both traditional and new sentiment indicators, including: Commitment of Traders

reports; time cycles; pivot points; oscillators; and Fibonacci time and price ratios. He also explains how to interpret news coverage of the markets to get a sense of when participants have become overly bullish or bearish. Saettele points out that several famous traders such as George Soros and Robert Prechter made huge profits by identifying shifts in crowd sentiment at major market turning points. Many individual traders lose money in the currency market, Saettele asserts, because they are too short-term oriented and trade impulsively. He believes retail traders would be much more successful if they adopted a longer-term, contrarian approach, utilizing sentiment indicators to position themselves at the beginning points of major trends.

The Civil War Era - Lyde Cullen-Sizer 2008-04-15

There is an extraordinary range of material in this anthology, from Lincoln's Gettysburg address to a contemporary account of a visit

Brady Remington Landed

Me In Jail - Tijan 2019-11-10
Rayna would do anything for Brady and she has. She's bailed him out of jail. She's healed his bruises and picked him up from parties. She's always been there for him regardless if he had asked or not. But when a potential love interest for Rayna returns to town, their relationship is threatened. Brady has to decide if he's going to make her his or let her go. And when he tries to do the

right thing by both of them, neither could've foreseen what secrets their decisions would've exposed. Their small town is soon rocked by controversy and in the midst of it, Rayna and Brady try to figure out if they can be together or not.

Sophie's World - Jostein Gaarder 2007-03-20

One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

Evermore - Alyson Noël 2009-02-03

Don't miss Evermore, the first book in Alyson Noël's #1 New York Times bestselling The Immortals series. Enter an enchanting new world where true love never dies. . . After a horrible accident claimed the lives of her family, sixteen-

year-old Ever Bloom can see people's auras, hear their thoughts, and know someone's entire life story by touching them. Going out of her way to avoid human contact and suppress her abilities, she has been branded a freak at her new high school—but everything changes when she meets Damen Auguste. Damen is gorgeous, exotic and wealthy. He's the only one who can silence the noise and random energy in her head—wielding a magic so intense, it's as though he can peer straight into her soul. As Ever is drawn deeper into his enticing world of secrets and mystery, she's left with more questions than answers. And she has no idea just who he really is—or what he is. The only thing she knows to be true is that she's falling deeply and helplessly in love with him.

The Psychology of Socialism

- Gustave Le Bon 1899

A Burning - Megha Majumdar

2020-06-02

A TODAY SHOW

#ReadWithJenna BOOK CLUB

PICK! A New York Times Notable Book For readers of Tommy Orange, Yaa Gyasi, and Jhumpa Lahiri, an electrifying debut novel about three unforgettable characters who seek to rise—to the middle class, to political power, to fame in the movies—and find their lives entangled in the wake of a catastrophe in contemporary India. In this National Book Award Longlist honoree and “gripping thriller with compassionate social commentary” (USA Today), Jivan is a Muslim girl from the slums, determined to move up in life, who is accused of executing a terrorist attack on a train because of a careless comment on Facebook. PT Sir is an opportunistic gym teacher who hitches his aspirations to a right-wing political party, and finds that his own ascent becomes linked to Jivan's fall. Lovely—an irresistible outcast whose exuberant voice and dreams of glory fill the novel with warmth and hope and humor—has the alibi that can set Jivan free, but it will cost her everything she holds dear.

Downloaded from
clcnetwork.org on by
guest

Taut, symphonic, propulsive, and riveting from its opening lines, *A Burning* has the force of an epic while being so masterfully compressed it can be read in a single sitting. Majumdar writes with dazzling assurance at a breakneck pace on complex themes that read here as the components of a thriller: class, fate, corruption, justice, and what it feels like to face profound obstacles and yet nurture big dreams in a country spinning toward extremism. An extraordinary debut.

On the Come Up - Angie

Thomas 2019-02-05

#1 New York Times bestseller · Seven starred reviews · Boston Globe-Horn Book Award Honor Book “For all the struggle in this book, Thomas rarely misses a step as a writer. Thomas continues to hold up that mirror with grace and confidence. We are lucky to have her, and lucky to know a girl like Bri.”—The New York Times Book Review This digital edition contains a letter from the author, deleted scenes, a picture of the author as a teen

rapper, an annotated playlist, Angie’s top 5 MCs, an annotated rap, illustrated quotes from the book, and an excerpt from *Concrete Rose*, Angie's return to Garden Heights. Sixteen-year-old Bri wants to be one of the greatest rappers of all time. Or at least win her first battle. As the daughter of an underground hip hop legend who died right before he hit big, Bri’s got massive shoes to fill. But it’s hard to get your come up when you’re labeled a hoodlum at school, and your fridge at home is empty after your mom loses her job. So Bri pours her anger and frustration into her first song, which goes viral . . . for all the wrong reasons. Bri soon finds herself at the center of a controversy, portrayed by the media as more menace than MC. But with an eviction notice staring her family down, Bri doesn’t just want to make it—she has to. Even if it means becoming the very thing the public has made her out to be. Insightful, unflinching, and full of heart, *On the Come Up* is an ode to hip hop from one of the

most influential literary voices of a generation. It is the story of fighting for your dreams, even as the odds are stacked against you; and about how, especially for young black people, freedom of speech isn't always free. Don't miss Concrete Rose, Angie Thomas's powerful prequel to her phenomenal bestseller, *The Hate U Give!*

The Weight Of It All - N. R. Walker 2018-10-15

After being dumped by his long-term boyfriend for being overweight, Henry Beckett decides to make some drastic changes. In a vain attempt at getting his boyfriend back, Henry does the most absurdly frightening thing he can think of. He joins a gym. Reed Henske is a personal trainer who isn't sure he'll ever be ready to date again. He's sick of guys who are only interested in the perfect body image, never seeing him for who he really is. As Reed tortures Henry with things like diet and exercise, Henry enamours Reed with recipes and laughter. As the friendship

lines start to blur, Henry is convinced there's no way Thor-like Reed could ever be interested in a guy like him.

Reed just has to convince Henry that life isn't about reaching your ideal bodyweight. It's about finding your perfect counterweight.

Children of Blood and Bone - Tomi Adeyemi 2018-03-06

Zlie Adebola remembers when the soil of Orsha hummed with magic. Burners ignited flames, Tiders beckoned waves, and Zlie's Reaper mother summoned forth souls.

The Dictionary of Obscure Sorrows - John Koenig 2021-11-16

NEW YORK TIMES

BESTSELLER "It's undeniably thrilling to find words for our strangest feelings...Koenig casts light into lonely corners of human experience...An enchanting book. " —The Washington Post A truly original book in every sense of the word, *The Dictionary of Obscure Sorrows* poetically defines emotions that we all feel but don't have the words to express—until now. Have

you ever wondered about the lives of each person you pass on the street, realizing that everyone is the main character in their own story, each living a life as vivid and complex as your own? That feeling has a name: "sonder." Or maybe you've watched a thunderstorm roll in and felt a primal hunger for disaster, hoping it would shake up your life. That's called "lachesism." Or you were looking through old photos and felt a pang of nostalgia for a time you've never actually experienced. That's "anemoia." If you've never heard of these terms before, that's because they didn't exist until John Koenig set out to fill the gaps in our language of emotion. The Dictionary of Obscure Sorrows "creates beautiful new words that we need but do not yet have," says John Green, bestselling author of *The Fault in Our Stars*. By turns poignant, relatable, and mind-bending, the definitions include whimsical etymologies drawn from languages around the world, interspersed with

otherworldly collages and lyrical essays that explore forgotten corners of the human condition—from "astrophe," the longing to explore beyond the planet Earth, to "zenosyne," the sense that time keeps getting faster. The Dictionary of Obscure Sorrows is for anyone who enjoys a shift in perspective, pondering the ineffable feelings that make up our lives. With a gorgeous package and beautiful illustrations throughout, this is the perfect gift for creatives, word nerds, and human beings everywhere.

Anthem - Ayn Rand 1946

In a future world, only one man dares to think, strive, and love as an individual in the midst of a paralyzing collective humanity.

The Great Gatsby (LARGE PRINT) - F. Scott Fitzgerald
2021-01-26

LARGE PRINT EDITION

"Leaves the reader in a mood of chastened wonder . . . A revelation of life . . . A work of art." —Los Angeles Times Set in during the Roaring Twenties, this masterful story by F. Scott

Downloaded from
clcnetwork.org on by

Fitzgerald is told through the eyes of Nick Carraway, a young man who moves to Long Island and attempts to learn the bond business in New York City after the war. There, he co-mingles on Long Island with his affluent and wealthy socialite cousin Daisy Buchanan, her brute of a husband Tom, and friend Jordan Baker. Nick's new residence sits across the bay from Daisy and Tom's house, and right next to a mysterious mansion. He begins to hear rumors of an infamous man named Gatsby who resides there. Eventually, when Gatsby learns of Nick's ties to Daisy, he extends Nick an invitation to one of his lavish parties. Gatsby's plan to court Daisy, in an attempt to revive a previous love affair, eventually bubbles to the surface and tragedy ensues. Dubbed the Great American Novel more than any other piece of literature to date, *The Great Gatsby* is sure to captivate readers with its exquisitely crafted prose and poignant message about trying to relive the past.

[Nineteen Eighty-Four](#) - George

Orwell 2021-01-09

"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a

totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

That Magic Feeling - John C.
Winn 2009-06-16

From Revolver to Let It Be,
That Magic Feeling: The
Beatles Recorded Legacy,
Volume Two, 1966—1970,

continues the chronicle of the group's spectacular career from its creative zenith to its irrevocable split As the Beatles moved into the mid and late 1960s, their collective and individual musical talent and innovations evolved at an unparalleled pace. Like its companion volume, *Way Beyond Compare: The Beatles' Recorded Legacy, Volume One, 1957—1965*, this unique work thoroughly chronicles all known and available Beatles recordings during this period of incredible creative growth. Have you ever watched a Beatles film clip and wondered:

- Where was that filmed?
- Is any more of that footage available?

Have you ever heard a Beatles interview and asked:

- When was that taped?

Where's the best place to find the complete recording? That *Magic Feeling* answers these and thousands of similar questions. With more than 500 entries, it includes recording sessions, concerts, newsreel footage, press clips, TV and film performances, home movies, radio interviews,

documentaries, studio outtakes, home demos, and alternative mixes—all of which are given complete coverage for the first time. Author John C. Winn has spent two decades poring over, scrutinizing, organizing, and analyzing hundreds of hours of audio and video recordings and compiling them into a digestible chronological framework, creating the ultimate reference guide to the Beatles' legendary musical and cultural evolution. [The Poisonwood Bible](#) - Barbara Kingsolver 2008-09-04 'Breathtaking.' Sunday Times 'Exquisite.' The Times 'Beautiful.' Independent 'Powerful.' New York Times An international bestseller and a modern classic, this suspenseful epic of one family's tragic undoing and their remarkable reconstruction has been read, adored and shared by millions around the world. This story is told by the wife and four daughters of Nathan Price, a fierce, evangelical Baptist who takes his family and mission to the Belgian Congo in 1959. They carry with

them everything they believe they will need from home, but soon find that all of it - from garden seeds to Scripture - is calamitously transformed on African soil. What readers are saying 'This remains one of the most fascinating books I have ever read.' 'I felt every emotion under the sky with this book.' 'Riveting.' 'This novel left a lasting - YEARS LASTING - impression.' 'This is one of those books that stands the test of time and is worth rereading.' 'Five epic, no-wonder-this-book-is-so-well-loved stars!' **The Starless Sea** - Erin Morgenstern 2019-11-05 NATIONAL BESTSELLER • From the bestselling author of *The Night Circus*, a timeless love story set in a secret underground world—a place of pirates, painters, lovers, liars, and ships that sail upon a starless sea. Zachary Ezra Rawlins is a graduate student in Vermont when he discovers a mysterious book hidden in the stacks. As he turns the pages, entranced by tales of lovelorn prisoners, key collectors, and nameless

acolytes, he reads something strange: a story from his own childhood. Bewildered by this inexplicable book and desperate to make sense of how his own life came to be recorded, Zachary uncovers a series of clues—a bee, a key, and a sword—that lead him to a masquerade party in New York, to a secret club, and through a doorway to an ancient library hidden far below the surface of the earth. What Zachary finds in this curious place is more than just a buried home for books and their guardians—it is a place of lost cities and seas, lovers who pass notes under doors and across time, and of stories whispered by the dead. Zachary learns of those who have sacrificed much to protect this realm, relinquishing their sight and their tongues to preserve this archive, and also of those who are intent on its destruction. Together with Mirabel, a fierce, pink-haired protector of the place, and Dorian, a handsome, barefoot man with shifting alliances, Zachary travels the twisting tunnels, darkened stairwells,

crowded ballrooms, and sweetly soaked shores of this magical world, discovering his purpose—in both the mysterious book and in his own life.

The Original Crowd (Hardcover) - Tijan

2014-08-25

This is the original version of A Whole New Crowd. It has only gone through one round of edits so it is rough. I make no apology for this. The edited version was released as A Whole New Crowd. This is being published at readers' requests. They want to own the original version as well so here it is in all its gritty and monstrously long glory. There is lots of sex so the reader is forewarned.

That Summer - Jennifer Weiner 2021-05-11

INSTANT NEW YORK TIMES BESTSELLER "Weiner, the undisputed boss of the beach read, is back with another stunner." —The New York Times "That Summer Is Your *IDEAL* Beach Read."

—Cosmopolitan Named a Most Anticipated Book of Spring

*Downloaded from
clcnetwork.org on by
guest*

2021 by Marie Claire, Bustle, Good Morning America, CNN, PopSugar, Good Housekeeping, Frolic, Country Living, and Working Mother Named a Notable Work of Fiction by The Washington Post From the #1 New York Times bestselling author of Big Summer comes another deliciously twisty novel of intrigue, secrets, and the transformative power of female friendship. Daisy Shoemaker can't sleep. With a thriving cooking business, full schedule of volunteer work, and a beautiful home in the Philadelphia suburbs, she should be content. But her teenage daughter can be a handful, her husband can be distant, her work can feel trivial, and she has lots of acquaintances, but no real friends. Still, Daisy knows she's got it good. So why is she up all night? While Daisy tries to identify the root of her dissatisfaction, she's also receiving misdirected emails meant for a woman named Diana Starling, whose email address is just one punctuation mark away from her own.

While Daisy's driving carpools, Diana is chairing meetings. While Daisy's making dinner, Diana's making plans to reorganize corporations. Diana's glamorous, sophisticated, single-lady life is miles away from Daisy's simpler existence. When an apology leads to an invitation, the two women meet and become friends. But, as they get closer, we learn that their connection was not completely accidental. Who IS this other woman, and what does she want with Daisy? From the manicured Main Line of Philadelphia to the wild landscape of the Outer Cape, written with Jennifer Weiner's signature wit and sharp observations, *That Summer* is a story about surviving our pasts, confronting our futures, and the sustaining bonds of friendship.

TOC Section A: Reading, Section B: Writing and Grammar and Section C: Literature, Practice Papers (1-3).

The Crowd - Gustave Le Bon 1897

Sentimental Education - Gustave Flaubert 2016-03-03
'For certain men the stronger

their desire, the less likely they are to act.' With his first glimpse of Madame Arnoux, Frédéric Moreau is convinced he has found his romantic destiny, but when he pursues her to Paris the young student is unable to translate his passion into decisive action. He also finds himself distracted by the equally romantic appeal of political action in the turbulent years leading up to the revolution of 1848, and by the attractions of three other women, each of whom seeks to make him her own: a haughty society lady, a capricious courtesan, and an artless country girl. Flaubert offers a vivid and unsparing portrait of the young men of his generation, struggling to salvage something of their ideals in a city where corruption, consumerism, and a pervasive sense of disenchantment undermine all but the most compromised erotic, aesthetic, and social initiatives. Sentimental Education combines thoroughgoing irony with an impartial but unexpectedly

intense sympathy in a novel whose realism competes with that of Balzac and whose innovations in narrative plot and perspective mark a turning-point in the development of literary modernism. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

Home Tears (Hardcover) - Tijan 2016-12

The Theory of Moral Sentiments - Adam Smith (économiste) 1812

The Successful Trader

Foundation - Thang Duc Chu
2019-07-18

This book discusses the most important determining factor of succeeding or failing when trading in financial markets. If you stay in the trading business long enough, then you probably learn that very few traders can make a consistent profit out of the market in the long run. The harsh reality is that more than 95% of traders lose money in the long run, and most of the time they do not understand why. Hopefully, this book will provide you with the fundamental reasons as to why the crowd has been losing, as well as highlighting the fact that they will always lose in trading. This knowledge is applicable to any financial markets. In fact, this book explains the important foundation for traders who wish to possess the correct mindset and begin trading against the losing crowd. Then, from there, you will be able to build your own trading strategies based on this foundation. I firmly believe,

that no system, entry, or indicator, or the holy grail can work for a trader without this fundamental knowledge. More specifically, what will you gain from this book? - An innovative viewpoint of a retail FX dealer on how and why most traders lose, no matter which systems they are trading. - Statistically based facts and arguments from aggregate trading sites such as Myfxbook, and Oanda. - Understand that most traders are asking the wrong questions. i.e., they always look for a magic system, entry or indicators that can make successful trading simple and easy. Therefore, they will always have the wrong answer. Furthermore, they have already failed before they even start. - Success in trading/investing depends on mindset and behaviors and has nothing to do with magical systems or indicators. - For investors, you will be able to evaluate trading strategies/systems and know which systems have the highest chance of success, in the long run, to invest into. - For

*Downloaded from
clcnetwork.org on by
guest*

traders, have a solid foundation to build your own trading system, not succumb into the failure of most retail traders and successfully trading against the losing crowd.

Trading Binary Options - Abe Cofnas 2016-08-01

A clear and practical guide to using binary options to speculate, hedge, and trade Trading Binary Options is a strategic primer on effectively navigating this fast-growing segment. With clear explanations and a practical perspective, this authoritative guide shows you how binaries work, the strategies that bring out their strengths, how to integrate them into your current strategies, and much more. This updated second edition includes new coverage of Cantor-Fitzgerald binaries, New York Stock Exchange binaries, and how to use binaries to hedge trading, along with expert insight on the markets in which binaries are available. Independent traders and investors will find useful guidance on speculating on price movements or hedging

their stock portfolios using these simple, less complex options with potentially substantial impact. Binary options provide either a fixed payout or nothing at all. While it sounds simple enough, using them effectively requires a more nuanced understanding of how, where, and why they work. This book provides the critical knowledge you need to utilize binary options to optimal effect. Learn hedging and trading strategies specific to binaries Choose the markets with best liquidity and lowest expenses Find the right broker for your particular binary options strategy Utilize binaries in conjunction with other strategies Popular in the over-the-counter market, binary options are frequently used to hedge or speculate on commodities, currencies, interest rates, and stock indices. They have become available to retail traders through the Chicago Board Options Exchange and the American Stock Exchange, as well as various online platforms, allowing you the

opportunity to add yet another tool to your investing arsenal. Trading Binary Options is the essential resource for traders seeking clear guidance on these appealing options.

Beautiful Disaster Signed Limited Edition - Jamie

McGuire 2012-11-27

Forgetting August - J.L. Berg
2015-12-01

She can forgive, but can she forget? Some days, Everly still thinks she sees him. In the food court at the mall, or in a car speeding past as the light changes. It only lasts a second, but when it happens, she slips back to a time when she was ruled-and nearly ruined-by August Kincaid. And it doesn't matter that she's moved on, that she's about to marry another man. In those moments the only thing she can do to regain control is take a deep breath and remind herself that August can't hurt her-because he's in a coma. Except that he's not anymore. August is awake. With no memories, he sets out to solve the mystery of his lost life. He unearths a photograph of a beautiful redhead named Everly and knows instinctively that she's the key. But when he finds her, the August she describes is more monster than man. Tortured by the thought of having hurt her, August wants only to become the man Everly deserves. As the new

August emerges, Everly glimpses the person she first fell in love with. But can she trust that this August is real? When the final secret of their shared past is revealed, one of them will make a choice that changes their future forever . . .

The Road - Cormac McCarthy
2007-03-20

NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol

to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Look for Cormac McCarthy's new novel, *The Passenger*.

A Whole New Crowd - Tijan
2019-11-10

He told me to go away. I did. I followed his instructions. I left with the new family. They were from the right side of the tracks and I tried to become one of them. I really did, but I failed. When someone died, someone that I loved, I couldn't keep pretending everything was fine. It wasn't. This

privileged world he gave me wasn't privileged. There were problems. He just never told me that he created them, that he had sent me into a world he set up for me. It was all a lie, but it was lie that I was going to expose. Or I would die trying. **This is a standalone.

The Wisdom of Crowds -

James Surowiecki 2005-08-16

In this fascinating book, New Yorker business columnist James Surowiecki explores a deceptively simple idea: Large groups of people are smarter than an elite few, no matter how brilliant—better at solving problems, fostering innovation, coming to wise decisions, even predicting the future. With boundless erudition and in delightfully clear prose, Surowiecki ranges across fields as diverse as popular culture, psychology, ant biology, behavioral economics, artificial intelligence, military history, and politics to show how this simple idea offers important lessons for how we live our lives, select our leaders, run our companies, and think about our world.
