#1 NEW YORK TIMES BESTSELLER "Evil is a completely different creature, Mac. Evil is bad that believes it's good." MacKayla Lane was just a child when she and her sister, Alina, were given up for adoption and banished from Ireland forever. Twenty years later, Alina is dead and Mac

has returned to the country that expelled them to hunt her sister's murderer. But after discovering that she descends from a bloodline both gifted and cursed, Mac is plunged into a secret history: an ancient conflict between humans and immortals who have lived concealed among us for thousands of years. What follows is a shocking chain of events with devastating consequences, and now Mac struggles to cope with grief while continuing her mission to acquire and control the Sinsar Dubh—a book of dark, forbidden magic scribed by the mythical Unseelie King, containing the power to create and destroy worlds. In an epic battle between humans and Fae, the hunter becomes the hunted when the Sinsar Dubh turns on Mac and begins mowing a deadly path through those she loves. Who can she turn to? Who can she trust? Who is the woman haunting her dreams? More important, who is Mac herself and what is the destiny she glimpses in the black and crimson designs of

an ancient tarot card? From the luxury of the Lord Master's penthouse to the sordid depths of an Unseelie nightclub, from the erotic bed of her lover to the terrifying bed of the Unseelie King, Mac's journey will force her to face the truth of her exile, and to make a choice that will either save the world . . . or destroy it.

I'd spent my entire life feeling like I couldn't breathe. Like I was unfit to even exist in a world controlled by elemental magic, as the only one without a single drop coursing through my veins. I was a magical dud, a misfit thrown into an orphanage by my parents as a baby and forced to work a dead end job at a magical coffee shop just to get by. In a place where everyone was extraordinary I had come to terms with being ordinary. Until my twentieth birthday when my life went up in flames- literally. But when my best friend is captured by a fire

wielding psychopath who also turns out to be my fated mate I realize that there is no limit to how much of a hot mess my life can be. Great. Secrets about my past are uncovered and I find out I'm an eden, a mage with an affinity for all four elements. Only an eden can unite all of the elemental mages and unite the country against upheaval. I was prepared to master the four elements, but I wasn't prepared to fall for the three hot elemental princes who were tasked with helping me save the world. No pressure, right?

Serpent's Kiss - Tansey Morgan

Five men stand between me and the deranged cult that wants me dead, but that's not

all that's going on. When the Keeper asks me to come to London with him, I figure all he wants is to show me off to some of his academic friends. As the last of my kind, I guess I am something of a show and tell project, even if no one would ever say that to my face. As soon as I arrive in London, however, and figure out the truth about what's going on, everything changes. Suddenly I'm no longer visiting a city I've always wanted to see as a tourist, I'm knee deep in an investigation that blows open a whole new can of worms. As if having a cult hell-bent on killing all of the female supernaturals they could get their hands on hunting me down wasn't bad enough. It seems like there's nowhere I can go to escape the people who want me dead, but as things start coming to light, I realize there are more forces at work than any of us had thought, and these forces have an agenda that goes way beyond just killing people. Time is running out, and right now they have the upper hand,

because we don't know who they are, what they really want, or where they're hiding, but I have to figure this all out, and fast, because people's lives are on the line, and not just my own. *Serpent's Kiss* is the third book in a brand new paranormal REVERSE HAREM series by Tansey Morgan. [Serpent's Touch](#) - Tansey
Morgan 2017-10-19

The thing about fairy tales is,
there's usually a catch. This
one was no exception. The day
I, Lilith Palmer, stopped being
the Hot Topic girl and became
something else started as any
other, but ended in the car of a
devilishly handsome man
whose net-worth was probably
higher than the entire
neighborhood I lived in; not my
usual Tuesday night. That,
however, was only the start of
the weird path I was about to
set off on; a path that would
take me to a place where
reality collides with magic,
where I find out everything I
knew about the world I lived in
was a lie, and where I'm the
only woman present. There are
five of them - five of the most
interesting, sexy, and probably
dangerous men I have ever
met. They live in a mansion in
the middle of rural Germany, a
mansion protected by magic.

And they tell me not only do they have supernatural abilities, but that I have them too, and they're here to help pull them out of me. Sounds like a dream, until that catch comes up. Supernaturals are being hunted down for the energy they possess, myself especially, and if they don't act fast to bring me into the fold, a fate worse than death awaits all of us. But triggering my supernatural side to come out won't be easy, not before I'm ready, and when the hunters step up their game and the window starts to close, it'll take everything I have in me just to stay alive; no matter how many men would put their lives on the line to protect me.

Serpent's Touch is the first book in a brand new paranormal REVERSE HAREM series by Tansey Morgan. The Crow's Murder - Tate James 2018-05-23

Well, I just can't seem to catch a break, can I? None of us saw it coming, no matter what precautions we took or how

many contingencies we put into play. What's the point of having all this power when everyone is out to get me? They say things are darkest before the light, and that the storm gets worse before it clears. Trust me when I say platitudes don't do a damn bit of good when you're in the middle of it. I'm Kit Davenport, and my heart is breaking.

Klutz - Sedona Ashe
2021-06-30

After I rescued these jerks from a plane crash, you'd think they'd be nicer to me. I die, like all the time. My track record of hilarious, freak accidental deaths would be impressive if it weren't so embarrassing. And when I come back, I'm naked. Every. Dang. Time. After my plane was sabotaged and crashed into the jungle, I rescued five male survivors from the wreckage. I could have let them die, but no, I decided to pull their stupid carcasses from the wreckage. I'm immortal, not a monster. Yes, they're hot, now is not the time to do something about that. The five sexy jaguar shifters are on

a mission to locate someone, a rare phoenix shifter. Phoenix, the legendary creature, reborn every time it dies. Wait?? Could they be looking for me? It doesn't matter since they walked away and left me to die in the Amazon rainforest. A place full of interesting new ways for a klutz like me to die. Surviving the jungle is harsh, but it's nothing compared to how they have treated me. And the worst part? It turns out these bullies are my fated mates. Yep, I must be cursed. I can't wait to escape the jungle and leave these guys behind, but another part of me is begging to love them? Was the Amazon always this hot?" But *Did You Die?* is a comedy filled, bully (only in book one), paranormal romance series that includes jaguar shifters, a mysterious underground society, fated mates, and an incredibly clumsy Phoenix. Follow Amaryllis as she discovers who she is and 'collects' her soulmates along the way! It is full of humor, adventure, and scenes to entice and thrill you... or to make you

unexpectedly snort with laughter. The series will have a HEA? it will just take a little while to get there!

The Alpha's Pack - Tate James
2018-08-04
The time is now. It seems all
I've ever wanted was
vengeance. I did everything
right: I protected my friends, I
pushed myself to the limits,
and I saved lives. Once upon a
time, I was an internationally
renowned thief known as The
Fox. Nobody knew me. Nobody
could catch me. Nobody but
them, my men, my partners in

crime. But their love for me, it's cost them dearly. Our enemies keep coming for blood. They cut me. They hurt my friends. They push and push to see what will happen. I'm Kit Davenport, and I'm going to show them what happens. This is the end.

Theirs.

The Snake in the Grass - Lucy Auburn 2019-06-11

It begins with the truth, a lie, money and cruelty. Like all things buried in blood-soaked ground, it grows crooked and twisted. These things never turn out well. It ends with a rope, a tree, a snake in the grass... and one girl's promise to the dead: revenge. This book contains trigger content.

Please read the author's note on the look inside.

Den of Vipers - K. A. Knight 2020-07-10

The world ended and with it so did the rules. I was stolen from my family and raised in the Wastelands to the North. I did what I had to ensure my survival. I became The Champion, with my history carved into my skin for all to

see. Now I spend my days drinking and hiding from my past until four newcomers offer me a job I can't refuse. When my past and future mix I must once again rise and fight. This time it's not for my freedom, it's for my happiness. Contains mature themes.

Power Of Magic - Jade Alters 2019-09-26

The most powerful magician in an ancient line is either gift or a duty bound by blood. I'm not at the Academy for lessons. Every friendship I form, every romance I pursue, is a move of strategy for the sake of our family name and the new Council. The Astral from down the hall who a crush on me? It could be useful to have someone who can phase in and out of our Realm on my side. I need to join a sports team to keep up appearances? Good thing a Sealbreaker Captain has his eye on me. Mother needs me to track down a runaway Vampire? No problem, but what starts as simple flirtation and trickery begins to blossom into true emotions... can I possibly love all three of

them? All bets are off though when my parents' power play threatens the life of my only true friend. I'm Emery Dalshak. Youngest heir of the oldest magical dynasty. My life has never been my own but for Helena, I'm willing to cast everything else aside. So what will it be? My gift or my duty? My life or my family? Power of Magic is the Second Book in The Broken Academy Series, a why choose, slow burn paranormal romance. All of the books can be read as standalone stories however series order is recommended to fully maximize enjoyment. Author note: The romance is described as "why choose" instead of reverse harem as each central female character has her cake and gets to eat it too, with multiple concurrent love interests that ebb and fall throughout the series, however there are no steamy scenes with multi-partner action. Here's what readers are saying about Power of Magic: "Spellbindingly Good." "This series just keeps getting better. Absolutely brilliant

read." "Jade Alters has spun another exciting paranormal tale from "The Broken Academy" series! 'Power of Magic' is a well-written, smooth-flowing tale about trust and truth. It's heartfelt, funny, engaging, action-packed, suspenseful, and has some very steamy scenes...I could not put this book down until I finished it I am hooked and am impatient for the next book in this series. This is such an easy recommend!!!" "Jade Alters' latest reverse harem starts with some flare and continues with plenty of spectacular tricks. I cannot wait for Power of Blood to be released to see how things shake out." *Darkmore Penitentiary* - Caroline Peckham 2020 "We're going to own you." "We're going to break you." "When we're through with you, you won't remember life before you were ours." That's what they whisper as I pass their cells. Ha. Guess what bastardos? I'm Rosalie Oscura, champion underground cage-

fighter and freaking Alpha Werewolf from the infamous Oscura Clan. My family wrote the book on criminal organisations and I'll be ruling this place by the time the next moon rises. Papà always said my hot head would land me in here one day. The supernatural prison they call Darkmore Penitentiary. Where they send the cruellest, most dangerous Fae in Solaria. Like me apparently. So maybe I deserve to be in prison, but do you want to know a secret? I planned to get sent to Darkmore Penitentiary. I've come to break out the most notorious criminal in Solaria. The trouble is, I need the help of the four Alpha males to get out of here. And they happen to hate each other almost as much as they hate me. But I always did love a challenge. How hard could it be to make them accept me as their leader?" -- Back cover.

Within Obsession and Lies - Harper Wylde 2021-10-14
Within Obsession and Lies is the sexy, action-packed first book in A Court of Gilt and Shadow Series by bestselling

authors Stacy Jones and Harper Wylde. Power. Obsession. Lies. Other people dream of being special. They wouldn't, if they knew what a nightmare it is. Arawyn would give anything to be ordinary and rid herself of the power that lives inside her. Dangerous and alluring, it's caused nothing but pain and horror, making her the dark obsession of anyone who gets too close. After years of barely containing it, Arawyn thought she had control... until the night it bursts free and pulses like a beacon. As threats emerge from the shadows, each one more fixated on her than the last, she finds her life infiltrated by three mysterious men. A mafia boss, a psychopath, and a killer. Rathe, Viper, and Fear are much more than they seem. They taste of power and feel impossibly familiar. They call to her soul in a way she's never experienced and might have answers to questions she's been asking her entire life. But darkness and secrets surround them, ones covered in blood

and mire. When the monsters stalking her endanger not only her power but her life, she'll have to make a decision: take a risk and let these dangerous men in, or do what she's always done—walk away and try to survive on her own. Trusting them would be a mistake. Yet, she may not have a choice. The monsters hunting her aren't human and they're out for blood. Rage, Viper, and Fear might be her only chance of making it through this alive. There's only one problem. They aren't human either... From bestselling authors, Stacy Jones and Harper Wylde, comes a darkly seductive new series that blends romance, danger, and the supernatural into an unforgettable read.

Sure, I can rock a tank top and ponytail while collecting ancient relics, but don't call me a tomb raider. I knew the guy who built the pyramids... and I mean in the biblical sense. Archaeologist, fashionista, and an ancient immortal with a serious memory problem, Dr. Nia Rivers has spent the last few centuries filling in the blanks of her past, all while outrunning dark assassins and stealing brief moments alone with Zane, her immortal lover. But when a two-thousand year old relic from her past resurfaces, Nia isn't sure if the story connected to it is one she wants told to the world. The fact that Tres Mohandis, a fellow immortal and Nia's

greatest rival, is determined to develop the land and bury the site before Nia can excavate it suggests some dark history lies hidden in the site. Worse, Nia is beginning to realize that she doesn't dislike the broody billionaire land developer as much as she remembers. Letting Tres have his way might be best for Nia, especially when the truth might expose a horrific crime from Nia's past—one with her name written all over it. But don't all stories deserve to be told? Even the ugliest ones. Even if it proves she's not at all who she thinks she is. Get this hot urban fantasy featuring spine-tingling adventure, twists on historical mysteries, and thrilling romance, where Tomb Raider meets Indiana Jones—and they live forever!
