This short handbook of fiqh, as one of the most working sellers here will definitely be in the course of the best options to review.

Islamic Law in Action - Kristen Stilt

2012-01-12

A dynamic account of the practice of Islamic law, this book focuses on the actions of a particular legal official, the muhtasib, whose vast jurisdiction included all public behavior. In the cities of Cairo and neighboring Fustat during the Mamluk period (1250-1517), the men who held

the position of muhtasib acted as regulators of markets and public spaces generally. They traversed their jurisdictions carrying out the duty to command right and forbid wrong, and were as much a part of the legal landscape as the better-known figures of judge and mufti. Taking directions from the rulers, the sultan foremost among them, they were also guided by

legal doctrine as formulated by the jurists, combining these two sources of law in one face of authority. The daily workings of the law are illuminated by the reports of the muhtasib in the vivid Mamluk-era chronicles, which often also captured the responses of the individuals who encountered the official. The book is organized around actions taken by the muhtasib in the areas of Muslim devotional and pious practices; crimes and offenses; the management of Christians and Jews; market regulation and consumer protection; the specific markets for essential bread; currency and taxes; and public order. The case studies presented show that while legal doctrine was clearly relevant to the muhtasib's actions, the policy demands of the sultan were also quite significant, and rules from both sources of authority intersected with social, political, economic, and personal factors to create full and vibrant scenarios that reveal the practice of Islamic law.

Outlines of Islamic Jurisprudence - Sixth

Edition - Imran Ahsan Khan Nyazee

Islamic Law - Mashood A. Baderin 2021

Islamic law is one of the major legal systems in the world today, yet it is often misunderstood, particularly in the West. This book provides a critical overview of the theory, scope, and practice of Islamic law, taking into account both classical and modern scholarly perspectives in examining the various facets of this key legal system.

The Oxford Handbook of World Philosophy - Jay L. Garfield 2011-06-09

This volume provides the advanced student or scholar a set of introductions to each of the world's major non-European philosophical traditions. Sections on Chinese philosophy, Indian philosophy, Buddhist philosophy, East Asian philosophy, African philosophy, and trends in global philosophy are all edited by an expert.

Hajj and Umrah - Furhan Zubairi 2019-03-22

A short booklet covering the fiqh of ḥajj and

'umrah along with a brief overview of both rituals.

Arab Dress, A Short History - Norman Stillman
2022-06-08

This richly illustrated volume is a historical and ethnographic study of one important aspect of Arab-Islamic material culture - clothing.

Surveying the evolution, transformations, and semiotics of modes of dress over 1400 years throughout the Middle East, North Africa, and medieval Islamic Spain.

Shari'a and Muslim Minorities - Uriya Shavit
2015

Wasatiyya and Salafiyya : a conflict of ideologies and methodologies -- The Wasati and Salafi approaches to the religious law of Muslim minorities -- Muslim minorities and non-Muslim societies -- Muslim minorities and non-Muslim states

The Essential Hanafi Handbook of Fiqh - Yusuf Talal Ali al- Amriki 1997

Concise Fiqh for Ramadan - Abul Baraa Muhammad Abdullah Amreeki 2021-03-26
Concise Fiqh Regarding Ramadan. The book was organized from the curriculum of Madinah University from their Arabic Institute. There are additional articles from al-Mulakas al-Fiqhi from Shaykh Dr. Salih Abdullah al-Fawzan, and Questions & Answers regarding Ramadan from the former Mufti Abdul Azeez bin Baz may Allah have mercy upon him. Fiqh book Al-Wajeez from Shaykh Dr. Abdul Adheem Badawi from Ansar Sunnah Muhammadiya in Egypt. The statement of Shaykh Dr. Salih Uthaymeen about an Adal (just/upright) Muslim for sighting the moon.

The Essential Hanafi Handbook of Fiqh - Muhammad Sanā'ullāh Pānīpatī 1985

The evolution of Fiqh (Islamic law and the madh-habs) - Abu Ameenah Bilaal Philips 2003

The First Steps in Practising Islam - Omar Subedar 2015-06-12

The First Steps in Practising Islam has been prepared to serve as an introductory book for those who wish to learn the essential aspects of the religion, and for those who intend to pursue higher Islamic studies in the areas of creed and ritual worship. It comprises of the most fundamental aspects of Islamic beliefs, purification, ritual prayer, wealth purification and fasting while being referenced to the sacred texts. Key discussions have been carefully identified and the material has been delivered in plain English so that the scope of this book's benefit can be as broad as possible. This book has been concluded with a section on essential traits every Muslim is required to adopt in order to have a healthy relationship with Allah and His creation. Ultimately, this book lets the reader develop insight and confidence in Islam thus making them realize that Islam is still relevant today as it was for generations before.

Basic Fiqh - Jamiatul Ulama (Kzn) South Africa
2016-10-17

All Praise be to Allah Ta'ala, The Master of the worlds. May Allah Ta'ala's special blessings, mercies and salawaat descend upon our beloved master Sayyidina, Rasulullah PBUH forever and ever. The Basic 'ilm (knowledge of Deen) is the weapon of every believer. Without knowing what is right from wrong, man will never be able to save himself from evil and sin. Without the knowledge of Deen, man is a vulnerable victim of shaytaan. The primary maktab system is designed to equip the children of the Ummah, with the basic knowledge of Deen, which will carry them along for the rest of their lives in the obedience of Allah Ta'ala and in following the sunnah of Rasulullah PBUH. This book titled 'Basic Fiqh' is designed to teach little children the basic Islamic laws according to the teachings and the Fiqh of Hadhrat Imaam Abu Hanifah RA.

An attempt has been made to cover the basic but very important aspects of Fiqh in this little booklet (Insha Allah). Though many books of Fiqh are currently available, the intention in preparing this little booklet was to present some basic rules of fundamental importance making it easier for children to learn. The Ta'limi Board (KZN) has officially introduced this booklet into the maktab curriculum. Part One of this book is taught in Grade 6 and Part two in Grade 7. May Allah Ta'ala accept this little publication and make it a means of attaining His pleasure and may He make this book a means of great benefit for the Ummah. Aameen. Note: All Masael is related to Hanafi Madhahab

Raising a Jihadi Generation - John Guandolo
2013-09

"A handbook for law enforcement, intelligence and military professionals"--Preliminaries.

Homosexuality in Islam - Scott Siraj Al-Haqq Kugle 2010-01-01

Homosexuality is anathema to Islam - or so the

majority of both believers and non-believers suppose. Throughout the Muslim world, it is met with hostility, where state punishments range from hefty fines to the death penalty. Likewise, numerous scholars and commentators maintain that the Qur'an and Hadith rule unambiguously against same-sex relations. This pioneering study argues that there is far more nuance to the matter than most believe. In its narrative of Lot, the Qur'an could be interpreted as condemning lust rather homosexuality. While some Hadith are fiercely critical of homosexuality, some are far more equivocal. This is the first book length treatment to offer a detailed analysis of how Islamic scripture, jurisprudence, and Hadith, can not only accommodate a sexually sensitive Islam, but actively endorse it.

Islam in Iran - Il'ia Pavlovich Petrushevski?
1985-01-01

A scholarly and authoritative history of the emergence and growth of Islam in Iran during the early and later medieval periods. This book,

by I. P. Petrushevsky, the foremost Soviet Iranologist, was originally published in Russia in 1966. After discussing the Arabian environment in which the faith of Islam arose, and the character--legal, social and doctrinal--of the new message, the author moves on to trace the peculiarly Iranian development of Islamic beliefs, the schisms which arose in its early history, and the eventual creation of a Sunni orthodoxy. Written from the Russian perspective, with Russia's long contact with Iranian and Turkish Muslim neighbors, it provides a stimulating and salutary balance to the study of the Islamic world.

Shi'i Islam - Moojan Momen 2015-11-05
From infallible Imams to Ayatollahs in Iran,

short-handbook-of-fiqh

Shi'ism has long been a prominent, if misunderstood, branch of Islam. It regards Ali, Muhammad's son-in-law, as the Prophet's legitimate successor. But theological differences between the Shi'ah and Sunni Muslims have led to sectarian violence, massacres and the desecration of holy sites. In this Beginner's Guide, Dr Moojan Momen offers an accessible and comprehensive overview of Shi'ism, tracing the history of the community, its leadership and doctrines, from its inception to modern times. Packed with useful tables, family trees and text boxes, this engaging and up-to-date guide is a perfect introduction to the historical and geopolitical causes of religious tensions still troubling the Middle East today.

The Mukhtasar Al-Quduri - Aḥmad ibn Muḥammad Qudūrī 2010

The Mukhtasar Al-Quduri is one of the most celebrated and influential treatises in any Muslim school of methodology and thought and is the foundation for the Hanafi school. It is both

the first source for scholars and a manual for the general reader.

What is the Sharia? - Baudouin Dupret

2018-05-01

In the West, "sharia" often calls to mind antiquated laws founded upon gender discrimination and barbaric punishments. In the East, for some it means the ideal standards by which Muslims strive to live; for others, it is the greatest obstacle to modernization of their societies. These clashing views sometimes lead to violence. Clarification of the term has therefore become an urgent necessity. Sharia is all of these things and much more. It is the legal system of Islam, a series of guidelines and prohibitions. But it is also a concept invested with a whole range of meanings, from the virtuous attributes of an "ideal" society, to the confinement of particular elements to otherness and adversity. Moving through history, society and Islamic thought to explore the sources of sharia law, Baudouin Dupret gets to the heart of

its uses and abuses in the twentieth and twenty-first centuries. This short, accessible book provides an invaluable guide for those seeking to understand a matter more complex and pressing today than ever before.

The Islamic Personality Volume 2 (Ashakhsiya Al Islamiya) - Taqiuddin an Nabahani 2003-06-11

The Islamic Personality Vol 2 (Ash-Shakhsiyya Al Islamiya) is the second part of the 3 volume masterpiece written by Shaykh Taqiuddin An-Nabhani. The Second Volume is about developing the correct understanding about Fiqh and how to derive Fiqh rules from the Sources of Shariah. All the things you will learn with this book cannot be explained in a short description. You will gain 355 pages of deep knowledge & understanding about what constitutes the Islamic Personality & how to develop and nurture it. This book is a must read for all those sincere thinkers, scholars and dai's who are working tirelessly to understand the true nature of revival and restore the status of the Islamic

Ummah as the leading nation in the world.

Book Procurement Center, Karachi 1979

*LexIslamica Series - Book 1 - Islamic Law for the
New Millennium* - Imran Ahsan Khan Nyazee

Outlines of Islamic Jurisprudence - Imran Ahsan
Khan Nyazee 2016-12-16

Outlines of Islamic jurisprudence covers a number of topics of usul al-fiqh, sometimes in abridged form, that have been covered in the title on the subject of Islamic Jurisprudence by the same author. The significance of this book can only be understood through a comparison with that book. Islamic jurisprudence focuses on the discipline of usul al-fiqh and deals with it in an exhaustive way. It, thus, covers the different aspects of interpretation and theories of Islamic law. The present book includes some of the topics covered in that book. The bulk of Outlines of Islamic Jurisprudence, however, summarizes

the entire law of Islam presenting it in a concise yet effective way. Property, contracts, evidence, procedure, constitutional matters and issues of Muslim personal law (family law) are dealt with efficiently. The last part of the book also includes information on the schools of law and their history. Due to the treatment of the entire Islamic law in a comprehensive way, the book is like a short encyclopedia. The book was first published in 1998 and is now in its sixth edition. It is very popular among law students, lawyers and even the general readers. Minor improvements to the book have been made over the years and it is constantly updated. Parts of the book dealing with property and contracts are taught independently as a one semester course on contracts, in particular for Islamic banking. The section on the history of the schools serves as a brief introduction to the law of Islam.

Islamic International Law - Khaled Ramadan
Bashir 2018-10-26

Through the analysis of Al-Shaybani's most

prolific work *As-Siyar Al Kabier*, this book offers a unique insight into the classic Islamic perspective on international law. Despite being recognised as one of the earliest contributors to the field of international law, there has been little written, in English, on Al-Shaybani's work; this book will go some way towards filling the lacuna. *International Islamic Law* examines Al-Shaybani's work alongside that of other leading scholars such as: Augustine, Gratian, Aquinas, Vitoria and Grotius, proving a full picture of early thinking on international law. Individual chapters provide discussion on Al-Shaybani's writing in relation to war, peace, the consequences of war and diplomatic missions. Khaled Ramadan Bashir uses contemporary international law vocabulary to enable the reader to consider Al-Shaybani's writing in a modern context. This book will be a useful and unique resource for scholars in the field of Islamic International Law, bringing together and translating a number of historical sources to

form one accessible and coherent text. Scholars researching the historical and jurisprudential origins of public international law topics, such as: international humanitarian law, 'just war', international dispute resolution, asylum and diplomacy will also find the book to be an interesting and valuable text.

Fiqh of Social Media - Omar Usman
2020-12-22

Social media and digital technologies have changed our lives and there is no indication that things will slow down. As Muslims, we believe that Islam contains the most perfect guidance for all of mankind to follow. How do we implement that timeless advice in our unprecedented times? That is the focus of the *Fiqh of Social Media*. "I am grateful and appreciative of my friend, Omar Usman, for exhausting available resources; Islamic, psychological, secular, and business, to develop the work you see before you. We have had long discussions pertaining to many of the topics

covered in this book. I am confident that you will find this book to be beneficial, and I pray that it inspires more contributions on this topic." - Shaykh AbdulNasir Jangda, Qalam Institute "With the time we spend on social media, being mindful of how we use it is crucial. This is a wonderful resource based in prophetic guidance on how to practically use social media in wise and beneficial ways." -Dr. Omar Suleiman, Yaqeen Institute "Reading Fiqh of Social Media is like sitting with your best friend from Sunday school and having an intellectual & spiritual conversation about the impact of social media on your life. Omar distills years of research, experience, and thought leadership in an easily digestible book that you can enjoy with a good cup of coffee (and your phone off!)" -Mohammed Faris, The Productive Muslim Company "Having followed Omar Usman's extensive work on the #FiqhOfSocialMedia and attended the seminar by him in person, I'm thrilled to hear about this being released in book form. Behavioral experts

often demarcate an addiction by its rendering of a person dysfunctional; it sabotages his/her career, relationships, health, or any other fundamental facet of one's life. Therefore, considering what the digital age is undeniably crippling in our lives, I cannot overstate the importance of availing oneself this sobering critique of social media's true costs, its pragmatic course for rehabilitation, and its showcasing of the renewed relevance of Islam's timeless principles for self-care in the most comprehensive sense of the word." -Shaykh Mohammad Elshinawy, Mishkah University "The Prophet (s) said, "Whoever believes in Allah and the Last Day should say something good or keep silent." The ability to control our tongues, how we communicate with others, is an expression of our faith. Communication has evolved and changed so much that one of the primary ways many of us communicate with others is through social media; hashtags and 280 characters. This is a long-awaited work from my good friend and

Hajj companion Omar Usman who has been writing, tweeting, speaking, and teaching about the Fiqh of Social Media for years. This is a valuable work providing guidance on how to use and benefit from social media in a way that conforms to our principles and values." -Shaykh Furhan Zubairi, Institute of Knowledge "Ulama of the past have written on the adaab of speech and social interaction. Connecting those guidelines with the modern world of social media has been the need of our time. May Allah reward Omar for taking this task on!" -Mufti Hussain Kamani, Qalam Institute "This is a must-read for Muslims around the globe. I can't thank Omar enough for this work which forces Muslims to look in the mirror and answer tough questions about how social media has impacted our lives. It questions why we desire to share the most intimate aspects of our lives with strangers from around the world and provides action items to implement. These discussions need to be had within the Muslim community. We have to

question how our quality of life has been impacted by the age of hyper-connectivity. Due to the fact that Social Media is the tool for creating social capital, we need to realize that speaking about the harms of constant connectivity takes a lot of courage. Thank you, Omar, for this work." -Shaykh Mikael Smith, Qalam Institute

The Muslim World Book Review - 2010

The Politics of Islamic Law - Iza R. Hussin
2016-03-31

In The Politics of Islamic Law, Iza Hussin compares India, Malaya, and Egypt during the British colonial period in order to trace the making and transformation of the contemporary category of 'Islamic law.' She demonstrates that not only is Islamic law not the shari'ah, its present institutional forms, substantive content, symbolic vocabulary, and relationship to state and society—in short, its politics—are built upon foundations laid during the colonial encounter.

Drawing on extensive archival work in English, Arabic, and Malay—from court records to colonial and local papers to private letters and visual material—Hussin offers a view of politics in the colonial period as an iterative series of negotiations between local and colonial powers in multiple locations. She shows how this resulted in a paradox, centralizing Islamic law at the same time that it limited its reach to family and ritual matters, and produced a transformation in the Muslim state, providing the frame within which Islam is articulated today, setting the agenda for ongoing legislation and policy, and defining the limits of change. Combining a genealogy of law with a political analysis of its institutional dynamics, this book offers an up-close look at the ways in which global transformations are realized at the local level.

The Oxford Handbook of Islamic Law - Anver M. Emon 2018-10-25

This volume provides a comprehensive survey of

the contemporary study of Islamic law and a critical analysis of its deficiencies. Written by outstanding senior and emerging scholars in their fields, it offers an innovative historiographical examination of the field of Islamic law and an ideal introduction to key personalities and concepts. While capturing the state of contemporary Islamic legal studies by chronicling how far the field has come, the Handbook also explains why certain debates recur and indicates fundamental gaps in our knowledge. Each chapter presents bold new avenues for research and will help readers appreciate the contested nature of key concepts and topics in Islamic law. This Handbook will be a major reference work for scholars and students of Islam and Islamic law for years to come.

Salat - Islam International Publications (Tilford, England) 1997

Islamic Studies - 1985

will examine the primary and secondary sources of Islamic Law, legal rulings, how they are derived and function, as well as a brief overview of the rules of interpretation. The main objective of this booklet is to introduce readers to the study of Uṣūl as well as create a deeper sense of appreciation for fiqh.

The Encompassing Epistle - Ahmed bin Zayn al-Habashi 2016-01-25

This slim volume presents a practical introduction to the essential beliefs, practices, and moral rectifications mentioned in the Sacred Law. The primary text is Ahmed ibn Zayn al-Habashi's Al-Risalah al-Jami ah which has been a popular introductory text during the last four centuries. The text is read by students in the Middle East, Southeast Asia and, recently, North America and Europe. This edition includes the Arabic text, its translation, and notes drawn from the translator's other works. Readers of this text will learn the essential creed, acts of worship, and moral behavior that are considered

personal obligations for all Muslims. They will also learn why these particular things are important. The notes are designed to equip students for personal practice and to prepare them for more advanced studies.

Fiqh Al-Imām - Abdur-Rahman Ibn Yusuf 2004
In recent decades many attacks have been launched against the concept of taqlid [following a school of Islamic law]. Opposition has ranged from being mild with degrees of acceptance to malicious attacks. Certain extreme elements have gone so far as to brand those who follow a madhhab [school] as mushrik [polytheist]. Much of the opposition has been a result of misunderstanding the realities of this concept. The first part of this book seeks to clarify certain aspects of taqlid that have been misunderstood and gravely distorted. It sheds light on the necessity of taqlid, its history, and its role in today's world. The second part includes several chapters devoted to issues regarding salat [ritual prayer] according to the

Hanafi school of law. Through illustrative examples and detailed discussions, the chapters on prayer sufficiently demonstrate the sophisticated legal philosophy employed by the Hanafi school (indeed all the madhhabs) in their derivation of legal rulings from the source texts of Islam. All rulings have been supported with evidentiary proofs from the Quran and Hadith. The author delivers an even-handed presentation of arguments throughout the book. He intends

neither to offend nor to perpetuate polemic disputes, but rather to state the facts in a lucid and rational style, with a view to appeal to the reader's sense of reason.

It's That Time Again - Tuscany Bernier

2015-07-21

A kind, comprehensive Hanafi guide to fiqh (Islamic Law) regarding menstruation and other related women's issues from a female student of knowledge.
