Ralph Flies the Coop - Jaimie Scanlon 2016-09-06

A timely story by witty wordsmith Jaimie Scanlon, complete with richly detailed, whimsical illustrations by Ellen Tumavicus; Ralph Rooster takes children on a round-the-world journey, capturing the power of travel and language learning to connect us with others and teach us about ourselves. It's life as usual on the

farm until the pivotal moment when Ralph Rooster overhears the other animals complaining about his early morning racket and lazy habits. With feathers ruffled and pride tarnished, Ralph decides to leave the only home he has ever known. Flying the coop by the light of dawn, he embarks on a horizon-expanding global adventure. With plucky travel companion Goose by his side, Ralph visits colorful, far-flung destinations, making friends and learning to say "Cock a doodle doo!" in the local language. In each new location, he embraces the opportunity to engage in enriching cultural experiences samba dancing in Rio, visiting the Great Pyramid on camelback, learning tai chi in Beijing which begin to transform his character both inside and out. Ralph returns to the farm a humbler, wiser global citizen with a new appreciation for home and community, and a desire to share all the wonders the world has in store. Ralph's journey reminds us all that great things can happen when we put aside fear and embrace what is new and different."

*Teaching the Core Skills of Listening and Speaking* - Erik Palmer 2014-03-01

With the Common Core State Standards emphasizing listening and speaking across the curriculum, these long-neglected language arts are regaining a place in schools. For teachers, this means reexamining practices and rethinking expectations. How much do we know about teaching listening and speaking as the complex communication skills they are? How do we teach students to discuss appropriately, integrate and understand the mountains of information they receive, and express themselves clearly and effectively? In this lively and practical book, 20-year teaching veteran Erik Palmer presents an approach aligned to the six Common Core anchor standards for speaking and listening but focused on preparing students for 21st century communication inside and beyond the classroom.

Here, you'll get concrete guidance for teaching and assessing \* Collaborative discussion \* Listening and media literacy \* Questioning and reasoning \* Speech presentation \* Effective multimedia use \* Adapting speech to different content and tasks With due respect to reading and writing, we do most of our communicating—in the classroom and in life—through listening and speaking. Filled with examples and specific activities targeted to variety of subjects and grade levels, this book is an essential resource for all teachers interested in helping students acquire core skills that cross the content areas and support long-term success.

Interactions One - Michael Berman 2002-11-01  
The three books in the Interactions Integrated Skills Program provide an in-depth coverage of

the four major language skills: reading, writing, listening, and speaking. In addition, a strong grammar component acts as a foundation for students to rely on while mastering their new skills. The content and themes found in the new Integrated Skills Editions are based on materials from the highly successful Interactions series. Like its parent series, the Integrated Skills Program places a great emphasis on the development of skills and strategies in all language areas. All of the reading selections found in the Interactions Integrated Skills Editions, are fresh and new, with a wide variety of formats and themes. Each selection is accompanied by a host of reading strategies and skill-building practice activities including guessing meaning from context, reading for main ideas and details, skimming, scanning, and so on. The writing component features a step-by-step approach to process writing and rewriting in a variety of different genres. Grammar is always presented in the context of the chapter theme, and each grammar topic is accompanied by a number of communicative practice activities. Finally, the listening/speaking section features detailed practice with specific listening strategies and includes a variety of engaging speaking activities based on the chapter theme. The Interactions Integrated Skills Program also features an exciting video component, with practice activities featured in the opening sections of each chapter.

### **Skills in English** - Terry Phillips 2005

Skills in English Reading Level 1 Teacher's Book  
The Garnet Education Skills in English series was highly commended in the Duke of Edinburgh English Speaking Union English Language Book Award in 2004. Do you have to read texts in English as part of your studies? Then you need Skills in English Reading. This course builds the skills that help you do reading research in English. At Level 2, you learn how to: skim for the main idea; skim for the topic of paragraphs; read for an established purpose; understand non-text markers; distinguish fact from opinion; make inferences - 'read between the lines'; recognise the author's point of view; apply ideas to real-world situations; transfer information, e.g., text to outline; and react to a text. As well as preparing students for entry into English-medium study, the Skills in English

Course is ideal for students who wish to improve their scores in skills-based examinations for university entry requirements, such as the International English Language Testing System (IELTS). Rather than focusing on exam preparation, Skills in English teaches the necessary skills as part of a systematic programme of language development. Skills in English courses are also available in Listening, Speaking and Writing. See the Skills in English website at [skillsinenglish.com](http://skillsinenglish.com) for additional materials and help. Key Features Reading texts a maximum of 500 words Listening texts a maximum of 800 words Speaking tasks up to five paragraphs, with writing assignments between five and ten well-structured paragraphs Test booklets containing theme tests, a revision test after five units, plus an end-of-course test Teacher's Book containing full answer keys, methodology notes and transcript of listening material Accompanying Teacher's Book, Student Test Pack and Teacher Test Booklet also available.

### *Designing Listening Tests* - Rita Green

2017-02-20

This book examines the crucial role that sound file selection plays in assessing listening ability and introduces the reader to the procedure of textmapping, which explores how to exploit a sound file. The book discusses the role of the task identifier, the task instructions and the example, and analyses the strengths and weaknesses of different test methods. Guidelines for developing listening items, and procedures that can be used in peer review and task revision are also provided. A range of sample listening tasks illustrates the benefits of following the test development approach described in the book. Developing Listening Tests also provides insights into the advantages that field trials, statistical analyses and standard setting can offer the language test developer in determining how well their tasks work. This practical book will be of interest to researchers, language testers, testing commissions, and teachers engaged in assessing listening performance around the world.

**Common European Framework of Reference for Languages: Learning, Teaching, assessment** - Council of Europe 2020-05-05

The CEFR Companion volume broadens the scope of language education. It reflects academic and societal developments since the publication of the Common European Framework of Reference for Languages (CEFR) and updates the 2001 version. It owes much to the contributions of members of the language

teaching profession across Europe and beyond. This volume contains: ► an explanation of the key aspects of the CEFR for teaching and learning; ► a complete set of updated CEFR descriptors that replaces the 2001 set with: - modality-inclusive and gender-neutral descriptors; - added detail on listening and reading; - a new Pre-A1 level, plus enriched description at A1 and C levels; - a replacement scale for phonological competence; - new scales for mediation, online interaction and plurilingual/pluricultural competence; - new scales for sign language competence; ► a short report on the four-year development, validation and consultation processes. The CEFR Companion volume represents another step in a process of engagement with language education that has been pursued by the Council of Europe since 1971 and which seeks to: ► promote and support the learning and teaching of modern languages; ► enhance intercultural dialogue, and thus mutual understanding, social cohesion and democracy; ► protect linguistic and cultural diversity in Europe; and ► promote the right to quality education for all.
