Indian Army List January 1919
- Volume 3 - Army
Headquarters, India
2012-02-06

Volume 3 of 4. The January and July issues of the Indian Army List contain not only the distribution of officers on the active list of the Army in India, including officers of British

army regiments, battalions etc stationed in India, but are supplemented by the addition of Orders of Knighthood, Honours and Awards, including Foreign Orders, by the non-effective officer list and the War Services of officers of the Indian Army. Details of each officer include dates of birth (except for wartime commissioned officers), date of first commission, of appointment to the Indian Army and dates of promotion. Officers are grouped according

Downloaded from
clcnetwork.org *on by*
guest

to their rank and by seniority within that rank, and are again shown under their regiments/battalions. In the case of British units, their date of arrival in India is shown, and with Indian units their date of formation and changes in title since, plus details of the backgrounds of men recruited, e.g. Sikhs, Punjabis, Dogras, Rajputs, etc. This army list also includes all native Viceroy Commissioned Officers - Subadar Majors, Subadars and Jemadars - and their war services, Major HQs and their staffs, divisional and brigade commanders and their staffs, schools, colleges, Administrative Departments of the Army are all shown. Non-regular Indian Defence Force units such as 22nd Bengal and North-Western railway Battalion, and the Indian Army Reserve of Officers are all there, along with British Warrant Officers serving in departments of the Indian Army. In 1914 there were 116 Indian and 10 Gurkha Regiments, all with one battalion apart from the

cavalry, 32 Indian and one Gurkha regiment had been formed and the majority of the original regiments had raised second and sometimes third battalions. This splendid four-volume work reflects the tremendous contribution made by the Indian Army to the Empire's war effort. A full index is included.

Backpacker - 2004-03

Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, *Backpacker* is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. *Backpacker's* Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.

That Time I got Reincarnated as a Slime - FUSE 2018

DISASTER STRIKES After laying waste to the orcish forces that threatened the Forest of Jura, Rimuru's group now faces Gelmud and the dreaded orc lord. And with some encouragement from Gelmud, the orc lord evolves into his ultimate form: The Orc Disaster! Could this new and fearsome foe outmatch Rimuru's razor-sharp wits and unimaginable power? Or will The Orc Disaster dine upon slime with a side of kijin in the climax of the forest war arc?

The Precipice - Toby Ord 2020-03-24

This urgent and eye-opening book makes the case that protecting humanity's future is the central challenge of our time. If all goes well, human history is just beginning. Our species could survive for billions of years - enough time

Downloaded from
clcnetwork.org on by
guest

to end disease, poverty, and injustice, and to flourish in ways unimaginable today. But this vast future is at risk. With the advent of nuclear weapons, humanity entered a new age, where we face existential catastrophes - those from which we could never come back. Since then, these dangers have only multiplied, from climate change to engineered pathogens and artificial intelligence. If we do not act fast to reach a place of safety, it will soon be too late. Drawing on over a decade of research, *The Precipice* explores the cutting-edge science behind the risks we face. It puts them in the context of the greater story of humanity: showing how ending these risks is among the most pressing moral issues of our time. And it points the way forward, to the actions and strategies that can safeguard humanity. An Oxford philosopher committed to putting ideas into action, Toby Ord has advised the US National Intelligence Council, the UK Prime Minister's Office,

and the World Bank on the biggest questions facing humanity. In *The Precipice*, he offers a startling reassessment of human history, the future we are failing to protect, and the steps we must take to ensure that our generation is not the last. "A book that seems made for the present moment."

—New Yorker

Ultimate Slime - Alyssa Jagan
2017-11-07

Who knows what makes playing with slime so tactually satisfying. Whatever the reason, *Ultimate Slime* is here with over 100 borax-free recipes invented by the *CraftySlimeCreator*, Alyssa Jagan. Written by Alyssa Jagan, popular Instagram slimer of @CraftySlimeCreator fame, *Ultimate Slime* makes creating gorgeous, satisfying slime easy! You'll see how to do everything you need to create a world of slime in a rainbow of colors and incredible textures. Your slimy journey will start with some basic recipes, including kid-safe slime, then you will learn to make fluffy slime, clear slime, slushy

Smartphone - Stefania
Garassini 2019-03-06

Lo smartphone è ormai un regalo quasi scontato alla prima Comunione. Pochi però si chiedono se sia una buona idea mettere nelle mani di un bambino di 9 o 10 anni uno strumento così potente. Eppure, scegliere l'età giusta per dare a un ragazzo un cellulare è una decisione importante, perché spalanca le porte di un nuovo mondo, ricco e complesso, destinato a occupare una parte significativa della vita di chi lo utilizza. Con questa guida breve ma documentata l'autrice invita ogni genitore, insegnante, educatore a valutare attentamente i motivi per cui varrebbe la pena aspettare a regalare uno smartphone più a lungo di quel che il mercato, la moda e «gli

altri» tendono a farci credere. Non si tratta di demonizzare uno strumento dalle straordinarie potenzialità, ma semplicemente di usarlo al meglio. I nostri figli, e anche noi.

per ragioni personali e professionali. Rocket incappa in problemi legali ed è costretto a fare molte ore di volontariato sociale, Dr. Feelgood dopo una lunga terapia per guarire dalla ipersessualità si dedica all'azienda di famiglia, Gun intreccia una relazione stabile con una ex escort e Slime come al solito sparisce. Dopo qualche tempo, Gun e Rocket si incontrano casualmente nel nuovo centro massaggi cinese denominato Mr. Massaggio Wang. Qui Nasty Boy, uomo di origini filippine nonché gestore del centro, li introduce nella parte segreta e riservata a clienti speciali, avviandoli verso particolari esperienze. I due amici, ognuno alle prese con i propri problemi, faranno la conoscenza di personaggi bizzarri e borderline, ritrovandosi faccia a faccia con il loro passato e riuscendo proprio tramite quelle particolari esperienze, a riprendere in mano le loro vite dal punto in cui si erano precedentemente inceppate. Nick Ragazzoni si conferma

abilissimo nel saper tratteggiare, con un mix di irriverenza e ironia, una generazione e le sue fragilità.
The Mechanical World - 1915

The Death and Life of Great American Cities - Jane Jacobs
2016-07-20

Thirty years after its publication, *The Death and Life of Great American Cities* was described by *The New York Times* as "perhaps the most influential single work in the history of town planning....[It] can also be seen in a much larger context. It is first of all a work of literature; the descriptions of street life as a kind of ballet and the biting satiric account of traditional planning theory can still be read for pleasure even by those who long ago absorbed and appropriated the book's arguments." Jane Jacobs, an editor and writer on architecture in New York City in the early sixties, argued that urban diversity and vitality were being destroyed by powerful architects and city planners. Rigorous, sane, and

Downloaded from
clcnetwork.org on by
guest

delightfully epigrammatic, Jacobs's small masterpiece is a blueprint for the humanistic management of cities. It is sensible, knowledgeable, readable, indispensable. The author has written a new foreword for this Modern Library edition.
