Compassionate Christ, Compassionate People - Bob Hurd 2019-02-11

2020 Association of Catholic Publishers first place award, resources for liturgy 2020 Catholic Press Association first place award, liturgy soft cover Spirituality is a motion, a responsive movement of heart, mind, and spirit to the life of God moving within us. Starting from his Roman Catholic roots but working ecumenically, Bob Hurd explores this notion of spirituality in two parts. Part 1 places it in the theological framework of Creation-Grace-Incarnation, concluding that its specific form is participation in Christ's self-emptying love of God, humankind, and creation. Part 2 investigates this kenotic spirituality liturgically, exploring

how it comes to expression in the ritual stages of Gathering, Word, Eucharistic Prayer, Communion, and Sending. Comparing and contrasting each stage with corresponding patterns in various Protestant traditions, Hurd lays out the possibility of a spirituality common to Christians of various confessions.

Old Evidence and Core International Crimes

- Morten Bergsmo 2012-11-19

It is often only years after the commission of core international crimes that prosecutions and investigations take place. This anthology addresses challenges associated with such delayed justice: the location, treatment, and assessment of old evidence. Part I considers the topic from the perspective of different actors involved in the prosecution of core international crimes at the domestic and international levels. Part II comprises chapters focusing on the efforts of the Bangladeshi authorities to investigate and prosecute international crimes perpetrated during the 1971 war. This book brings together experienced judges, prosecutors, lawyers, scientists, and commentators who have dealt with questions of old evidence in their work. Among the contributors are Shafique Ahmed, Andrew Cayley, David Cohen, Seena Fazel, Siri S. Frigaard, M. Amir-Ul Islam, Md. Shahinur Islam, Agnieszka Klonowiecka-Milart, Alphons M.M. Orie, Stephen J. Rapp, Patrick J. Treanor, Otto Triffterer and Martin Witteveen. The chapters describe the challenges encountered in practice and suggest concrete solutions that can be tailored to fit the circumstances of the case or country. By providing a comprehensive analysis of the relevant problems in this area and a variety of views, this anthology will serve as an invaluable resource for criminal justice actors and researchers seeking to address questions of old evidence.

The Chorale Book for England - Catherine Winkworth 2017-04-10

The Chorale Book for England is a profoundly rich, valuable book, both the words and the music. This is a collection of 200 German hymns translated into English by Catherine Winkworth, with German hymn tunes edited by William Sterndale Bennett and Otto Goldschmidt. Winkworth published the first volume of *Lyra Germanica* in 1855 (London: Longman, Brown, Green, and Longmans, 1855), and the "Second Series" in 1858. These were her translations of German hymns into English, a treasure of true worship. The *Lyra Germanica* Series I had 103 hymns, arranged around the church calendar; Series II had 121 hymns, arranged according to subjects. The Chorale Book for England was a set of German hymns translated by C.W. in her *Lyra Germanica* (and also other hymns not in the *Lyra Germanica*), with music scores-chiefly from German hymnbooks-edited by William Sterndale Bennett and Otto Goldschmidt. Here is true worship, glorifying God and edifying and enriching His people.

Christian Worship Worldwide - Charles E. Farhadian 2008

As Christianity has boomed in the non-Western world, several significant questions have emerged regarding how worship and culture relate. Charles Farhadian here presents a timely investigation of the interaction between culture and worship. Leading scholars -- experts in history, mission, culture, and liturgy -- offer diverse essays addressing worship in the context of worldwide Christianity. At the heart of Christian Worship Worldwide are several case studies from Africa, Asia, Latin America, and the Pacific that explore the contours of particular nations, cultures, and liturgical actions. These essays show how Christian plurality is most vividly exemplified in the context of worship, where language, song, culture, and indigenous theology come together. Contributors: M. L.
