Conversational Spanish Quick and Easy - Yatir Nitzany 2019-01-07

Have you always wanted to learn how to speak Spanish but simply didn't have the time? Well if so, then, look no further. You can hold in your hands one of the most advanced and revolutionary method that was ever designed for quickly becoming conversational in a language. In creating this time-saving program, master linguist Yatir Nitzany spent years examining the twenty-seven most common languages in the world and distilling from them the three hundred and fifty words that are most likely to be used in real conversations. These three hundred and fifty words were chosen in such a way that they were structurally interrelated and, when combined, form sentences. Through various other discoveries about how real conversations work—discoveries that are detailed further in this book—Nitzany created the necessary tools for linking these words together in a specific way so that you may become rapidly and almost effortlessly conversant—now. If you want to learn complicated grammar rules, or to speak perfectly proper and precise Spanish, this book is not for you. However, if you need to actually hold a conversation while on a trip to a Spanish-speaking country, to impress that certain someone, or to be able to speak with your grandfather or grandmother as soon as possible, then the Nitzany Method is what you have been looking for. This method is designed for fluency in a foreign language, while communicating in the present tense. Nitzany believes that what's most important is actually being able to understand and be understood by another human being right away. This is one of the several, in a series of instructional language guides, the Nitzany Method's revolutionary approach is the only one in the world that uses its unique language technology to actually enable you to speak and understand native speakers in the shortest amount of time possible. No more depending on volumes of books of fundamental, beginner, intermediate, and advanced levels, all with hundreds of pages in order to learn a language. With Conversational Spanish Quick and Easy, all you need

are fifty-three pages. Learn Spanish today, not tomorrow, and get started now!

101 Conversations in Intermediate Spanish - Olly Richards 2020-12-10

*** New Intermediate Edition! *** Improve your spoken Spanish from home with 101 real-world conversations in intermediate Spanish. Real Spanish people don't speak like your textbook... so it's no wonder you feel unprepared when it's your turn to speak! This book fixes that. For the first time, you'll learn to move beyond beginner level and speak Spanish in the real world! With 101 authentic conversations in intermediate Spanish, you'll become confident in the words, phrases and expressions you need to communicate like a local. 101 Conversations in Intermediate Spanish transports you into a real-world story that unfolds between six Spanish characters, told by the people themselves. Over 15,000 words of real Spanish, you'll immerse yourself in a gripping Spanish drama and get an education in natural Spanish in the process. Here's what you'll get: 101 conversations in intermediate Spanish, so you can learn the real Spanish spoken in the street, understand spoken Spanish with ease, and have Spanish roll off your tongue more fluently Over 15,000 words of dialogue - an unparalleled resource that will immerse you in Spanish, at a level you can understand. You'll learn real spoken Spanish without getting lost or overwhelmed Real, daily spoken Spanish throughout - it's as if we held up a microphone and recorded the exact words coming out of people's mouths - so you can learn the expressions that real people use on the street (not in textbooks). You'll sound more authentic when you speak and make Spanish-speaking friends more easily.

Situational dialogues from typical daily circumstances, so you can prepare yourself to survive realistic Spanish encounters, in shops, cafés, and on the street, making meeting people second nature Conversations that are carefully written to be accessible for intermediate learners (B1-B2 on the CEFR), so you can learn from real, spoken conversations, without having to go through the rollercoaster of difficult conversations with strangers Each conversation is limited to around 15 lines of dialogue (150 words), so you can get that crucial sense of achievement and motivation when you finish each conversation, and say "I actually understood all of that!" Word lists with English definitions in every chapter, so you can get instant translations of any difficult words. This means you can focus on enjoying the story rather than wasting time in a dictionary. Summaries of each conversation which contextualise each dialogue, so you can easily follow the plot and enjoy the story without getting lost The story is set in Spain and includes expressions that are typical in Castilian Spanish. However, since the conversations use mostly "neutral" Spanish, you'll have plenty to learn, whether you're learning the Spanish of Mexico, Colombia, or Costa Rica. Created by Olly Richards, internationally-renowned language teacher and author, 101 Conversations in Intermediate Spanish gives you an experience in real Spanish that you won't find anywhere else. You'll be better prepared for using Spanish in the real world, speak with more confidence, and take a giant leap towards fluency in Spanish!

Open Dialogues for Spanish Conversation - Alan R. Davison 2014-12-17

Open Dialogues for Spanish conversation is designed for intermediate and advanced students of Spanish. The dialogues can be used in a traditional classroom or an online course. In a traditional classroom, the students, working in pairs, simply follow the thread of conversation, improvising responses to fill in the blank spaces. While they are working, the professor should circulate around the class, answering questions as they arise. Every ten minutes the students can be asked to suspend their conversations and report on their responses to the class as a whole. After doing so, they can return to their conversations for another ten minutes, and so on. Each dialogue is designed for a traditional fifty minute class block. In an online course, students can go through the dialogues via Skype or a discussion site monitored by the professor. For teachers who are looking for ways to add more conversation to an intermediate or advanced course, Open Dialogues for Spanish conversation is an invaluable tool.

Learn Spanish for Intermediate Level the Fast Way - Michael Navarro 2019-12-31

Learn Spanish For Intermediate Level The Fast Way is the tool you need to learn the language of your dreams: Spanish. If you think Spanish has to be difficult or frustrating, then you surely haven't given a chance to this amazing book. Learn Spanish For Intermediate Level The Fast Way was designed and produced carefully to cover topics you need to interact with Spanish speakers and to make yourself understandable. It was specially made with intermediate-level learners in mind so that they can expand on the vocabulary they have previously acquired. You'll find inside Learn Spanish For Intermediate Level The Fast Way: Chapters and lessons dedicated to one concrete subject. Rather than wasting time trying to go through many lessons, one chapter covers one lesson and unites all previous knowledge into a coherent topic. This ensures the reader learns new things while at the same time this keeps him focused on the main lesson. Vocabulary: it might seem to be that vocabulary is the most dreaded part of any language book, but the vocabulary that you'll see in Learn Spanish For Intermediate Level The Fast Way is there because of the conversations you'll see at the end of each lesson. This means that you'll always see the vocabulary in action. Conversations by native speakers. Each lesson has a conversation or short story that was approved by a native speaker. This means that you'll see the vocabulary and expression the same way Spanish speakers themselves use it on a daily basis. These conversations also contain modern and useful vocabulary suited for every occasion. You'll see this and much, much more inside this wonderful book. Do not let the fear of learning a new language holds you back from taking the first step toward the life-changing experience that is learning a foreign language. So now you know that Learn Spanish For Intermediate Level The Fast Way is here to help you learn Spanish as you want it: fast and understandable. No matter if you're planning on using the vocabulary for small talk or business conversations, you can only get the best learning experience with Learn Spanish For Intermediate Level The Fast Way. Spanish Reader for Beginners 2- Spanish Short Stories - Iris Acevedo A. 2019-06-14

Spanish Reader for Beginners II, the second book of the series Spanish Reader for Beginners, Intermediate, and Advanced Students, intended for Spanish language learners who desire to review Spanish Grammar structures that often require extensive work, such as regular and irregular verbs in The Past and Past Imperfect Tenses. CostaRica SpanishOnline provides Spanish language learning materials. In this occasion, we offer you a collection of short stories created by Iris Acevedo A., written in Spanish from Latin America, mainly Central America, with the purpose of providing Spanish Language learners a source of Spanish vocabulary and Spanish grammar included in short stories. Each story, written in the format of short paragraphs, translated from Spanish to English, allows for instant vocabulary translation, thus presenting the reader a vast range of new vocabulary that is easy to learn. One thing to keep in mind, though, as you begin to read is that Spanish is "wordy". What in English can be said in two words, we may end up saying in a whole sentence. For the purpose of teaching you the way we speak, I have used a very literal form of translation to provide you with the exact meaning of each thought, although perhaps it won't make sense to you to say it in such a way. Each volume, from Beginner I to Advanced III, provides short stories that keep you guessing until you reach the end: an unusual twist. We guarantee that you will find a unique blend of culture in Latin America, modern and traditional lifestyles, transitional phrases, grammar structures adequate for each particular level as well as entertainment and increasing practice of grammatical structures required in order to achieve full understanding and fluency in Spanish. In addition to our Spanish Readers, you may find a collection of Spanish dialogues in our series: Spanish Conversation Book for Beginners, Intermediate, and Advanced Students, available in two formats: e.book and paperback. For students who are just beginning to encounter the Spanish language, we offer an elementary Spanish book: Spanish Reader for Beginners-Elementary. Iris Acevedo A. Founder CostaRicaSpanishOnline
