The Unifying Force: Star Wars Legends -

James Luceno 2011-06-28

At long last, the New York Times bestselling series that launched the Star Wars saga into the next generation and into thrilling new territory reaches its spectacular finale. Side by side, Luke Skywalker, Han Solo, Leia Organa Solo, their children, and their comrades in the Galactic Alliance rally for their last stand against the enemy that threatens not only the galaxy, but the Force itself. The Galactic Alliance's hard-won success in countering the Yuuzhan Vong onslaught has proven all too brief—and the tide has turned once more to the invaders' advantage. Having overcome the sabotage strategies of the Jedi and their allies, the marauding aliens have pushed deeper into the galaxy and subjugated more worlds in their ruthless quest for domination. Coruscant has been remade into a Yuuzhan Vong stronghold. The remnants of the resistance are struggling to form a united front. Luke, Mara, and Jacen are missing in action. Clearly the stage is set for endgame. Now, as Han and Leia receive the chilling news that hundreds of high-ranking Galactic Alliance prisoners face slaughter in a sacrifice to the enemy's bloodthirsty gods, Luke and his team try desperately to convince the living world of Zonama Sekot to join the Jedi's final campaign against the Yuuzhan Vong. Yet even as they speak, a lone space station is all that stands between Alliance headquarters on Mon Calamari . . . and wave after wave of ferocious enemy forces waging their most decisive assault. At the same time, the Jedi's alliances throughout the galaxy are being tested—and the chances of victory jeopardized—by rogue factions determined to deploy the lethal weapon that will exterminate the Yuuzhan Vong . . . and perhaps countless other species. And among the Yuuzhan Vong themselves, the threat of revolt has reached a boiling point—as the oppressed underclass and powerful officials alike fear their Supreme Overlord's mad actions will provoke the wrath of the gods. Ultimately, for both the forces of invasion and resistance, too much has been sacrificed—and too much is at stake—to ever

turn back. And now, nothing can stand in the way of seizing victory . . . or facing annihilation. Betrayal: Star Wars Legends (Legacy of the Force) - Aaron Allston 2008-04-29

This is the era of Luke Skywalker's legacy: the Jedi Master has unified the order into a cohesive group of powerful Jedi Knights. But as the new era begins, planetary interests threaten to disrupt this time of relative peace, and Luke is plagued with visions of an approaching darkness. Evil is rising again--out of the best intentions--and it looks as if the legacy of the Skywalkers may come full circle. Honor and duty will collide with friendship and blood ties as the Skywalker and Solo clans find themselves on opposing sides of an explosive conflict with potentially devastating repercussions for both families, for the Jedi order, and for the entire galaxy. When a mission to uncover an illegal missile factory on the planet Adumar ends in a violent ambush--from which Jedi Knight Jacen Solo and his protégé and cousin, Ben Skywalker, narrowly escape with their lives--it's the most alarming evidence yet that sparks of political unrest are threatening to ignite into total rebellion. The governments of numerous worlds are chafing under the strict regulations of the Galactic Alliance, and diplomatic efforts to enforce compliance are failing. Fearing the worst, the Alliance readies a preemptive display of military might in a bid to bring the rogue worlds in line before an uprising erupts. The designated target of this exercise: planet Corellia--renowned for the brash independence and renegade spirit that have made its favorite son, Han Solo, a legend. Something of a rogue himself, Jacen is nevertheless duty bound as a Jedi to stand with his uncle, Jedi Master Luke Skywalker, on the side of the Galactic Alliance. But when the wary Corellians launch a counterstrike, the Alliance's show of force--and a secret mission to disable Corellia's crucial Centerpoint Station--give way to an armed skirmish. Once the smoke clears, the battle lines are drawn. Now the specter of full-scale war looms between a growing cadre of defiant planets and the Galactic Alliance that some fear is becoming a new Empire. And even as both sides struggle to find a diplomatic solution, mysterious acts of treachery and sabotage threaten peace efforts at every turn. Determined

to root out those behind the mayhem, Jacen follows a trail of cryptic clues to a dark rendezvous with the most shocking of revelations . . . while Luke grapples with something even more troubling: dream visions of a shadowy figure whose Force power and ruthlessness remind him of Darth Vader--a lethal enemy who strikes like a dark spirit on a mission of doom. An agent of evil who, if Luke's visions come to pass, will bring untold pain to the Jedi Master . . . and to the entire galaxy. Side by side, Luke Skywalker, Han Solo, Leia Organa Solo, their children, and their comrades in the Galactic Alliance rally for their last stand against the enemy that threatens not only the galaxy, but the Force itself. The Galactic Alliance's hard-won success in countering the Yuuzhan Vong onslaught has proven all too brief--and the tide has turned once more to the invaders' advantage. Having overcome the sabotage

strategies of the Jedi and their allies, the marauding aliens have pushed deeper into the galaxy and subjugated more worlds in their ruthless quest for domination. Coruscant has been remade into a Yuuzhan Vong stronghold. The remnants of the resistance are struggling to form a united front. Luke, Mara, and Jacen are missing in action. Clearly the stage is set for endgame. Now, as Han and Leia receive the chilling news that hundreds of high-ranking Galactic Alliance prisoners face slaughter in a sacrifice to the enemy's bloodthirsty gods, Luke and his team try desperately to convince the living world of Zonama Sekot to join the Jedi's final campaign against the Yuuzhan Vong. Yet even as they speak, a lone space station is all that stands between Alliance headquarters on Mon Calamari . . . and wave after wave of ferocious enemy forces waging their most decisive assault. At the same time, the Jedi's alliances throughout the galaxy are being tested—and the chances of victory jeopardized—by rogue factions determined to deploy the lethal weapon that will exterminate the Yuuzhan Vong . . . and perhaps countless other species. And among the Yuuzhan Vong themselves, the threat of revolt has reached a boiling point—as the oppressed underclass and powerful officials alike fear their Supreme Overlord's mad actions will provoke the wrath of the gods. Ultimately, for both the forces of invasion and resistance, too much has been sacrificed—and too much is at stake—to ever turn back. And now, nothing can stand in the way of seizing victory . . . or facing annihilation.

Invincible: Star Wars Legends (Legacy of the Force) - Troy Denning 2008-05-13

No war can last forever. Now, in the long and punishing battle between the defiant champions of the New Jedi Order and the juggernaut that is the Galactic Alliance, the endgame is finally at hand. With so much lost—and nothing less than the course of the future still at stake—there can be no turning back. No matter the consequences. The rebel cause is losing ground under the twin blows of Admiral Gilad Pellaeon's assassination and the death of Mara Jade Skywalker. At the same time, having gained the support of the Imperial Remnant and its ruthlessly efficient forces, the Galactic Alliance, with the extraordinary power and dark brilliance

of newly ascendant Sith Lord Darth Caedus at its helm, may be unstoppable. Tormented and torn between the call of duty and the thirst for vengeance, Luke has searched the Force and beheld an unspeakable vision of the galaxy enslaved under tyranny more monstrous than even Palpatine's. Now it seems that the last, best hope lies in mobilizing the scattered Jedi for one decisive search-and-destroy mission. The objective: eliminate Darth Caedus. It's a plan that will be as difficult and dangerous to execute as it is daring. For Caedus is a scion of both the Skywalker and Solo bloodlines whose command of the Force surpasses even that of his grandfather Darth Vader. There is only one who is bound by destiny to stand against him in what will surely be a duel to the death, only one with an outside chance of bringing down the dark lord who was once Jacen Solo. Failure is not an option. The furious final moments between power and peace are here, and whoever confronts Darth Caedus will decide the outcome—and the fate of those left standing.
