The Measure of the Magic - Terry Brooks 2012-07-31
NEW YORK TIMES

But the enchanted barriers have crumbled, and the threat of annihilation looms large once more. As he lay dying, Sider Ament, bearer of the last black staff and protector of the valley, gave stewardship of the powerful talisman to the young Tracker Panterra Qu. Now the newly anointed Knight of the Word must take up the battle against evil wherever it threatens: from without, where an army of bloodthirsty Trolls is massing for invasion; and from within, where the Elf king of Arborlon has been murdered, his daughter stands accused, and a heinous conspiracy is poised to subjugate the kingdom. But

even these affairs will pale beside the most harrowing menace Panterra is destined to confront—a nameless, merciless agent of darkness on a relentless mission: to claim the last black staff . . . and the life of whoever wields it.

[The Life I Left Behind](#) - Colette
McBeth 2015-02-24

Six years ago, Melody Pieterston was attacked and left for dead. Only a chance encounter with a dog walker saved her life. Melody's neighbor and close friend David Alden was found guilty of the crime and imprisoned, and the attack and David's betrayal of her friendship left Melody a different person. She no longer trusts her own judgment, she no longer trusts her friends. In fact, she no longer really has any friends. She's built a life behind walls and gates and security codes; she's cloistered herself away from the world almost entirely. And then, soon after David is released from prison, Eve Elliot is murdered in an attack almost identical to Melody's. With the start of a new police investigation, Melody is suddenly pulled from her ordered, secluded life and

back into the messy world around her. But as she learns more about Eve's murder, Melody starts to wonder if perhaps David hadn't betrayed her after all...if perhaps the killer is someone else entirely, someone who's still out there, preparing to strike again. Narrated alternately by Melody and by Eve's lingering ghost, *The Life I Left Behind* is a taut thriller and an intimate look at two young women bound together in ways neither of them could ever have predicted. Colette McBeth has proven once again that she is a master of suspense.
