When Washington Crossed the Delaware - Lynne Cheney 2012-01-03

It looked as though our struggle for independence might be doomed, when Washington made a bold decision. He would lead the main body of his army across the Delaware River and launch a surprise attack on enemy forces. Washington and his men were going against the odds. It seemed impossible that the ragtag Americans could succeed against the mightiest power in the world. But the men who started across the icy Delaware loved their country and their leader.
