*The Sunday School Teacher's Guide* - John Angell James 1821

The ultimate object of a Sunday School teacher should be in humble dependence upon divine grace, to impart that religious knowledge; to produce those religious impressions; and to form those religious habits, in the minds of the children, which shall be crowned with the SALVATION OF THEIR IMMORTAL SOULS. Or, in other words, to be instrumental in producing that conviction of sin; that repentance towards God; that faith in the Lord Jesus Christ; that habitual subjection in heart and life to the

authority of the scriptures, which constitute at once the form and power of GENUINE GODLINESS.
