[The Bodybuilding.com Guide to Your Best Body \(Enhanced eBook Edition\)](#) - Kris Gethin  
2010-12-28

MAKE YOUR DREAM BODY A REALITY FROM KRIS GETHIN, editor in chief of the world's leading online fitness site Bodybuilding.com,

comes a revolutionary 12-week diet and exercise program—supported by two million members and thousands of real-life success stories. Body by Design is a plan that promotes health from the inside out, starting by breaking down the mental blocks that are holding you back, then by

building up the muscles on your body, and finally by adding delicious, healthy food onto your plate. Rather than subtracting things from your life -- cutting out calories, losing weight, banishing your belly -- here's how to add more of the right things: more muscle, more support, and more success. Motivation is the key factor that drives permanent change, and with *Body by Design* you can finally learn how to activate your inner motivation and with the proper balance of weight training, make fit happen forever. In *Body by Design*, you'll learn how the optimal balance of weight training, cardiovascular exercise, and nutrition—along with the motivational tools to stick with that program for the long term—can help even people who have struggled with fitness for their entire lives to achieve spectacular, lasting results. Join the “Transformation Nation” and create your own story that will inspire others—with *Body by Design*. Based on the best practices found at [Bodybuilding.com](http://Bodybuilding.com) (the world's leading online

fitness site), *Body by Design* shows that amazing things can happen when people get the tools they need to achieve their fitness goals. Just ask people featured in the book, like: TIFFANY FORNI a self-professed “fat girl turned fitness nerd” who turned her newfound passion for health into a career as a personal trainer. ROCHELLE FORD, who came from a family of unhealthy eaters but eventually lost more than 100 pounds—and converted her family to her good habits in the process. CLAUDIO RAMOS, who has more energy than ever after his 135-pound weight loss—“It's like I've been reborn.” RICKY HOWELL, who achieved a stronger body and a newfound sense of confidence after his divorce. You could be a part of the Transformation Nation -- and you can start today, with *Body by Design*.

*The Entrepreneurs Book of Actions: Essential Daily Exercises and Habits for Becoming Wealthier, Smarter, and More Successful* - Rhett Power 2017-01-06

The action plan for building your entrepreneurial empire—one day at a time While every entrepreneur knows that the key to success is business growth, few ever see it happen. Why? Because they know how to plant seeds, but they don't understand that the real work lies in helping that seed grow—which takes knowledge, persistence, and patience. The Entrepreneurs Book of Actions helps you develop the mindset of a true entrepreneur and provides manageable steps for making your business vision a reality. Informative, inspiring, and based on real-life, hard-earned lessons, it provides common-sense, daily exercises you can jump into on day one. Learn how to drive sustainable business growth by: \* Breaking bad habits—and developing good ones \* Managing your time and money more effectively \* Hiring the right people for the right job \* Minimizing the effort required to perform basic tasks \* Motivating your staff to be mission-focused \* Creating “free” time to feed your innovative side You'll begin to see your business

in a completely new way—with a sense of clarity and purpose. You'll begin identifying the issues that really affect your business—not the ones that feed your anxiety. You'll become the kind of leader other entrepreneurs look up to—calm, optimistic, driven. The Entrepreneurs Book of Actions will provide the direction you need to make the best use of your time, your energy, and your creativity. It's not isn't a quick-fix. It's work. But it's manageable, it's proven effective—and it will pay off big.

*9 Habits to Become Successful* - Lamonte A. Bird  
2017-04-17

Have you ever wanted to know how people became so successful? What strategies they used? Or maybe even the system that caused their success? Of course you have. Each and every successful person has some type of "success habit." A success habit is a habit that has proven to be the recipe of your success. 9

Habits To Become Successful provides 9 Habits that will help you on the road to success and includes tips on how to develop as well as maintain your success habits in every chapter.

*The ONE Thing* - Gary Keller 2013-04-01

- More than 500 appearances on national bestseller lists
- #1 Wall Street Journal, New York Times, and USA Today
- Won 12 book awards
- Translated into 35 languages
- Voted Top 100 Business Book of All Time on Goodreads

People are using this simple, powerful concept to focus on what matters most in their personal and work lives. Companies are helping their employees be more productive with study groups, training, and coaching. Sales teams are boosting sales. Churches are conducting classes and recommending for their members. By focusing their energy on one thing at a time people are living more rewarding lives by building their careers, strengthening their finances, losing weight and getting in shape, deepening their faith, and nurturing stronger

marriages and personal relationships. YOU WANT LESS. You want fewer distractions and less on your plate. The daily barrage of e-mails, texts, tweets, messages, and meetings distract you and stress you out. The simultaneous demands of work and family are taking a toll. And what's the cost? Second-rate work, missed deadlines, smaller paychecks, fewer promotions--and lots of stress. AND YOU WANT MORE. You want more productivity from your work. More income for a better lifestyle. You want more satisfaction from life, and more time for yourself, your family, and your friends. NOW YOU CAN HAVE BOTH — LESS AND MORE. In *The ONE Thing*, you'll learn to \* cut through the clutter \* achieve better results in less time \* build momentum toward your goal\* dial down the stress \* overcome that overwhelmed feeling \* revive your energy \* stay on track \* master what matters to you *The ONE Thing* delivers extraordinary results in every area of your life--work, personal, family, and spiritual. WHAT'S

YOUR ONE THING?

Don't Gobble the Marshmallow Ever! - Joachim de Posada 2007-11-06

Maintain the Marshmallow Principle-with this follow-up to the international bestseller!

Everyone's favorite stumbling striver returns in another simple and telling parable from acclaimed motivational expert Joachim de Posada. Arthur has been practicing the principles of success, but after he accepts a lucrative new job, he finds himself reverting to his old gobbling habits. Perfect for anyone in transition, this book explains how to apply the principles of success to changing circumstances. In our go-go culture, "wait" has become the most offensive of four-letter words, but patience is not the same as self-sacrifice, and holding out for something you really want is far more satisfying than settling for whatever is available. Don't Gobble the Marshmallow...Ever! teaches the importance of lifelong non-nibbling-and promises sweet rewards.

**The 48 Laws of Power** - Robert Greene

2000-09-01

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control - from the author of The Laws of Human Nature. In the book that People magazine proclaimed "beguiling" and "fascinating," Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence ("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 28: Enter Action with Boldness"), and many recommend absolute self-preservation ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing in common: an interest in total domination.

5/21

Downloaded from [clcnetwork.org](http://clcnetwork.org) on by guest

In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

**Habits for Success** - G. Brian Benson

2018-11-15

Transform your habits and find success with this practical and motivational guidebook to manifesting a life of balance, purpose and fulfillment. In *Habits for Success*, the motivational speaker and popular success coach G. Brian Benson shares his unique perspective on growth, self-awareness and success. Through stories of his own growth process, Benson demonstrates how he transformed personal authenticity and vulnerability into habits that led to a more fulfilling and purposeful life. His stories can help guide you to your own versions of success and happiness. *Habits for Success* combines an entertaining journey with heartfelt wisdom, informative ideas, and 46 habits to manifest successful change. It will teach you

how to: Have healthier and happier relationships with loved ones and friends Be proactive rather than reactive through greater self-awareness Find personal success in life and business Build a foundation for life-long success and fulfillment Strengthen intuitive skills Find and cultivate daily inspiration Maintain life balance for increased creativity and productivity Identify the triggers that throw you out of balance—and what you can do to counter them

**Popular Science** - 1990-11

*The TB12 Method* - Tom Brady 2020-07-28

The #1 New York Times bestseller by the 6-time Super Bowl champion The first book by Tampa Bay Buccaneers and former New England

Patriots quarterback Tom Brady—the 6-time Super Bowl champion who is still reaching unimaginable heights of excellence at 42 years old—a gorgeously illustrated and deeply practical “athlete’s bible” that reveals Brady’s revolutionary approach to sustained peak performance for athletes of all kinds and all ages. In this new edition of *The TB12 Method*, Tom Brady further explains and details the revolutionary training, conditioning, and wellness system that has kept him atop the NFL at an age when most players are deep into retirement. Brady—along with the expert Body Coaches at TB12, the performance lifestyle brand he cofounded in 2013 with Alex Guerrero—explain the principles and philosophies of pliability, a paradigm-shifting fitness concept that focuses on a more natural, healthier way of exercising, training, and living. Filled with lessons from Brady’s own training regimen, *The TB12 Method* provides step-by-step guidance on how develop and maintain

one’s own peak performance while dramatically decreasing injury risks. This illustrated, highly visual manual also offers more effective approaches to functional strength & conditioning, proper hydration, supplementation, cognitive fitness, restorative sleep, and nutritious, easy-to-execute recipes to help readers fuel-up and recover. Brady steadfastly believes that the TB12 approach has kept him competitive while extending his career, and that it can make any athlete, male or female, in any sport and at any level achieve his or her own peak performance and do what they love, better and for longer. With instructions, drills, photos, in-depth case studies that Brady himself has used, along with personal anecdotes and experiences from his legendary career, *The TB12 Method* gives you a better way to train and get results with Tom Brady himself as living proof.

**Don't Eat The Marshmallow Yet!** - Joachim de Posada 2005-09-06

Learn how to achieve success—and eat your marshmallows, too—with this motivational, life-changing book. What explains the difference between success and failure? And what does it mean to you and your children? The answer lies in a landmark Stanford University study. Children were left in a room, each with a marshmallow, and given the choice of eating it then or fifteen minutes later, when they were promised an extra marshmallow as a reward for waiting. Some ate theirs right away. Others waited. But the study's real significance came a decade later when the researchers discovered that the children who held out for the reward

had become more successful adults than the children who gobbled their marshmallows immediately. The lesson wasn't lost on Joachim de Posada, a world-renowned motivational speaker to thousands of corporate executives and professional athletes. The “marshmallow theory” answered a thirty-year quest to find a compelling explanation for why some people succeed and others fail. Posada was convinced that the key difference between success and failure is not merely hard work or superior intelligence but the ability to delay gratification. “Marshmallow resisters” achieve high levels of success while the rest of us eat all our marshmallows at once, so to speak—accumulating debt and dissatisfaction no matter what our occupations or incomes. But it doesn't have to be that way. Using a simple parable and real-life examples (including basketball great Larry Bird and major league baseball catcher Jorge Posada, Joachim's cousin), this book shows you how the moves you

make today can pay off big tomorrow—if you just don't eat the marshmallow...yet!

*The 8th Habit* - Stephen R. Covey 2013-01-08

In the 7 Habits series, international bestselling author Stephen R. Covey showed us how to become as effective as it is possible to be. In his long-awaited new book, THE 8th HABIT, he opens up an entirely new dimension of human potential, and shows us how to achieve greatness in any position and any venue. All of us, Covey says, have within us the means for greatness. To tap into it is a matter of finding the right balance of four human attributes: talent, need, conscience and passion. At the nexus of these four attributes is what Covey calls voice - the unique, personal significance we each possess. Covey exhorts us all to move beyond effectiveness into the realm of greatness - and he shows us how to do so, by engaging our strengths and locating our powerful, individual voices. Why do we need this new habit? Because we have entered a new era in human history.

The world is a profoundly different place than when THE 7 HABITS OF HIGHLY EFFECTIVE PEOPLE was originally published in 1989. The challenges and complexity we face today are of a different order of magnitude. We enjoy far greater autonomy in all areas of our lives, and along with this freedom comes the expectation that we will manage ourselves, instead of being managed by others. At the same time, we struggle to feel engaged, fulfilled and passionate. Tapping into the higher reaches of human genius and motivation to find our voice requires a new mindset, a new skill-set, a new tool-set - in short, a whole new habit.

How to Fail at Almost Everything and Still Win Big - Scott Adams 2013-10-22

Blasting clichéd career advice, the contrarian pundit and creator of Dilbert recounts the humorous ups and downs of his career, revealing the outsized role of luck in our lives and how best to play the system. Scott Adams has likely failed at more things than anyone you've ever

met or anyone you've even heard of. So how did he go from hapless office worker and serial failure to the creator of Dilbert, one of the world's most famous syndicated comic strips, in just a few years? In *How to Fail at Almost Everything and Still Win Big*, Adams shares the game plan he's followed since he was a teen: invite failure in, embrace it, then pick its pocket. No career guide can offer advice that works for everyone. As Adams explains, your best bet is to study the ways of others who made it big and try to glean some tricks and strategies that make sense for you. Adams pulls back the covers on his own unusual life and shares how he turned one failure after another—including his corporate career, his inventions, his investments, and his two restaurants—into something good and lasting. There's a lot to learn from his personal story, and a lot of entertainment along the way. Adams discovered some unlikely truths that helped to propel him forward. For instance:

- Goals are for losers.

Systems are for winners.

- "Passion" is bull.

What you need is personal energy.

- A combination of mediocre skills can make you surprisingly valuable.
- You can manage your odds in a way that makes you look lucky to others.

Adams hopes you can laugh at his failures while discovering some unique and helpful ideas on your own path to personal victory. As he writes: "This is a story of one person's unlikely success within the context of scores of embarrassing failures. Was my eventual success primarily a result of talent, luck, hard work, or an accidental just-right balance of each? All I know for sure is that I pursued a conscious strategy of managing my opportunities in a way that would make it easier for luck to find me."

**Atomic Habits** - James Clear 2018-10-16  
The #1 New York Times bestseller. Over 4 million copies sold! *Tiny Changes, Remarkable Results* No matter your goals, *Atomic Habits* offers a proven framework for improving--every

day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold

medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

*Good to Great* - Jim Collins 2011-07-19  
The Challenge Built to Last, the defining management study of the nineties, showed how great companies triumph over time and how long-term sustained performance can be

engineered into the DNA of an enterprise from the very beginning. But what about the company that is not born with great DNA? How can good companies, mediocre companies, even bad companies achieve enduring greatness? The Study For years, this question preyed on the mind of Jim Collins. Are there companies that defy gravity and convert long-term mediocrity or worse into long-term superiority? And if so, what are the universal distinguishing characteristics that cause a company to go from good to great? The Standards Using tough benchmarks, Collins and his research team identified a set of elite companies that made the leap to great results and sustained those results for at least fifteen years. How great? After the leap, the good-to-great companies generated cumulative stock returns that beat the general stock market by an average of seven times in fifteen years, better than twice the results delivered by a composite index of the world's greatest companies, including Coca-Cola, Intel, General Electric, and

Merck. The Comparisons The research team contrasted the good-to-great companies with a carefully selected set of comparison companies that failed to make the leap from good to great. What was different? Why did one set of companies become truly great performers while the other set remained only good? Over five years, the team analyzed the histories of all twenty-eight companies in the study. After sifting through mountains of data and thousands of pages of interviews, Collins and his crew discovered the key determinants of greatness -- why some companies make the leap and others don't. The Findings The findings of the Good to Great study will surprise many readers and shed light on virtually every area of management strategy and practice. The findings include: Level 5 Leaders: The research team was shocked to discover the type of leadership required to achieve greatness. The Hedgehog Concept (Simplicity within the Three Circles): To go from good to great requires transcending the curse of

competence. A Culture of Discipline: When you combine a culture of discipline with an ethic of entrepreneurship, you get the magical alchemy of great results. Technology Accelerators: Good-to-great companies think differently about the role of technology. The Flywheel and the Doom Loop: Those who launch radical change programs and wrenching restructurings will almost certainly fail to make the leap. "Some of the key concepts discerned in the study," comments Jim Collins, "fly in the face of our modern business culture and will, quite frankly, upset some people." Perhaps, but who can afford to ignore these findings?

**Everyday Greatness** - Stephen R. Covey

2009-05-04

Inspiring stories and practical insights challenge readers to live a life of everyday greatness. Best-selling author Stephen Covey and Reader's Digest have joined forces to produce an extraordinary volume of inspiration, insight, and motivation to live a life of character and

contribution. The timeless principles and practical wisdom along with a "Go-Forward Plan" challenge readers to make three important choices every day: The Choice to Act - your energy The Choice of Purpose - your destination The Choice for Principles - the means for attaining your goals Topics include: Searching for Meaning Taking Charge Starting Within Creating the Dream Teaming with Others Overcoming Adversity Blending the Pieces With stories from some of the world's best known and loved writers, leaders, and celebrities, such as Maya Angelou, Jack Benny, and Henry David Thoreau, and insights and commentary from Stephen Covey, the Wrap Up and Reflections at the end of each chapter help create a project that can be used for group or personal study.

*The Power of Habit: by Charles Duhigg | Summary & Analysis* - Elite Summaries

2016-06-13

Detailed summary and analysis of The Power of Habit.

## **Winning** - Tim S. Grover 2021-05-18

From the elite performance coach who authored the international bestseller *Relentless* and whose clients have included Michael Jordan, Kobe Bryant, and Dwyane Wade, comes this brutally honest formula for winning in business, sports, or any arena where the battle is fiercely unforgiving. In *Winning*, Tim Grover shows why he is one of the world's most sought-after mindset experts. Drawing on three decades of work with elite competitors, Grover strips away the clichés and rah-rah mentality that create mediocrity and challenges you to embrace reality with single-minded intensity. The prize? Massive success. Whether you're an athlete with championship dreams, an entrepreneur building a business, a CEO managing an empire, a salesperson closing a deal, or simply a competitor determined to stand in the winner's circle, *Winning* offers thirteen crucial principles for achieving unbeatable performance. This book reveals the truth about the obstacles and

challenges that stand between you and your goals: *Winning* never lies. *Winning* knows your secrets. *Winning* wages war in the battlefield of your mind. *Winning* wants all of you. And more. If you're addicted to the taste of success and crave more, then you're ready for *Winning's* results-driven performance strategy. And if you're already winning and want to learn how to execute at a level that will establish you as one of the greatest—so you can own not just this moment, but the next, and the next—this book will show you the path.

## *13 Things Mentally Strong Women Don't Do* - Amy Morin 2018-12-31

In the time of the #MeToo and #TimesUp movement, international bestselling author and leading global expert on mental strength Amy Morin turns her focus to feminism, explaining what it means—and what it takes—to be a mentally strong woman. The emergence of the #MeToo and #TimesUp movements have awakened society and encouraged women to

find their voice and claim their power. But to do this, women must learn to improve their own mental strength. Contending with a host of difficult issues—from sexual assault on college campuses, to equal pay and pay gaps, to mastering different negotiation styles—demands psychological toughness. In this crucial book, prominent psychotherapist and licensed clinical social worker Amy Morin gives women the techniques to build mental muscle—and just as important, she teaches them what not to do. What does it mean to be a mentally strong woman? Delving into critical issues like sexism, social media, social comparison, and social pressure, Amy addresses this question and offers thoughtful, intelligent advice, practical tips, and specific strategies and combines them with personal experiences, stories from former patients, and both well-known and untold examples from women from across industries and pop culture. Throughout, she explores the areas women—and society at large—must focus

on to become (and remain) mentally strong. Amy reveals that healthy, mentally tough women don't insist on perfection; they don't compare themselves to other people; they don't see vulnerability as a weakness; they don't let self-doubt stop them from reaching their goals. Wise, grounded, and essential, *13 Things Mentally Strong Women Don't Do* can help every woman flourish—and ultimately improve our society as well.

*The Whole Body Reset* - Stephen Perrine  
2022-03-01

New York Times Bestseller Stop—and even reverse!—age-related weight gain and muscle loss with the first-ever weight-loss plan specifically designed to shrink your belly, extend your life, and create your healthiest self at mid-life and beyond. You don't have to gain weight as you age. That's the simple yet revolutionary promise of *The Whole Body Reset*, which uncovers why standard diet and exercise advice stops working for us as we approach

midlife—and reveals how simple changes to the way we eat can halt, and even reverse, age-related weight gain and muscle loss. The Whole Body Reset presents stunning new evidence about the power of “protein timing” for people at midlife—research that blows away current government guidelines, refutes the myth of slowing metabolisms and “inevitable” weight gain, and changes the way people in their mid-forties and older should think about food. The Whole Body Reset explains in simple, inspiring terms exactly how our bodies change with age, and how eating to accommodate those changes can make us respond to exercise as if we were twenty to thirty years younger. Developed by AARP, tested by a panel of more than 100 AARP employees, and approved by an international board of doctors, nutritionists, and fitness experts, The Whole Body Reset doesn’t use diet phases, eating windows, calorie restriction, or other trendy gimmicks. Its six simple secrets and scores of recipes are easy to follow, designed for

real people living in the real world. A dining guide even shows how to follow this program in popular restaurants from McDonald’s to Starbucks to Olive Garden. And best of all: It works!

**12 Rules for Life** - Jordan B. Peterson

2018-01-23

#1 NATIONAL BESTSELLER #1

INTERNATIONAL BESTSELLER What does everyone in the modern world need to know? Renowned psychologist Jordan B. Peterson's answer to this most difficult of questions uniquely combines the hard-won truths of ancient tradition with the stunning revelations of cutting-edge scientific research. Humorous, surprising and informative, Dr. Peterson tells us why skateboarding boys and girls must be left alone, what terrible fate awaits those who criticize too easily, and why you should always pet a cat when you meet one on the street. What does the nervous system of the lowly lobster have to tell us about standing up straight (with

our shoulders back) and about success in life? Why did ancient Egyptians worship the capacity to pay careful attention as the highest of gods? What dreadful paths do people tread when they become resentful, arrogant and vengeful? Dr. Peterson journeys broadly, discussing discipline, freedom, adventure and responsibility, distilling the world's wisdom into 12 practical and profound rules for life. *12 Rules for Life* shatters the modern commonplaces of science, faith and human nature, while transforming and ennobling the mind and spirit of its readers.

**The Little Book of Talent** - Daniel Coyle  
2012-08-21

A manual for building a faster brain and a better you! *The Little Book of Talent* is an easy-to-use

handbook of scientifically proven, field-tested methods to improve skills—your skills, your kids' skills, your organization's skills—in sports, music, art, math, and business. The product of five years of reporting from the world's greatest talent hotbeds and interviews with successful master coaches, it distills the daunting complexity of skill development into 52 clear, concise directives. Whether you're age 10 or 100, whether you're on the sports field or the stage, in the classroom or the corner office, this is an essential guide for anyone who ever asked, "How do I get better?" Praise for *The Little Book of Talent* "The Little Book of Talent should be given to every graduate at commencement, every new parent in a delivery room, every executive on the first day of work. It is a guidebook—beautiful in its simplicity and backed by hard science—for nurturing excellence."—Charles Duhigg, bestselling author of *The Power of Habit* "It's so juvenile to throw around hyperbolic terms such as 'life-changing,'

but there's no other way to describe The Little Book of Talent. I was avidly trying new things within the first half hour of reading it and haven't stopped since. Brilliant. And yes: life-changing."—Tom Peters, co-author of In Search of Excellence

The Power of Habit - Charles Duhigg 2012-02-28  
NEW YORK TIMES BESTSELLER • This instant classic explores how we can change our lives by changing our habits. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Wall Street Journal • Financial Times In The Power of Habit, award-winning business reporter Charles Duhigg takes us to the thrilling edge of scientific discoveries that explain why habits exist and how they can be changed. Distilling vast amounts of information into engrossing narratives that take us from the boardrooms of Procter & Gamble to the sidelines of the NFL to the front lines of the civil rights movement, Duhigg presents a whole new understanding of human nature and its potential. At its core, The Power of Habit contains an exhilarating argument: The key to exercising regularly,

losing weight, being more productive, and achieving success is understanding how habits work. As Duhigg shows, by harnessing this new science, we can transform our businesses, our communities, and our lives. With a new Afterword by the author “Sharp, provocative, and useful.”—Jim Collins “Few [books] become essential manuals for business and living. The Power of Habit is an exception. Charles Duhigg not only explains how habits are formed but how to kick bad ones and hang on to the good.”—Financial Times “A flat-out great read.”—David Allen, bestselling author of Getting Things Done: The Art of Stress-Free Productivity “You’ll never look at yourself, your organization, or your world quite the same way.”—Daniel H. Pink, bestselling author of Drive and A Whole New Mind “Entertaining . . . enjoyable . . . fascinating . . . a serious look at the science of habit formation and change.”—The New York Times Book Review
