**Relax Island** - Nirmala RAGHAVAN 2019-11-10

In Relax Island, people did only that - relax. All work was carried out by foreigners who flocked to this prosperous land. And the native youth were corrupted by their presence. To mend their ways, a film censor board was set up, consisting of an actress, a tailor, a religious head, an old and pious shop keeper, a sexually starved male teacher and an ex-principal, who was a confirmed spinster. How they react to the erotic scenes and the subsequent personality changes forms the crux of this novel.

**Empire Flying Boat Manual** - Brian Cassidy 2016-04-15

NEW IN PAPERBACK. The Short 'C' Class Empire flying boats were designed in 1934 to implement the Empire Air Mail Scheme. They were operated by Imperial Airways (forerunner of British Airways), QANTAS and Tasman Empire Airways, carrying letter mail throughout the British Empire and Dominions. Small

numbers of passengers and freight were also carried. With privileged access to the British Airways Heritage Collection, author Brian Cassidy describes the genesis and anatomy of the Empire boats, their service career, operation and maintenance of the Empires, and the experience of travelling by flying boat in the 1930s.

**Dysphagia Cookbook** - Ryan Sam 2021-03-21

Dysphagia refers to a difficulty in swallowing - it takes more effort than normal to move food from the mouth to the stomach. Usually caused by nerve or muscle problems, dysphagia can be painful and is more common in older people and babies. Although the medical term "dysphagia" is often regarded as a symptom or sign, it is sometimes used to describe a condition in its own right. There is a wide range of potential causes of dysphagia; if it only happens once or twice, there is probably no serious underlying problem, but, if it occurs regularly, it should be checked out by a doctor. Because there are many reasons why dysphagia can occur, treatment depends on the underlying cause. A dysphagia diet is a special eating plan. Your healthcare provider may advise it if you have trouble swallowing (dysphagia). When you have dysphagia, you are at risk for aspiration. Aspiration is when food or liquid enters the lungs by accident. It can cause pneumonia and other problems. The foods you eat can affect your ability to swallow. For example, soft foods are easier to swallow than hard foods. A dysphagia diet can help prevent aspiration. You may be at risk for aspiration from dysphagia if you have any of these health conditions - Stroke

- Severe dental problems - Conditions that lead to less saliva (dry mouth), such as Sjogren syndrome - Mouth sores This book covers what dysphagia diet is. We also discuss the symptoms, causes, diagnosis, treatments and recipes for dysphagia diet.

In Mortal Combat - John Toland 2016-05-31  
A history of the Korean War with soldier's-eye views from both sides, by the Pulitzer Prize-winning author of *The Rising Sun and Infamy*. Pulitzer Prize-winning author John Toland reports on the Korean War in a revolutionary way in this thoroughly researched and riveting book. Toland pored over military archives and was the first person to gain access to previously undisclosed Chinese records, which allowed him to investigate Chairman Mao's direct involvement in the conflict. Toland supplements his captivating history with in-depth interviews with more than two hundred American soldiers, as well as North Korean, South Korean, and Chinese combatants, plus dozens of poignant photographs, bringing those who fought to vivid life and honoring the memory of those lost. *In Mortal Combat* is comprehensive in its discussion of events deemed controversial, such as American brutality against Korean civilians and allegations of American use of biological warfare. Toland tells the dramatic account of the Korean War from start to finish, from the appalling experience of its POWs to Mao's prediction of MacArthur's Inchon invasion. Toland's account of the "forgotten war" is a must-read for any history aficionado.

**Althusser and Law** - Laurent de Sutter  
2013-03-05

*Althusser and Law* is the first book specifically dedicated to the place of law in Louis Althusser's philosophy. The growing importance of Althusser's philosophy in contemporary debates on the left has - for practical and political, as well as theoretical reasons - made a sustained

consideration of his conception of law more necessary than ever. As a form of what Althusser called 'Ideological State Apparatuses', law is at the forefront of political struggles: from the destruction of Labour Law to the exploitation of Patent Law; from the privatisation of Public Law to the ongoing hegemony of Commercial Law; and from the discourse on Human Rights to the practice of judicial courts. Is Althusser still useful in helping us to understand these struggles? Does he have something to teach us about how law is produced, and how it is used and misused? This collection demonstrates that Althusser's ideas about law are more important, and more contemporary, than ever. Indeed, the contributors to *Althusser and Law* argue that Althusser offers a new and invaluable perspective on the place of law in contemporary life.

Room 555 - Cristy Wilson 2019-01-29

Fourteen-year-old Roonie loves hip-hop almost as much as she loves her grandmother. She cannot wait to compete in her school's dance competition. But as her grandmother's health deteriorates, Roonie becomes more and more reluctant to visit her in the care home. These feelings of guilt and frustration cause Roonie to mess things up with her hip-hop dance partner and best friend, Kira. But while doing some volunteer hours in the hospital geriatric ward, Roonie meets an active senior recovering from a bad fall. Their shared love of dance and the woman's zest for life help Roonie face her fears, make amends with Kira and reconnect with Gram before it's too late.

**Graced by Waters** - John Dietsch 2020-04-28

In this inspirational and humorous collection of essays, author John Dietsch sees his addiction to and passion for fishing as a parable that can help us shift from compulsive thinking to mindfulness and a closer connection to God. From creating fishing scenes on the set of *A River Runs Through It* in Montana, to directing fly fishing shows in New Zealand and from exploring deep canyons in California to guiding in Colorado, John shares his experiences and asks the question: what are we really fishing for? Through John's journeys across the globe, we discover that the same pursuit in fishing—of what is elusive but attainable—can be applied to our own spiritual journey. In the end, Dietsch uncovers his own truth under the rocks of a childhood river, recognizing the loss of both his brothers as the path of acceptance and faith that is graced by waters.

**A Bid For Fortune Illustrated** - Guy Boothby

2021-02-15

Richard Hatteras, on holiday in Sydney, rescues a lovely young woman in distress, the start of a series of events that sees him falling in love and becoming ever more entangled in the machinations of the shadowy Doctor Nikola, villain, gentleman, and occult adventurer, who will stop at nothing to steal his prize. Boothby's Nikola may be the world's first modern super villain: he is a master of hypnotism and mind control, a telepathic adept, and an astral projectionist. He can cause ordinary men to see images in pools of liquid, and prophesy into the future. It's said that he knows the hour, moment, and method of his own demise.
