Nothing weird EVER happens in The Bad Guys. Like, you

would NEVER see a chain-saw monster confronting a

velociraptor who has eaten an elderly piranha, or the

disturbing antics of a deranged dentist running amok with an

oversized drill. NOPE. None of that nonsense here. So relax

and be entirely unsurprised by the Bad Guys' next adventure!

The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter

your goals, Atomic Habits offers a proven framework for

improving--every day. James Clear, one of the world's

leading experts on habit formation, reveals practical

strategies that will teach you exactly how to form good

habits, break bad ones, and master the tiny behaviors that

lead to remarkable results. If you're having trouble changing

your habits, the problem isn't you. The problem is your

system. Bad habits repeat themselves again and again not

because you don't want to change, but because you have

the wrong system for change. You do not rise to the level of

your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress

and success, and give you the tools and strategies you need to transform your habits-- whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Bad Guys - Huw Lemmey  
2022-05-31

An unconventional history of homosexuality We all remember Oscar Wilde, but who speaks for Bosie? What about those 'bad gays' whose unexemplary lives reveal more than we might expect? Many popular histories seek to establish homosexual heroes,

pioneers, and martyrs but, as Huw Lemmey and Ben Miller argue, the past is filled with queer people whose sexualities and dastardly deeds have been overlooked despite their being informative and instructive. Based on the hugely popular podcast series of the same name, Bad Guys asks what we can learn about LGBTQ+ history, sexuality and identity through its villains, failures, and baddies. With characters such as the Emperor Hadrian, anthropologist Margaret Mead and notorious gangster Ronnie Kray, the authors tell the story of how the figure of the white gay man was born, and how he failed. They examine a cast of kings, fascist thugs, artists and debauched bon viveurs.

Imperial-era figures Lawrence of Arabia and Roger Casement get a look-in, as do FBI boss J. Edgar Hoover, lawyer Roy Cohn, and architect Philip Johnson. Together these amazing life stories expand and challenge mainstream assumptions about sexual identity: showing that homosexuality itself was an

idea that emerged in the nineteenth century, one central to major historical events. *Bad Gays* is a passionate argument

for rethinking gay politics beyond questions of identity, compelling readers to search for solidarity across boundaries.
