THE INSTANT NEW YORK TIMES BESTSELLER • From the critically-acclaimed author of *House of Salt and Sorrows* comes a mesmerizing and chilling fairy-tesque novel about Ellerie Downing, a young woman in a small town with monsters lurking in the trees and dark desires hidden in the shadows—in Amity Falls, nothing is more dangerous than a wish come true. "Unique, enchanting, and haunting."—Brigid Kemmerer, New York Times bestselling author of the *Cursebreaker* series "Full of beasts, bargains, and blood, *Small Favors* is a folk horror tale that feels like a classic but is utterly fresh. Sweet, dark, and complex as wildflower honey."—Hannah Whitten, New York Times bestselling author of *For the Wolf* "A deliciously dark fairy tale filled with bone-chilling horror and breathtaking romance that will keep you turning the pages long into the night."—Kara Thomas, author of *The Cheerleaders* and *That Weekend* "As dark and romantic as it haunting, *Small Favors* is an eerie fairytale that I couldn't put down."—Alexis Henderson, author of *The Year of the Witching* Ellerie Downing is waiting for something to happen. Life in isolated Amity Falls, surrounded by an impenetrable forest, has a predictable sameness. Her days are filled with tending to her family's beehives, chasing after her sisters, and dreaming of bigger things while her twin, Samuel, is free to roam as he wishes. Early town settlers fought off monstrous creatures in the woods, and whispers that the creatures still exist keep the Downings and their neighbors from venturing too far. When some townsfolk go missing on a trip to fetch supplies, a heavy unease settles over the Falls. Strange activities begin to plague the town, and as the seasons change, it's clear that something is terribly wrong. The creatures are real, and they're offering to fulfill the residents' deepest desires, however grand, for just a small favor. These seemingly trifling demands, however, hide sinister intentions. Soon Ellerie finds herself in a race against time to stop Amity Falls, her family, and the boy she loves from going up in flames.

For more than a century, original music has been composed for the cinema. From the early days when live music accompanied silent films to the present in which a composer can draw upon a full orchestra or a lone synthesizer to embody a composition, music has been an integral element of most films. By the late 1930s, movie studios had established music departments, and some of the greatest names in film music emerged during Hollywood's Golden Age, including Alfred Newman, Max Steiner, Dimitri Tiomkin, and Bernard Herrmann. Over the decades, other creators of screen music offered additional memorable scores, and some composers—such as Henry Mancini, Randy Newman, and John Williams—have become household

names. The *Encyclopedia of Film Composers* features entries on more than 250 movie composers from around the world. It not only provides facts about these artists but also explains what makes each composer notable and discusses his or her music in detail. The Monterey Peninsula is rocked when a killer begins to leave roadside crosses beside local highways—not in memoriam, but as announcements of his intention to kill. And to kill in particularly horrific and efficient ways: using the personal details about the victims that they've carelessly posted in blogs and on social networking websites. The case lands on the desk of Kathryn Dance, the California Bureau of Investigation's foremost kinesics—body language-expert. She and Deputy Michael O'Neil follow the leads to Travis Brigham, a troubled teenager whose role in a fatal car accident has inspired vicious attacks against him on a popular blog, The Chilton Report. As the investigation progresses, Travis vanishes. Using techniques he learned as a brilliant participant in MMORPGs—Massively Multiplayer Online Role-Playing Games—he easily eludes his pursuers and continues to track his victims, some of whom Kathryn is able to save, some not. Among the obstacles Kathryn must hurdle are politicians from Sacramento, paranoid parents, and the blogger himself, James Chilton, whose belief in the importance of blogging and the new media threatens to derail the case and potentially Dance's career. It is this threat that causes Dance to take desperate and risky measures... With Jeffery Deaver's signature style, *Roadside Crosses* is filled with dozens of plot twists, cliff-hangers, and heartrending personal subplots that take a searing look at the accountability of blogging and life in the online world.

The Two Frank Thrings - Peter Fitzpatrick 2012-08-01

They shared a name, of course, and their physical resemblance was startling. And both Frank Thrings were huge figures in the landscape of twentieth-century Australian theatre and film. But in many ways they could hardly have been more different. Frank Thring the father (1882–1936) began his career as a sideshow conjuror, and he wheeled, dealt and occasionally married his way into becoming the legendary ‘F.T.’ — impresario, speculator and owner of Effttee Films, Australia's first ‘talkies’ studio. He built for himself an image of grand patriarchal respectability, a sizeable fortune, and all the makings of a dynasty. Frank Thring the son (1926–1994) squandered the fortune and derailed the dynasty in the course of creating his own persona — a unique presence that could make most stages and foyers seem small. He won fame playing tyrants in togas in Hollywood blockbusters, then, suddenly, came home to Melbourne to play perhaps his finest role — that of Frank Thring, actor and personality extraordinaire. Central to this role was that Frank the son was unapologetically and outrageously gay. Peter Fitzpatrick's compelling dual biography tells the story of two remarkable characters. It's a kind of detective story, following the tracks of two men who did all they could to cover their tracks, and to conceal ‘the self’: Frank the father used secrecy and sleight-of-hand as strategies for self-protection; Frank the son masked a thoroughly reclusive personality with flamboyant self-parody. It's also the tale of a lost relationship — and of the power a father may have had, even over a son who hardly knew him.
