OAKLAND HILLS ROMANCE,
BOOK #1 When a couch potato inherits a fitnesswear company in San Francisco, sparks fly with her arrogant, Olympic medalist vice president. The world of fitness apparel isn't ready for Beverly Lewis. She hates the gym, is nice to

everybody, and shops at Ross Dress for Less. When she's not teaching preschool, she's wearing yoga pants . . . to nap in. So when she inherits her estranged grandfather's fitnesswear company in San Francisco, nobody expects her to keep it. Fite Fitness needs a heartless suit to save it from bankruptcy, not a thirty-year-old woman who cries when her students leave for

kindergarten. Someone like Liam Johnson. A former Olympic swimmer, Liam is Fite's executive vice president. Unlike Bev, he's devoted his life to Fite's success. Managing one little preschool teacher—and his attraction to her—shouldn't be an issue. Right? But Bev's tired of being underpaid and underrated, and refuses to step aside as an obedient figurehead. To everyone's shock and horror, she moves up to San Francisco, sets up an office, and dives into the business. Nothing—not mockery, not exercise, not sabotage, not a disastrously hot night with her aggravating VP—is going to scare her away. As Liam realizes she's tougher than she looks, he discovers that losing Fite might not be nearly as bad as losing her . . . A story about the pursuit of love, happiness, and the perfect yoga pants, Love Handles will speak to anyone who's ever had to face what scares her most. Warning: contains at least two loves scenes and a happy ending. Read the whole series! LOVE

Curvy Girl Romantic Suspense Series - USA Today Bestselling contemporary romance author Mason O'Connor knows his place in the world. wasn't so bad. And she's not talking about Niagara Falls. After a chance encounter with someone from his past, Mason lets down his guard and lets Megan get a little too close. She wakes up in his bed and declares she's going to stay with him for the rest of her trip. There's only one problem. Someone in Mason's past isn't willing to let another woman into his life. NOAH: When I step inside Bar

Neo on the evening of my best friend's wedding... I instantly know that my life is about to change forever. When our eyes lock through the crowded bar, I'm hypnotised by the long dark hair that falls above her hourglass figure and my heart melts. Who are you? my lonely soul whispers, transfixed on her curves. With more than just lust magnetising me towards this curvaceous goddess, I hear and see nothing else as I make my way towards her. Soaking in the majesty of her emerald green eyes I suddenly realise it's almost time for me to leave... again. Feeling her gaze as I make my way outside, I head home with a heavy heart... again. I wish things could be different. I need her in my life. I just don't know if it's possible... JADE: Despite seeing him everywhere I go, I haven't actually spoken to the man of my dreams since the evening of Penny and Blake's wedding six months ago. I start to think that maybe I'm wrong about the way he looks at me. Always leaving parties early and never working nightshifts

at the fire station, my boss seems to think Noah is hiding something. And then I hear his voice behind me. As I turn to face the giant of a man, I tingle as he gazes over my semi-naked, untouched body. Later that evening, wrapped in his powerful arms out in the calm ocean, Noah's expert, tender caress finally sets me free... Swept away in a blizzard of bliss, hope and excitement, I truly feel like the luckiest girl in the world. But it turns out my boss is right. He is hiding something. Something huge. And neither of us can ignore the cloud of doubt it casts over our future together... Dear awesome reader, Welcome to book five in an eight-book series. What I find the most hurtful and the hardest, is liking someone only to have them fall in love with my younger and prettier sister. Or have guys befriend and pretend to be kind to me so that they can get close to her. It truly hurts knowing I'm being used for someone else's goals. However, I would never blame her for any of this, for it's not her fault that the guys I liked loved her instead. I've just come to realize that

not everyone is meant to fall in love, and I might be one of those people. Because, I am starting to wonder if there's a guy out there who is willing to look past my weight and insecurities, and not fall in love with my baby sister at the same time. **** Erin has always been the ugly sister and the black sheep of the family. She grew up in a world of perfection, and yet she was far from perfect. If she was flawless as her sister, then all the men she ever had feelings for would have chosen her instead. Erin has learned the hard way that sometimes love isn't meant for everyone. Because of that, she decided to dedicate her time and life to her students and being single. But everything changes when she meets Caden. Caden is every girl's wet dream. He's tall, rich, and sexy as hell. Which also means he's way out of her league. Erin knows that she will never match someone as perfect as him, but her sister certainly will. Playing cupid, Erin hopes to hook Caden up with her sister. But

Plump Fiction - Jolene Dubois

A beautiful young lady gains the freshman 15 in college, and over time learns to love her

body as she develops into a magnificently voluptuous woman, and finds true love in the process. ~ 'He fondled her and lowered her back down flat on his desk. All of his biological carnal urges took over his better judgement with an unstoppable force of repressed desire and testosterone that was completely unleashed as he licked her nipples and moved his lips slowly down her stomach with Nicole being way too turned on to let self-consciousness deter her pleasure. He removed her snug fitting skimpy panties and slipped himself inside of her. She felt so warm and inviting, it was pure ecstasy. She was such a goddess. The type of woman he had lusted over privately for years. The type of woman whose beauty entitles her to avoid all gym-torture and instead lead a cushy, pampered lifestyle, and let her self indulgence make her more desirable than words could allow, only her moans and gasps of extreme blissful pleasure could do it justice.'

I've got a giant phobia I need to get over by a very important deadline, along with a best friend gunning for meddler of the year. Her mission? eye-opening historical narrative ranging from the Renaissance to the current moment, analyzing important works of art, newspaper and magazine articles, and scientific literature and medical journals—where fat bodies were once praised—showing that fat phobia, as it relates to black women, did not originate with medical findings, but with the Enlightenment era belief that fatness was evidence of “savagery” and racial inferiority. The author argues that the contemporary ideal of slenderness is, at its very core, racialized and racist. Indeed, it was not until the early twentieth century, when racialized attitudes against fatness were already entrenched in the culture, that the medical establishment began its crusade against obesity. An important and original work, *Fearing the Black Body* argues convincingly that fat phobia isn't about health at all, but rather a means of using the body to validate race, class, and gender

prejudice.

I need a man. Just for the holidays...Skin care is my life. My business, my baby. I don't have time for a relationship. In fact, I don't even want one. As one of seven children, the last thing I want is marriage and kids. I enjoy my single life, thoroughly-thank you very much. When I'm faced with yet another year of questions from well-meaning relatives, I decide a little white lie won't hurt anyone, and say I'm dating. Actually, I tell them I'm quite serious about an imaginary man I dub, 'Liam'. Not my finest hour. It starts out quite innocent at first, but as the lie grows, I find myself

promising that Liam will be joining us for Thanksgiving. But, that's fine. I can just tell them he's busy-or we broke up-and then I can insist I don't want to talk about it and live to fight another day. Right? The plan seems workable until my mother calls to warn me about the 'surprise' my great aunt has for us-a month-long holiday cruise. Sounds like Paradise, but add the fact that she's already bought myself and my imaginary boyfriend non-refundable tickets, I'm faced with admitting I was lying, or...finding myself a stand-in. I'll bet you already know what I decide...*Mine for the Holidays* is the first full-length novel by Megan Wade. It contains all of her usual sugary goodness, and of course comes with her Sugar Promise-high heat, low drama, guaranteed.
