Max Jacob: A Life in Art and Letters - Rosanna Warren
2020-10-20

A comprehensive and moving biography of Max Jacob, a brilliant cubist poet who lived at the margins of fame. Though less of a household name than his contemporaries in early twentieth century Paris, Jewish

homosexual poet Max Jacob was Pablo Picasso's initiator into French culture, Guillaume Apollinaire's guide out of the haze of symbolism, and Jean Cocteau's loyal friend. As Picasso reinvented painting, Jacob helped to reinvent poetry with compressed, hard-edged prose poems and synapse-

skipping verse lyrics, the product of a complex amalgamation of Jewish, Breton, Parisian, and Roman Catholic influences. In Max Jacob, the poet's life plays out against the vivid backdrop of bohemian Paris from the turn of the twentieth century through the divisions of World War II. Acclaimed poet Rosanna Warren transports us to Picasso's ramshackle studio in Montmartre, where Cubism was born; introduces the artists gathered at a seedy bar on the left bank, where Max would often hold court; and offers a front-row seat to the artistic squabbles that shaped the Modernist movement. Jacob's complex understanding of faith, art, and sexuality animates this sweeping work. In 1909, he saw a vision of Christ in his shabby room in Montmartre, and in 1915 he converted formally from Judaism to Catholicism—with Picasso as his godfather. In his later years, Jacob split his time between Paris and the monastery of Benoît-sur-Loire. In February 1944, he was

arrested by the Gestapo and sent to Drancy, where he would die a few days later. More than thirty years in the making, this landmark biography offers a compelling, tragic portrait of Jacob as a man and as an artist alongside a rich study of his groundbreaking poetry—in Warren's own stunning translations. Max Jacob is a nuanced, deeply researched, and essential contribution to Modernist scholarship.

Twitterature - Alexander Aciman 2009-12-29

Perhaps while reading Shakespeare you've asked yourself, What exactly is Hamlet trying to tell me? Why must he mince words and muse in lyricism and, in short, whack about the shrub? But if the Prince of Denmark had a Twitter account and an iPhone, he could tell his story in real time--and concisely! Hence the genius of Twitterature.

Hatched in a dorm room at the brain trust that is the University of Chicago, Twitterature is a hilarious and irreverent re-imagining of the classics as a series of 140-

character tweets from the protagonist. Providing a crash course in more than eighty of the world's best-known books, from Homer to Harry Potter, Virgil to Voltaire, Tolstoy to Twilight and Dante to The Da Vinci Code. It's the ultimate Cliffs Notes. Because as great as the classics are, who has time to read those big, long books anymore? Sample tweets: From Hamlet: WTF IS POLONIUS DOING BEHIND THE CURTAIN??? From the Harry Potter series: Oh man big tournament at my school this year!! PSYCHED! I hope nobody dies this year, and every year as if by clockwork. From The Great Gatsby: Gatsby is so emo. Who cries about his girlfriend while eating breakfast...IN THE POOL?

The Trials of Rumpole - John Mortimer 2021-03-25

'I thank heaven for small mercies. The first of these is Rumpole' Clive James Horace Rumpole, the irrepressible barrister fuelled by cigars, Tennyson, steak-and-kidney pud and the cooking claret from Pommeroy's wine bar, is

back for further misadventures. Amid an unfortunate and temporary downturn in London crime, the Old Bailey Hack sits in Chambers (he never writes at home for fear of She Who Must Be Obeyed) and picks up his pen to recount six classic tales of his recent trials. Here he deals with, among others, a clergyman on a shoplifting rampage, a backstage theatrical murder, a villain with unfortunate sartorial taste and, worst of all, the possibility that he may have to hang up his wig and retire. 'Rumpole, like Jeeves and Sherlock Holmes, is immortal' P. D. James *Babyji* - Abha Dawesar 2007-12-18

Sexy, surprising, and subversively wise, *Babyji* is the story of Anamika Sharma, a spirited student growing up in Delhi. At school she is an ace at quantum physics. At home she sneaks off to her parents' scooter garage to read the Kamasutra. Before long she has seduced an elegant older divorcée and the family servant, and has caught the eye of a classmate coveted by

all the boys. With the world of adulthood dancing before her, Anamika confronts questions that would test someone twice her age. Ebullient, unfettered, and introducing one of the most charming heroines in contemporary fiction, *Babyji* is irresistible.

Couple Mechanics - Nelly Alard
2016-01-19

At once sexy and feminist, this is a story of a woman who decides to fight for her marriage after her husband confesses to an affair with a notable politician Juliette, a computer engineer, and Olivier, a journalist, have two young children and the busy lives of a modern Parisian couple. On a beautiful spring day, while sitting by the river watching her children play, Juliette's cell phone rings. It is her husband. When Olivier confesses to having an affair, Juliette's world is shattered. How do you survive betrayal? Can a couple ever be united again? What lengths would you go to in order to save your marriage? These are the questions that this novel, with

great intelligence, honesty, and humor, tries to answer. In its acute depiction of intimacy, *Couple Mechanics* exposes the system of forces at work in a marriage, the effects of the inevitable ebb and flow of desire, and the difficulty of being a man today.

The Autobiography of a Super-tramp - William Henry Davies

The Graveyard - Marek Hlasko
2013-12-03

"History has no use for witnesses." When Marek Hlasko sent this novel to publishers in Poland in the mid-1950s, it was uniformly rejected. When he asked why, he was told: "This Poland doesn't exist." Long out of print, *The Graveyard* is Hlasko's portrait of a system built on such denial and willful blindness. Factory worker Franciszek Kowalski is on his way home one evening after drinking with an old friend from the People's Army when he unthinkingly yells some insults at a policeman. His outburst is taken as criticism of

the government, and he is arrested and then expelled from the Party. Kowalski attempts to rehabilitate himself by gathering testimonies from the men he had fought alongside, but each meeting with his former comrades takes him further into the underworld that he realizes has been there all along. Written midway through Hłasko's meteoric career, *The Graveyard* set its author and the Polish Communist government implacably against each other, and it's easy to see why: Hłasko pulls no punches in portraying a regime that is maintained by constant surveillance, intimidation, and profound psychological manipulation. A classic novel of political disillusionment from one of Poland's seminal writers, an original "Angry Young Man" who lived fast, died young, and wrote brilliantly. From the Trade Paperback edition.

Passion Perfect - Annie Ernaux 1993

The Young Desire It - Kenneth

Mackenzie 2013-08-21

A masterful and vivid portrayal of a young boy's awakening to true love in the sensual landscape of Western Australia. Winner of the Australian Literature Society Gold Medal, 1937. Fifteen-year-old Charles Fox is sent away to boarding school, innocent, alone and afraid. There one of his masters develops an intense attachment to him. But when Charles meets Margaret, a girl staying at a nearby farm for the holidays, he is besotted, and a passionate, unforgettable romance begins. Published in London in 1937 to wide acclaim, *The Young Desire It* is a stunning debut novel about coming of age: an intimate and lyrical account of first love, and a rich evocation of rural Western Australia. This edition includes a new introduction by David Malouf. Kenneth Mackenzie was born in 1913 in South Perth. His parents divorced in 1919, and thereafter he lived with his mother and maternal grandfather. Unhappy years boarding at Guildford Grammar

School were the basis for his highly acclaimed first novel, *The Young Desire It*, which was published in London in 1937. Mackenzie's subsequent novels were *The Chosen* (1938), *Dead Men Rising* (1951), based partly on his experience of the Cowra breakout and *The Refuge* (1954); he also produced two volumes of poetry. He received a number of grants and awards, including the Australian Literature Society Gold Medal. '*The Young Desire It* is a revelation: a coming-of-age novel from 1937 that deserves a place alongside the classics in this genre. It's a feverish, fascinating, and surprising look into the mind of an adolescent discovering a sense of self in his quest for love. It's also a remarkably nuanced and moving portrait of the struggles of those around him to come to terms with their own lives and longings.' Will Schwalbe, author of *The End of Your Life Book Club* 'A hymn to youth, to life, to sexual freedom and moral independence.' David Malouf 'A beautifully

written story of a sensitive boy's movement towards adult love.' Sydney Morning Herald '*The Young Desire It* is an extraordinary novel, dazzling in its texture, wholly original in its vision, and heartbreaking in the power and freshness of the story it tells.' Peter Craven, Australian Book Review '*The Young Desire It* is one of the most brilliant, confident and unusual instances of a Bildungsroman in Australian literature.' Peter Pierce, Sydney Review of Books '*The Young Desire It* reminds us there is more than a single line of descent in Australian literature...Mackenzie, who died, penniless and forgotten in his 50s, turns out to be a missing link in our literary tradition. The family tree burgeons at his return.' Weekend Australian '*Mackenzie's* prose is at its most sparkling and most sensuous in this novel, and he evokes the hot Western Australian landscape with rare force...[*The Young Desire It*] is a pastoral charged with the awakening of desire, like

boldly imagined scenarios and veiled—but clear—social criticism. Which may be why *Definitely Maybe* has never before been available in an uncensored edition, let alone in English. It tells the story of astrophysicist Dmitri Malianov, who has sent his wife and son off to her mother's house in Odessa so that he can work, free from distractions, on the project he's sure will win him the Nobel Prize. But he'd have an easier time making progress if he wasn't being interrupted all the time: First, it's the unexpected delivery of a crate of vodka and caviar. Then a beautiful young woman in an unnervingly short skirt shows up at his door. Then several of his friends—also scientists—drop by, saying they all felt they were on the verge of a major discovery when they got . . . distracted . . . Is there an ominous force that doesn't want knowledge to progress? Or could it be something more . . . natural? In this nail-bitingly suspenseful book, the Strugatsky brothers bravely and brilliantly question

authority: an authority that starts with crates of vodka, but has lightning bolts in store for humans who refuse to be cowed. From the Trade Paperback edition.

Les Onze Mille Verges, Or, The Amorous Adventures of Prince Mony Vibescu -

Guillaume Apollinaire 2001

In 1907 Guillaume Apollinaire, one of the most original and influential poets of the twentieth century, turned his hand to the novel. He produced two books for the clandestine market. The finer of these was *Les Onze Mille Verges*. One of the most masterful and hilarious erotic novels of all time, it was once owlishly pronounced by Picasso to be Apollinaire's masterpiece. For nearly seventy years this novel remained a legend. In 1973 the definitive version was published in France, on which edition *The Times Literary*

Supplement commented: 'The rutting is non-stop. Who else would have turned a twosome into a foursome by the arrival of two randy burglars? Even when turning his hand to a dirty novel, Apollinaire was very much Apollinaire.'

The Devil in the Flesh -
Raymond Radiguet 1982
He belonged to the solemn race of men whose lives unfold too quickly to their close. ?Jean Cocteau "The Devil in the Flesh," one of the finest, most delicate love stories ever written, is set in Paris during the last year of the First World War. The narrator, a boy of sixteen, tells of his love affair with Martha Lacombe, a young woman whose soldier husband

is away at the front. The liaison soon becomes a scandal and their friends, horrified and incredulous, refuse to accept what is happening - even when the affair reaches its tragic climax. In the film "Le Diable au Corps" (with Gerard Philipe and Micheline Presle), Claude Autant-Lara recreated this story of the First World War with nostalgic tenderness. His sensitive dramatization treats the affair with such delicacy that many critics consider the love scenes to be among the most beautiful ever photographed. The film won the Grand Prix and the International Critics Prize. Raymond Radiguet wrote "The Devil in the Flesh" between the ages of sixteen and eighteen, about his own adolescent love affair with an older woman. He died from typhoid fever at the age of twenty. His only other novel is "Comte d'Orgel," also available from Marion Boyars Publishers. ..."a triumph of the poetic intelligence: a masterpiece..."?"New Statesman"

Goldsworthy 2009-08-03
Physical and mental, sexual and literary, constructive and destructive. Coming of age in a small town peopled with big characters, he finds his new teacher Miss Peach the most unforgettable of all – his memories of her will haunt him for the rest of his life. Everything I Knew is at once laugh-out-loud funny and cry-out-loud tragic – farcical, horrifying, confronting – and bursting with originality. It challenges our determination to believe in the innocence of childhood and adolescence, and yet again shows Peter Goldsworthy to be a master of shifting tone. There is no novel quite like it in Australian literature. 'Few of his Australian contemporaries are so skilled at the narrative arts as Goldsworthy, let alone so fearless in seeking new, rather than familiar, fictional ground to work.' Peter Pierce, Sydney Morning Herald 'Intelligent, complex and deeply affecting.' Murray Bramwell, Adelaide Review 'A bawdy, honest, funny, tragic book about the

aspirations of the young and how life happens to them. One of the best novels this year. Simply brilliant.' Ian Nichols, West Australian
Retreat from Love - Colette
2004

Retreat From Love is one of Colette's celebrated 'Claudine' novels. It was the first to be written under her own name, without the influence of her husband, the Svengali Willy, from whom she had recently separated. A tale of sexual and emotional trysts between three aristocratic youths, Retreat From Love shows the work of a newly mature Colette, a novelist who was now to be judged by the highest standards. In an isolated farmhouse in the Jura, Claudine awaits her husband Renaud's return from a Swiss sanatorium. She distracts herself by encouraging her young friend Annie to recount salacious episodes from her love life. When Renaud's homosexual son Marcel arrives Claudine sets about matchmaking, a fiasco she bitterly regrets.

Count d'Orgel - Raymond Radiguet 2000-01

A seminal work of great force, *Count d'Orgel* is a study of a three-sided relationship set in Paris after the First World War. John Bayley wrote that Radiguet is wholly in debt to the great French masters of economy and polished observation. His avowed intention was to create a picture of the beau monde as comprehensive as Proust's but far more taut and lapidary. In great measure he succeeded. The tale is certainly a masterpiece, one attempted and achieved by a young man of nineteen who was on his deathbed before it was published. Notes written by Jean Cocteau, Radiguet's mentor, are reprinted in this edition.

Letters of James Agee to Father Flye - James Agee 2014-04-29

"I'll croak before I write ads or sell bonds—or do anything except write." James Agee's father died when he was just six years old, a loss immortalized in his Pulitzer

Prize-winning novel, *A Death in the Family*. Three years later, Agee's mother moved the mourning family from Knoxville, Tennessee, to the campus of St. Andrew's, an Episcopal boarding school near Sewanee. There, Agee met Father James Harold Flye, who would become his history teacher. Though Agee was just ten, the two struck up an unlikely and enduring friendship, traveling Europe by bicycle and exchanging letters for thirty years, from Agee's admission to Exeter Academy to his death at forty-five. The intimate letters, collected by Father Flye after Agee's death, form the most intimate portrait of Agee available, a starkly revealing account of the internal and external life of a tortured twentieth-century genius. Agee candidly shares his struggles with depression, professional failure, and a tumultuous personal life that included three wives and four children. First published in 1962, *Letters of James Agee to Father Flye* followed the rediscovery of Agee's *Let Us*

Count D'Orgel's Ball - Raymond Radiguet 2005-03-31
Count d'Orgel is handsome, charming, and carefree, a model of cool aristocratic aplomb. His wife, the Countess, is beautiful and pure and loves her husband more than anything in the world. But from the moment the d'Orgels meet and befriend the clever young François de Sérèuse backstage at the circus, all

three of these supremely civilized and witty people are caught up in an ever more intricate and seductive dance of deception and self-deception. At Count d'Orgel's masquerade ball, the real disguises are those of the human heart. Completed just before Raymond Radiguet's death at the age of twenty, Count d'Orgel's Ball is a love story that is as disturbing as it is delicious.

Internationally celebrated, award-winning author Mavis Gallant is a contemporary legend: an undisputed master of the short story whose peerless prose captures the range of human experience while evoking time and place with unequalled skill. This new selection of Gallant's stories, edited by novelist and poet Michael Ondaatje, gathers the

best of her many stories set in Paris, where Gallant has long lived. Here she writes of expatriates and locals, exile and homecoming, and of the illusions of youth and age, offering a kaleidoscopic impression of the world within the world that is Paris.

Story of the Eye - Georges Bataille 1989-10

Novel, translated by Joachim Neugroschel. Bataille's scandalous *STORY OF THE EYE*, written under the pseudonym Lord Auch, centers around the exploits of a young couple exploring the utmost boundaries of the sacred and

profane. This hallucinatory melding of sex and religion has lost none of its transgressive power since its original publication in the 1920s, and prefigures Bataille's later studies of death and sensuality, including *EROTISM* and *THE TEARS OF EROS*, also published by City Lights and available from SPD.

Jean Cocteau - Claude Arnaud
2016-09-27

This passionate and monumental biography reassesses the life and legacy of one of the most significant cultural figures of the twentieth century. Unevenly respected, easily hated, almost always suspected of being inferior to his reputation, Jean Cocteau has often been thought of as a jack-of-all-trades, master of none. In this landmark biography, Claude Arnaud thoroughly contests this characterization, as he celebrates Cocteau's "fragile genius—a combination almost unlivable in art" but in his case so fertile. Arnaud narrates the life of this legendary French novelist, poet, playwright,

director, filmmaker, and designer who, as a young man, pretended to be a sort of a god, but who died as a humble and exhausted craftsman. His moving and compassionate account examines the nature of Cocteau's chameleon-like genius, his romantic attachments, his controversial politics, and his intimate involvement with many of the century's leading artistic lights, including Picasso, Proust, Hemingway, Stravinsky, and Tennessee Williams. Already published to great critical acclaim in France, Arnaud's penetrating and deeply researched work reveals a uniquely gifted artist while offering a magnificent cultural history of the twentieth century.

The Guermantes Way -

Marcel Proust 2005-05-31

The third volume of one of the greatest novels of the twentieth century. Mark Treharne's acclaimed new translation of *The Guermantes Way* will introduce a new generation of American readers to the literary richness of Marcel

Proust. The third volume in Penguin Classics' superb new edition of *In Search of Lost Time*—the first completely new translation of Proust's masterpiece since the 1920s—brings us a more comic and lucid prose than English readers have previously been able to enjoy. After the relative intimacy of the first two volumes of *In Search of Lost Time*, *The Guermites Way* opens up a vast, dazzling landscape of fashionable Parisian life in the late nineteenth century, as the narrator enters the brilliant, shallow world of the literary and aristocratic salons. Both a salute to and a devastating satire of a time, place, and culture, *The Guermites Way* defines the great tradition of novels that follow the initiation of a young man into the ways of the world.

S. - Slavenka Drakulic
2001-01-01

"S. may very well be one of the strongest books about war you will ever read. . . The writing is taut, precise, and masterful."
—The Philadelphia Enquirer

Set in 1992, during the height of the Bosnian war, *S.* reveals one of the most horrifying aspects of any war: the rape and torture of civilian women by occupying forces. *S.* is the story of a Bosnian woman in exile who has just given birth to an unwanted child—one without a country, a name, a father, or a language. Its birth only reminds her of an even more grueling experience: being repeatedly raped by Serbian soldiers in the "women's room" of a prison camp. Through a series of flashbacks, *S.* relives the unspeakable crimes she has endured, and in telling her story—timely, strangely compelling, and ultimately about survival—depicts the darkest side of human nature during wartime.

prodigious oeuvre is notable as much for its homage to classical style as it is for its risque and even licentious undertones: it is, by Radiguet's own admission, an interpretation of 'the birth of Venus'; a depiction of the awakening of the senses. child, his anxiety at leaving his mother at night and his attempts to force her to come and kiss him goodnight, culminates in a spectacular success, when his father suggests that his mother stay the night with him. The Narrator's anxiety leads to manipulation, much like the manipulation employed by his invalid aunt Leonie and all the lovers in the entire book, who use the same methods of petty tyranny to manipulate and possess their loved ones. Swann's Way is considered to be Marcel Proust's most prominent work, known both for its length and its theme of involuntary memory, the most famous example being the "episode of the madeleine" which occurs early in the first volume. While there is an array of symbolism in the work, it is rarely defined through explicit "keys" leading to moral, romantic or philosophical ideas. The significance of what is happening is often placed within the memory or in the inner contemplation of what is described. This focus on the

relationship between experience, memory and writing and the radical de-emphasizing of the outward plot, have become staples of the modern novel but were almost unheard of in 1913.

Sphinx - Anne Garréta

2015-03-16

Sphinx is the remarkable debut novel, originally published in 1986, by the incredibly talented and inventive French author Anne Garréta, one of the few female members of Oulipo, the influential and exclusive French experimental literary group whose mission is to create literature based on mathematical and linguistic restraints, and whose ranks include Georges Perec and Italo Calvino, among others. A beautiful and complex love story between two characters, the narrator, "I," and their lover, A***, written without using any gender markers to

refer to the main characters, Sphinx is a remarkable linguistic feat and paragon of experimental literature that has never been accomplished before or since in the strictly-gendered French language. Sphinx is a landmark text in the feminist and LGBT literary canon appearing in English for the first time. Anne Garréta (b. 1962) is a lecturer at the University of Rennes II and research professor of literature and Romance studies at Duke University. She joined the Oulipo in 2000, becoming the first member to join born after the Oulipo was founded. Garréta won France's prestigious Prix Médicis in 2002, awarded each year to an author whose "fame does not yet match their talent," for her novel *Pas un jour*. prepares to build a log cabin.
She rides her beloved horse
and spends all her free time
taking in the fresh air. But
things aren't perfect, the
winters are harsh and her
dad's place is cold and
draughty. Enter their
neighbour who sees a girl in
need and offers to lend a hand.
Three words: "OUR LITTLE
SECRET," and Emily's fate is
sealed. Twenty five years later,
Emily is adrift and depressed
when she spots her neighbour
again on a ferry. The events of

that long-ago winter come
rushing back, and she is forced
to reckon with the past anew.
She vows that she will bring
him to justice, tell her secret,
and come to terms with the
wounds that defined so many
years of her life. Inept lawyers,
expensive therapy, and a
broken justice system block
Emily's path to peace. Only
when she rediscovers her
youthful artistic talent by
putting pen to paper does she
see a way out. Now in her
fifties, Carrington has crafted a
compulsively readable debut
that shows a powerful
command of the comics
medium. Our Little Secret is a
testament to survival and to
the importance of telling your
story your way.
