Guide, The (Modern Classics) - R.K. Narayan 2010-12

'The best of R.K. Narayan's enchanting novels'—The New Yorker Raju, a corrupt tourist guide, together with his lover, the dancer Rosie, leads a prosperous life before he is thrown into prison. After release he rests on the steps of an abandoned temple when a peasant passing by mistakes him for a holy man. Slowly,

almost reluctantly, he begins to play the part, acting as a spiritual guide to the village community. Raju's holiness is put to the test when a drought strikes the village, and he is asked to fast for twelve days to summon the rains. Set in Narayan's fictional town, Malgudi, The Guide is the greatest of his comedies of self-deception. 'A brilliant accomplishment ... Narayan is the compassionate man who

can write of human life as comedy’—The New York Times Book Review ‘Narayan is such a natural writer, so true to his experience and emotions’—V.S. Naipaul

Waiting For Mahatma - R. K. Narayan 2016-10-27

Set against the backdrop of the Indian Freedom Movement, this fiction novel from award-winning Indian writer R. K. Narayan traces the adventures of a young man, Sriram, who is suddenly removed from a quiet, apathetic existence and, owing

to his involvement in the campaign of Mahatma Gandhi against British rule in India, thrust into a life as adventurously varied as that of any picaresque hero. “There are writers—Tolstoy and Henry James to name two—whom we hold in awe, writers—Turgenev and Chekhov—for whom we feel a personal affection, other writers whom we respect—Conrad, for example—but who hold us at a long arm’s length with their ‘courtly foreign grace.’ Narayan (whom I don’t hesitate to name in such a context) more than any of them wakes in me a spring of gratitude, for he has offered me a second home. Without him I could never have known what it is like to be Indian.”—Graham Greene “R. K. Narayan...has been compared to Gogol in England, where he has acquired a well-deserved reputation. The comparison is apt, for Narayan, an Indian, is a writer of Gogol’s stature, with the same gift for creating a provincial atmosphere in a time of change....One is

convincingly involved in this alien world without ever being aware of the technical devices Narayan so brilliantly employs.”—Anthony West, The New Yorker

A Walk in the Night - Alex La Guma 1968

Of French and Malagasy stock, involved in South African politics from an early age, Alex La Guma was arrested for treason with 155 others in 1956 and finally acquitted in 1960. During the State of Emergency following the Sharpeville massacre he was detained for five months. Continuing to write, he endured house arrest and solitary confinement. La Guma left South Africa as a refugee in 1966 and lived in exile in London and Havana. He died in 1986. *A Walk in the Night* and *Other Stories* reveals La Guma as one of the most important African writers of his time. These works reveal the plight of non-whites in apartheid South Africa, laying bare the lives of the poor and the outcasts who filled the ghettos and shantytowns.

The World of Nagaraj - R. K. Narayan 2001

Grandly uninvolved in the bustle of Malgudi, Nagaraj enjoys a purposeless but orderly life of prayer, gossip and a little book-keeping at Coomar's Boeing Sari Centre. Fulfilment, however, eludes him. And even in his desultory determination to write his magnum opus, something always seems to prevent him getting started. Then crisis visits Nagaraj in the person of Tim, his tearaway young nephew, whose escapades not only serve to expose his weaknesses, but also to give him a hundred and one excuses for delay .

The Spivak Reader - Gayatri Chakravorty Spivak 1996
The Spivak Reader offers a selection of a major critic's work, making it accessible to

as wide an audience as possible in post-colonial studies, literature, women's studies, cultural studies, philosophy, and sociology. As a theorist, a feminist and a cultural critic, Gayatri Chakravorty Spivak has rigorously expanded our understanding of some of the key issues of contemporary thought. The Spivak Reader both introduces many of her most important writings, while also making it possible for students of Spivak's work to view her project as a whole. Headnotes and introductory material (including a new essay, "Reading Spivak") by Donna Landry and Gerald MacLean provide a helpful guide to the selections. Many pieces in the Reader have not been published in Spivak's earlier books; the volume also includes a new interview on the question of the subaltern.

R. K. Narayan - John Thieme

2013-07-19

R.K. Narayan's reputation as one of the founding figures of Indian writing in English is re-examined in this comprehensive study of his fiction, which offers detailed readings of all his novels. Arguing against views that have seen Narayan as a chronicler of "authentic" Indianness, John Thieme locates his fiction in terms of its specific South Indian contexts and cultural geography and its non-Indian intertexts. The study also considers the effect that Narayan's writing for overseas publication had on novels such as *Swami and Friends*, *The Guide* and *The Man-Eater of Malgudi*. Narayan's imaginary small town of Malgudi has often been seen as a metonym for India. Thieme draws on recent thinking about the ways in which place and space are constructed to demonstrate that Malgudi is always a fractured and transitional site, an interface between older conceptions of Indianness and contemporary views that stress

the ubiquitousness and inescapability of change in the face of modernity. The study also shows that Malgudi is seen from varying angles of vision and with shifting emphases at different points in Narayan's career. As well as offering fresh insights into the influences that went into the making of Narayan's fiction, this is the most wide-ranging and authoritative guide to his novels to have appeared to date. It provides a unique account of his development as a writer.

Swami and Friends, The Bachelor of Arts, The Dark Room, The English Teacher - R. K. Narayan 2009-06-03
R. K. Narayan (1906—2001) witnessed nearly a century of change in his native India and captured it in fiction of uncommon warmth and vibrancy. The four novels collected here, all written during British rule, bring colonial India into intimate focus through the narrative gifts of this master of literary realism. *Swami and Friends* introduces us to Narayan's beloved fictional town of Malgudi, where ten-year-old

Swaminathan's excitement about his country's initial stirrings for independence competes with his ardor for cricket and all other things British. *The Bachelor of Arts* is a poignant coming-of-age novel about a young man flush with first love, but whose freedom to pursue it is hindered by the fixed ideas of his traditional Hindu family. In *The Dark Room*, Narayan's portrait of aggrieved domesticity, the docile and obedient Savitri, like many Malgudi women, is torn between submitting to her husband's humiliations and trying to escape them. The title character in *The English Teacher*, Narayan's most autobiographical novel, searches for meaning when the death of his young wife deprives him of his greatest source of happiness. These pioneering novels, luminous in their detail and refreshingly free of artifice, are a gift to twentieth-century literature.

What Postcolonial Theory Doesn't Say - Anna Bernard
2015-08-11

This book reclaims postcolonial theory, addressing persistent limitations in the geographical, disciplinary, and methodological assumptions of its dominant formations. It emerges, however, from an investment in the future of postcolonial studies and a commitment to its basic premise: namely, that literature and culture are

fundamental to the response to structures of colonial and imperial domination. To a certain extent, postcolonial theory is a victim of its own success, not least because of the institutionalization of the insights that it has enabled. Now that these insights no longer seem new, it is hard to know what the field should address beyond its general commitments. Yet the renewal of popular anti-imperial energies across the globe provides an important opportunity to reassert the political and theoretical value of the postcolonial as a comparative, interdisciplinary, and oppositional paradigm. This collection makes a claim for what postcolonial theory can say through the work of scholars articulating what it still cannot or will not say. It explores ideas that a more aesthetically sophisticated postcolonial theory might be able to address, focusing on questions of visibility, performance, and literariness. Contributors highlight some of the shortcomings of current

postcolonial theory in relation to contemporary political developments such as Zimbabwean land reform, postcommunism, and the economic rise of Asia. Finally, they address the disciplinary, geographical, and methodological exclusions from postcolonial studies through a detailed focus on new disciplinary directions (management studies, international relations, disaster studies), overlooked locations and perspectives (Palestine, Weimar Germany, the commons), and the necessity of materialist analysis for understanding both the contemporary world and world literary systems.

Anitaa Padhye

Ten Classics is an in-depth look into the intricacies that went into making of ten legendary Hindi movies—milestones in the history of Indian cinema.

The Painter of Signs - R. K. Narayan 2006-08-29
For Raman the sign painter, life is a familiar and satisfying routine. A man of simple, rational ways, he lives with his pious aunt and prides himself on his creative work. But all that changes when he meets

Daisy, a thrillingly independent young woman who wishes to bring birth control to the area. Hired to create signs for her clinics, Raman finds himself smitten by a love he cannot understand, much less avoid—and soon realizes that life isn't so routine anymore. Set in R. K. Narayan's fictional city of Malgudi, *The Painter of Signs* is a wry, bittersweet treasure. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

My Days - R. K. Narayan

2013-07-30

"I am inclined to call this the last chapter, but how can an autobiography have a final chapter? At best, it can only be

a penultimate one; nor can it be given a rounded-off conclusion, as is possible in a work of fiction." So begins the last chapter of *My Days*, the only memoir from R. K. Narayan, hailed as "India's most notable novelist and short-story writer" by the *New York Times Book Review*. In his usual winning, humorous style, R. K. Narayan shares his life story, beginning in his grandmother's garden in Madras with his ferocious pet peacock. As a young boy with no interest in school, he trains grasshoppers, scouts, and generally takes part in life's excitements. Against the advice of all, especially his commanding headmaster father, the dreaming Narayan takes to writing fiction, and one of his pieces is accepted by *Punch* magazine (his "first prestige publication"). Soon his life includes bumbling British diplomats, curious movie moguls, evasive Indian officials, eccentric journalists, and "the blind urge" to fall in love. R. K. Narayan's larger-than-life perception of the

human comedy is at once acute and forgiving, and always true to it.

My Dateless Diary - R K

Narayan 2000-10-14

An unusual and witty travel book about the United States of America. At the age of fifty, when most people have settled for the safety of routine, R. K. Narayan left India for the first time to travel through America. In this account of his journey, the writer's pen unerringly captures the clamour and energy of New York city, the friendliness of the West Coast, the wealth and insularity of the Mid-West, the magnificence of the Grand Canyon...Threading their way through the narrative

are a host of delightful characters—from celebrities like Greta Garbo, Aldous Huxley, Martha Graham, Cartier Bresson, Milton Singer, Edward G. Robinson and Ravi Shankar to the anonymous business tycoon on the train who dismissed the writer when he discovered Narayan had nothing to do with India's steel industry. As a bonus, there are wry snapshots of those small but essential aspects of American life—muggers, fast food restaurants, instant gurus, subway commuters, TV advertisements, and American football. An entrancing and compelling travelogue about an endlessly fascinating land.
