The Holy Spirit - R. A. Torrey 2008

R. A. Torrey's books have probably helped more people understand the Bible and have led more souls to Christ than the writings of anyone since the Apostle Paul. Not only was Torrey a great Bible teacher and preacher, he was also filled with the Holy Spirit. He lived what he preached. In his worldwide revival crusades, Torrey presented three main teachings: on Christ, on prayer, and on the person of the Holy Spirit. This book focuses on the latter teaching: The Holy Spirit: Who He Is and What He Does. In addition to Torrey's teaching on the person of the Holy Spirit, this book presents seven of his shorter teachings, which he shared at Moody Bible Institute, in the churches he pastored, and in various places around the world. These seven teachings are on: The Deity of Jesus Christ, The Power of the Blood, The Power of the Holy Spirit, The Power of Prayer, The Power of the Word of God, The Place of Prayer in Evangelism,

Keep Praying Until God Answers. When you read this book, you will receive definite personal blessing in your heart, life, and service, and you will know who the Holy Spirit is and what He does. Book jacket.

Experiencing the Spirit - Henry Blackaby
2009-02-17

The first Christians “turned the world upside down” (Acts 17:6) shaking the gates of hell even in the face of severe persecution. The result: People all around “were filled with wonder and amazement” (Acts 3:10). What can give Christians today the same impact? God’s Holy Spirit is ready to answer that for us in an awesome way, as Henry Blackaby and his son Mel Blackaby make clear in *Experiencing the Spirit*. You’ll see how the proof of the Spirit’s presence is our awareness of God’s personal assignments for us, plus our supernatural enablement to carry out those assignments. You’ll find essential clarification on the difference between natural talents and

spiritual gifts. You'll explore the dynamics of being filled with the Spirit through intimate relationship with Him, committed obedience, and radical departure from sin. Instead of considering what you can do for God with your abilities and talents, you'll be encouraged here to seek what God wants to do through you supernaturally by His Spirit, empowering you beyond your personal competence and capacities. Release the Holy Spirit's work at the very core of your experience of the Christian life - as He releases you to serve God as never before.

The Holy Spirit: Power from on High - Jack Cottrell 2007-06

The Presence and The Power - Gerald F. Hawthorne 2003-02-20

We cannot escape the truth, writes Gerald Hawthorne, that Jesus was completely "one of us." Yet Jesus taught with amazing authority, spoke God's word with extraordinary power,

healed people who were sick, raised people who were dead, opened the eyes of the blind and did other miraculous things seemingly beyond the ability of humans. "How?" Hawthorne asks. "Was it by means of his divine nature that he did all this, for certainly he was fully God as well as fully human?" "No," is his resounding answer. Through a careful study of the New Testament, Dr. Hawthorne argues that Jesus did not act from the prerogatives of one who shared the nature of God. Rather, he did what he did through the Holy Spirit, upon whom he depended for power and authority. Essential to this view is the affirmation that Jesus was indeed fully human. In the pages of *The Presence and the Power*, the author shows the role of the Spirit in Jesus' conception and birth, in his boyhood and youth, in his baptism and temptation and ministry, and in his death and resurrection. Hawthorne brings his discussion to a climax by setting forth his own understanding of the mystery of the interworking of the human

and divine in Jesus. This all serves to usher the reader into the final chapter, role of the Holy Spirit in the life of the believer. This concluding chapter makes the truths of the book very clear as to their life-application for any and all of Jesus' followers.

With prayerful reverence and focused wisdom, Dr. Graham puts an understandable face on this mysterious third Person of the Trinity: The Holy Spirit is "not an impersonal force, like gravity or magnetism. He is a Person, with all the attributes of personality. But not only is He a Person, He is divine as well. Exciting, revolutionary power is available exclusively to

you as a Christian . . . It is the supernatural power: To transform human nature To be the salt of the earth, and the light of the world To bring about a dramatic but peaceful revolution in those around you To face any crisis You cannot buy this extraordinary power, nor can you find it by searching the earth for it. The Secret to Holy Spirit Authority - David Charles Craley 2011-11-04

_____ How did He do it? _____ How did Jesus do it? How did He heal the sick, open the eyes of the blind, and set the captives free at every opportunity? And how did His disciples do it after He ascended into heaven? Some may say, Jesus could do it because He was God. But that point of view, suggesting that we cannot do it because we are not God, falls short of what Jesus promised His disciples in the Gospel of John: Most assuredly, I say to you, he who believes in Me, the works that I do he will do also; and greater works than these he will do, because I go to My Father [John 14:12, NKJV]. If the Lords promise to His disciples is true--that we can and should be doing the same works He did--and greater, then there must be answers in the word of God, there must be keys to help us understand how. With revolutionary prophetic insight, *The Secret to Holy Spirit Authority: In the Power of the Spirit* reveals step by step how Jesus did it, how His disciples did it, and how Christian believers today can rise up spiritually to walk in

His steps and set the captives free. revolutionary prophetic insight

In *Experiencing the Power of the Holy Spirit*, he draws on Scripture to illuminate the living and active work of the Spirit. Because many believers have a limited view of their great Advocate, Counselor, Helper, and Companion, they don't realize that in day-to-day life they can depend on Him to... encourage, guide, and correct them, and prompt them to speak or act appropriately help them identify deep motives and penetrate to the root of personal struggles help them discern in prayer what is best in a situation When believers build their lives upon reliance on the Spirit, they can live confidently in life's stressful situations and

relationships, knowing they have a Friend who is always there to help.

When the Spirit Comes with Power - John White 2009-09-20

John White has extensively interviewed many people, including those from John Wimber's Vineyard Christian Fellowship. His years of work as a psychiatrist and as a missionary in the Third World qualify him in a special way to analyze the experiences described in this book. In addition he has thoroughly studied revivals of the past, highlighting the differences and the similarities to what is happening today. As always, John White remains thoroughly biblical as he handles many controversial topics. The result is a book full of practical wisdom and remarkable insight with conclusions that are fresh and surprising. [Don't Blame God!](#) - Mark H. Graeser 2007-08 This book addresses what is probably the number one question most people have about God: If He is a loving God, why is there such rampant human suffering? This book shows

biblically that God is not at all to blame, that the cause of all suffering is sin, and it shows whose sin. It shows why Jesus Christ is the fulcrum of history in this regard, and resolves the seemingly apparent contradiction between the nature of the Old Testament God and that of the New Testament God, which, of course are the same changeless God. The book exposes the myth that God is totally in control of all that happens (which would make Him responsible for it) and shows that He and His Son Jesus Christ are doing all they can to intervene in the realm of Satan's authority and help us. A chapter on faith shows what faith is and how it helps us to access the power of God. The book shows how God does test us for our benefit, though never by tragedy or affliction. It explains what the "chastening" of God is and why it has nothing to do with anything like punishing us. The redemptive value of the proper response to suffering is also discussed. Letting God speak for Himself and seeing the truth of His Word about

the subject of evil, sin, and suffering will help you grow immensely in love for God and His Son, in faith for their promises, and in hope of the final victory that is ours, enabling you to live with joy and peace, even in a "war zone."

How to be Filled with the Holy Spirit - A. W. Tozer 2020-04-02

"The following pages represent the gist of a series of sermons given on successive Sunday evenings to the congregation of the church of which I am pastor. The fact that these were originally spoken messages accounts for their racy style and for the personal references which occur in them occasionally. Had I been writing the messages I should have exercised greater care in the composition. The subject is, however, so vitally important that I feel sure the reader will pardon the offhand style of the language. The truth is always good even when the vehicle in which it rides is homely and plain."

[The Holy Spirit as Person and Power](#) - Rob Yule
2020-01-10

In just over one hundred years, the Pentecostal-charismatic movement has transformed world Christianity. Noted for their rediscovery of spiritual gifts and commitment to world evangelization, 700 million Pentecostals and charismatics now account for more than 27 percent of the global Christian movement. The Pentecostal-charismatic movement has been more noted for its activism than for theological reflection. But this may be changing. The Holy Spirit as Person and Power challenges traditional theology to take account of what has been disclosed in the dynamism and variety of charismatic experience. The author is a theologically trained practitioner, impacted in

midlife by a transforming experience of the Holy Spirit. He has been a hands-on leader in the renewal movement. Now, in his later years, he reflects on the meaning of the grace imparted to the church by the renewing activity of God's Spirit. This is not the work of an enthusiast claiming a new revelation. Rather, the author draws attention to many nuances in the Bible's description of the Spirit that have been overlooked in traditional pneumatology. By relating these insights to Orthodox, Catholic, Protestant, and evangelical theology, he has produced a book with ecumenical implications for all branches of world Christianity.

[The Power of the Holy Spirit in You](#) - Pat Robertson 2022-01-11

Who Is the Holy Spirit—and Why Do You Need Him in Your Life? After His crucifixion and resurrection, Jesus gave His disciples an assignment to change the world—but told them to wait until the power of the Holy Spirit had come upon them before setting out. His charge to modern-day believers is no different: To do the works that Jesus did (and even greater ones, as He said), it is imperative that we operate from the indwelling power of the Holy Spirit. But Who is this mysterious Third Person of the Trinity? How do we get this power, and what are we to do with it when we receive it? Pat Robertson, founder of the Christian Broadcasting Network and beloved longtime host of *The 700 Club*, tackles these questions and many others in this, the final book of a life that is now in its ninth decade. Robertson traces the path of the Holy

Spirit through both the Old and New Testaments, and shares stories from his own life and that of many 700 Club viewers testifying to how the power of the Holy Spirit has miraculously freed and healed them today. If you want a better understanding of the Holy Spirit and are hungry to know more about the power that is available through Him to every Christfollower today, this book is for you.
