The Mage Queen - R. A.

Dodson 2020-05-27

He should be dead a dozen times over. Evidently, fate has other plans. The year is 1631, and France lies in ruins after five long years under a devastating Curse. Its only hope—the magical bloodlines of a deposed queen in hiding, hunted by her enemies. Fleeing the carnage in Gascony, Charles d'Artagnan abandons the ashes of his former life to seek better opportunities in Paris. With his land gone and his family among the countless dead, he has nothing left to lose and little to gain beyond mere survival. Magic—once a useful tool for those rare individuals who still possess it—has become a weapon of incomparable power and destructiveness employed by France's bitter rival, Spain. With Louis XIII dead and a Spanish pretender seated on the throne, the country's future

appears bleak. As one faceless refugee among many, d'Artagnan never expected to hold Europe's destiny balanced in his hands. He certainly never expected to be welcomed into an elite guard protecting France's one and only hope—a widowed queen wielding the same power as her enemies. But Anne of Austria's magic will be wasted unless d'Artagnan can help her stay one step ahead of the assassins nipping at her heels. Ultimately, he and his comrades must return her to the belly of the beast itself, confronting the very forces that have pushed France to the brink of destruction. The Mage Queen can't do it alone. But with the help of d'Artagnan and her loyal musketeers, France may still have a fighting chance. -o-o-o- A version of this historical fantasy novel was previously published as *The Queen's Musketeers* under a different pen name. It has been extensively revised and rewritten.

The Lost Gate - Orson Scott Card 2011-01-04

Orson Scott Card's *The Lost Gate* is the first book in the *Mithermages* series from the New York Times bestselling author of *Ender's Game*. Danny North knew from early childhood that his family was different, and that he was different from them. While his cousins were learning how to create the things that commoners called fairies, ghosts, golems, trolls, werewolves, and other such miracles that were the heritage of the North family, Danny worried that he would never show a talent, never form an

outself. He grew up in the rambling old house, filled with dozens of cousins, and aunts and uncles, all ruled by his father. Their home was isolated in the mountains of western Virginia, far from town, far from schools, far from other people. There are many secrets in the House, and many rules that Danny must follow. There is a secret library with only a few dozen books, and none of them in English — but Danny and his cousins are expected to become fluent in the language of the books. While Danny's cousins are free to create magic whenever they like, they must never do it where outsiders might see.

Unfortunately, there are some secrets kept from Danny as well. And that will lead to disaster for the North family. The *Mithermages* series *The Lost Gate* *The Gate Thief* *Gatefather* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

As a half-angel, half-human

mage, Marion Garin is the most powerful witch in the world. She's been embroiled in preternatural politics since childhood and navigates the factions with ease. Or so she's been told. Unfortunately, she's lost her memory, and now Marion doesn't know much of anything. Casting magic? Forget about it. It's not an accident, either. Someone powerful wanted to take Marion out of preternatural politics, and they succeeded. She's told that a man named Seth Wilder could help, but she'll have to find him first. lead on her memories. Whoever stole them and sold Marion's essence to a demon lord in Sheol. Marion wants to help steal them back, even though that means abandoning the Winter Court to war. And Seth can't seem to tell Marion no. He wants Marion nearby. Very nearby. Possibly in his teeth. See, Seth has this little problem where he's developing a killing urge, and it seems to be centered primarily on the half-angel girl who adores him. It conflicts with everything Seth believes himself to be: a moral man, a doctor who heals instead of hurts. Yet he's obsessed with Marion. She wants her memories, and he wants her to have them as much as he wants her blood. They'll work together to make Marion whole, come hell or high water. Even if it means war. Even if it means Seth might hurt Marion. And damned be the consequences...
* * * About Cast in Faefire Marion Garin, the Voice of God, is due to marry the Prince of the Autumn Court by the end of the week - assuming that the

world's preternatural leadership doesn't have anything to say about it. They plan to strip Prince ErlKonig of his title, ensuring that Marion can't form a god-forbidden treaty with the angels. Still injured from his final fight in Sheol, Seth Wilder is seeking a way to stay alive. If he dies, he'll lose more than his life - he'll be slave to the gods' whims for all eternity.
