Women like a guy who makes them laugh. Even better if he's loyal and hard-working. That's me. Enter Natalie. Hot, sexy, smart, and my new assistant. And before I can make her say "Oh God right there YES!" one more time, we're both saying yes--the big yes--at a roadside chapel in front of a guy in press-on sideburns and a shiny gold leisure suit. We'll just untie the knot in the morning, right? The trouble is . . . I don't know how to keep my hands off my soon-to-be ex-wife.

The Unique Technique - Maria Higgins 2016-02-02

I am an optometrist. I owned a very traditional medical, white coat practice in Pittsburgh, Pennsylvania near the University of Pittsburgh for 10 years. I became bored and uninspired in this vanilla business environment and sterile space. Feeling restless, I sold my practice and began the search for a new place to start a fresh concept in optometry. I found Frederick, Maryland, which is a historic, walkable little city that tops the triangle with DC and Baltimore. I relocated to a new town, in a new state with a brand new practice - Unique Optique. I was an outsider and a transplant, trying to win Frederick's trust and convince the residents of this town to come to my practice to spend money on high-end glasses. To accomplish this feat, I decided that I needed to show our authenticity, exude genuine sincerity, and smile through adversity. I embraced my flaws; I was vulnerable and real. I used social media, in-house events and the decor of the office to display the business's personality. People instantly related to the practice. They saw that I was not perfect, but I was earnest and that I truly cared. I was proud of my venture. Unique Optique's reviews were stellar and real. The practice grew steadily and by the end of the first year, I was recognized as the Start Up Entrepreneur of Frederick County. Soon, I had requests from business owners and entrepreneurs to come and visit the practice and discuss our unique image strategies. People wanted this quality for their own businesses. I realized that I had helpful and valuable information and put my techniques down on paper. While developing my brand and marketing my business, I have made mistakes, learned from them, and attempted to fix them. I have worked through adversity and difficulties. In the end, I cultivated a brand to which people could relate. This is my experience. I hope it helps you find your Unique Technique."

The unforeseen, the unpredictable, love, loss, horror and fantasy all await within. Though rich and varied in theme, throughout the stories is the underlying principal that sometimes the line between reality and the mysterious can blur, creating a place where what-if's reign supreme. A worldwide conspiracy revealed, a biblical apocalypse wrought; a vengeful imaginary friend, and one not so vengeful but with just as harrowing consequences; an unlikely hero, and an unwilling one; an ancient Egyptian curse, a malevolent Indian spirit - these are just some of the characters and themes you will rub shoulders with in this eclectic collection. With her debut collection, Emma Ennis invites you to raise a glass in a toast to the unknown, and see if Red Wine and Words doesn't make you question the threads in your carefully woven blanket of beliefs.

Atlas Shrugged - Ayn Rand 2005-04-21

Peopled by larger-than-life heroes and villains, charged with towering questions of good and evil, Atlas Shrugged is Ayn Rand's magnum opus: a philosophical revolution told in the form of an action thriller—nominated as one of America's best-loved novels by PBS's The Great American Read. Who is John Galt? When he says that he will stop the motor of the world, is he a destroyer or a liberator? Why does he have to fight his battles not against his enemies but against those who need him most? Why does he fight his hardest battle against the woman he loves? You will know the answer to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a productive genius becomes a worthless playboy...why a great steel industrialist is working for his own destruction...why a composer gives up his career on the night of his triumph...why a beautiful woman who runs a transcontinental railroad falls in love with the man she has sworn to kill. Atlas Shrugged, a modern classic and Rand's most extensive statement of Objectivism—her groundbreaking philosophy—offers the reader the spectacle of human greatness, depicted with all the poetry and power of one of the twentieth century's leading artists.

Turning This Thing Around - Keith Maginn 2012-12-22

Turning This Thing Around is an inspiring memoir of overcoming personal struggles. This brutally honest, deeply personal account of redemption takes readers on a moving spiritual journey. Confronted with a myriad of obstacles—a debilitating arthritic disease, narcolepsy, anxiety and depression—the author was outwardly happy, but inwardly miserable. Pushed to the lowest point of his life, Maginn shares how he gradually turned things around and used his experiences to grow as a person. Supplemented by heartfelt poetry by the author and with quotes from Gandhi to Dr. Wayne Dyer to Eckhart Tolle, Turning This Thing Around has universal themes that speak to nearly everyone, as we all must face challenges as part of being human. It is a self-help memoir of sorts: the author discusses not only what he overcame, but also how he did so—and how others can, too. Unlike many popular memoirs on the market, this is a story that more people can relate to. Maginn was not raised in an eccentric family (Jeannette Walls in The Glass Castle,

memoirs by Augusten Burroughs), nor did he travel to Italy, India and Indonesia, as Elizabeth Gilbert did in Eat, Pray, Love. Rather, Turning This Thing Around is a story of a normal young man's resiliency when battling extraordinary circumstances.

I Smell of Cigarettes and Cheap Memories - Collin R. Brumagin 2014-07-01

"I Smell of Cigarettes and Cheap Memories" is a lyrical journey through a whiskey-soaked heart torn by both the bittersweet triumphs and failures of past loves, both romantic and otherwise. Each poem envelops a story of its own with a beginning, middle and end, allowing the reader to envision themselves in a space and time where the words become a reality. It sends the mind down an emotional road full of both beer-spewing laughter and gut-wrenching heartache. Brumagin is able to connect and relate to the most basic instincts and desires of human nature, most importantly what it means to gain and lose, and to genuinely let oneself feel the weight of those losses.

It Starts with Us - Colleen Hoover 2022-10-18

Before It Ends with Us, it started with Atlas. Colleen Hoover tells fan favorite Atlas's side of the story and shares what comes next in this long-anticipated sequel to the "glorious and touching" (USA TODAY) #1 New York Times bestseller It Ends with Us. Lily and her ex-husband, Ryle, have just settled into a civil coparenting rhythm when she suddenly bumps into her first love, Atlas, again. After nearly two years separated, she is elated that for once, time is on their side, and she immediately says yes when Atlas asks her on a date. But her excitement is quickly hampered by the knowledge that, though they are no longer married, Ryle is still very much a part of her life—and Atlas Corrigan is the one man he will hate being in his ex-wife and daughter's life. Switching between the perspectives of Lily and Atlas, It Starts with Us picks up right where the epilogue for the "gripping, pulse-pounding" (Sarah Pekkanen, author of Perfect Neighbors) bestselling phenomenon It Ends with Us left off. Revealing more about Atlas's past and following Lily as she embraces a second chance at true love while navigating a jealous ex-husband, it proves that "no one delivers an emotional read like Colleen Hoover" (Anna Todd, New York Times bestselling author).

How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian

Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Family Destruction - Tyron Hayes 2017-08-03

This novel is just a figment of my imagination and does not depict the views of my personal opinion. In memory of the dearly departed, I would like to bow my head in a moment of silence for all the fallen soldiers who didn't get a chance to see life for the way it was meant to be viewed. For our predecessors

who've been misguiding our young minds of the ghettos for far too long. For those who helped to prevent prosperity from ever reaching its full potential. For the many demons of their own destruction, who truly believe that genocide is the only way to properly represent their neighborhoods with pride. For the athletic, or intellectual being, who seem -to have missed their true calling for dedicating so much of their lives to the lost cause of gang violence, we say no more! If we don't stand for something, we will eventually start falling for anything. It's time to wake up, and build up to the expectation of our own greatness!If not, the very future of our children, and our children's, children's lives will one day depend on it...
