Treasured Catholic Prayers - Bart Tesoriero 2003-04-08

The Psalms of David - Donald Sheehan 2013-09-24

"In this rendering, the Psalms become once again what they were for Christian believers from the very beginning: the hymnal of the Church. They remain, certainly, the songs of Israel: from its cries of lamentation to its shouts of exultation. But for the Christian reader, they become as well hymns of petition and praise that express both the joy and the longing of those who live 'in Christ' . . . At the same time their very language can convey to us the assurance that, as he has throughout the millennia, God hears our prayer and responds to it with boundless mercy, love, and compassion. --from the Preface by Fr. John Breck Professor Sheehan's brief introductory exposition of the

Davidic roots of Psalms and the poetics of chiasmus guides us in understanding how the ruining oppositions of actual experience are held in Psalms within the musical disciplines of lyric art: held, until God Himself can be seen in the ruins: seen, and felt, and overwhelmingly and gratefully loved. The psalmist's world doesn't change as he turns his experience toward God. What changes is he himself. How he changes is toward acquiring the very mind of Christ, to which each of us is called. "

I Pray Today - Angela Isaacs 2018

Lord Jesus Christ, Son of God, Have Mercy on Me, a Sinner. - D. S. Gerontakis 2015-03-12

"Prayer is by its very nature a dialogue and a union with God. Its effect is to hold the world together and to achieve a reconciliation with God. Prayer is the mother and daughter of tears. It is expiation of sin, a bridge over temptation, a barrier against affliction. It wipes out conflict, is the work of Angels and the nourishment of all bodiless beings. Prayer is the future gladness, an endless work, a wellspring of virtues, a source of grace, hidden progress, food for the soul, an illumination of the mind, an axe against despair, a proof of hope, sorrow done away with, the wealth of monks, the treasure of hesychasts, the reduction of anger, the mirror of progress, a demonstration of success, evidence of one's condition, the future revealed, and a sign of glory. For him who truly prays, prayer is the court, the judgment hall and the tribunal of the Lord before the judgment to come." St. John Climacus

Prayers by the Lake - St Nikolai Velimirovich
2018-08-11

This work is written during his resting periods at Lake Ochrid (1921) in poetic-prose style, similar in spirituality to the Psalms of David. Can those who are themselves homeless really build the temple for the Teacher of all builders? (...) When you build the best for Him, you are setting an example for your soul, showing her what she should be building within herself (...) You build Him expensive edifices, in order to remind your soul that she was intended for, a royal palace, and not for hovels of clay (...) But what will become of your temples (...) If the domes of your temples are forever higher than your souls? (...) If the width of your temples is forever wider than the narrowness of your souls? (...) If your altars are forever shining more brightly than the shrines of your souls? (...) They will become the dead monuments of dead souls. Meet one of the greatest Orthodox bishops of the 20th century, an theological writer and a highly gifted orator, known as "The New Chrysostom." Saint Nikolai Velimirovich of Ohrid and Zhicha (1880 - 1956) was bishop in the Serbian Orthodox Church and the author of many Orthodox books.

Praying the Jesus Prayer - Frederica Mathewes-Green 2011-08-01

"Lord Jesus Christ, Son of God, have mercy on me." This very simple prayer was developed in the deserts of Egypt and Palestine during the early centuries of Christian faith, and has been practiced in the Eastern Orthodox Church ever since. It is a prayer inspired by St. Paul's exhortation to "pray constantly" (1 Thessalonians 5:17), and its purpose is to tune one's inner attention to the presence of the Lord. This series of "little books" is designed to enable you to grasp the meaning of one ancient method of Christian prayer in a relatively short amount of time. In *Praying the Jesus Prayer*, one of today's most respected voices on Orthodoxy in America introduces you to:

- The history and meaning of this popular but rarely understood method of talking to God
- What it means to really pray with both heart and mind
- How to get started incorporating the Jesus Prayer into your life.

This deeply personal book is an account of one holy man's unique journey in the life of contemplation. The Glenstal Book of Icons - Gregory Collins 2002

The Glenstal Book of Icons contains prayers and meditations on a selection of icons from the Abbey's Byzantine chapel. Drawing on the popular monastic practice of *lectio divina*, the icons themselves are seen as 'texts' giving rise to meditation on the Christian mysteries. This leads to acts of prayer, in which special emphasis is placed on the famous 'Jesus Prayer', discussed in detail in the introduction to the book. Thus the icons and the Jesus Prayer become a point of entry to the mystical spirituality of Eastern Christianity. The book's aim is that of the icon itself: to open the heart in contemplative prayer to the transforming vision of God's glory. Each icon is reproduced in full colour.

Life in Christ - Julia Gatta 2018-07-17

• Background on spiritual practices for Episcopalians • Noted spiritual director shares wisdom from Anglican tradition With its great heritage from English mystics, the Episcopal Church has been "spiritual" since before it was trendy, and modern Episcopalians have been in the forefront of exploring practices beyond Anglican boundaries. Yet, perhaps only rarely do they grasp the implications of the theology embedded in these practices or in the liturgies of the 1979 Book of Common Prayer, which has shaped Episcopalians in this country with its emphasis on baptismal spirituality and the centrality of the Eucharist. Julia Gatta wants to change that with her new book, *Life in Christ*. Applying her years of experience as pastor and spiritual director combined with her study of the spiritual wisdom of the past, she explores common Christian practices and their underlying theology through an Episcopal lens. In the tradition of Esther de Waal, Martin Smith, and Martin Thornton, with particular reference to scripture, The Book of Common Prayer, and the wisdom of the Christian spiritual tradition, she illuminates methods readers may already be practicing and provides insight and guidance to ones that may be new to them.

Even in the twenty-first century, critical and creative engagement with modern and postmodern philosophy is still a rarity in Orthodox circles. This collection of essays makes a contribution to overcoming this deficit. Eight scholars from six different countries, working on the intersection between Orthodox thought and philosophy, present their research in short and accessible essays. The range of topics spans from political philosophy to phenomenology, metaphysics, philosophy of self, logic, ethics, and philosophy of language. This book does not promote one particular approach to the relationship between Orthodox theology and philosophy. Yet all authors demonstrate that Orthodox scholarship is not confined to historical research about the Byzantine era, but that it can contribute to, and enrich, contemporary intellectual debates.
