Conjure Cards - Jake Richards 2021-04-01

A unique divination deck based on the authentic backwoods traditions, folklore, and superstitions of Appalachia. For centuries, people living in Appalachia have used homemade playing cards for fortune-telling and dream interpretation. This tradition has arisen over many generations of backwoods conjurers, grannie witches, and yarb doctors. The *Conjure Cards* fortune-telling deck was created by Jake Richards (author of *Backwoods Witchcraft*) and fashioned after the folklore, superstitions, and dream symbols that he grew up with in western North Carolina. Jake offers these common Appalachian methods of divination paired with the honored pastime of sharing and interpreting dreams. Examples: The Nine of Diamonds shows a headless rooster; to dream of a headless animal is a sign of a haint or plat-eye, which is a spirit who didn't have proper burial. The Ace of Spades, usually named the death card, is an old-fashioned baby cradle because to dream of a birth predicts a death. The "little joker" is a witch or enemy and is represented by the folkloric black cat, while the "big joker" is the devil and is symbolized by one of the devil's forms in Appalachia: the black dog. The black dog represents evil spirits, so if it is paired with the black cat and the Ten of Spades (a grave stone), it could mean a family haint is haunting you or an enemy has conjured the dead against you. The Ace of Diamonds shows two wedding rings, and predicts news, luck, and proposal. If shown with the Five of Hearts (a chapel with a stained-glass window) and the Ten of Diamonds (sunflowers), it would predict a happy marriage or undertaking.

Born Knowing - John Holland 2003-02-01

Given the phenomenal change in attitudes about life after death, public interest in the Other Side is ever-increasing. Born Knowing will show you that even after the loss of a loved one, you're never truly alone. Born Knowing is John Holland's first book. In an open and candid way, he explains how he dealt with his conflict of coming to terms, and finally accepting, his rare ability as a spirit messenger who helps people connect with those who have passed on. Born in the tough suburbs of Boston, John coped with a difficult childhood, where he was ridiculed by his family and society, leaving him feeling isolated because of his psychic abilities. He refused to acknowledge his gift until a near-fatal automobile accident amplified his abilities to the point where he had to learn how to control what was once pushed away. Drawn by the history and knowledge of spiritualism in England, John takes you on his two-year journey throughout Britain. He tells the story of his training to be a top medium in the British spiritualist organizations, which he humorously refers to as A Spirit Boot Camp, and how he gained acceptance and respect within this tightly knit, often-conservative spiritual community.

Born Knowing takes out the "psychic babble" by validating and dispelling some of the mystery and myths regarding mediumship. Throughout the book, John presents real-life case studies, where he discusses his readings with clients, the effect on their lives, and the sense of closure people feel, knowing that their loved ones who have passed on are still with them. The book will also help you develop your own psychic and intuitive abilities, recognize signals from the Other Side, and make spiritual connections for yourself.
