Comprehending as capably as concord even more than supplementary will find the money for each success. neighboring to, the message as well as sharpness of this the secret life of girls around the world pdf can be taken as well as picked to act.

Emotional Creature - Eve Ensler 2013-11-25

Performed by an ensemble of young women, EMOTIONAL CREATURE is made up of original monologues—and irresistible songs—about and for girls. Placing their stories squarely center stage, it gives full expression to their secret voices and innermost thoughts, highlighting the diversity and commonality of the issues they face. EMOTIONAL CREATURE is a call, a reckoning, an education, an act of empowerment for girls, and an illumination for parents and for us all. Eve Ensler's Emotional Creature is a vehicle to empower girls and inspire their activism. V-Girls is a global network of girl activists and advocates. In the same way The Vagina Monologues built a movement on college campuses and in communities, young girls will be able to participate in V-Day's empowerment philanthropy model, igniting their activism through V-Girls. V-Girls is rooted in youth-driven activism. A V-Girls Action Guide provides service-learning curriculum for middle and high school youth based on issues covered in Emotional Creature, with an emphasis on activism. Organizers can start a V-Girls club or incorporate V-Girls resources into an existing youth program.

The Secret Life of Prince Charming - Deb Caletti 2010-03-16

A thoughtful, funny, and layered teen novel by National Book Award Finalist Deb Caletti.

The Secret History of Home Economics: How Trailblazing Women Harnessed the Power of Home and Changed the Way We Live - Danielle Dreilinger 2021-05-04

The surprising, often fiercely feminist, always fascinating, yet barely known, history of home economics. The term "home economics" may conjure traumatic memories of lopsided hand-sewn pillows or sunken muffins. But common conception obscures the story of the revolutionary science of better living. The field exploded opportunities for women in the twentieth century by reducing domestic work and providing jobs as professors, engineers, chemists, and businesspeople. And it has something to teach us today. In the surprising, often fiercely feminist and always fascinating *The Secret History of Home Economics*, Danielle Dreilinger traces the field's history from Black colleges to Eleanor Roosevelt to Okinawa, from a Betty Crocker brigade to DIY techies. These women—and they were mostly women—became chemists and marketers, studied nutrition, health, and exercise, tested parachutes, created astronaut food, and took bold steps in childhood development and education. Home economics followed the currents of American culture even as it shaped them. Dreilinger brings forward the racism within the movement along with the strides taken by women of color who were influential leaders and innovators. She also looks at the personal lives of home economics' women, as they chose to be single, share lives with other women, or try for egalitarian marriages. This groundbreaking and engaging history restores a denigrated subject to its rightful importance, as it reminds us that everyone should learn how to cook a meal, balance their account, and fight for a better world.

The Secret Life of Dorothy Soames - Justine Cowan 2021-01-12

"Far from growing up in the wealthy, fox-hunting circles she had always suggested, her mother had in fact been raised in a foundling hospital for the children of unwed women." — Editor's Choice, *The New York Times* Book Review "Extraordinary ... fascinating, moving." —*The Telegraph* "This emotional and transatlantic journey is a page-turner." — Editor's Pick, Amazon Book Review "Book groups will find as much to discuss here as they have with *The Glass Castle* by Jeannette Walls, and *Educated* by Tara Westover." — BookList Recommended by *The New York Times*, *The Saturday Evening Post*, Amazon Book

Review, *The Atlanta Journal Constitution*, *Publisher's Weekly*, *Kirkus* and more, Justine Cowan's remarkable true story of how she uncovered her mother's upbringing as a foundling at London's Hospital for the Maintenance and Education of Exposed and Deserted Young Children has received acclaim on both sides of the Atlantic. In the U.K., it has been featured in *The Mail on Sunday*, *The Daily Mail*, *The Daily Mirror* and *The Spectator*. *The Telegraph* calls it "extraordinary and *Glamour* magazine chose it as the best new book based on real life. The story begins when Justine found her often volatile mother in an unlit room writing a name over and over again, one that she had never heard before and would not hear again for many years - Dorothy Soames. Thirty years later, overcome with grief following her mother's death, Justine found herself drawn back to the past, uncovering a mystery that stretched back to the early years of World War II and beyond, into the dark corridors of the Hospital for the Maintenance and Education of Exposed and Deserted Young Children. Established in the eighteenth century to raise "bastard" children to clean chamber pots for England's ruling class, the institution was tied to some of history's most influential figures and events. From its role in the development of solitary confinement and human medical experimentation to the creation of the British Museum and the Royal Academy of Arts, its impact on Western culture continues to reverberate. It is the reason we read Dickens' *Oliver Twist* and enjoy Handel's *Messiah* each Christmas. It was also the environment that shaped a young girl known as Dorothy Soames, who bravely withstood years of physical and emotional abuse at the hands of a sadistic headmistress—a resilient child whose only hope would be a daring escape as German bombers rained death from the skies. Heartbreaking, surprising, and unforgettable, *The Secret Life of Dorothy Soames* is the true story of one woman's quest to understand the secrets that had poisoned her mother's mind, and her startling discovery that her family's fate had been sealed centuries before.

Nothing Personal - Nancy Jo Sales 2021-05-18

A raw and funny memoir about sex, dating, and relationships in the digital age, intertwined with a brilliant investigation into the challenges to love and intimacy wrought by dating apps, by firebrand *New York Times*-bestselling author Nancy Jo Sales At forty-nine, famed *Vanity Fair* writer Nancy Jo Sales was nursing a broken heart and wondering, "How did I wind up alone?" On the advice of a young friend, she downloaded Tinder, then a brand-new dating app. What followed was a raucous ride through the world of online dating. Sales, an award-winning journalist and single mom, became a leading critic of the online dating industry, reporting and writing articles and making her directorial debut with the HBO documentary *Swiped: Hooking Up in the Digital Age*. Meanwhile, she was dating a series of younger men, eventually falling in love with a man less than half her age. *Nothing Personal* is Sales's memoir of coming-of-middle-age in the midst of a new dating revolution. She is unsparingly honest about her own experience of addiction to dating apps and hilarious in her musings about dick pics, sexting, dating FOMO, and more. Does Big Dating really want us to find love, she asks, or just keep on using its apps? Fiercely feminist, *Nothing Personal* investigates how Big Dating has overwhelmed the landscape of dating, cynically profiting off its users' deepest needs and desires. Looking back through the history of modern courtship and her own relationships, Sales examines how sexism has always been a factor for women in dating, and asks what the future of courtship will bring, if left to the designs of Silicon Valley's tech giants—especially in a time of social distancing and a global pandemic, when the rules of romance are once again changing.

The Secret Life of It Girls - Dakota Lane 2008-03-01

A series of vignettes in which high school girls in a clique thresh out everything from teenage pregnancy and indiscretions on the Internet to the correct procedure for failing a Spanish exam.

The Moon Dragon (The Secrets of Droon #26) - Tony Abbott 2016-02-23

A hidden door. A magical staircase. Discover the world of Droon! There's no place like home! Eric and his friends have finally restored the Rainbow Stairs, but that was the easy part. Now Gethwing is loose in the Upper World, and the Moon Dragon is causing big trouble. Eric, Julie, and Neal have to protect their town, but they're up against mysterious creatures, strangely-behaving parents, and powerful magic. Can the kids stop Gethwing before he destroys the Upper World -- for good?

The Secret Lives of Teen Girls - Evelyn Resh 2011-02

In *The Secret Lives of Teen Girls*, Evelyn Resh, the mother of a teenage daughter and a certified nurse-midwife specializing in the treatment of teenage girls, explores the mysterious world of female, adolescent sexuality and how parents—especially mothers—can help their daughters through this tumultuous time. Secrets divulged by teenage girls during consultation have made Resh realize that, with rare exception, most adolescents are left to develop a sexual identity without any adult guidance and often without the most basic knowledge of what is happening to them physically and emotionally. She also realized that many girls are frequently subject to criticism and shaming about their normal, adolescent behavior. Resh believes these issues are what underlie many of the problems teens face during this crucial step into becoming a fully developed adult woman capable of making good, sound, safe, and independent decisions throughout life. Through compelling, frank, and sometimes humorous stories from both Resh and her patients, *The Secret Lives of Teenage Girls* explains to parents just what is going on with their teenage daughters during this essential phase of their development. She discusses many of the complicated problems she's seen in practice, including not just sexual activity but also eating disorders, substance abuse, mental illness, unplanned pregnancies, violence, and STDs. She also looks at less serious but still troubling issues like under-achievement, battles with parents, and lack of emotional and social support. In this insightful book, Resh provides parents with the tools to help their teen daughters negotiate the waters of their sexual development and emerge with their strength, their sexuality, and their self image intact.

The Secret Lives of Teen Girls - Evelyn Resh, CNM/MPH 2009-08-15

In *The Secret Lives of Teen Girls*, Evelyn Resh, the mother of a teenage daughter and a certified nurse-midwife specializing in the treatment of teenage girls, explores the mysterious world of female, adolescent sexuality and how parents—especially mothers—can help their daughters through this tumultuous time. The Secret Lives of Dentists - W.A. Winter 2021-04-20

In 1955, small-town girls flock to Minneapolis for work, love, and adventure. But Teresa Hickman, from Dollar, North Dakota, is a special case. Beguiling. Promiscuous. And, on a chilly April morning, dead along an abandoned trolley track in a Southside neighborhood. Teresa Hickman was three months pregnant when she was strangled. Was the unborn child's father also her killer? Could the killer have been—among the many men drawn to her like flies to honey—Dr. H. David Rose, a middle-aged dentist who admits he was with her the night she died? There's no forensic evidence or credible witnesses tying him to the murder. Yet

the police, including a pair of obsessive investigators with lethal secrets of their own, agree that a Jewish dentist will get them a conviction. Dr. Rose's spectacular trial and its shocking aftermath will mesmerize the Upper Midwest like few crime sagas before or since.

The Secret Life of Bryan - Lori Foster 2009-09-29

Bryan Kelly has a few rules. Rule #1: Women are for fun, not commitment. Rule #2: He'll do anything for his twin brother, even switch places with him to find out who's sabotaging his charity. But playing a really good guy isn't easy around Shay Sommers. Which brings him to . . . Rule #3: If you can't avoid temptation, succumb with abandon. Shay Sommers has always been a rule breaker. She may be a society page icon, but she'll go to any length to help the street girls served by her favorite charity. Even if it means impersonating one of them herself. The only problem is the gorgeous man who runs the safe house. "Preacher," as he insists she call him, seems less like a shepherd and much more like a wolf . . . one with a hungry look that's making Shay feel she might be his next dinner . . .

The Secret Loves of Geek Girls: Expanded Edition - Margaret Atwood 2016-10-18

The Secret Loves of Geek Girls is a non-fiction anthology mixing prose, comics, and illustrated stories on the lives and loves of an amazing cast of female creators. Featuring work by Margaret Atwood (*The Heart Goes Last*), Mariko Tamaki (*This One Summer*), Trina Robbins (*Wonder Woman*), Marguerite Bennett (Marvel's *A-Force*), Noelle Stevenson (*Nimona*), Marjorie Liu (*Monstress*), Carla Speed McNeil (*Finder*), and over fifty more creators. It's a compilation of tales told from both sides of the tables: from the fans who love video games, comics, and sci-fi to those that work behind the scenes: creators and industry insiders.

The Secret History of Wonder Woman - Jill Lepore 2015-07-07

Within the origin of one of the world's most iconic superheroes hides a fascinating family story—and a crucial history of feminism in the twentieth-century. "Everything you might want in a page-turner . . . skeletons in the closet, a believe-it-or-not weirdness in its biographical details, and something else that secretly powers even the most "serious" feminist history—fun." —Entertainment Weekly *The Secret History of Wonder Woman* is a tour de force of intellectual and cultural history. *Wonder Woman*, Jill Lepore argues, is the missing link in the history of the struggle for women's rights—a chain of events that begins with the women's suffrage campaigns of the early 1900s and ends with the troubled place of feminism a century later. Lepore, a Harvard historian and *New Yorker* staff writer, has uncovered an astonishing trove of documents, including the never-before-seen private papers of *Wonder Woman*'s creator, William Moulton Marston. The Marston family story is a tale of drama, intrigue, and irony. In the 1920s, Marston and his wife brought into their home Olive Byrne, the niece of Margaret Sanger, one of the most influential feminists of the twentieth century. Even while celebrating conventional family life in a regular column that Marston and Byrne wrote for *Family Circle*, they themselves pursued lives of extraordinary nonconformity. Marston, internationally known as an expert on truth—he invented the lie detector test—lived a life of secrets, only to spill them on the pages of *Wonder Woman*. Includes a new afterword with fresh revelations based on never before seen letters and photographs from the Marston family's papers, and 161 illustrations and 16 pages in full color.

American Girls - Nancy Jo Sales 2017-01-24

A *New York Times* Bestseller Award-winning *Vanity Fair* writer Nancy Jo Sales crisscrossed the country talking to more than two hundred girls between the ages of thirteen and nineteen about their experiences online and off. They are coming of age online in a hypersexualized culture that has normalized extreme behavior, from pornography to the casual exchange of nude photographs; a culture rife with a virulent new strain of sexism; a culture in which teenagers are spending so much time on technology and social media that they are not developing basic communication skills. The dominant force in the lives of girls coming of age in America today is social media: Instagram, Whisper, Vine, Youtube, Kik, Ask.fm, Tinder. Provocative, explosive, and urgent, *American Girls* will ignite much-needed conversation about how we can help our daughters and sons negotiate the new social and sexual norms that govern their lives.

The Secret Life Of Walter Mitty - James Thurber 2014-01-13

Walter Mitty, a mild-mannered forty-year-old man, drives into Connecticut with his wife for their weekly shopping trip. Tired of his drab, schedule-driven life, Walter escapes into five elaborate daydreams, and finally becomes the hero he always hoped to be. "The Secret Life of Walter Mitty" was originally published

in a 1939 issue of *The New Yorker*. It is considered to be an American classic, and author James Thurber's masterpiece. It has been adapted for film, first in 1947, and most recently for the 2013 feature film starring Ben Stiller and Kristen Wiig. HarperCollins brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperCollins short stories collection to build your digital library.

The Secret Lives of Baltimore Girls 2 - Katt 2020-04-28

Charlie Dixon always yearned for love. For a long time, she gave the saying "looking for love in all the wrong places" its meaning. She thought she had finally found true love, but now she is out for revenge. Charlie is pregnant, and she just found out her baby daddy is married. As far as Charlie is concerned, this cheater has to pay. Emerson Dayle is a true Instagram influencer and just hooked up with her hometown's NBA star. She has everything she wants in life and expects to live happily ever after, until a medical scare threatens to end it all. Mikayla King has murdered her ex-husband, and it looks like she's going to get away with it—if she can avoid the sexy police detective who's trying to solve the murder. These Baltimore girls are carrying secrets and dealing with challenges that could derail even the toughest women.

Encyclopedia of Women in Today's World - Mary Zeiss Stange 2011-02-23

This work includes 1000 entries covering the spectrum of defining women in the contemporary world.

The Secret Life of Girls - Chloë Thurlow 2010-11-01

After the gardener spans her bottom and a nun at her elite finishing school seduces her in the catacombs, Bella realises that sex was what she was born for. She adores wearing a dildo and deflowering virgins just as much as she adores indulging the roguish Christian Thomas with his addiction to fruit salads and bondage. Then Bella's world comes tumbling down. She learns that her beloved Ickham Manor doesn't belong to her, it belongs to her wicked stepfather. Sex has been fun. Now it is the weapon she uses to put her world back together again. Bella entraps her stepfather in a lewd act on video. She stars in a porn flick and, as her song on the soundtrack makes her a tabloid celebrity, Bella is at the beginning of an erotic ride into the showbiz world of pain and perversion, of domination and glorious submission.

The Secret Women - Sheila Williams 2020-06-09

TOP SUMMER 2020 BEACH READ PICK--theSKIMM, PopSugar, Time, Woman's World, Parade, and Bookstr The author of *Dancing on the Edge of the Roof*, now a Netflix film starring Alfre Woodard, returns with a riveting, emotionally rich, novel that explores the complex relationship between mothers and daughters in a fresh, vibrant way—a stunning page-turner for fans of Terry McMillan, Tayari Jones, and Kimberla Lawson Roby. Elise Armstrong, Carmen Bradshaw, and DeeDee Davis meet in a yoga class. Though vastly different, these women discover they all have one thing in common: their mothers have recently passed away. Becoming fast friends, the trio make a pact to help each other sort through the belongings their mothers' left behind. But when they find old letters and diaries, Elise, Carmen, and DeeDee are astonished to learn that each of their mothers hid secrets—secrets that will transform their own lives. Meeting each month over margaritas, the trio share laughter, advice, and support. As they help each other overcome challenges and celebrate successes, Elise, Carmen, and DeeDee gain not only a better understanding of the women their mothers were, but of themselves. They also come to realize they have what their mothers needed most but did not have during difficult times—other women they could trust. Filled with poignant life lessons, *The Secret Women* pays tribute to the power of friendship and family and the bonds that tie us together. Beautiful, full of spirit and heart, it is a thoughtful and ultimately uplifting story of unconditional love.

The Secret Lives of Girls - Sharon Lamb 2002-03

From playground games of "chase and kiss" to rough-and-tumble soccer games, from slumber party stripteases to romantic fantasies behind closed doors, author Sharon Lamb coaxes out girls' true stories with uncommon sensitivity and focus. The result of more than 125 fascinating interviews with pre-teens, teenagers, and adult women, *The Secret Lives of Girls* reveals the ways that girls use their minds and bodies for private sexual play, mischief, and hidden aggression. To truly understand what little girls are made of, Lamb suggests, we must listen not only to what they say to us but also to what they don't say, taking into account their hidden selves and the lives that we adults don't see. Yes, girls are known to be "good," but they manage to act out in decidedly ungirlish ways and, despite many parents' fears, be the

better for it. What's most remarkable about Lamb's conclusions is that we needn't join the chorus of voices deploring a "girl-poisoning" culture for damaging our daughters. Instead, Lamb finds reason to celebrate girls' resilience in the face of pressures to conform -- and she does it by l
Excellent Daughters - Katherine Zoepf 2017-01-10

For more than a decade, Katherine Zoepf has lived in or traveled throughout the Arab world, reporting on the lives of women, whose role in the region has never been more in flux. Only a generation ago, female adolescence as we know it in the West did not exist in the Middle East. There were only children and married women. Today, young Arab women outnumber men in universities, and a few are beginning to face down religious and social tradition in order to live independently, to delay marriage, and to pursue professional goals. Hundreds of thousands of devout girls and women are attending Qur'anic schools—and using the training to argue for greater rights and freedoms from an Islamic perspective. And, in 2011, young women helped to lead antigovernment protests in the Arab Spring. But their voices have not been heard. Their stories have not been told. In Syria, before its civil war, she documents a complex society in the midst of soul searching about its place in the world and about the role of women. In Lebanon, she documents a country that on the surface is freer than other Arab nations but whose women must balance extreme standards of self-presentation with Islamic codes of virtue. In Abu Dhabi, Zoepf reports on a generation of Arab women who've found freedom in work outside the home. In Saudi Arabia she chronicles driving protests and women entering the retail industry for the first time. In the aftermath of Tahrir Square, she examines the crucial role of women in Egypt's popular uprising. Deeply informed, heartfelt, and urgent, *Excellent Daughters* brings us a new understanding of the changing Arab societies—from 9/11 to Tahrir Square to the rise of ISIS—and gives voice to the remarkable women at the forefront of this change.

The Secret Life of Bees - Sue Monk Kidd 2013-05-07

After her mother's death, Lily Owens and her African-American maid seek refuge from the racism of their South Carolina hometown with eccentric beekeeping sisters in this coming of age story representing the letter "K" in a new series of twenty-six collectible editions.

The Secret Lives of Baltimore Girls - Katt 2020-03-31

Charlie Dixon never had it easy. Growing up in a loveless home, she always yearned for love. She gave the saying "looking for love in all the wrong places" its meaning. Failed relationship after failed relationship lead Charlie to give up on love. That is, until someone special crashes into her life—literally. Charlie never expected to find love, but when she starts falling, her loyalties and mounting lies threaten to destroy her last chance. Will Charlie fight to finally be happy, or will the odds stay stacked against her? Emerson Dayle is finally coming into her own as a career woman. After a devastating divorce from her childhood love, Mason, Emerson has to pick up the pieces of her shattered life one shard at a time. With a newfound love of self, she swears off the days of sacrificing herself for the sake of a husband. As a new entrepreneur and wildly successful internet influencer, Emerson feels like she's finally made it. But when a secret from her past and a new betrayal threaten everything she has worked for, her life quickly changes. Can Emerson keep all her scandals out of the limelight, or will everything she's worked for fall apart right before her eyes? Mikayla King has a secret, and it's big enough to bring her entire life crashing down. Her children, Kai and Zuri, are the only people keeping Mikayla grounded, until her relationship with her children is threatened too. Mikayla would rather continue suffering mental and physical abuse at the hands of her husband than go back to being poor and subject her children to the life she lived as a child. However, when Mikayla's deepest secret is revealed, life as she knows it crumbles to pieces. It is not long before she turns to substances to ease her pain, just like her mother did. Can Mikayla overcome her demons to save her children, or will she see her worst fear realized and lose them?

Bad Connection - Melody Carlson 2009-02-19

Meet Samantha McGregor She seems like your average teen, but Samantha is unusually gifted. God gives her visions and dreams that offer unconventional glimpses into other people's lives and problems. It's a powerful gift with a lot of responsibility... *Bad Connection: Book One* Kayla Henderson lives on the edge. She likes to break the rules, considers partying an extracurricular activity, and can't stand her parents. So, most people aren't surprised when she goes missing. Like everyone else, Samantha McGregor assumes Kayla has run away. But then she has a vision where Kayla is tied up with duct tape over her mouth.

Freaked by the image, Samantha wonders, Is Kayla alive or dead? Was the vision real or just a silly dream? Most important, can Kayla be found before it's too late? Reaader's Guide Included! Story Behind the Book "The secular world has become very interested in 'supernatural' gifts. Take, for example, shows like Joan of Arcadia, The Medium, Monk, and Dead Zone. Yet it's God who gives every good and perfect gift. My guess is that we humans barely tap into the vast variety of gifts that He has to offer. Not only that, but our fast-paced, high-tech culture rarely relies on those good 'old-fashioned' character traits like insight, intuition, wisdom, and foresight. My hope is that this series will provide a fun way for teens to explore deeper levels of spirituality and creativity while inspiring them to a greater love for God." — Melody Carlson

The Secret Life of a Dream Girl - Tracy Deeb 2016-06-27

Dahlia Greene—aka international pop superstar Cherry—is undercover as a normal high school student. She just wants to experience what real life is like, so when she overhears hottie Keegan Matthews nervously talking about liking a girl, she sees the perfect opportunity to live a real life and play a little matchmaker. What was not part of the plan was falling for a guy she can never tell the truth. Keegan Matthews has been secretly crushing on Dahlia ever since she started at his school. Sure, Dahlia thinks he's crushing on some other girl—not realizing his Dream Girl is actually her—but he figures, play along with her tips to woo someone else, let her get to know him, and then make his move. But with so many secrets in the mix, their romance is doomed from the start... Disclaimer: This Entangled Teen Crush book contains adult language, references to drinking and drugs, and a kiss so steamy it'll fog up your ereader. This Dahlia and Keegan story is a standalone book that is part of the larger, multi-authored Creative HeArts Series, which can be read out of order. If you loved Mariely and Cabot's story, you'll love the complete series set at Austin NextGen Academy, including: #1 - Ten Things Sloane Hates About Tru #2 - How Willa Got Her Groove Back #3 - Crazy, Stupid, Fauxmance #4 - The Secret Life of a Dream Girl #5 - Falling for the Girl Next Door #6 - Weddings, Crushes, and Other Dramas

Codebreaker Girls - Jan Slimming 2021-03-03

"What would it be like to keep a secret for fifty years? Never telling your parents, your children, or even your husband?" Codebreaker Girls: A Secret Life at Bletchley Park tells the true story of Daisy Lawrence. Following extensive research, the author uses snippets of information, unpublished photographs and her own recollections to describe scenes from her mother's poor, but happy, upbringing in London, and the disruptions caused by the outbreak of the Second World War to a young woman in the prime of her life. The author asks why, and how, Daisy was chosen to work at the Government war station, as well as the clandestine operation she experienced with others, deep in the British countryside, during a time when the effects of the war were felt by everyone. In addition, the author examines her mother's personal emotions and relationships as she searches for her young fiancée, who was missing in action overseas. The three years at Bletchley Park were Daisy's university, but having closed the door in 1945 on her hidden role of national importance — dealing with Germany, Italy and Japan — this significant period in her life was camouflaged for decades in the filing cabinet of her mind. Now her story comes alive with descriptions, original letters, documents, newspaper cuttings and unique photographs, together with a rare and powerful account of what happened to her after the war. "Here's a beauty of a history of some of the codebreaking girls who helped save us during the second world war. This one's about Daisy Lawrence's extraordinary life

as a poor girl brought up in London and then chosen for top secret work at Bletchley Park. Reads like fiction." —Books Monthly

Lab Girl - Hope Jahren 2016-04-05

National Bestseller Winner of the National Book Critics Circle Award for Autobiography A New York Times Notable Book Geobiologist Hope Jahren has spent her life studying trees, flowers, seeds, and soil. Lab Girl is her revelatory treatise on plant life—but it is also a celebration of the lifelong curiosity, humility, and passion that drive every scientist. In these pages, Hope takes us back to her Minnesota childhood, where she spent hours in unfettered play in her father's college laboratory. She tells us how she found a sanctuary in science, learning to perform lab work "with both the heart and the hands." She introduces us to Bill, her brilliant, eccentric lab manager. And she extends the mantle of scientist to each one of her readers, inviting us to join her in observing and protecting our environment. Warm, luminous, compulsively readable, Lab Girl vividly demonstrates the mountains that we can move when love and work come together. Winner of the American Association for the Advancement of Science/Subaru Science Books & Film Prize for Excellence in Science Books Finalist for the PEN/E.O. Wilson Literary Science Writing Award One of the Best Books of the Year: The Washington Post, TIME.com, NPR, Slate, Entertainment Weekly, Newsday, Minneapolis Star Tribune, Kirkus Reviews

The Secret Life of the Cheating Wife - Alicia M. Walker 2017-10-24

Using a sample collected from Ashley Madison, this book is the result of a yearlong inquiry into women's extramarital experiences. Ultimately, these women reject the binary proposition of marriage that assumes that either we work on our marriages and remain monogamous within them, or we break up the relationship and take up other relationships. These women conceive of an alternate solution to a marriage that is not wholly working, where their own needs are ignored, unmet, and not prioritized. Thus, the women in this study are engaging in secret defiance of the expectations of marriage and primary partnerships. This book gives voice to women's experiences and perceptions regarding their participation in infidelity, and glimpses into the interworkings of our most intimate relationships, and the ways women negotiate marriages that fall short of their expectations.

The Secret Life of CeeCee Wilkes - Diane Chamberlain 2010-11-01

In 1977, pregnant Genevieve Russell disappeared. Twenty years later, her remains are discovered and Timothy Gleason is charged with murder. But there is no sign of the unborn child. CeeCee Wilkes knows how Genevieve Russell died, because she was there. And she also knows what happened to the missing infant, because two decades ago she made the devastating choice to raise the baby as her own. Now Timothy Gleason is facing the death penalty, and she has another choice to make. Tell the truth, and destroy her family. Or let an innocent man die in order to protect a lifetime of lies...

The Secret Life of Bletchley Park - Sinclair McKay 2011-08-26

Bletchley Park was where one of the war's most famous - and crucial - achievements was made: the cracking of Germany's "Enigma" code in which its most important military communications were couched. This country house in the Buckinghamshire countryside was home to Britain's most brilliant mathematical brains, like Alan Turing, and the scene of immense advances in technology - indeed, the birth of modern computing. The military codes deciphered there were instrumental in turning both the Battle of the Atlantic and the war in North Africa. But, though plenty has been written about the boffins, and the codebreaking, fictional and non-fiction - from Robert Harris and Ian McEwan to Andrew Hodges' biography of Turing - what of the thousands of men and women who lived and worked there during the war? What was life like for them - an odd, secret territory between the civilian and the military? Sinclair McKay's book is the first history for the general reader of life at Bletchley Park, and an amazing compendium of memories from people now in their eighties - of skating on the frozen lake in the grounds (a depressed Angus Wilson, the novelist, once threw himself in) - of a youthful Roy Jenkins, useless at codebreaking, of the high jinks at nearby accommodation hostels - and of the implacable secrecy that meant girlfriend and boyfriend working in adjacent huts knew nothing about each other's work.

In The Body of the World - Eve Ensler 2013-04-30

Playwright, author and activist Eve Ensler has devoted her life to the female body—how to talk about it, how to protect and value it. Yet she spent much of her life disassociated from her own body—a

disconnection brought on by her father's sexual abuse and her mother's remoteness. "Because I did not, could not, inhabit my body or the Earth," she writes, "I could not feel or know their pain." But Ensler is shocked out of her distance. While working in the Congo, she is shattered to encounter the horrific rape and violence inflicted on the women there. Soon after, she is diagnosed with uterine cancer and, through months of harrowing treatment, she is forced to become first and foremost a body—pricked, punctured, cut, scanned. It is then that all distance is erased. As she connects her own illness to the devastation of the Earth, her life force to the resilience of humanity, she is finally, fully—and gratefully—joined to the body of the world. Unflinching, generous and inspiring, Ensler calls on us all to embody our connection to and responsibility for the world.

Beyond Reach - Melody Carlson 2009-02-19

If You Thought You Needed Vision, Would You Ask God For It? Exhausted by her role in the dramatic rescue of Kayla Henderson, Samantha McGregor is ready for a vacation from her God-given visions. But when Sam gets her wish and the visions actually go on hiatus, she's beginning to wonder if she's lost her spiritual gift forever. To make matters worse, her police friend Ebony needs her help! Peter Clark has been dead for several years, an open-and-shut case of suicide, but Ebony's not convinced. Why would he do it? And why does Ebony suspect foul play? Sam has been no help in the investigation, and just when she's lost all hope, God gives her a vision of a guy jumping from a railroad bridge. Suddenly the floodgates open and all of Sam's visions involve suicide. Who is this guy? And what does this have to do with Peter's death? It's a race against the clock as Sam worries about every brown-haired guy she meets: her lab partner, Olivia's rocker friend, Peter's little brother—they all fit the description! Whoever the guy in her vision is, his identity is just beyond Sam's reach, and he's definitely losing his grip fast...Trusting God will lead her, Sam's determined to send a message of hope and find him before he gives up.

The Secret Lives of Wives - Iris Krasnow 2011-09-29

A bestselling, groundbreaking author investigates successful long term marriages, interviewing wives and their uncensored strategies for staying married. America's high divorce rate is well known. But little attention has been paid to the flip side: couples who creatively (sometimes clandestinely) manage to build marriages that are lasting longer than we ever thought possible. What's the secret? To find out, bestselling journalist Iris Krasnow interviewed more than 200 wives whose marriages have survived for 15 to 70 years. They are a diverse cast, yet they share one common and significant trait: They have made bold, sometimes secretive and shocking choices on how to keep their marital vows, "till death do us part," as Krasnow says, "without killing someone first." In raw, candid, titillating stories, Krasnow's cast of wise women give voice to the truth about marriage and the importance of maintaining a strong sense of self apart from the relationship. Some spend summers separately from their partners. Some make time for wine with the girls. One septuagenarian has a recurring date with an old flame from high school. In every case, the marriage operates on many tracks, giving both spouses license to pursue the question "Who am I apart from my marriage?" Krasnow's goal is to give women permission to create their own marriages at any age. Marital bliss is possible, she says, if each partner is blissful apart from the other. A fascinating window on the many faces of modern relationships, *The Secret Lives of Wives* brims with inspiring and daring examples of women who have it both ways: a committed marriage and personal adventures in uncharted territory. For anyone who wants to stay married and stay sane, this is the book to read!

Snow Flower and the Secret Fan - Lisa See 2011-10-17

Lily is the daughter of a humble farmer, and to her family she is just another expensive mouth to feed. Then the local matchmaker delivers startling news: if Lily's feet are bound properly, they will be flawless. In nineteenth-century China, where a woman's eligibility is judged by the shape and size of her feet, this is extraordinary good luck. Lily now has the power to make a good marriage and change the fortunes of her family. To prepare for her new life, she must undergo the agonies of footbinding, learn nu shu, the famed secret women's writing, and make a very special friend, Snow Flower. But a bitter reversal of fortune is about to change everything.

The Secret Life of an American Codebreaker - Jan Slimming 2022-03-30

The Secret Life of an American Codebreaker is the true account of Janice Martin, a college student recruited to the military in 1943, after she was secretly approached by a college professor at Goucher College, a liberal arts establishment for women in Baltimore, USA. Destined for a teaching career, Janice became a prestigious professor of classics at Georgia State University, but how did she spend three years of her secret life during the war working in Washington D.C.'s Top Secret Intelligence? Why was she chosen? How was she chosen? What did she do? Questions everyone asks are answered in this study of not just one but several Second World War codebreakers, male and female. Backed by extensive research, unpublished photographs and recorded interviews, we discover the life of Janice Martin from Baltimore and her Top Secret Ultra role in helping to combat U-boats in the Battle of the Atlantic; the work she and her colleagues undertook in a foundation provided by both British and American Intelligence. From 'the early days' to D-Day and beyond, the book includes other hidden figures who were part of this huge wheel of an incredible time in history.

The Girls of Atomic City - Denise Kiernan 2013-03-05

The New York Times bestseller, now available in paperback—an incredible true story of the top-secret World War II town of Oak Ridge, Tennessee, and the young women brought there unknowingly to help build the atomic bomb. "The best kind of nonfiction: marvelously reported, fluidly written, and a remarkable story...As meticulous and brilliant as it is compulsively readable." —Karen Abbott, author of *Sin in the Second City* At the height of World War II, Oak Ridge, Tennessee, was home to 75,000 residents, and consumed more electricity than New York City, yet it was shrouded in such secrecy that it did not appear on any map. Thousands of civilians, many of them young women from small towns across the U.S., were recruited to this secret city, enticed by the promise of solid wages and war-ending work. What were they actually doing there? Very few knew. The purpose of this mysterious government project was kept a secret from the outside world and from the majority of the residents themselves. Some wondered why, despite the constant work and round-the-clock activity in this makeshift town, did no tangible product of any kind ever seem to leave its guarded gates? The women who kept this town running would find out at the end of the war, when Oak Ridge's secret was revealed and changed the world forever. Drawing from the voices and experiences of the women who lived and worked in Oak Ridge, *The Girls of Atomic City* rescues a remarkable, forgotten chapter of World War II from obscurity. Denise Kiernan captures the spirit of the times through these women: their pluck, their desire to contribute, and their enduring courage. "A phenomenal story," and Publishers Weekly called it an "intimate and revealing glimpse into one of the most important scientific developments in history." "Kiernan has amassed a deep reservoir of intimate details of what life was like for women living in the secret city...Rosie, it turns out, did much more than drive rivets." —The Washington Post

Pledged - Alexandra Robbins 2011-05-24

2015 Edition: With a New Preface, Afterword, and Updates. "Alexandra Robbins rips into the secret, sordid underbelly of sororities."--Vanity Fair Updated ten years after it is original publication, *Pledged* by Alexandra Robbins is as timely today as it was when first published. With salacious breaking news about fraternities and sororities shocking the general public (and members themselves) *Pledged* exposes what really goes on behind the facades of some of these Greek organizations. Robbins, an investigative journalist, went undercover as a sorority sister; her expose is a breathtaking narrative of tumultuous breakups, fights, drunk driving, stalkers, cover-ups, predation by faculty and staff, theft, rape, and an abundance of drugs and alcohol, and much, much more.

Death by Midnight - Nicole Nadeau 2019-11-17

Anna Goode is a teenaged-genius with a secret-her homemade inventions that she only shares with her best friend, Jake. But when a shadowy figure kidnaps Anna's parents, she is forced to help him carry out his mysterious plan. With her inventions and Jake by her side, Anna must use her gifted mind to save not only her parents, but countless others. And she better hurry. Because the clock is ticking.
