further into a web of supernatural destruction. Keira can't help seeing the handsome man before her, she can't help the dreams that consume her and neither can she stop him from wanting her. The controlling man that follows her every move isn't the man she's dating, but the man that's hunting her. Now it's down to the only man with enough power to keep her safe, and he doesn't play well with others. Nor does he take kindly to people trying to take what belongs to him, and Keira belongs to only one man... Dominic Draven. Will the fight for their love be enough to survive the new world she is forced to live in? And more importantly, can she survive being with the King of the Afterlife?!

The Moon Dragon (The Secrets of Droon #26) - Tony Abbott 2016-02-23

A hidden door. A magical staircase. Discover the world of Droon! There's no place like home! Eric and his friends have finally restored the Rainbow Stairs, but that was the easy

part. Now Gethwing is loose in the Upper World, and the Moon Dragon is causing big trouble. Eric, Julie, and Neal have to protect their town, but they're up against mysterious creatures, strangely-behaving parents, and powerful magic. Can the kids stop Gethwing before he destroys the Upper World -- for good?

Vincent's Immortal Curse - Stephanie Hudson 2018-08-08
Being faced with an uncertain future is nothing new for Ari, not when you lived each day under the control of a demonic cult. But now Ari lives with a new enemy and one she can no longer run from...her past. But soon she will discover that even her past can cling to their future and hold it captive in the form of a curse. So, with a murderer lurking in the shadows of their past and an Angel on the hunt, a killer is not the only thing out there for Vincent to find. For many lives are at stake but only one of those has the power to break an immortal curse and now Ari must decide, will she run from it and chance giving up her

Chinese Village, Socialist State - Edward Friedman 1991-01-01
This portrait of social change in the North China plain depicts how the world of the Chinese peasant evolved during an era of war and how it in turn shaped the revolutionary process. The book is based on evidence gathered from archives and interviews with villagers and rural officials.

The Vampire Heir - Juliana Haygert 2018-03-02
A young woman with a secret. A man with a death sentence. And a terrible fate that might destroy them both ... When I was invited to the secretive castle DuMoir, I knew I'd end up dead. The guests might be excited by the exclusive tour around the estate, and the ending ball that concludes it, but I know better. The castle's inhabitants are vampires. And they want our blood. I must

find a way to survive their feast, because I'm not here as a clueless visitor. I'm here for a reason. Undercover work can be hard, but I've been through worse. That is until I unwillingly become a blood slave to Drake, a mysterious, brooding vampire prince. Tragedy strikes the castle and chaos arise. Despite the new dangers surrounding us, I soon find out there's more to Drake than he lets on, and feelings I'm not supposed to have stir in my chest. But I can't afford any distractions or everything will be lost. After all, I'm hiding a secret-a dark secret that might save us all ... or doom us forever.

Black Hills - Nora Roberts 2009-07-07
In this #1 New York Times bestseller, Nora Roberts takes readers deep into the rugged hills of South Dakota, where the shadows keep secrets, hunters stalk the land, and a friendship matures into something more.... Cooper Sullivan spent the summers of his youth on his grandparents' South Dakota ranch, sharing

Beautiful, Simple, Exact, Crazy - Apoorva Khare
2015-08-25

In this vibrant work, which is ideal for both teaching and learning, Apoorva Khare and Anna Lachowska explain the mathematics essential for understanding and appreciating our quantitative world. They show with examples that mathematics is a key tool in the creation and appreciation of art, music, and literature, not just science and technology. The book covers basic mathematical topics from logarithms to statistics, but the authors eschew mundane

finance and probability problems. Instead, they explain how modular arithmetic helps keep our online transactions safe, how logarithms justify the twelve-tone scale commonly used in music, and how transmissions by deep space probes are similar to knights serving as messengers for their traveling prince. Ideal for coursework in introductory mathematics and requiring no knowledge of calculus, Khare and Lachowska's enlightening mathematics tour will appeal to a wide audience.

Rise of Ashes - Stephanie Hudson 2020-06

Lego sets, Star Trek and junk food in my pyjamas, This used to be how I would spend my safe and lazy days off. Now, what am I doing with my time...? High-speed chases, running from Hellhounds, fighting witches, opening boxes that threaten the entire Vampire race, and stabbing bitches with my shoes. But hey, at least I get to wear a pretty dress on my date. Now all I can hope for is that it isn't one where people end up shooting

at us again. That would be nice. And all this was because I fell in love with a Vampire King... A Vampire King, who claimed me.

Beast And The Imp - Stephanie Hudson 2021-06-29

It had to be said, that I didn't much care for the Devil. Especially when he tried to use me to control the Beast. But then this was his mistake. As such, I had been granted early release and as for the Beast... he was not happy. So now Hell had a problem. A big one. One named Abaddon, who was currently tearing Hell apart trying to find me. Which meant I now had a choice to make. Let the Beast destroy all the realms or find myself a date. Because now the fate of the world rested upon my shoulders. Relied on me to find the one mortal vessel strong enough to contain the Beast, by merging their souls as one. There was just one problem with this. I had made a Beast fall in love with me. And now... Now, I just hoped I had the same luck with Adam... The man I just fell madly in love

Children of Ash and Elm -

Neil Price 2020-08-25

The definitive history of the Vikings -- from arts and culture to politics and cosmology -- by a distinguished archaeologist with decades of expertise The Viking Age -- from 750 to 1050 -- saw an unprecedented expansion of the Scandinavian peoples into the wider world. As traders and raiders, explorers and colonists, they ranged from eastern North America to the Asian steppe. But for centuries, the Vikings have been seen through the eyes of others, distorted to suit the tastes of medieval clerics and Elizabethan playwrights, Victorian imperialists, Nazis, and more. None of these appropriations capture the real Vikings, or the richness and sophistication of their culture. Based on the latest archaeological and textual evidence, Children of Ash and Elm tells the story of the

Vikings on their own terms: their politics, their cosmology and religion, their material world. Known today for a stereotype of maritime violence, the Vikings exported new ideas, technologies, beliefs, and practices to the lands they discovered and the peoples they encountered, and in the process were themselves changed. From Eirík Bloodaxe, who fought his way to a kingdom, to Gudrid Thorbjarnardóttir, the most traveled woman in the world, Children of Ash and Elm is the definitive history of the Vikings and their time.

long years since that cold and cruel Vampire King, Lucius, broke her heart. Her naive little heart destroyed after one painful night, when she sneaked into his Gothic nightclub, Transfusion. Seven years ago, he humiliated her, casting her aside and telling her just what he thought about her little obsession with him. Then he saved her life. Well, now he is back and this time he is out for blood, and all she can hope for is that it isn't hers that's on the menu. Because she is just your typical, ordinary, everyday girl who works and lives in London. Even if she is trying to make it on her own without the safety of her family. However, growing up knowing of the supernatural world and being human definitely has its drawbacks. Especially when a certain Vampire King has her in mind for a date, and his dominant and forceful ways are sending her re-ignited obsession with him into overdrive. But he does like her... doesn't he?

Worlds Apart - Cynthia M.

Duncan 2015-01-13

First published in 1999, *Worlds Apart* examined the nature of poverty through the stories of real people in three remote rural areas of the United States: New England, Appalachia, and the Mississippi Delta. In this new edition, Duncan returns to her original research, interviewing some of the same people as well as some new key informants.

Duncan provides powerful new insights into the dynamics of poverty, politics, and community change. "Duncan, through in-depth investigation and interviews, concludes that only a strong civic culture, a sense among citizens of community and the need to serve that community, can truly address poverty. . . .

Moving and troubling. Duncan has created a remarkable study of the persistent patterns of poverty and power."—Kirkus Reviews "The descriptions of rural poverty in *Worlds Apart* are interesting and read almost like a novel."—Choice

So, there were many things I could have done differently. I could have gone on a cruise and forgot about stealing a killer box from a Vampire King. I could have shaved my head and become a Tibetan monk. I could have also lost my virginity to some nice Texas cowboy who wanted to introduce me to his mother. But instead, I went to Germany and ended up fighting Mercenaries. I also fell in love with a Vampire King who claimed me as his. And now I'm in the river, and all because I decided not to just stay home and do my laundry. No instead... I shot a pilot.

The HellBeast King -

Stephanie Hudson 2021-09-20
It all started with that night. The night I made my biggest mistake. The night I entered their world. The day I snuck into the infamous Devil's Ring Fight Club. I had followed my cousin Amelia, who turned out not to be quite as innocent as I first believed. In fact, it turned out she didn't live in the same world as I did... Not at all. I knew this the moment I entered his kingdom. My world changed the moment he found

me. He gave me a warning that night. He told me if he ever found me again then next time, he wouldn't be so quick in letting me escape him. His little Red Riding Hood. It was a threat I took seriously as it was only my dreams that took me back to that place. That took me back to him. That was until they came for me. The Hell Hounds that infiltrated my peaceful world and started the hunt. And there was only one man I knew that had the power to stop them. And my price to pay, was the promise he made me. That if he ever found me in his demonic fight club again... He was keeping me. Meaning I only had two choices left, to become the hunted or to make a deal with Hell's greatest Hunter... The HellBeast King... Jared Cerberus.

The Pentagonam Child Part 1 - Stephanie Hudson 2020

As If Silent and Absent -

Ehud R. Toledano 2007-07-12

This groundbreaking book reconceptualizes slavery through the voices of enslaved persons themselves, voices that have remained silent in the narratives of conventional history. Focusing in particular on the Islamic Middle East from the late eighteenth to the early twentieth century, Ehud R. Toledano examines how bonded persons experienced enslavement in Ottoman societies. He draws on court records and a variety of other unexamined primary sources to uncover important new information about the Africans and Circassians who were forcibly removed from their own societies and transplanted to Middle East cultures that were alien to them. Toledano also considers the experiences of these enslaved people within the context of the global history of slavery. The book

looks at the bonds of slavery from an original perspective, moving away from the traditional master/slave domination paradigm toward the point of view of the enslaved and their responses to their plight. With keen and original insights, Toledano suggests new ways of thinking about enslavement.

Kingdoms of Hell - Stephanie Hudson 2020-06

A 'date' he said. Just one date with a Vampire King who had been hunting me down for months... what could go wrong, right? One picnic, one witch, an ex-girlfriend out for my blood, and an army of zombie vampire rogues later, and what I had was an 'Alice in Wonderland' style cocktail for disaster! Because this Alice was about to have the mind trip of her life when peeking

through the keyhole of Lucius' memories. All before falling down a rabbit hole to Hell, where the bunnies were more likely to stab you with a carrot before eating your soul! But hey, it's not like I had just been dumped in the middle of a Hellish battle with nothing but my wits to survive it, Oh no, wait... That had happened. And one other thing that was sure to happen when Lucius finally found me in Hell... He was going to kill me!
