**Back to Venice** - Michael Grant 2011-05-26  
Imagine what it would be like to go back in time to the 15th century Venice. And imagine what it would be like to meet your lifelong hero, Michelangelo. And imagine what it would be like if, on first meeting, you spill a tray of pasta and wine on that very same hero. Well, that's what happens to serious young artist Mark Breen. As the result of a drunken bet, Mark knocks out a painting of a toilet bowl. Much to his amazement, he sells it. In short order he's hailed as the new Andy Warhol and becomes an overnight sensation-and a very wealthy man. Soon, images of his toilet bowls are on more t-shirts, mugs, and calendars than Edvard Munch's The Scream. His friend and mentor, Hugh Connelly, afraid that Mark is in danger of losing his "artistic soul," advises him to go back to Italy and reacquaint himself with the "old masters." In Venice, Mark falls in love with Alexandra, a beautiful art restorer, but it's a one-sided affair. One night, hoping to win her over, he climbs up on a roof to find out who painted her favorite fresco. He falls off the roof and wakes up in 15th century Venice where he meets an innkeeper named Francesca, who looks exactly like Alexandra. And it gets curiuser and curiuser from there. During his stay-which is sometimes zany and sometimes frightening-he meet his hero, Michelangelo, who teaches him the true meaning of art.

Know and Follow Rules - Cheri J. Meiners

2005-03-15

A child who can't follow rules is a child who's always in trouble. This book starts with simple reasons why we have rules: to help us stay safe, learn, be fair, and get along. Then it presents just four basic rules: "Listen," "Best Work," "Hands and Body to Myself," and "Please and Thank You." The focus throughout is on the positive sense of pride that comes with learning to follow rules. Includes questions and activities adults can use to reinforce the ideas and skills being taught.

**Return of Dragons** - Joy Elaine 2020-11-23

What if ... You could save a rare species from extinction? What if you could travel through time, to any location at any point in history? What if you could thwart the assassination attempt of a leader? Would you take the risk? In the fifth book of this compelling, metaphysical journey, the Joy Council intervenes to prevent dragons from being lured to their deaths as the new dragon prince's life is endangered. A new world must be created if the dragons have any chance of escaping a 900-year-old relentless tracker. But don't get too comfortable, because a plot to kill Commander Ashtar results in the deportation of those who are not native residents of Earth. In this exhilarating otherworldly adventure, readers will meet a myriad of interesting characters, travel through time and space, and experience a voyage unlike anything you can imagine.

**Respect and Take Care of Things** - Cheri J.

Meiners 2004-09-15

Everything has a place. Things last longer when we take care of them. Respect, responsibility, and stewardship are concepts that even young children can relate to—because they have things they value. This book encourages children to pick up after themselves, put things back where they belong, and ask permission to use things that don't belong to them. It also teaches simple environmental awareness: respecting and taking care of the earth. Includes ideas for adult-led activities and discussions.
