## Psalms - F. B. Meyer 2016-10-24

To some the psalms are merely to be read and, perhaps, forgotten. Thus their rich treasures are never discovered. Often this is because people do not realize the infinite amount of gold there is to be mined in the psalms. Listen to a master of this Bible book, as with implements of experience and spiritual insight he enthusiastically probes this golden store. Rev. Baldwin Brown remarks about the book of Psalms, ""In palace halls, by happy hearths, in squalid rooms, in pauper streets, in prison cells, in crowded sanctuaries and in lonely wilderness--everywhere they have uttered our moan of contrition and song of triumph; our tearful complaints, and our wrestling, conquering prayer."" The intentions of the psalms are to teach, to bring to remembrance, to give thanks and to commemorate the circumstances under which the psalms were penned. The most prominent feature in the psalms is praise. Author Meyer himself comments, ""There are three ways in which the Psalms may be studied. We may look at them, first, as recording the inner heart-history of those who wrote them, and especially of David. Next we should study the Psalter in its bearing on our blessed Lord. Lastly, we may study the Psalms for durability, nourishing our spirits with their rich expressions of experimental religion."" As one seeks to open up, to study the Psalms, he will find this masterful, comprehensive, deeply-devotional volume on that book an inestimable aid and a faithful guide to a better and fuller understanding of the sacred and blessed treasures of the divinely-inspired Psalms. These gripping studies provide unusually fine sermon outline material as well. F. B. Meyer was born into a wealthy Christian home in London on April 8, 1847. As a youth, he often conducted Sunday evening services in the dining room before the children were old enough to attend evening public worship. In this way he developed preaching ability very early in life. Ordained into the Baptist ministry, he pastored many influential British churches. He introduced D. L. Moody to Great Britain; they were fast friends. After fifteen years in the pastorate, he began a worldwide ministry of preaching. At the age of eighty he made his twelfth preaching tour of America, preaching almost every night on a 15,000 mile tour. He went home to be with the Lord on March 28, 1929. He authored forty books, besides numerous tracts and articles. Some of the best known are The Obedience of Faith, Tried By Fire, The Way Into the Holiness, and Christ In Isaiah."

## Fit for the Master's Use - Calvary Chapel Publishing 2002-01-01

In 1987, Meyers delivered the ten most important messages of his life. He began with the appeal that each person examines himself, lest God should cease to use a man because of sin, and he becomes a castaway. In the next message he proclaims the glorious truth that no matter how marred a life may be, God can make it over. Five messages follow that show the way of victory for the Christian over the power of sin, then two follow the that are devoted to a Spirit-filled life. The closing message invites each person to a place of heart rest in Jesus Christ. Those messages have been reprinted today in "Fit For The Master's Use." F.B. Meyer longed for every Christian to walk in the sweet fellowship he shared with Christ. Let these messages draw you into a place where the Master uses you and communes with you each day.

## **Christ in Isaiah** - Frederick Brotherton Meyer 1895

## **David** - F. B. Meyer 1895

Meyer's spirited and moving account of the life of King David follows the progress of David from humble shepherd to glorious king of Israel and Judah. The story of David's life and rise from modest beginnings is

one of the most celebrated in the Old Testament tradition. This book is an attempt by F. B. Meyer to tell the story of David with a sequential and lively narrative, with the Bible as a source. Meyer's account is readable, colorful and thoroughly rooted in the authentic Biblical canon. We first see David as a bright, courageous young lad, who ascends from obscurity to fame and renown by fighting and defeating the great Goliath. Not merely a great leader, David takes to authoring a great series of sacred songs and hymns celebrating life and the Lord. His wise leadership, which increased the influence of Judaism and its interpretation of God, led David to become one of the most important figures in the Holy Bible. F. B. Meyer was one of England's best-known Biblical theologians in the late-19th and early-20th centuries. Educated in theology as a young man, he would spend decades preaching both in his home country and the United States. Famed and well-regarded on both sides of the Atlantic Ocean, Meyer was a household name, in great part due to his prolific written works concerning subjects of the Bible and Christianity. Summing up his objective with this book, Meyer writes: "While sketching every period of David's life, I have concentrated myself on those passages which trace the steps by which the shepherd became the king. It was in these that his character was formed, his sweetest psalms composed, and those manifold experiences encountered which enabled him to interpret and utter the universal heart of man."

"Of the many Sacred Biographies I have written, this has been by far the most interesting. For days and weeks together I have lived in the company of this glorious man; but only to feel that he transcended all one's loftiest conceptions. *The Five Books of Moses* - F. B. Meyer 2016-10-24

To describe this as simply a bedside book is to limit its usefulness. First and foremost it is a book for one's own private devotions, but no preacher or teacher can fail to gain much useful knowledge and thought-provoking material for sermons and addresses. These chapters throw a flood of light on the pages of the first five books in the Bible--every one has its gems of exposition.

Seeds of Faith - Lois Hathaway Vlad 2016-06-01

Have you ever struggled with your faith in God? Do you feel like you are sinking into waves of discouragement over your situation? If you have faith as small as a mustard seed, nothing is impossible for you. We are called to live by faith not sight. Yet trials come and it feels like He has abandoned you when He delays in answering prayer. Fear and doubt may try to overcome you, but faith must be tried to be true. God is bigger than anything you come up against but you must stand on His promises in His Word. You cannot fail if only you dare to believe, put your hope in God, and keep your eyes ever focused on Jesus alone. If you wish to know God, you must know his Word. If you wish to perceive His power, you must see how He works by his Word. If you wish to know His purpose before it comes to pass, you can only discover it by His Word. C.H. Spurgeon
