If you have any knowledge of Olivia Shaw's whereabouts or any relevant information, please contact... I've spent a long time peering into the faces of girls on missing posters, wondering which one replaced me in that

basement. But they were never quite the right age, the right look, the right circumstances. Until Olivia Shaw, missing for one week tomorrow. Whoever stole me was never found. But since I was taken, there hasn't been another girl. And now there is.

Cloaked - Alex Flinn 2011-02-01

I'm not your average hero. I actually wasn't your average anything. Just a poor guy working an after-school job at a South Beach shoe repair shop to help his mom make ends meet. But a little magic changed it all. It all started with a

curse. And a frognapping. And one hot-looking princess, who asked me to lead a rescue mission. There wasn't a fairy godmother or any of that. And even though I fell in love along the way, what happened to me is unlike any fairy tale I've ever heard. Before I knew it, I was spying with a flock of enchanted swans, talking (yes, talking!) to a fox named Todd, and nearly trampled by giants in the Everglades. Don't believe me? I didn't believe it either. But you'll see. Because I knew it all was true, the second I got cloaked.

The Mending Summer - Ali Standish

2021-05-25

Perfect for fans of Orphan Island and Wishtree, *The Mending Summer* is the next stunning middle grade novel from Ali Standish—author of the Carnegie Medal nominee *The Ethan I Was Before* and *August Isle*, *Bad Bella*, and *How to Disappear Completely*—about a girl who is struggling to deal with her father's alcoholism when she discovers an enchanted lake... Some summers are meant to break your heart. Others to mend it. Every once in a while, a summer rolls around that does both. For Georgia, this summer

is shaping up to be a big disappointment. Mama is busy studying for her biology degree. Daddy is working nights, and often the man who comes home isn't Daddy. He's a man who looks like Daddy, but walks a little wobbly. Who sounds like Daddy, but sings a little too loud. Georgia calls him the Shadow Man. So now, instead of riding horses with her friends at camp, Georgia is sent off to the country to stay with her mysterious great-aunt for the summer to avoid her parents' fighting. There, a lonely Georgia meets a mysterious friend named Angela and together, they discover a magical lake—one that can make wishes come true. At first, the lake offers Georgia a thrilling escape from her worries and hope that she can use its magic to heal her family. But as things grow worse at home, a troubled boy appears at the lake and the wishes threaten to spiral out of control . . . Award-winning author Ali Standish explores the courage it takes to piece your heart back together again when those closest to you break

it. "Standish has created a timeless tale of discovery, growth, and relationships. A powerful story about an important topic." —School Library Journal (starred review) "Readers will be drawn into this story of friendship, magic, and the heartbreak—and healing—of addiction."
