Immigration Reconsidered - Virginia Yans-McLaughlin 1990-11-15
Providing an interdisciplinary and global perspective on immigration to the United States, this collection of essays brings together the work of

leading scholars in the field--including the work of such distinguished historians, sociologists, and political scientists as Charles Tilly, Philip Curtin, Kirby Miller, Sucheng Chan, Alejandro Portes, Lawrence Fuchs, and Aristide Zolberg--and represents an important step forward in the development of immigration studies. The book helps redirect thinking on the subject by giving a summary of the current state of immigration studies and a coherent new perspective that emphasizes the international dimensions of the immigrant experience from the time of the slave trade to present-day movements of Asian and Latin American peoples. Immigration Reconsidered challenges ethnocentric American or European perspectives on immigration, disputes the classical assimilation model of a linear progression of immigrant cultures toward a dominant American national character, questions human capital theory as an explanation of ethnic group achievement, reveals conflicting ethnic and racial attitudes toward immigration restriction, and examines the revival of interest in oral history, immigrant autobiographies, and other subjective documents. Offering a new approach to immigration studies for the 1990s, Immigration Reconsidered is important reading for anyone who wants to know how the America came to be as it is today.

Learning and Using Conversational Humor in a Second Language During Study Abroad - Rachel Shively 2018-06-11

This book examines the use of conversational humor in a second language in the context of study abroad. Using a longitudinal design, naturalistic interactions, and a language socialization framework, the study investigates the ways in which study abroad students develop in their production of humor in second language Spanish and discusses how those developments are the result of language learning processes grounded in social interaction.

Dialect Death - Charles E. Holloway 1997-02-13

The Brule Dwellers of Ascension Parish are descendants of Canary Island immigrants who came to Louisiana in the late 1700s. A few residents in and around the Ascension Parish area still speak an archaic dialect of Spanish which is at the brink of linguistic extinction. Because the Brule dialect is in the final stages of what is commonly known as "language death", the case of Brule Spanish presents an exciting opportunity to investigate commonly held assumptions regarding the structural changes often associated with vestigial languages. Its relative isolation from other dialects of Spanish for over two hundred years serves as a sort of linguistic "time capsule" which provides information that is relevant to critical outstanding issues in Hispanic dialectology and historical linguistics. In addition to examining these issues, documenting the specific characteristics of Brule Spanish, and comparing Brule Spanish with other modern Spanish dialects, this book presents a very accessible introduction to the field of language death.

Ven Conmigo! Level 1 Practice and Activity Book - Holt, Rinehart, and Winston, inc 1998-11-01

Forthcoming Books - Rose Arny 2003

The Software Encyclopedia - 1988

Verbal Periphrases in Romance - Mario Squartini 1998-01-01

The series is a platform for contributions of all kinds to this rapidly developing field. General problems are studied from the perspective of individual languages, language families, language groups, or language samples. Conclusions are the result of a deepened study of empirical data. Special emphasis is given to little-known languages, whose analysis may shed new light on long-standing problems in general linguistics.

Ven Conmigo - 2002-03

Presents a Spanish language grammar workbook to accompany a textbook for classes in high school Spanish.

Women in the Medieval Spanish Epic and Lyric Traditions - Lucy A. Sponsler 2021-05-11

The culture of medieval Spain was anything but homogeneous. It varied not only through time, with the approach of the Renaissance, but also geographically, with great differences between north and south. In this study, author Lucy A. Sponsler illuminates the role of women during this interesting period by exploring their portrayal in literature. Women in the Medieval Spanish Epic and Lyric Traditions examines the various ways in which women were portrayed in the formative years of medieval society, as well as the development of these views as new social mores evolved. Employing a thorough examination of the literature, Sponsler reveals that a high degree of respect was demonstrated toward women in Spanish prose and poetry of this period. Her study sheds new light on the role of women in relation to men, family, and social organization in medieval Spain.

ST(P) Mathematics - 1991

Ven Conmigo Grammar and Vocabulary - Nancy A. Humbach 1999-03

Stef Soto, Taco Queen - Jennifer Torres 2017-01-17

A heartwarming and charming debut novel about family, friends, and finding your voice all wrapped up in a warm tortilla. Estefania "Stef" Soto is itching to shake off the onion-and-cilantro embrace of Tia Perla, her family's taco truck. She wants nothing more than for Papi to get a normal

job and for Tia Perla to be a distant memory. Then maybe everyone at school will stop seeing her as the Taco Queen. But when her family's livelihood is threatened, and it looks like her wish will finally come true, Stef surprises everyone (including herself) by becoming the truck's unlikely champion. In this fun and heartfelt novel, Stef will discover what matters most and ultimately embrace an identity that even includes old Tia Perla.

iAvancemos!. - Ana C. Jarvis 2013

Transports students beyond the classroom on an exciting journey through the diverse Spanish-speaking world. The perfect blend of culture, instruction and interaction enables and motivates students to succeed. Units are built around countries and cities. Relevant instruction is based on multi-tiered differentiation in presentation, practice, and assessments.

Ven Conmigo!. - 1996

The Eve of Spain - Patricia E. Grieve 2009-04-20

Finally, Grieve focuses on the misogynistic elements of the story and asks why the fall of Spain is figured as a cautionary tale about a woman's sexuality.

Starfish - Lisa Fipps 2021-03-09

A Printz Honor winner! Ellie is tired of being fat-shamed and does something about it in this poignant debut novel-in-verse. Cover may vary. Ever since Ellie wore a whale swimsuit and made a big splash at her fifth birthday party, she's been bullied about her weight. To cope, she tries to live by the Fat Girl Rules—like "no making waves," "avoid eating in public," and "don't move so fast that your body jiggles." And she's found her safe space—her swimming pool—where she feels weightless in a fat-

obsessed world. In the water, she can stretch herself out like a starfish and take up all the room she wants. It's also where she can get away from her pushy mom, who thinks criticizing Ellie's weight will motivate her to diet. Fortunately, Ellie has allies in her dad, her therapist, and her new neighbor, Catalina, who loves Ellie for who she is. With this support buoying her, Ellie might finally be able to cast aside the Fat Girl Rules

and starfish in real life--by unapologetically being her own fabulous self.
