The Sound of the World by Heart - Giacomo Bevilacqua 2017-07-11

An experiment in social isolation turns into a journey of self-discovery as a photojournalist commits to chronicle 60 days in New York city without talking to a single person. More than just an exercise in observation and self-control, he's hoping to forget a troubled past and mend a broken heart. But the city has a sneaky way of throwing the best laid plans and noble efforts to waste revealing secrets that lie right in front of him. All he has to do is open his eyes ... A touching, vividly illustrated journey through contemporary modern New York, exploring what it takes to find yourself- and maybe your soulmate - in the middle of a crowded, bustling modern world.

Paddington - Michael Bond 2014-07-22

Over fifty years ago, a small bear set out on the adventure of a lifetime. With nothing but a suitcase, several jars of marmalade, and a label around his neck that read, "Please look after this bear. Thank you," he crossed the ocean heading for England. When he arrived at London's busy Paddington Station, he was discovered by Mr. and Mrs. Brown. As luck would have it, the Browns were just the sort of people to welcome a lost bear into their family—and their lives would never be the same. Paddington Bear has charmed readers around the world with his earnest good intentions and humorous misadventures. This newly repackaged edition of the classic picture book, with illustrations by R. W. Alley, is the perfect introduction to Paddington Bear for young readers.

Into the War - Italo Calvino 2014

"These three stories, set during the summer of 1940, draw on Italo Calvino's memories of his own adolescence during the Second World War, too young to be forced to fight in Mussolini's army but old enough to be conscripted into the Italian youth brigades. The callow narrator of these tales observes the mounting unease of a city girding itself for war, the looting of an occupied French town, and nighttime revels during a blackout. Appearing here in its first English translation, Into the War is one of Calvino's only works of autobiographical fiction. It offers both a glimpse of this writer's extraordinary life and a distilled dram of his wry, ingenious literary voice."--from cover, page [4].

Pussypedia - Zoe Mendelson 2021-08-03

Written by the creators of the popular website, this rigorously fact-checked, accessible, and fully illustrated guide is essential for anyone with a pussy. If the clitoris and penis are the same size on average, why is the word "small" in the definition of clitoris but strangely missing from the definition of penis? Sex probably doesn't cause yeast infections? But racism probably does cause BV? Why is masturbating so awesome? How hairy are butt cracks . . . generally? Why is labiaplasty on a global astronomical rise? Does egg freezing really work? Should I stick an egg-shaped rock up there or nah? There is still a shocking lack of accurate, accessible information about pussies and many esteemed medical sources seem to contradict each other. Pussypedia solves that with extensive reviews of peer-reviewed science that address old myths, confusing inconsistencies, and the influence of gender narratives on scientific research--always in simple, joyful language. Through over 30 chapters, Pussypedia not only gives the reader information, but teaches them how to read science, how to consider information in its context, and how to accept what we don't know rather than search for conclusions. It also weaves in personal anecdotes from the authors and their friends--sometimes funny, sometimes sad, often cringe-worthy, and always extremely personal--to do away with shame and encourage curiosity, exploration, and agency. A gift for your shy niece, your angsty teenager, your confused boyfriend, or yourself. Our generation's Our Bodies, Ourselves, with a healthy dose

of fun.

[The Mist](#) - Stephen King 2017-05-23

#1 New York Times bestselling author Stephen King's terrifying novella about a town engulfed in a dense, mysterious mist as humanity makes its last stand against unholy destruction—originally published in the acclaimed short story collection *Skeleton Crew* and made into a TV series, as well as a feature film starring Thomas Jane and Marcia Gay Harden. In the wake of a summer storm, terror descends...David Drayton, his son Billy, and their neighbor Brent Norton join dozens of others and head to the local grocery store to replenish supplies following a freak storm. Once there, they become trapped by a strange mist that has enveloped the town. As the confinement takes its toll on their nerves, a religious zealot, Mrs. Carmody, begins to play on their fears to convince them that this is God's vengeance for their sins. She insists a sacrifice must be made and two groups—those for and those against—are aligned. Clearly, staying in the store may prove fatal, and the Draytons, along with store employee Ollie Weeks, Amanda Dumfries, Irene Reppler, and Dan Miller, attempt to make their escape. But what's out there may be worse than what they left behind. This exhilarating novella explores the horror in both the enemy you know—and the one you can only imagine.

Get Us Out of Here!! - Nicky Eltz 2002-12-01

Dear Reader,What you are now holding is a most interesting book. The world beyond is speaking. It is offering advice, asking for help and giving answers. It exists and speaks about life -- our life here on earth and of possible consequences of our behaviour. It tells us that it is not the same to be humble, loving, good, merciful, loyal and honest as it is to be proud, loveless, bad, merciless, betraying and dishonest. At death this is not forgotten but rather remembered in total clarity. Not only is the punishment, or better yet the cleansing, spoken about; but also the length of this cleansing is so very much more. Then you ask yourself, is it possible? In the Catholic church one speaks about a transitory state which for a very long time has been referred to as Purgatory. Despite there being different theories, this state is always taken seriously. One needs it because one can only come before God cleansed and pure.

Legacy of War - Wilbur Smith 2021-04-20

A brand-new Courtney Series adventure. The action-packed new book in the Courtney Series and the sequel to Courtney's War. Just because the war is over and Hitler dead, doesn't mean the politics he stood for have died too. Saffron Courtney and her beloved husband Gerhard only just survived the brutal war, but Gerhard's Nazi-supporting brother, Konrad, is still free and determined to regain power. As a dangerous game of cat-and-mouse develops, a plot against the couple begins to stir. One that will have ramifications throughout Europe. . . Further afield in Kenya, the last outcrop of the colonial empire is feeling the stirrings of rebellion. As the situation becomes violent, and the Courtney family home is under threat, Leon Courtney finds himself caught between two powerful sides - and a battle for the freedom of a country. Legacy of War is a nail-biting story of courage, bravery, rebellion and war from the master of adventure fiction.

The Colli Albani Volcano - R. Funicello 2010

The Colli Albani Volcano contains 21 scientific contributions on stratigraphy, volcanotectonics, geochronology, petrography and geochemistry, hydrogeology, volcanic hazards, geophysics and archaeology, and a new 1:50 000 scale geological map of the volcano. Compasito - Nancy Flowers 2007-01-01

Living among other people, in their families and communities, children become aware from a very early age of questions related to justice, and they search for the meaning of the world. By fostering an understanding of human rights, shaping opinion and developing attitudes, human rights education strongly supports this natural interest and learning process. This is what human rights education is about and this is what 'Compasito manual on human rights education for children' is for. 'Compasito' is a starting point for educators, teachers and trainers who are ready to deal with human rights education with children of 7-13 years. The book covers the key concepts of human rights and children's rights, and provides substantial theoretical background to 13 key human rights issues, such as democracy, citizenship, gender equality, environment, media, poverty, and violence. The 42 practical activities serve to engage and motivate children to recognise human rights issues in their own environment. They help children to develop critical thinking, responsibility and a sense of justice, and help them learn how to take action to contribute to the betterment of their school or community. The manual also gives practical tips on how it can be used in various formal and non-formal educational settings.

Where Do Diggers Sleep at Night? - Brianna Caplan Sayres 2014-06-24

Truck-obsessed toddlers will want to make the diggers, tractors, fire engines, and more featured in this fun-filled construction tale part of their nightly bedtime routines! Discover what bedtime looks like for the snowplows, dump trucks, giant cranes, and more that dot the pages of this irresistible construction story. Just like you and me, the vehicles in this story get tuckered out after a long day of hard work and need to quiet down and settle in for sweet dreams. Young readers will surely identify as these trucks ask for one more story while their parents sing them a goodnight song and send them off to bed. With a sweet rhyme scheme and an illustration style that's perfect for nighttime rituals, *Where Do Diggers Sleep at Night?* and its things-that-go companions—*Where Do Steam Trains Sleep At Night?*, *Where Do Jet Planes Sleep At Night?*, *Where Do Speedboats Sleep at Night?*, and *Where Do Diggers Celebrate Christmas?*—will leave vehicle-loving kids snuggled up and satisfied.

ABC of Mental Health - Teifion Davies 2009-07-06

Mental health services have changed completely in the UK, and the new edition of *ABC of Mental Health* has been thoroughly updated and revised to reflect this. Providing clear practical advice on how to recognise, diagnose and manage mental disorders successfully and safely, with sections on selecting drugs and psychological treatments, and improving compliance, *ABC of Mental Health* also contains information on the major categories of mental health disorders, the mental health needs of vulnerable groups (such as the elderly, children, homeless and ethnic minorities) and the psychological treatments. Fully up to date with recent mental health legislation, this new edition is as comprehensive as it is invaluable. By covering the mental health needs of special groups, this *ABC* equips GPs, hospital doctors, nurses, counsellors and social workers with all the information they need for the day to day management of patients with mental health problems.

Marcovaldo - Italo Calvino 2012-10-26

A charming portrait of one man's dreams and schemes, by "the greatest Italian writer of the twentieth century" (The Guardian). In this enchanting book of linked stories, Italo Calvino charts the disastrous schemes of an Italian peasant, an unskilled worker in a drab northern industrial city in the 1950s and '60s, struggling to reconcile his old country habits with his current urban life. Marcovaldo has a practiced eye for spotting natural beauty and an unquenchable longing for the unspoiled rural world of his imagination. Much to the continuing puzzlement of his wife, his children, his boss, and his neighbors, he chases his dreams and gives rein to his fantasies, whether it's sleeping in the great outdoors on a park bench, following a stray cat, or trying to catch wasps. Unfortunately, the results are never quite what he anticipates. Spanning from the 1950s to the 1960s, the twenty stories in *Marcovaldo* are alternately comic and melancholy, farce and fantasy. Throughout, Calvino's unassuming masterpiece "conveys the sensuous, tangible qualities of life" (The New York Times).
