*Passovers of Blood* - Ariel Toaff 2020-04-25

For centuries, Jews have been accused of something called "blood libel" or "ritual murder": the killing of non-Jews, often children, to use their blood in bizarre religious ceremonies or to make food. For centuries, this has been denied by Jews. But in fact there may be some truth to such claims after all.

*Manual of Clinical Anesthesiology* - Larry F. Chu 2012-02-20

This portable manual provides a highly visual, rapid-reference resource that presents anesthesia in a practical and clinically-focused manner. Manual of Clinical Anesthesiology guides anesthesiologists in rapid and focused clinical decision making with its practical, clinically-focused chapters on anesthesia management. This highly formatted manual includes chapter summaries to highlight key points discussed within each chapter, color-coded sections to quickly identify information, and icons calling out pearls and pitfalls. Chapters are short and easy to read. The book includes four atlases for rapid reference: Atlas of Transesophageal Echocardiography, Atlas of Regional Anesthesia, Atlas of Anesthesia Procedures, and Crisis Management Cognitive Aids. There is also a Drug Dosing pull-out card for rapid reference. A section covering Anesthesia Phrases in Foreign Languages will enhance communication with non-English speaking patients in situations where an interpreter may not be available.

**The Life of Michelangelo** - David Hemsoll 2018-04-03

The fame and influence of Michelangelo Buonarroti (1475–1564) were as immediate as they were unprecedented. It is not surprising, therefore, that he was the only living artist Giorgio Vasari included in the first edition of *Lives of the Most Excellent Painters, Sculptors and Architects*, published in 1550. Revised and expanded in 1568, Vasari's monumental work comprises more than two hundred biographies; for centuries it has been recognized as a seminal text in art history and one of the most important sources on the Italian Renaissance. Vasari's biography of Michelangelo, the longest in his *Lives*, presents Michelangelo's oeuvre as the culminating achievement of Renaissance painting, sculpture, and architecture. He tells the grand story of the artist's expansive career, profiling his working habits; describing the creation of countless masterpieces, from the David to the Sistine Chapel ceiling; and illuminating his relationships with popes and other illustrious patrons. A lifelong friend, Vasari also quotes generously from the correspondence between the two men; the narrative is further enhanced by an abundance of colorful anecdotes. The volume's forty-two illustrations convey the range and richness of Michelangelo's art. An introduction by the scholar David Hemsoll traces the textual development of Vasari's *Lives* and situates his biography of Michelangelo in the broader context of Renaissance art history.

**Pompeii's Ashes** - Eric Moormann 2015-03-10

Although there are many works dealing with Pompeii and Herculaneum, none of them try to encompass the entire spectrum of material related to its reception in popular imagination. *Pompeii's Ashes* surveys a broad variety of such works, ranging from travelogues between ca. 1740 and 2010 to 250 years of fiction, including stage works, music, and films. The first two chapters provide an in-depth analysis of the excavation history and an overview of the reflections of travelers. The six remaining chapters discuss several clearly-defined genres: historical novels with pagan tendencies, and those with Christians and Jews as protagonists, contemporary adventures, time traveling, mock manuscripts, and works dedicated to Vesuvius. "Pompeii's Ashes" demonstrates how the eternal

fascination with the oldest still-running archaeological projects in the world began, developed, and continue until now.

*The Bunker Diary* - Kevin Brooks 2019-08-06

I can't believe I fell for it. It was still dark when I woke up this morning. As soon as my eyes opened I knew where I was. A low-ceilinged rectangular building made entirely of whitewashed concrete. There are six little rooms along the main corridor. There are no windows. No doors. The elevator is the only way in or out. What's he going to do to me? What am I going to do? People are really quite simple, and they have simple needs. Food, water, light, space, privacy. Maybe a small measure of dignity. A bit of freedom. What happens when someone simply takes all that away?

*The Patient Griselda Myth* - Madeline Rüegg 2019-06-04

From the 14th until the 19th century the last novella of Boccaccio's *Decameron*, also known as the *Griselda* story, has been translated and adapted countless times in many European languages. This story's success can be explained by considering it a myth and analysing how this myth engages with contemporary discourses, such as the definition of the ideal wife, the *querelle des femmes*, the socio-political consequences of social exogamy, and tyranny.

Lost Illusions - Honoré de Balzac 2020-12-01

Lost Illusions (1837-1843) is a novel by French author Honoré de Balzac. Written as part of his La Comédie humaine sequence, Lost Illusions looks at scenes of Parisian and provincial life involving friendship, desire, and literary ambition. Inspired by his own experiences as a journalist and publisher, Balzac sought to tell a story adjacent to his own, a story concerning a young man for whom talent is abundant but recognition is woefully scarce. The novel's protagonist, Lucien Chardon, features in Balzac's work A Harlot High and Low, as does the villain Vautrin, who appears toward the end of Lost Illusions and throughout Father Goriot, one of author's most popular and enduring works. The son of a middle-class father and aristocratic mother, Lucien Chardon is a promising young poet. He lives in Angoulême with his now-impoverished mother—who is also a widow—and his sister Ève. In the province, he spends his days with his loyal friend David Séchard, who encourages his literary lifestyle while studying to be a scientist. David's eventual marriage to Ève only brings the two friends closer together, but when Lucien meets the wealthy and influential Mme. de Bargeton, with whom he flees to Paris, their friendship is lost to Lucien's unstoppable ambition. In the city, abandoned by Mme. de Bargeton and living under his mother's maiden name, Lucien de Rubempré sacrifices morality, friendship, and family at the altar of poetry, slowly becoming another person altogether. Lost Illusions is one of Balzac's most sustained character studies, a novel which critiques humanity and high society as much as it does his own commercial interests as a professional writer. With a beautifully designed cover and professionally typeset manuscript, this edition of Honoré de Balzac's Lost Illusions is a classic of French literature reimaged for modern readers.

*Musicians' Mobilities and Music Migrations in Early Modern Europe* - Gesa zur Nieden 2016-10-31

During the 17th and 18th century musicians' mobilities and migrations are essential for the European music history and the cultural exchange of music. Adopting viewpoints that reflect different methodological approaches and diversified research cultures, the book presents studies on central scopes, strategies and artistic outcomes of mobile and migratory musicians as well as on the transfer of music. By looking at elite and non-elite musicians and their everyday mobilities to major and minor centers of music production and practice, new biographical patterns and new stylistic paradigms in the European East, West and South emerge.

**Balance of Payments Compilation Guide** - International Monetary Fund 1995-03-15

A companion document to the fifth edition of the Balance of Payments Manual, the Balance of Payments Compilation Guide shows how the conceptual framework described in the Manual may be implemented in practice. The primary purpose of the Guide is to provide practical guidance for using sources and methods to compile statistics on the balance of payments and the international investment position. The Guide is designed to assist balance of payments compilers and statisticians in understanding the relative strengths and weaknesses of various approaches. The material reflects the emergence of new data sources and adaptations in the application of statistical methodologies to changing circumstances. Discussed in the Guide are all of the tasks that a BOP compiler normally performs. Appendices contain a set of model BOP questionnaires and a set of model BOP publication tables. Relationships between the balance of payments statistics and relevant aspects of national accounts are covered as well.

The Net Effect - Thomas Streeter 2011

2012 Honorable Mention from the Association of Internet Researchers for their Annual Best Book Prize Outstanding Academic Title from 2011 by Choice Magazine This book about America's romance with computer communication looks at the internet, not as harbinger of the future or the next big thing, but as an expression of the times. Streeter demonstrates that our ideas about what connected computers are for have been in constant flux since their invention. In the 1950s they were imagined as the means for fighting nuclear wars, in the 1960s as systems for bringing mathematical certainty to the messy complexity of social life, in the 1970s as countercultural playgrounds, in the 1980s as an icon for what's good about free markets, in the 1990s as a new frontier to be conquered

and, by the late 1990s, as the transcendence of markets in an anarchist open source utopia. The Net Effect teases out how culture has influenced the construction of the internet and how the structure of the internet has played a role in cultures of social and political thought. It argues that the internet's real and imagined anarchic qualities are not a product of the technology alone, but of the historical peculiarities of how it emerged and was embraced. Finding several different traditions at work in the development of the internet—most uniquely, romanticism—Streeter demonstrates how the creation of technology is shot through with profoundly cultural forces—with the deep weight of the remembered past, and the pressures of shared passions made articulate.
