Collected Poems by Coleridge & Wordsworth - William Wordsworth
2022-11-13

Lyrical Ballads, two collections of poems by William Wordsworth and Samuel Taylor Coleridge are generally considered to have marked the beginning of the English Romantic movement in literature. The immediate effect on critics was modest, but they became and remain a landmark, changing the course of English literature and poetry. Most of the poems in the 1798 edition were written by Wordsworth, with Coleridge contributing only five poems to the collection, including one of his most famous works, "The Rime of the Ancient Mariner". A second edition was published in 1800, in which Wordsworth included additional poems and a preface detailing the pair's avowed poetical principles. Samuel Taylor Coleridge (1772 - 1834) was an English poet, literary critic and philosopher who, with his friend William Wordsworth, was a founder of the Romantic Movement in England and a member of the Lake Poets. He wrote the poems *The Rime of the Ancient Mariner* and *Kubla*

Khan, as well as the major prose work *Biographia Literaria*. William Wordsworth (1770 -1850) was a major English Romantic poet who, with Samuel Taylor Coleridge, helped to launch the Romantic Age in English literature with their joint publication *Lyrical Ballads* (1798). Table of Contents: *Anima Poetae* (By Samuel Taylor Coleridge) *Essays, Letters, and Notes about the Principles of Poetry* (By William Wordsworth) **LYRICAL BALLADS, WITH A FEW OTHER POEMS** (1798) **LYRICAL BALLADS, WITH OTHER POEMS** (1800)

Robert Browning: Selected Poems - John Woolford 2013-11-19
Robert Browning (1812 - 1889) was one of the defining figures of the Victorian age. Famous in his lifetime for his elopement and marriage to Elizabeth Barratt, his critical reputation grew steadily in the years following her early death. Browning's mastery of dramatic verse was evident throughout his career, from such chillingly unforgettable monologues as 'My Last Duchess' and 'Porphyria' to the mature work included in his collection *Dramatis Personae*. This selection, chosen by leading scholars, reveals the innovation, complexity and profound psychological insight that have ensured Browning's enduring reputation and his continuing appeal to readers today. *Browning: Selected Poems* results from a completely fresh appraisal of the canon, text and context of the writer's work. The poems are presented in the order of their composition and in the text in which they were first published, giving a unique insight into the development of Browning's art. An introduction and chronology offer useful background material, whilst annotations and headnotes provide details of composition, publication, sources and contemporary reception. This authoritative yet accessible selection should become the first point of reference for scholar, student and

general reader alike.

Collected Poems - Carol Ann Duffy 2015-11-05

Carol Ann Duffy has been a bold and original voice in British poetry since the publication of *Standing Female Nude* in 1985. Since then she has won every major poetry prize in the United Kingdom and sold over one million copies of her books around the world. She was appointed Poet Laureate in 2009. Her first *Collected Poems* includes all of the poems from her nine acclaimed volumes of adult poetry - from *Standing Female Nude* to *Ritual Lighting* - as well as her much-loved Christmas poems, which celebrate aspects of Christmas: from the charity of King Wenceslas to the famous truce between the Allies and the Germans in the trenches in 1914. Endlessly varied, wonderfully inventive, and emotionally powerful, the poems in this book showcase Duffy's full poetic range: there are poems written in celebration and in protest; public poems and deeply personal ones; poems that are funny, sexy, heartbroken, wise. Taken together they affirm her belief that 'poetry is the music of being human'. *Collected Poems* is both the perfect single-volume introduction for new readers and a glorious opportunity for old friends to celebrate thirty years' work by one of the country's greatest literary talents. It confirms indisputably that 'Carol Ann Duffy is the most humane and accessible poet of our time' (Rose Tremain, *Guardian*).

This Day - Wendell Berry 2014-09-02

Wendell Berry's Sabbath Poems are filled with spiritual longing and political extremity, memorials and celebrations, elegies and lyrics, alongside the occasional rants of the Mad Farmer, pushed to the edge yet again by his compatriots and elected officials. With the publication of this new complete edition, it has become increasingly clear that the Sabbath Poems have become the very heart of Berry's work. And these magnificent poems, taken as a whole for the first time in This Day, have become one of the greatest contributions ever made to American poetry.

Streaking! - Gary Botting 2016-01-20

Half a century ago, Canadian poet Gary Botting pioneered the use of shaped poetry to achieve visual effects often experienced by the reader as vertigo. Most of his published poems pushed the accepted boundaries of poetic and linguistic structure and thematic acceptability. Now his experimental poems are regarded as avant-garde. In Streaking! The Collected Poems of Gary Botting, the poet explores themes of unabashed sensuality in a variety of forms, from haikus, sonnets, odes, and ballads to his full-length poetic drama, Prometheus Rebound. His acerbic wit finds voice in poetic sequences such as Monomster in Hell, where he satirizes his own naiveté as a teenaged missionary in Hong Kong. "His sense of humor - rare in Canadian poets - giggles across the page," says one critic.

News of the World - Philip Levine 2011-02-15

A superb new collection from “a great American poet . . . still at work on his almost-song of himself” (The New York Times Book Review). In both lively prose poems and more formal verse, Philip Levine brings us news from everywhere: from Detroit, where exhausted workers try to find a decent breakfast after the late shift, and Henry Ford, “supremely bored” in his mansion, clocks in at one of his plants . . . from Spain, where a

woman sings a song that rises at dawn, like the dust of ages, through an open window . . . from Andorra, where an old Communist can now supply you with anything you want—a French radio, a Cadillac, or, if you have a week, an American film star. The world of his poetry is one of questionable magic: a typist lives for her only son who will die in a war to come; three boys fish in a river while a fine industrial residue falls on their shoulders. This is a haunted world in which exotic animals travel first class, an immigrant worker in Detroit yearns for the silence of his Siberian exile, and the Western mountains “maintain that huge silence we think of as divine.” A rich, deeply felt collection from one of our master poets.

A.M. Klein: Complete Poems - A.M. Klein 1990-12-15

It is for his poetry that A.M. Klein is best known and most warmly remembered. This collection includes all Klein's poetry, both original works and translations from Hebrew, Yiddish, Aramaic, and Latin. Many of them, coming from all periods of his careers, have never been published. The poems are arranged chronologically according to date of composition. This makes possible, for the first time, an appreciation of Klein's poetic development. The editor's introduction places this development in the perspective of Klein's life and time, and in particular explores Klein's lifelong struggle to reconcile his dual vocations as both a Jewish and a modernist writer. The textual apparatus identifies all authoritative versions for each poem and lists all emendations and all substantive variants in both published and manuscript versions. The explanatory notes gloss obscure terms and references. They also provide a rich context for appreciation and interpretation by drawing connections with Klein's life, his wide reading, and his work as a whole. Wherever possible, Klein's own numerous, but scattered, comments on his poems

have been cited.

Whether drawing from his experiences during the war in Vietnam, exploring his life in the urban north and the southwest, or parodying his beloved Negritude ancestors, Thomas was a lyric innovator.

She-Fire - Mary Jean Irion 2012-05

SHE-FIRE is a modern vision quest whose narrative commentary shows language at work, probing metaphoric meanings. Readers on an armchair safari in Kenya study the human animal—via warthogs, elephants, zebras—confronting ancient religions' fabrications that still command today's America, unchallenged. Many consequent evils have been heaped on nature, human nature, women and sexuality, with medieval supernaturalism as accuser, while it poses as redeemer. Currently, wars of huge proportion loom over spectral tomorrows, as three fundamentalisms force their theistic clichés into power's killing fields, until atheism's dead religions look good. A better way opens with She-fire's mediating journey. It speaks the unspeakable in friendly, engaging ways, learning— from hides of giraffes, mating of lions, clear springs from Kilimanjaro—to evoke religions' transformations. She-fire redefines and relocates the sacred, urging seekers to create what the

human spirit needs for the future, without throwing away what it needs from the past: our Greek heritage, plus the best from discredited faiths. While a thousand are hacking at the branches of evil, this book strikes at the root, (Thoreau). She-fire affirms Life and God, honoring Nature, Earth, Humanity, Universe, Mystery almost palpable as safarists reclaim civilization, where America is still the best place to welcome open civil discussion.
